RETIRED MASON'S CLUB ELECTS NEW OFFICERS

At a luncheon meeting on December 6 at the Y.M.C.A. the Retired Mason's Club elected the following officers for 1966. President, James M. Oswald; Vice President, Claud Reynolds; Secretary, Lloyd K. Whelan; Treasurer, Robert Smith.

Retiring President Henry McIntosh was in charge of the meeting and will continue to serve until the next luncheon and business meeting at the Y.M.C.A. on January 3.

This club meets every Monday afternoon in the Social Room at the Masonic Temple. Any retired Mason who enjoys playing cards or pool or just good fellowship is invited to come.

THE MEANING OF LIBERTY

What caused men to leave their shops and their farms prepared to give their lives fighting against what must have seemed tremendous odds —against the mightiest colonial power of the day—against the might of England? Certainly, at that time, England must have seemed at least as powerful as Russia does today. Yet the thirst for freedom banished fear. These were men and women as you and I—with basically the same problems of bringing up children, of paying the bills, of trying to live their lives peacefully and well. What was it, then, that moved them so that brought forth every resource of courage and strength known to man? The word Liberty? Yes. And the meaning behind the word.

DON'T DIE ON THIRD

By JOHN S. TAGGART
Grand High Priest
State of New York

It was the last half of the ninth, and two men were out. The fate of the game rested with Moriarty, the white-bloused figure that shuttled back and forth at third base. Much as it meant to have advanced that far, third base runs are not marked up on the scoreboard. Third base is not a destination — it is the last way station on the road "home." The world is full of third basers. To leave school, to earn your college degree, to enter a profession, is only to start toward third base. To get the job you want, even to become the head of your business is merely to reach third base. Third base is opportunity, and opportunity is not arrival, it is only another point of departure.

One way to get off third is to wait for someone to bat you off. Another is to get away on your own initiative — Moriarty chose that. It was only a run made in the course of a baseball game; but it has been saying to us these many years — "DON'T DIE ON THIRD." You may be put out, but it need not be your inaction. If the run must die, let it die TRYING. All of us are on bases. Some of us are waiting for someone to bat us further. Suppose he misses? Mullen missed the ball that day — had Moriarty waited, he would not have scored. It would not be right to say that all the world's a baseball diamond; it does offer us the ever present choice between indolence and initiative, but life's rules are fairer. In life there is an inner scoreboard where every effort is credited to your record. Many a valiant run is lost, but the valor of it builds the soul. So, while there's one thing yet to do, and there's always one thing yet to do, or a fraction of time to do it in, "DON'T DIE ON THIRD."

The beautiful and inspiring ritual of the Craft is often described as the vestibule of Freemasonry. As candidates proceed through the various degrees, they are impressed with the idea of progress by such expressions of Light. More Light, and Further Light. Admonished to direct their steps through life by what they find in the Great Light of Masonry, so don't die on third, keep going.

TO THYSELF BE TRUE

One of the most profound thoughts Shakespeare left with us is in Hamlet, where he wrote, "This above all: to thine own self be true, and it must follow, as the night the day, thou canst not then be false to any man."

This takes quite a bit of doing. How many people — including you —could qualify for a list of people who are completely honest with themselves? All of us do a lot of pretending, a lot of dodging. We don't consider ourselves selfish, yet are we generous? We wouldn't call ourselves liars, but don't most of us do our share of harmless fibbing? We certainly aren't dishonest — unless things like sbirking on our job or fudging on our expense accounts or income tax could be considered dishonest!

Have you ever put on an act to impress somebody or hide a secret, and felt a little small about it later? This "being false" to somebody has a way of leaving one feeling pretty hollow inside, hasn't it? A lot of feeling of inferiority could be avoided if we dared to stop kidding ourselves, for if what Shakespeare said is so, that's the surest way to get over deceiving other people.

ON THE KEEPING OF PROMISES

It may seem somewhat strange to mention morals in the same sentence with present-day politics, since they appear to have had little or nothing in common for some time. There are, however, many still in positions of public responsibility who bave not forgotten that there are values which transcend those of place, prestige, and power. It was a deep and abiding appreciation of those values that in times past frequently persuaded men to enlist in public service, and, regrettably, it is what in increasingly fewer instances, now seems to keep them there. In the final analysis the cause seems to be traceable to a kind of psychological stabismus on the part of the electorate. So long as elected officials are chosen on the basis of what they promise to do for this faction or for that group or for a particular vested interest, we shall not better outselves.

Back about the turn of the century one of our President's made the pointed observation that a "public office is a public trust." What he obviously meant was that any person holding public office, he it elective or appointive, is obligated to fill it honorably and to perform its duties honestly. To take an oath of office, as has for many years been required of public officials, binds them in honor to be faithful to the trust imposed in them.

Violations of an oath of office may take any of various forms, but they all represent promises broken and confidence destroyed. Noting the growing lack of any considerable volume of concern regarding such breaches of trust over the years, it seems likely that many of our problems stem from anaesthetized consciences. In a world that seems to be ruled by an insane desire for more and more of its dross, there is neither time nor opportunity for fruitful self-examination.

Among the basic objectives of Freemasonry is the preservation of a clear vision of the great principles that have influenced and guided human progress throughout recorded history. They are identical with those that made this Nation great. As we witness the conferral of the degrees we are urged to lend an attentive ear and to think about the rituals, to weigh carefully what they say, and to draw from their symbolism and manner of presentation such lessons as we can. All of them point the way to wisdom and enlightenment, and the promises voiced by those upon whom they are conferred are made without reservation and are faithfully to be kept so far as may be humanly possible.

These are fateful times; the seeds of the future are in the present. This new breed that now challenges Masonry and its teachings has by intention not been permitted to acquire a sense of historical perspective and perhaps for that reason has also lost its sense of direction. In rejecting the moral traditions of the past it has renounced its birthright — a valid claim to a dynamic and fruitful future. Herein lies Freemasonry's task.

As the Craft approaches the beginning of another year, even more insistent than ever before seems to be the need for individual reappraisal and a will to transform truth seen and heard into truth lived. It has taken but a short time for personal integrity and individual moral responsibility to suffer a major defeat in our land — a period so short that we have not yet come to a full realization of the fact or of its shattering consequences. By the amount that these pillars of the spirit have been weakened, by just so much has our danger grown. With the stifling of the national conscience — a perpetual temporization with consummate wickedness and the sacrifice of integrity to expediency — we abandon our soundest claim to God's grace and mercy.

What the coming year and others to follow may bring forth is known only to Him in whom all Masons put their trust. Whatever it may be, we can be certain that, as our Great Light assures us, His judgments will be true and righteous altogether and that whatsoever we sow, that shall we also reap. May the harvest be a pleasant one.

MASONRY TODAY

(Exchange)

Whatever may have been the origin or purpose of Masonry matters but little at this time. Whether in its primitive form it merely fulfilled the purpose of a trade union, or rising to a higher plane it taught the workmen that the tools with which they were wrought were endowed with symbolic significance in the building of character is, after all, of but little importance. The momentous question is what is Freemasonry today? The pre-historic age lies far behind us, never to return. The present is ours. So let us today live and act by the Masonic application of the tools of our art. By so doing we shall raise for ourselves an imperishable monument of virtue and morality. When this living present shall become the dead and distant past, it is the desire of the true and loyal votaries of the craft that the student of Masonic lore shall find in us an example worthy of imitation, and derive a new inspiration from the work we have done.

JUDGE KINDLY

Don't expect perfection in a man just because he is a Mason. If you do, you will be disappointed. Masonry makes men better, but no human agency makes them perfect. If he is a Mason, you have a right to presume he is a fairly good man, but do not condemn Masonry even if a few Masons turn out bad. Even the great Teacher himself had a Judas. The aim and purpose of Masonry is to receive none but good men, keep them good, and make them better. Judge the Institution, not by a few failures, but by the average of its successes. That average is high and it consequently gives standing to its members, but it cannot be an infallible guide.

The Fraternity may decide to do something which you, as an individual member, may oppose. But do not feel that you must condemn the action on that account. You may be right but do not pull away. Even you are not infallible, and the Institution has stood for so many years, you may feel assured that its average performance will be good.

I PLEDGE ALLEGIANCE

O. H. V. STALHEIM, 32°
1918 George Allen Dr., Ames, Iowa

Masons frequently pledge allegiance to the flag of the United States of America and to the Republic for which it stands. If someone were to ask, "What does this flag signify to you and what precisely does it mean to pledge allegiance," our answers would, in all probability, differ significantly. Let us briefly consider what our flag represents and what we have pledged to it.

In the first place, we look at our flag as the symbol of our country and, personally, the land where my fathers died, the country where I grew up, where I earn a living, and raise my family. It is entirely natural for us to love our fatherland and most of us would gladly sacrifice everything to protect and defend it.

Secondly, we see this flag as a symbol of the ideals and goals which created and shaped this Republic. And when we pledge allegiance to this symbol, we reaffirm our loyalty to the guiding traditions, ideals, and principles of America: freedom, equality, opportunity, democracy, justice, generosity, and truth. True loyalty to these moral and political principles does not require the use of pretentious ceremonies, special uniforms, or involved oaths. It does not insist on a particular version of history, or a particular economic system or social order. True loyalty does not mean constant preference for everything American over everything foreign; it does not mean blind conformity or silence when the truth should be spoken.

True loyalty and allegiance to our flag does mean loving our country, our hometown, our neighbors — not blindly, but loving them for what they are, and sometimes in spite of what they are or what they do. It means willingness to subordinate personal gain for the good of all, to acknowledge the rights and contributions of others.

True loyalty implies a firm belief that this Nation is still young, that it is still the "noble experiment," and that its continued development requires criticism and, at times, disagreement. For without criticism, abuses go unchecked; without disagreement, the system becomes static.

When we pledge allegiance to our flag, we affirm that it was born in revolt, that it was nourished on dissent and protest, and that it flourished and grew strong by experimentation and the courage to advance into the new and different.

Our flag is neither mute nor lifeless. It speaks with eloquence of the hopes, the dreams, the faith of our forefathers; it is a challenge to all Masons to practice the Masonic virtues; it is a challenge for new ideas, new issues, for a new era. It is a challenge to us to make America first, not merely in material matters, but also in things of the spirit; not merely in science and trade, but also in ideals, principles, and character; not merely in the calm assertion of rights, but in the glad assumption of duties; not in splendid isolation, but in courageous cooperation; not in pride, arrogance, or distain for other peoples, but in tolerance and Brotherly Love for all men and all peoples. In this spirit, and with these hopes, let us pledge our allegiance to our flag.

Brethren, I wish to tbank the Lodge for the honor that has been bestowed on me in electing me Master of Three Rivers Lodge. I will do my best to fulfill the duties of the Master. The other officers for the year 1966 are as follows: Kennetb Disler, Senior Warden; Leslie Sills, Junior Warden; Hal Hayes, Senior Deacon; Mike Hitzeman, Junior Deacon; Delbert R. Dennis, Secretary; Hoyt Campbell, Treasurer; Dick Kelder, Chaplain; Marion Baney, Senior Steward; Jerry Walker, Junior Steward and Lee Garrison, Tyler.

The officers of your Lodge were duly installed at a public installation held on January 1, 1966 by Past Masters Delbert Dennis and Roy Roberts, assisted by Brother LaVerne Amstutz. These brethren did a very good job and I wish to thank them each.

The social activities planned for 1966 will follow a similar pattern as in the past, however we are planning some new social events. To date the only activity that is scheduled is the Spring Smorgasbord and Square Dance at which time we host the Corinthian Club. We have Joe Taylor and his Red Birds lined up to provide the music. Please mark the date of March 12, 1966 on your calender as this is the date for this event. Be sure to attend and bring your friends. As the other social events are set up, they will be announced in the Square and Compass as well as in all Lodge meetings.

Shortly after our December 1965 stated meeting, a number of you brethren received a questionnaire. If you have not completed it, please do so and return to me. This is an endeavor to create more interest in the degree work as well as take some of the work load off the officers.

There are many of you brethren that I have not seen in lodge, yet you pay your dues to be a member. Some are unable to attend due to various good reasons, however there are some that just do not come. As your new Master, I am inviting all that can attend to please do so. Our degree work always follows our stated meetings on the second Tuesday of the month. You can expect to enjoy a very good meal at our Master Mason dinners next year as well as the very fine fellowship we bave. Our meals will be prepared by the same capable cooks that have offered their services to several Past Masters.

Our Grand Master, Don A. Burton bas established the "Ten for Ten" program which is designed to increase the funds available to the Masonic Home at Franklin. This is a very worthwhile program and I urge all of you to do your share if possible. Remember, the "Ten for Ten" stands for each member to donate ten cents for ten years or a total contribution of $52.00. If you have not as yet joined this program do so when you send in your annual dues. Also remember, some day in the future, it may be necessary for you to seek admission to the Home and enjoy the facilities available. With your assistance, these facilities can be improved and expanded to meet the demands of our destitute brethren.

Brnthers, wben you were elected to receive the degrees of Masonry, you became members nf the Masonic Fraternity. This did not make you a Mason in the true and full meaning of Masonry. Only when you live and perform the truths and lessons taught by the craft do you become a Mason. The ritual of the degrees can make you a member of the fraternity, but only you can make you a Mason.

Our Tri-State Reunion in 1966 will be at Grand View Lodge in Peoria Heights, Illinois on October 1st and 2nd so put that date down.

On February 22 we plan our Past Master's Night for Master Masons and their ladies. We have a nice program planned for this event beld in honor for those whose service to the lodge has made it wbat we are so proud of today. Brothera, these men are still working hard to keep it that way so lets all turn out for their night.

I want to thank everyone who helped me to obtain the highest honor given to a girl in a Bethel. I'll try to do my best to make our Bethel grow and prosper. First, I would like to thank all the girls who supported me during my years in Job's and while I was coming up through the line. I could never have done it without your help. Next, I would like to thank my parents, and Butch LaRue for helping. I don't know how they did it. To my installing officers, my new officers, my close friends, and the DeMolays in my escort goes a big thank you for your help and support. I owe so much to these people, for making my installation one to remember.

December 18, 1965 was installation. The new officers are: Sandy Burellson, Honored Queen; Janie Bleeke, Senior Princess; Linda Roop, Junior Princess; Sharon Farrar, Guide; Katby Fredericks, Marshal; and Karen Burelison, Chaplain.

Linda Barney and Sue Horstmeyer, Musician; Karen Varner, Librarian; Lynn Bienz, Senior Custodian; Liz Witmer, Junior Custodian; Sally Moore, Recorder; Linda Headford, Treasurer; Donna Smith, First Messenger; Jane Witmer, Second Messenger; Margaret Bleeke, Third Messenger; Bev Wykoff, Fourth Messenger; Vicki Crippen, Fifth Messenger; Carol Pickett, Inner Guard; and Dianne Headford, Outer Guard.

The installing officer was Dianne Simmers Dawson. She made a lovely Installing officer. Those who helped her were: Carole Weesner, Candi Clevenger, Susie Exner, Carol Botteron, Laura Foulks, Sherry Erler Kolhemeier, and Sue Mowery. They all did a beautiful job.

My main two projects for my term are the Christmas tree and the "adoption" of Efthosios Provatidis. The money from my birthday bank will pay for the tree and decorations presented to the Masonic Temple at my installation. The Job's Daughters will decorate it each year. I'm continuing the Foster Parent plan started by Susie Exner, Junior Past Honored Queen. These and many more projects will keep the girls busy.

January the 5th was the pot luck and regular meeting. There was plenty of food and lots of socializing. The girls did a beautiful job on their ritualistic work.

Next meeting is January 20, 1966 and is Past Guardians and Past Associate Guardians night. I hope that we have a large crowd.

Mother's club will be at the Leisure Electric Kitchen on January 6th, 1966. This meeting will be for Mothers and Daughters. Please plan to attend this meeting.

THREE KINDS

There are three kinds of Maso The Mason who has taken tbe grees out of curiosity and after ing accepted as a member, never fin his way again into the lodge roo and forgets wbat he has beard not understood. The Mason who tends when an election is to ta place, or when he can exhibit hims in a public procession, always pa his dues and demands to be bur with pomp and ceremony. And th we have the Mason who at his f inception begins to see the beauties the lessons given in the conferring degrees, and understands tbe tea ings of Masonry, and whn studies know and serve his lodge with fat fulness. He pays every obligati sustains his lodge, accepts ev assignment of duty and may be pended upon always for his work.

The first class mentioned ab never produces a real Mason. T ceremonies meant nothing. One w the gilt button, but is unable to its meaning. The second class is drag upon society. The recogniti and benefits are demanded, and burdens refused. The third cl makes possible that progress with which the Fraternity would long a have fallen into decay and been bu ied unknown in the great pyrami of the past.

The Christmas Rose

When Jesus was born in the little town of Bethlehem, there came Wise Men from the East bearing gifts of gold, frankincense and myrrh.

A little Shepherdess, watching from afar, wept because she had no gift to offer the Christ Cbild.

Where her tears fell to tbe ground, tbere sprang up flowers, which she hastened to gather and bring to the Infant.

In adoration, she knelt at the crib, so Jesus could see the flowers, and where His blessed little hands touched the petals a delicate pink appeared. And so a flower that never bloomed before came into existence — the Christmas Rose.

W.M. Nama Bair was in Mich., 11-28th because of the death of her brother. Assoc. Matron Marguerite Smith, Pro Tem, read a poem on Thanksgiving.

Due to the fact that W.P.H. LeClaire and Conductress Janet Urquhart resigned their Stations, a special dispensation was granted for an election. Gale Davison was elected Worthy Patron and Sister Ruby Mowery, present Ruth point, was elected to the Conductress station.

Estrellita had charge of the Program and refresbments. Sister Kathryn Tierney read an interesting story on how other countries celebrated Thanksgiving ,and also in America.

For our Dec. 14th Chapter, the East and West and Mezzanine were beautifully decorated in keeping with the Christmas Season.

W.M. Nama Bair invited Worthy Grand Patron Clayton Herrick to install four new Officers; Grand Marshall was Sis. Editb McIntosh; Grand Cbaplain, Lucille McClain; Grand Organist, Sis. Doris Leiter. L. Gale Davison was installed as Worthy Patron; Sis. Ruby Mowery installed as Conductress; Sis. Ruth Gordon as Ruth, and Sis. Ruby Murry installed as Sentinel.

Bro. Clayton offered congratulations and best wishes to tbose newly installed officers. He said selection of Officers is a very important event and thanked our W. Matron for the privilege of being tbe Installing Officer. He said his cup runneth over and he counts his many blessings and hopes each one of us will look directly to our God and thank bim for all blessings received and to do it with humility and grateful heart. If we believe in our hearts that what we have is good, then we should so live each day and each minute of our lives by showing our thankfulness for our blessings. He said at this time of year, remember it is Christ that makes Christmas, and nothing else.

Bro. G. Davison and Sis. Ruby Mowery expressed their thanks for the confidence placed in them.

Sis. Isabelle Heltoo says if you haven't contributed to the Bakeless Food Sale, it is still going on through January, so you can still send your contribution in.

Bro. G. Davison would like to remind you to attend the Mason's Night Program 1-11th.

Tbe Choir sang beautiful Christmas Carols for our Program Dec. 14th.

A smiling effulgent sun in the East greeted our members on December 2 as we paid tribute to "humor", the third of Sister Irene's watchwords. "Smiles" was sung as our opening ode. Georgia Garrett was welcomed as an affiliate to our Chapter. Tessie Wise gave an interesting account of her tour with tbe Most Worthy Grand Patron's Mediterranean Cruise.

"I heard the bells on Christmas Day" — and Cbristmas bells decorated the East and rang out at our meeting on December 16. A story of how bells bave been used through the ages was followed by a medley of orgao music played by our organist, Lucille Mumaugh. We welcomed Venie Cox and Margaret English as new members and Nancy McNeeley and Edwin and Percie Klinger as affiliates.

On January 20 we will honor our men. At this time we are inviting as guests Master Masons who are not members of Eastern Star. WHAT MASONRY HAS DONE

(Masonic News)

It bas led men to aim at a higher and purer life.

It has made men appreciate a higher and nobler manbood.

It has made men understand better the problems of living.

It bas permeated the whole world

It bas taught men how to die. with its principles.

It has raised the fallen and rescued the depraved.

It has clothed the naked and fed the bungry.

It bas huilt bomes for the sick.

It bas educated the ignorant and sheltered the fatherless.

It has helped the church to ameliorate the condition of unhappy humanity.

Its influence has benefited governments in establishing justice and destroying despotism.

HOW TO TAKE LIFE

Take it just as though it was, as it is, an earnest, vital and important affair. Take it as though you were born to .tbe task of performing a merry part of it, as though the world awaited your coming. Take it as though it was a grand opportunity to do and achieve, to carry forward great and good scbemes, to help and cheer a suffering, weary, it may he, heart-hroken hrother. Now and then a man stands aside from the crowd, labors, earnestly, steadfastly, confidently, and straightway becomes famous for wisdom, intellect, skill, or greatness of some sort. The world wonders, admires, idolizes; and it only illustrates what otbers may do if they take hold of life witb a purpose. The miracle or the power that elevates the few is to be found in their industry, application, and perseverance under the inner promptings of a brave and determined spirit.

Tim Leeth _____ M.C.
2523 Belfast Dr. ____ 483-1036

Walter Arick _____ Advisor
6927 St. Joe Rd. ____ 748-2714

At our first meeting this month, my term as Master Councilor will come to an end, and the new Master Councilor will take his place as your leader. However, before my term ends, I would like to thank very much Dad Arick, the Advisory Council, and especially my officers, who helped me through my term of office. Although my term will soon be over, I pledge that my loyalty and service are far from over.

I have learned my things while serving in my office, but none as important to me as comradeship. While a DeMolay I have had the opportunity to meet and work with many boys from which friendships have come. I hope that in the future I will be able to help other boys make new friendships and learn ideals which will help them to become better men.

The last month of my office was a very busy and exciting one. The first meeting of December was a very important one to the chapter. For on that day, December 8th, the new Master, Senior, and Junior Councilors were elected. Winning support as Master Councilor was Tim Leeth. Elected to the offices of Senior Councilor and Junior Councilor were, respectively, Benny Barnes and Mike Westfall. Congratulations to all of you. Also elected was our chapter sweetheart, who will be our representative at the State Conclave. Her name will be announced in the next issue.

On December 11, the Saturday Initiatory and DeMolay Degrees were given to the Dad Emery Tucker class. Five boys received the Initiatory Degree and twenty-eight boys received the DeMolay Degree. Along with those from our chapter, there were seventeen boys from the Angola Chapter who received the Degrees. The Flower Cermony, a tribute to a DeMolays greatest possession — his mother, was also presented to these boys.

On December 22 the Awards Night was presented after the meeting. At this time several boys received merit awards for their service to DeMolay and its activities. Congratulations to those boys. Keep up the good work. For information concerning how you can receive awards, come to any meeting and ask or contact your Master Councilor.

On December 30 my last event as Master Councilor took place. Our annual Christmas dance — Icy Hollow — was held at the Scottish Rite. At this event I had the privilege of crowning the chapter sweetheart. I'm sure everyone who attended will agree that it was a real success. I would like to thank Woody Neff's band for their music and especially thank the Scottish Rite for putting on this event for the DeMolays.

I would like to close my last article with two statements. First, good luck to Tim and all his officers for a real successful term; and second, I would like to say to all the members that the only way you will reap anything from DeMolay is by putting something into DeMolay. So, please, get out and support Tim and his officers so that they can help you to be better DeMolays and better men.

The Mother's Circle will hold their next meeting on January 17th at the home of Mrs. James Whitehurst. The address is 2512 Vance Avenue. The program will include a symposium with Judge Joe Christoff. This plans to be a very interesting meeting and all mothers are urged to attend.

MASONRY AND THE ART OF LIVING

By Ben Mordecai Halevi

Freemasonry is a science which teaches man the art of living with spiritual satisfaction to bimself, in happy association with his neighbour, and ever with obeisance to the Great Architect of the Universe.

The students of this science are banded together to teach one another and others, appreciation of the gift of Life, of the Divine Spark within the breast of each; it also instructs us how best to use that gift and never to abuse it.

We have a sign, grip and word which are kept secret, so that we may recognise one another when meeting in the mundane world, where it is well know that Freemasons subscribe to the Brotherhood of Man under the Fatherhood of God.

The candidate entering Freemasonry after acknowledging his belief in God, is, however, in the dark as to our rites and ritual, our customs and ceremonies. This does not refer to the absence of material or physical light but to the neophyte's ignorance of our teachings.

The first lesson man must learn is to know himself; with study he will find in which direction he is wanting, and by perseverance and further study he may remedy these defects.

Next he must learn to know his fellowman. He must be prepared to chasten the haughty mien, encourage the flagging spirit, aid the stumbling footstep, and be always ready to extend the warm hand of friendship to all good men and true.

Lastly, but by no means least important, if man is to leave this Vale of Tears the happier for his having passed this way, he must afford his neighbour an opportunity of knowing him.

As children our parents taught us to mind our own business and not to meddle in other people's affairs. This age old advice is still very wise counsel; however it must not be construed in later life to mean that man must remain anchored to his desk or to bis bench or wedded to his shop counter. He must be prepared to step out to meet bis neighbour and to have his neighbour know him. By so doing, man learns that his problems are not specifically his own, but are similar in most instances to those of his neighbour. A discussion of this community of interests will more often than not lead to a satisfactory solution of problems, common to both.

In other words, man must avoid becoming a recluse, a hermit, an introvert. He must learn to mix with his fellowmen.

In assessing the value of this gift of Life the Freemason places empbasis upon the spiritual and not upon the material which loses its lustre as man approaches the end of life's earthly journey.

Thus it is readily comprehended that the first Great Light in Freemasonry is the Volume of the Sacred Law, the worth and the beauty of its inspired lessons being undiminished by the passage of time.

In brief, Freemasonry demands that Man knows himself, his fellowman and the divinely inspired lessons found in the Volume of the Sacred Law, which Book always lies open upon the Altar whilst the Lodge is at labour.

Stated Meeting
First Thursday

Paul E. Dunn _____ W.M.
1820 E. Pontiac St. ___ 456-2989
Fort Wayne, Ind.
Alvan A. Tharp _____ Secretary
Box 53, Leo _____ 627-3206

Brethren: Another great year for Leo Lodge has run its course under the very capable leadership of Harold Shie, immediate Past Master.

On December 2nd at our stated meeting the following officers were elected to serve for the year of 1966: Worshipful Master, Paul E. Dunn; Senior Warden, Robert R. Morris; Junior Warden, Garl E. Miles; Treasurer, Harold B. Rediger; Secretary, Alvan A. Tharp; and Trustee (3-year Term) Harold L. J. Shie. Appointed Officers are: Senior Deacon, Byron W. Fleming; Junior Deacon, Ralph R. Hill; Chaplain, James L. VanZile; Senior Steward, G. Edward Hager; Junior Steward, Burton W. Fry; and Tyler, Thomas A. Bastahle.

I wish to express my gratitude for the honor you have hestowed upon me hy electing me Master of your Lodge for 1966. Realizing full well the great responsihilities you have entrusted in me, I pledge my best efforts to fulfill them. With my fine staff of officers to assist me, I am confident that we shall have a successful year.

The attendance at our Tahle Lodge commenorating the Feast of St. John the Evangelist on Decemher 27th was most gratifying. The display of Masonic Charity — passing the Box of Fraternal Assistance — was most heart-warming. Brother Harold O. Martin, Past Master of Home Lodge delivered the address, which was very enlightening and stimulating. The Junior Warden provided a feast that was enjoyed by all present.

On January 1st, we had our traditional oyster stew and potluck carry-in dinner. The puhlic installation of officers, under the capahle hands of the Installing Officer, Joe A. Blough, was well attended. It will be a night long remembered and cherished by your Master.

The designs for the Year 1966 have heen placed on the Trestleboard. The officers pledge themselves to do their share in fulfilling these designs. Our program for the year has heen formulated in an endeavor to capture three ruffians — Cheerlessness, Monotony, and Dullness — loose in our Lodge room. I challenged each memher to attend at least one stated meeting during the year and put forth their efforts to capture these ruffians. A letter will he sent to each memher outlining in more detail the designs on the Trestleboard.

To keep the memhers of Leo Lodge better informed, we have estahlished a telephone communication system that will enahle us to contact every memher of Leo Lodge in the commuting area. Each Officer will contact three memhers and these memhers in turn will contact three other memhers. At the present time, we have 116 memhers living within commuting distance of the lodge and I am confident, that with the assistance of our officers and the telephone communication system, we can attain a goal of 25% attendance at each stated meeting.

May I extend to each of you the hest wishes for the Holiday Season and Good Health and prosperity for the coming year.

John for a joh well done for the past 8 years as secretary of our Lodge.

Since this is my last visit with you in the Square and Compass, I would like to take this time to say thanks to my fine corp of officers this past year. They made my year as Master easier, without them I would have heen lost as any Master would he.

Dear Brethren: As the shades are heing drawn on the year 1965, it is with mixed emotions that I leave you. A year ago when I hecame your Master I could see so mucb that should be done. Twelve months, really is a very short time and one can not hring ahout a radically, or revolutionary change in such a short span.

However, if I have contrihuted even one thing that will live, and be adhered to, I will he eternally grateful. This I helieve I have done.

We have now estahlished a voluntary huilding fund in Olive Branch Lodge and all Brethren, are welcome to contribute. Our Lodge is an old one and had this heen estahlished years ago, there is no way of knowing where it might stand today.

During the coming year all Past Masters will receive the Indiana Freemason, one of the hest Masonic puhlications in the United States, in the hopes that it might kindle a spark in the hearts of all true Masons and once more enroll them in our fold.

Election of officers was held on our Stated meeting Dec. 9, 1965. Officers elected were Boh Mix, Worshipful Master, Rex Marquardt, Senior Warden, Mervel Smith, Junior Warden, Lloyd Brown, Secretary, and Russell Niereiter, Treasurer.

Our new Master Boh Mix, wishes to inform you that our Secretary, Lloyd Brown, will put on a special entertainment session during the Stated meeting on January 13th. This will he a recording on an interesting and important Masonic subject. The new master will also appreciate an opportunity to welcome all memhers. Refreshments will he served.

So long Brethern, I have visited you hefore in the Square and Compass hut henceforth I can only visit you in Lodge.

The quest for freedom is not simply a thing added on, as dictators and hureaucrats seem to assume, or even one of the luxuries of integrity. It is a part and parcel of the stuff which human life is made, built through a hundred million years of evolution, a million years of pre history, thousands of years of history. When the circumstances of a man life deprive him of freedom, they also deprive him of the sanity and maturity for which he was born. Without freedom he cannot huild up and toughen those inner resources which give him the flexihility and initiative so necessary for the give and take of life.

INSPECTION OF FORT WAYNE AND STAR OF THE EAST CHAPTERS

Sister Sallie Turner, Worthy Grand Matron of the Indiana Grand Chapter, Order of the Eastern Star made her official visit for the joint inspection of Fort Wayne Chapter No. 432 and Star of the East Chapter No. 514 on Saturday, January 29.

A "Carousel of Love" theme was used in the dining room. The tables were decorated with Carousels of silver holding cupids and red roses. A back drop carried out the "Love" theme with love birds and cupids. A delicious dinner was prepared by Star of the East Chapter and served by Fort Wayne Chapter.

For the inspection the Commandery Room was decorated with large silhouettes of our Worthy Grand Matron and Worthy Grand Patron mounted on red velvet. The same small silhouette of Sister Sallie was used for vouchers. A "Tree of Love" decorated with angels, representing each of the twenty-eight Chapters of the District, was in the East. Back of each point's chair was a large beauty vase of red roses.

The Worthy Grand Matron held a baby dedication and was assisted in this ceremony by our Worthy Grand Patron, Clayton L. Herrick. An award of Gold was presented to Helen M. Waggoner of Star of the East Chapter.

Brother Robert Mumangh, Worthy Patron, invited the Fort Wayne Chapter Officers into the Chapter room for the Opening. Words of welcome were extended to all by Worthy Matron, Irene Lyttle. The Worthy Grand Matron and Worthy Grand Patron and other distinguished guests were introduced and escorted to the East. Nama Bair, Worthy Matron of Star of the East Chapter, and her officers exemplified the initiatory work under the direction of Gale Davison, Worthy Patron.

Sister Sallie Turner, W.G.M., brought an inspiring message to the members. The example of loyalty, sincerity, and dedication that she has shown to our Order will stand as a great lesson to all. We are very proud of Sallie and Clayton who have led us so well through the year 1965-66. We wish for both God's blessings as they prepare for their Grand Chapter Session.

This being the last inspection in District 14, Sister Betty Surface, Deputy of our District, conducted a farewell ceremony for all the presiding Matrons and Patrons in District 14.

At a social hour following the meeting, refreshments were served by the Past Matrons of both Chapters.

THE NEED FOR FREEMASONRY

One of the worries of a lodge administration is the brother who, having received his three degrees, becomes an infrequent attender and then stays away altogether. In time his resignation is received or he is excluded for non-payment of dues. Some lodges shrug this conduct off as a personal idiosyncracy and not worth bothering about but others are more conscientious and are inclined to worry over him or send expeditions after him to ascertain why he is absenting himself. But recovery patrols are seldom successful for they fail to rekindle the spark that once was burning and usually the delinquent is written off in favour of more rewarding matters. After all, it's his loss, they say.

But the loss is Freemasonry's loss, too, because a proposer and seconder once declared that he was of the right material, an investigation committee reported on his fitness for membership and the brethren sat in open lodge and balloted for him. This would not have been done had there been any douhts. A resuscitation operation is therefore justified but a lodge that loses a member in this way should, in its own interests, make sure that the fault is his and not theirs, that he left the lodge because of good and sufficient reasons and is not crowded out or frozen out hy indifference or neglect.

Sometimes we lose members because, they say, Masonry is not active enough. They quote the service clubs as illustrations of what Masonry should be doing, heedless or unaware of the fact that Masonry's function is quite different from that of a service club. Service clubs do excellent public work and attract the interest of community-minded men hut Masonry is a different kind of thing altogether. It is a brotherhood and came from the centuries when men banded themselves together for their own protection. Modern Masons are direct descendants from the cathedral builders of the Middle Ages where the erection of stately edifices was a highly skilled and dangerous occupation. A sharing of the risks involved was the main purpose of the lodge so that when a mason suffered a disaster involving his death or accident his brethren came to his rescue or to the assistance of his family.

In the course of a study of the principles on which churches were erected a strong moral ingredient was introduced in the operative activity of the masons. In the Book on which the teaching of the church was hased there are glamorous reports of the great temple that King Solomon erected to the glory of God. The builders took it as an example and tended to measure every construction hy this yardstick. The Temple of Solomon became the great inspiration of the Craft, a kind of Vision Splendid to inspire and exalt all who worked in the services of God. In the legends that were woven around this great structure the wisdom of Solomon and the assistance he received from his neighbour Hiram of Tyre became important commodities. From this grew the teaching that God was the Father and we, His children, were brothers. The Craft thus became the first great brotherhood.

In the fullness of time the Masons established a great tradition, and it was incorporated in their teaching and in their obligation. A Mason was taught that he was to befriend and assist a brother Mason; that he was to extend to him he hand of friendship; that his feet would travel through trouble to unite with his in forming a column of mutual defence and support; that he would remember a brother in his prayers and guard his character in his absence. These requirements were not designed as platitudes but as rules for action. They are not always observed as such hy present-day Masons.

The service clubs are not bound in any such consideration. Their function is the pursuit of public works and charitable eauses, hut excellent though these be the world is far more in need of brotherhood than anything else and consequently we must not neglect the great body that fosters and inspires brotherhood.

If we spend less time in worrying about the transitory brethren who have left us and more in devising how we can instill the great teachings of Freemasonry in the minds of the hretheren who are still with us we will be helping to huild a brotherhood that will become an example to mankind. The world is in need of hospitals, institutions, charitable enterprises and the like, we know, hut it is in greater need of the spirit of hrotherhood, and while Freemasonry can claim no exclusive use of that virtue it still remains the greatest fraternal institution in the world. Men who leave it are clearly unappreciative of the things it teaches and the example its members can provide in decent and sober living.—West Australian Craftsman.

Fraternal Greetings Brethren: Some events happen too early or too late to appear in the Square and Compass at the proper time. Even so, it is never too late to mention our installation of officers, held in the Lodge room January 1st. This is an event long to be remembered and we were proud of our Past Masters who performed this fine ceremony. Joe McDowell served as Worshipful Master; Simon Hartsing, Marshall; and Charles Bandy, Chaplain. These brothers made the ceremony very impressive to us and our families. We again, thank them, for the pleasure they gave us New Years day. I feel they have gotten us off to a good start for the New Year.

At our January 6th stated meeting — two petitions were received for membership by initiation, so we will have degree work in February and will need help from the brethren.

Have you noticed the new faces of the brethren taking part in the Fellowcraft team? Namely Harold Sullivan, 1C; Robert Foreman, 2C; Edward Miller, 2G; Donald Fisher and Lloyd Pinkerton. We welcome you brethren who wish to take any part. Robert Witchey S.W. will be in charge of the Craft this year, assisted by Duane Cole and Kay Ratcliff. Mention your desires to them and they will place you. For a successful year every brother should participate.

At the time of this writing your Worshipful Master, Senior and Junior Wardens and Secretary are looking forward to our visitation to Founders Day at Indianapolis, which is always an inspirational meeting. You will be informed more about this in the March issue.

I wish to thank the (17) Brethren who made it out to Veterans Hospital Jan. 10th. You, of the Brethren, who bave not participated in this fine work — do not realize what it means to these men whom we chat with. They look forward to these visits — let's not disappoint them. Our next is Feb. 28th at 7:30 p.m.

On Monday, January 17th we had our Annual Officer Committee dinner meeting. This was held at the Hobby Ranch House. After which we went to the home of the Worshipful Master to discuss our plans for the year. We have much to do this year and are planning an extensive program which we hope will be pleasing to you. I hope you will plan on spending an evening or two with us each month. Especially the 1st and 4th Thursdays. The first is our stated meeting when the business of the Lodge is taken care of. The fourth our Master Mason night, and between degree work, we will eat at 6:30 p.m.

Mark this on your calendar now—Thurs., Mar. 31st, Past Masters and Ladies Night. We will have a fine dinner prepared by Cecila Stahler, who has been our cook — these past years. Also special entertainment will he furnished. Hope to see you there.

Spacc will not permit making mention here the names of the many brethren who are ill. For them, we pray for Gods blessing and to restore them to good health. While writing this I just received a phone call—Harold E. Bolyard, a 46 year member has suffered a heart attack and will be at St. Joseph Hospital Room 801. Make inquiry and visit the brothers who are ill.

Lest we forget — just a reminder, your 1966 dues are now overdue and after March 1st there is a two dollar delinquent fee.

Our Motto: We are builders. Every member a helper in 1966.

Greetings Brethreo. On January 25, 1966, Brother Arthur D. Fulton was raised to the Sublime Degree of Master Mason. I want to welcome Brother Fulton to the greatest fraternal organization in the world. For you Brethren that did not attend the Master Mason Degree, you missed a lot of Masonic fellowship as well as a good meal.

We have no other candidates at the present time so we will only have the stated meeting in February. I would like for all brethren who can possibly attend, to be at this meeting. In addition to the regular meeting, Worshipful Brother Mohr is to have a Masonic Education Program. I do not know what it will be, but I am sure it will be of interest to all. Mark this date, Feb. 8, 1966 on your calendar and plan to atteod.

"To soothe the unhappy, to sympathize with their misfortune, to compassionate their miseries, and to restore peace to their troubled minds—." We have all heard these words. It is possible to accomplish this ideal and it is the duty of all Masons to do so. On Monday, Feb. 14, 1966 you can have this opportunity simply by joining all of the Brethren of Three Rivers Lodge at the Veteran's Hospital at 7:30 p.m. You will find men of all walks of life here in this hospital, even Bro. Masons. Many of the men have no visitors while other have an accosional visitor. Regardless, they all like to have someone stop and say "Hello, how are you?" This is a good chance to promote the "Tennants of a Mason's Profession". For you Brethren who have been hospitalized, you know how much it means to have visitors at the proper time. We can spread the works of Masons very easily by attending the Vet's Hospital Visitation program on Monday, February 14, 1966 at 7:30 p.m.

Senior Warden Disler, Junior Warden Sills and myself journied to Indianapolis with the officers of the Fort Wayne and surrounding area Lodges to attend the Annual Founder's Day Observance put on by the Grand Lodge of Indiana. A bus was chartered for this trip and approximately forty officers in this area made the trip. Brother Sills will make a full report on this meeting at the February Stated Meeting.

In my January article I asked for those Brethren who had not filled out the questionnaire to please do so and return. These questionnaires are not coming back very fast. Please return yours promptly.

Again I want to remind you of our annual Smorgasboard and Square Dance slated for March 12, 1966. At this event we host the Corinthian Club. Tickets will be available soon from all lodge officers as well as members of the Corinthian Club. Joe Taylor and his Red Birds will furnish us with the music. Please plan to attend and bring your friends.

The Brethren known to be on the sick list are Floid Brake, who is now at the Long Term Care Unit at Parkview, Past Master. Dumford, who is recuperating at home and Brotber Boh Metzger who is also at home after being in the hospital. All of these hrothers would enjoy having visitors. Our Chaplain, Brother Dick Kekler is the man to advise if you hear of a sick hrother or you yourself should become ill. His phone: 745-1925. If you cannot get Dick, call any of the other officers. This is the only way we know of our sick brethren. I wish all a speedy recovery.

Don't forget Brethren, the date outlined above and attend your Lodge.

Brethren: The officers of Waynedale Lodge attended the Founders Day conference io Indianapolis on Jan. 15. Founders' Day is for the top lodge officers at the start of their term of office, for information which will help each to serve his lodge more effectively.

Job's Daughters, Bethel No. 128 is going to serve a ham and bean supper before one of our meetings in the very near future. You will be informed of this dinner by letter. I hope as many as can of the members of the lodge will come to show our approval to the Job's Daughters.

We expect to have work in February. Lets fill the lodge hall every lodge night, the more the merrier, and meet old friends and make new ones. I hope every member of our lodge living in town will make an effort to come to lodge at least once in the coming year. Coming to lodge is an easy habit to get out of, but it is also just as easy to get back into this habit and I know you would never regret it.

I hope to see everyone in lodge.

Greetings My Brothers. It seems like only yesterday that I wrote an article for the Square and Compass. In my article I announced that Albert Fisher was one of the installing team but upon greeting the officers on installation night I was happy to meet LaVerne E. Amstutz who is a Past Master of Three Rivers Lodge. Thanks LaVerne for the wonderful job you did.

We had no candidates for the month of January so we had two practices on the Monday nights following our stated meeting. On January 31st. the Officers went to the Veterans Hospital to be with Paul Mueller. We hope that we were of some help in trying to bring cheer to our Veterans of all wars and to our Masonic Brothers who are patients.

Your Worshipful Master, Junior Warden, and Secretary had the pleasure of making our annual trip to Indianapolis. This was your Junior Warden's first trip and we both learned a lot. We were sorry that Dale Shupe your Senior Warden was unable to attend this year.

I received a telephone call from your Senior Warden that Taft Koury is in the Parkview Hospital Room 346. Our best wishes for a speedy recovery. If you know of any of your brethren being ill please tell our sick committee or call me with out fail. This is one of our Masonic duties.

In the January issue of the Square and Compass I misspelled the name of the chairman of the sick committee. I wrote Hubert Steinbarger and it should be Hubert Steinhacher. I am sorry for this error.

As we the Officers of 1966 have pledged ourselves to South Gate Lodge and a successful year. Let all of you pledge your support to your officers by attending Lodge. See You In Lodge.

Fraternal Greetings Brothers from the officers of Home Lodge. As I promised you, the list of committees for 1966 are as follows: Ways and Means, Donald C. Stoneman P.M., Irvin L. Burelison P.M., William P. Reinbold P.M., Finance, David Mills P.M., Laurence Miller P.M., Francis Ray P.M. Preliminary Instructions, Roland Magee, Richard Taylor, M x Plummer. Veterans Hospital Visitation, Carlos Porter. Visitation of the Ill, Roland Magee. Lodge Photographer, William Reinhold. Telephone Master List, Sam Masloub and James Lucas. Lodge Organist, Elmer O. Barcus. Lodge Historical Committee, James Farrar P.M., David Mills P.M. Masonic Home Committee, James Farrar, Ralph Roller P.M., Elmer Barcus. Masonic Education, Russell Prince. Charity, Harold Salisbury, Lloyd Bouillon, Russell Prince. Publicity and Entertainment, Lloyd Bouilon. Funeral Services, Harold O. Martin P.M. (Orator) and Max Plummer (Chaplain, Guilford Plummer (Arrangements). Tri-State Reunion, Russell Prince. Education and Coaching, Carlos Porter EA°, Russell Prince FC°, Lloyd Bouillon MM°. Ticket Sales, Roland Magee, Richard Taylor, Max Plummer. Flowers, Carlos Porter. Banquet Preparations, Russell Prince. Fellow Craft Committee, William Reinbold (Organizer), Richard Sieling, Paul Sharpenberg and James Ross.

We will honor our Past Masters on February 22, 1966 by having a banquet for them. It is only fitting to have the occasion on this date because it is the birth date of George Washington who has added so much to history, both for the country and for Masonry. Our own Past Masters have added their bit to the history of Home Lodge that makes it the Lodge of which we are so proud. Brother Lloyd Bouillon has told me that he has for this occasion the Reverend L. G. Sapp of Forest Lodge F&AM, Butler, Indiana, for the principal speaker. He is the minister of Forest Park Methodist Church. Tickets are available from all officers and many of the brothers. There is a $1.50 donation for each person and this is for Master Masons and their ladies. Brothers try to get your tickets early so Brother Prince is able to plan the meal. The dinner starts at 6:30 p.m. (I think Brother Lloyd has a real surprise for all who attend).

This is a reminder for the brothers who haven't as yet paid their dues. There is a $2.00 delinquency fee if dues are not in by March 1st. Don't forget to include your donation to the home. We are trying to make the 10 for 10 program a real success. At our Past Masters Banquet our Past Grand Master, the Ill. Clyde E. Flowers will have a talk and slides about the 10 for 10 program.

Brother Prince reminded me that October 1 and 2 are the dates for our Tri-State Reunion. The best recommendation for this event is for you Brothers to talk to some one who has been there.

At our Veterans Hospital visitation January 3 we had a nice turn out. If you have never been to the Veterans Hospital try to make the next visit with us. It is very rewarding.

Brother Walter L. McLaughlin who had an operation at the Parkview is recovering nicely at his home. He welcomes visitors at 4536 Austin Drive. He is the manager of Krogers in South Gate and is known to most of us as Mac.

We may have degree work in February. Be sure to watch the Masonic Calendar for this and come on down and join the fellowship.

Until next month remember there is no place like HOME.

DO IT NOW!

If all of the things that could have been done,
Were done at the time that should have been done,
There never would be any reason to say,
"Do it now!"

If our unanswered letters were answered,
And all thoughtful acts were performed,
There never would be any reason to say,
"Do it now!"

If we didn't cling so tight to our old friends,
And neglect to make any new,
There never would be any reason to say,
"Do it now!"

If all of the things we thought about doing,
Were done each day as it passed,
There never would be any reason to say,
"Do it now!"

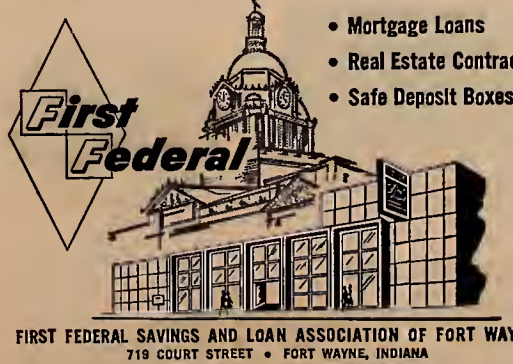
But since we are all very human,
And tend to forget as we go,
Let's remind ourselves of kind deeds undone
By the three little words,
"Do it now!"

Greetings! We sincerely hope that the first month of the new year has been a good one for you and has given you an opportunity to recover from the many activities of the holiday season.

Your Worthy High Priestess, Soj. Anna Mae has only four meetings left of her year and it would please her greatly to see many sojourners out for these meetings.

On February 11th we will honor our Charter members and celebrate our birthday. Plan now to attend. We have only a few charter members residing in the Fort Wayne area and we hope to see them present at this meeting.

On February 25th the annual Memorial Service for our departed Sojourners will be observed.



The Orion Club (Past Officers of our Shrine) will hold their monthly meeting at the home of Soj. Mildred Igney with Soj. Hilda Campbell assisting. It will be a potluck.

Cheer Committee report: Soj. Hazel Dehler, who had planned to spend the Christmas holidays with her granddaughter and great-granddaughter in California, had to postpone her trip because of the flu. Soj. Glenn McComb is back in Parkview Hospital. Soj. Edna Mapel was in Lutheran Hospital but now at home. Soj. Shirley Bly home with a sprained knee. Soj. Earlene Putt had surgery in October. Soj. I Made A Friend Today

If I could make a friend today
I would not ask for greater store,
If just one soul would just come and say
"We shall be friends ever more",
I would not need to count my gold
Tonight when busy labor ends—
My heart a greater wealth would hold
If I could say, "I made a friend",

If I could have a friend tonight
I did not have at this day's dawn
One band that held my own as tight,
One breast that I could lean upon,
I would not need to calculate
that daily profit, worth of trade,
Tomorrow's gain to estimate,
if I could say, "A Friend I Made".
I thank thee, Lord—I know I made
A FRIEND Today!

The attendance at our first couple of meetings was wonderful. I want to thank all of the parents who came out to support us. We need parents but we also need girls. If each one of us would bring one friend back in Job's, our attendance would be greater. Each girl should try to spread the ideals of Job's Daughters.

January 19 was Past Guardians and Past Associate Guardian's night. I was glad to see so many old friends back on this night. Each one of these men and women has worked hard in the past for the ideals of Job's. It is the least we can do to recognize them for their work.

February 2 was Master Mason and Eastern Star night. Our special guest was Clayton Herrick, Worthy Grand Patron of the state of Indiana. Other special guests were all Worthy Matrons and Worthy Patrons and All Worshipful Masters of Fort Wayne lodges. All had a nice time. I know that we made a lot of new friends during the evening. I would like to thank everyone who attended.

Our next meeting is a regular meeting. We are planning to get out early so that we may go to Columbia City the next night for Inspection. That is Feb. 16. I hope that a lot of girls go up to see our Grand Guardian.

Mother's Club for February will be held February 14, Tuesday at 7:30. The place will be announced later. March Mother's Club is March 14 at 7:30 at the Old Barn Ceramics, 9803 Bethel Road. We hope that they have a nice turn out. All Bethel girls' mothers are invited and welcome.

Girls: Dues are delinquent February 28. Please pay dues on time. There will be a 25¢ fine for late dues.

We are sorry to report that both Mrs. Ray Swinford and Mrs. Albert Ungerer recently lost their fathers. Our deepest sympathy is extended to them.

No Greater Honor for Those We Love

Ynu May Wonder Why you should consider this subject at a time wben you bave no need for it . . . or, you may assume that a place that will be as beautiful as the St. Paul Mausoleum is meant only for the wealthy. First of all, this is a need we must all face. If you find it difficult to discuss this subject now wbile you can think calmly . . . imagine bow painfully difficult the same subject will be for someone you love . . . on that inevitable day wben discussion cannot possibly be postponed.

The man who cares — prepares, and is loved for it

Secondly, you say it's too expensive. Our answer is simple . . . it actually costs less . . . for burial above the ground is priced below the cost of average burial under the ground, and it can be paid for at your budget convenienee without interest or carrying charge.

No man's judgement is better than bis information. Why not mail the coupon . . . and we will send you complete information without obligation.

MASONS NIGHT

Courage, Brothers, do not stumble.
Though thy path hy dark as night
There is a star to guide the humhle.
Trust in God and do the right.
Let the road he dark and dreary
And its end far out of sight,
Face it hravely, strongly or weary—
Trust in God, and do the right!

At the December 28th Chapter our W.M. Nama Bair, thanked the Cheer Committee for preparing and delivering Christmas haskets to our shut-ins.

Sis. Crystal Moorman read "A Christmas Prayer," and Sis. Doris Leiter played special Christmas music; the memhers sang "Old Lang Syne."

Assoc. Matron Marguerite Smith gave a report on a visit to the Franklin Home. Remember, our hirthday-cup money goes towards furnishing new beds for the boys' and girls' cottages. If every member gave a penny for each year of their age, we would have a nice contrihution for our Worthy Grand Matron's project this year.

November 11th was Mason's Night and W.P. Gale Davison said he had been looking forward to this evening with a great deal of anticipation. Two things always come to his mind: "What is Masonry" and "Where did it start." He said 'you can't find the words to express, as you would like to, when asked what Masonry means to you. Also, when traveling and you see the Square and Compass with the letter "G" inside it, it gives you a thrill to know you can stop and he welcomed, and even given help if it should he needed. Free Masonry is all over the world. It is up to each and every Mason to carry on the work and it makes a better world for all to live in.' Bro. Gale compared Church and Masonry with our "hands". He said you can do some things better with your right hand and some better with your left, hut can do better with both hands, and with him his Church and Masonry go hand in hand — you need hoth. He also said he was happy that hecause of Masonry — Eastern Star Chapters were organized.

Twenty Masons were present; they introduced themselves and gave their Masonic affiliation. The choir sang a special song to them. Bro. Gale thanked the choir and Sis. Doris Leiter for their part of the program, saying 'he loved music and it was one of the important things in his life.' He then introduced the clever entertainment for the evening, which was furnished hy our good friends and neighboring New Haven, Ind., Chapter's present Officers and two Past Matrons.

Their Sis. Linda Towsley sang "I'm always Chasing Rainbows," and "I Love Paris In The Spring." Their Worthy Patron was commentator for the unique Fashion Show "The Last Time I Saw Paris" which they presented, which was thoroughly enjoyed hy everyone. We hope they will come hack and see us often.

Bro. Gale and Sis. Adella Davison furnished the refreshments after Chapter and several Masons served coffee and "did kitchen duty".

The Ways and Means Committee are still hoping to get more contrihutions to the Bakeless Sale, either via mail or when you attend Chapter.

SPECIAL NOTE: Getting out a new Roster covering our 911 memhers is a tremendous responsibility and we extend a hig thanks to the Committee for the many, many hours spent in compiling same. So far only one error has heen called to our attention and we ask that you change your Roster to show that Mrs. Edna Kinley's hushand's name is Arnold (not George).

W.M. Nama reminds us that we are going to have Election at the Feh. 8th Chapter, and Feh. 22nd will he our Birthday Party.

"We've journeyed along with laughter and song,— When skies were clear and hright— And we've shared the way on many a Day— When clouds shut out the light— And always we know as onward we go— If skies he gray or hlue— Theres happiness sweet and joy complete— In the heart of friends like you." This was part of the sentiment expressed hy the Worthy Matron as she commended the Star Pals for their service and dependahility to Chapter this year at our meeting on January 6. The Star Pal points proved their proficiency hy reviewing the signs and passes. Star Pals Tessie Wise and Paul Hayden shared the East. A gift from Non Pariel Cluh was presented to Tessie hy Lu Dimick.

Because of the death of Bertha Kaiser, Past Matron, the Charter was draped hy Past Matrons Marian Goff and Selma Rodemeyer and prayer was offered hy Past Matron, Helen Howard.

On January 20, "Men's Night," Del Proctor, Committee Memher of the Knights Templar Eye Foundation Committee of Indiana Grand Chapter, was escorted East and presented a gift for the service he has given to our order.

At the close of our meeting, our guests, Master Masons who are not memhers of Eastern Star, were invited into the Chapter Room. Our Master Mason Memhers were escorted to the West and told hy Irene "Your howling may he average, and your golf-score ahove par; at swimming, fishing, and outdoor sports, you may not rate a star. But you may have other talents that have most men heat a mile, such as painting walls and woodwork, or laying fancy tile; or a certain knack of rolling out the rhythm on a drum, which is a skill that does not come with ease to everyone. So with the talents that you have, just do the hest you can, and be content that you are in a world of average men."

The Choir honored the men with a song. Brother Del explained the relationship hetween Master Masons and Eastern Stars.

Under the direction of Bill Knauer the men presented a style show of the latest (?) fashions for our Eastern Star Women. As Bill commented on the clothes shown hy each model, Del accompanied on the organ. A delicious lunch prepared hy Wilhur Long and his committee was served in the dining room where the tahles were decorated with modes of transportation.

We congratulate Helen on this honor.

Our Choir is planning the entertainment for our March 3 meeting at which time we will have as special guests the presiding Matrons and Patrons of Districts 13 and 14.

Give me a friend and I'll worry along,
My vision may vanish,
My dream may go wrong,
My wealth I may lose,
Or my money may spend;
But I'll worry along,
If you give me a friend.
Give me a friend,
And my youth may depart
But still I'll be young
In the house of my heart,
Yes, I'll go laughing
Right on to the end,
Whatever the years,
If you give me a friend.

Companions: I bope that you will forgive me for not greeting you last month. Even though a month of the new year will have passed by the time you read this message, only two weeks have elapsed as it is written. I will therefore take this opportunity to wisb you all the very best year possible for 1966.

Your Chapter will be quite busy early in this year. Our Spring Convocation is scheduled for Saturday, February 19, beginning at 1:00 p.m. This is so that we can have candidates ready for a statewide celebration to be held in Muncie on March 11 and 12 when it is hoped that the largest class in the history of Indiana York Rite Masonry will receive the Degrees of the Commandery. On March 5, the Council at Angola will present the Council Degrees beginning at 3:00 p.m. I hope that you will have petitions to present at our Stated Meeting for all the Degrees of York Rite.

Companion Planck bas promised to continue serving his famous dinners this year before our Stated Meetings. If you haven't been coming early enough to eat with us, I urge you to come at 6:15. You really don't know what you are missing.

I would like to see more of our members present at our meetings this year. Remember, Companions, that the officers do not make up the Chapter. Their purpose is to carry out the wishes of the members. Let us each resolve to support York Rite Masonry to the fullest and make 1966 a great year.

WHAT MASONIC CHANGES?

By HENRY L. HAUPT
St. John's Lodge No. 9, Seattle

For the past several years the men who are responsible for the conduct and continuance of the Masonic Fraternity in this country bave been disturbed especially about two things: one, that men don't come to Blue Lodge Masonic meetings like ooe would think they should; and second, that men are not joining Masonry in the numbers ooe would hope that they would. Us oldsters are faithful but our time is rounding out. One by one we go to our last reward. There should be many young men to take our places.

There appeared in The Masonic Tribune a couple of months ago a challenging article headed: "Grand Orator Hurls Twentieth Century Challenge to Masonry; Opportunity Exists for Greatness in the Future." If you did not read it it is worth digging back into the paper file to find it, for this is no single voice in the wilderness. During the past three years, Wor. Bro. Dwight L. Smith, Past Grand Master of Indiana and currently Grand Secretary of the Grand Lodge of the State of Indiana, has been writing challenging articles on the same subject. These have been published in booklet form; they have beeo reprinted io Masonic magazines literally around the world, wherever the English language is printed. Besides these many hundreds of other articles have been written by other earnest Masons sounding the alarm.

For this is a serious subject. Already in some states like Illinois and Missouri where there are many small lodges, a movement is on foot to combine these into larger units so that they may have candidates and not just gradually pass into extinction. It seems bardly possible to us who live in populated areas like Seattle, but we were told by the Master of a Lodge in the Willamette Valley in Oregon that he had never had an opportunity to obligate a candidate. His lodge had oot had a new candidate for several years. Out of brotherly concern a number of lodges in larger centers are making arrangements with out-of-city lodges, to pack up their candidate and their paraphernalia and visit a small town lodge such as this for the purpose of giving these loyal men witb small opportunities a chance to get a Masooic shot in the arm. It ought to be done more often.

If therefore you value your Masonry, this is something you should give some thought to. If you are one of those who joined the Masons so you could get into the Shrine, remember you owe allegiance first to the Lodge of your introduction to the Fraternity. If you are one of those who think the sun rises and sets in the York Rite or in the Scottish Rite, tbink where you might be if the Blue Lodge should some day suddenly decide to cut all ties with all appellant bodies. They bave that right, you know, for they are basic, and without their foundation the whole Masonic edifice falls into ruins.

It is possible that the Shrine might get along by itself with its great philanthropic effort of the seventeen Hospitals for Crippled Children and now three additional burns institutes —but don't think it would be easy.

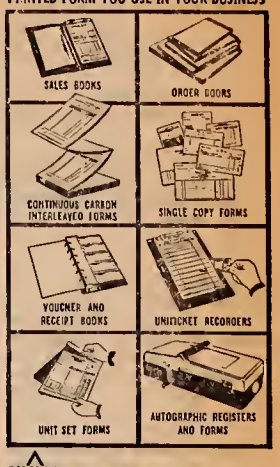
To warp an old, old phrase: "Now is the time for all Good Masons to come to the aid of their fraternity." Tomorrow might be too late; five years from now will see it greatly changed unless something is done in the meantime.

DRAMA OF FAITH

Modern Masonry is a wise and well-equipped means of enrichiog our lives. As individuals, we need to learn that lesson.

We need to learn more of the potential power of Freemasonry, and more of how to make effective application of its beneficent influence in our daily lives.

Masonry, the superstructure of which has been erected upon the bistory and tradition of the temple of Solomon, built up through the ages a symbolism of its own by which the great truths of life and morality, and the transcendent truth of immortality are presented in a beautiful and impressive manner.



The immortality of the soul cannot be proven by science, nor demonstrated by logic; but ooly realized by faith.

God can only be defined by faith. Science can neither deny nor affirm that God exists.

Masonry teaches that we should have faith in ourselves, in our power to do good and to thus exert a beneficent influence by precept and example.

We should have faith in our fellowmen and in human nature, confidence in the bonesty of men's purpose and intentions and in man's capability of improvement.

Brethren: At the Installation of Officers on January 1, your Master was presented a gift, which will be greatly cherished and revered for years to come. Brother Morris Gehrig presented your Master with a Masonic Bible on behalf of the Brethren of Leo Lodge with a most impressive ceremony. Permit me through this medium to express my gratitude and appreciation to all my Brethren for deeming me worthy of such a gift. It is my fervent desire to "Live according to its divine teachings" and I know will illuminate my pathway to that Grand Lodge above.

On January 15th, your Master, Wardens, and Secretary attended the Founders' Day Conference at the Murat Shrine Temple in Indianapolis, Indiana. The trip was made by bus with Officers from several of the Lodges in this area. I am sure that all in attendance were greatly enlightened by the Program presented by our Grand Lodge.

We are deeply concerned about any Brother, who may be in distress. Your Master has appointed a Cheer Committee with Arthur J. Popp, P.M., as Chairman. His two able assistants are Morris Gehrig and William Lantz. If any of you have knowledge of any Brethren who are ill or in the Hospital, contact the Cheer Committee who will be most happy to call on the distressed Brother personally. Let each of us rededicate ourselves to that great Masonic Tenet-Relief—and put into action those words which all of us heard on our first admission into Masonry — "To relieve the distress is a duty incumbent on all men, but particularly on Masons".

Further light in Masonry was presented at the February Stated Meeting by Brother Michael Bohen, Chairman, Masonic Home Committee. Information regarding the purpose and function of the Indiana Masonic Home, a shrine to the high principle of our Fraternity, was most capably presented for the guidance of all in attendance. As stated on the dedicatory plaque at the front door of the Hospital, "The Indiana Masonic Home is "the living reality of brotherly love and affections."

Looking forward to seeing each of you in Lodge at least once during the year 1966.

Greetings Brethren: As the new master of Huntertown Lodge, I wish to take this opportunity to thank the members and officers who saw fit to elect me to this high honor. It is with deep humility that I accept the duties of Worshipful Master, and will do my best to serve my Lodge well. I have a fine corps of officers and I am sure we will have an enjoyable year. To my officers; I want to express my many thanks for serving with me this year.

The Public Installation of Officers was held following our regular stated meeting Jan. 6 in a very impressive manner. Installing officers were: Ed Shenk P.M., Installing Officer; Walter Kell P.M., Marshall; and Rev. Hershel McCord, Chaplain. The officers were duly installed.

I would like to take this opportunity to congratulate Melvin Kuhn for his successful year and for the privilege of serving under him.

On December 27, 1965, our Lodge held its annual Feast of St. John Table Lodge. We enjoyed a fine meal and an inspiring message was delivered by Brother Hershel McCord, Pastor of the Huntertown Methodist Church. The Box of Fraternal Assistance was passed for a worthy family in distress.

Now it is time to start planning our work for the new year. We have no degree work as yet, but remember, Brethren, of all Lodges, the dignity and high ideals of our Fraternity when degree work is slow. Be concerned with reaching the Brethren who are not attending Lodge regularly.

Plan a social evening soon.

See you in Lodge.

Here it is February already. The year of 1966 is well on its way. January has already passed into history, and it was a busy month for the New Haven Lodge. On January 5 the new officers were installed by Brother Delbert Dennis who was assisted by Brother Roberts and Brother Amstutz.

Brother Ersel Walley was presented his 50 year pin by P.G.M., Orvas Dellinger. Brother Walley was the first 50 year member from New Haven Lodge.

Wednesday, January 12, was a busy night. Four candidates received the E.A. Degree in due and ancient form. We expect to pass them to the degree of F.C. on Wednesday evening, February 16, at 7:00 p.m.

I have appointed the following committees:

Masonic Home: Russell Smith P.M. and Rollo Durbin P.M.

Public Relations: John Summey P.M., chairman.

Telephone: F. Lyle Tustison P.M., chairman.

Welfare and visitation: Roy Weaver P.M., chairman, Harold Murphy, Lyle Tustison P.M., Tom Goldthwaite.

Also, Brother Jack Crance P.M. is chairman of the Advisory Council of DeMolay, and Harold Eddy is DeMolay "Dad". They have already been doing a wonderful job.

Your W.M. and S.W. went with other area officers to the annual Founder's Day program at Murat Temple in Indianapolis on Saturday, January 15.

We would like to see more of our members at stated and called meetings. I am sure they will get something out of each one. We always have refreshments afterwards and enjoy the fellowship of our lodge brothers. How about marking your calendar for the February 2 stated meeting and for the F.C. on February 16.

As you receive this issue of the Square and Compass, Olive Branch Lodge will be making ready for the second stated meeting of 1966, on February 10. We have started out the year with an interesting January meeting and special Masonic feature. After the February stated meeting a short movie taken by the writer will be shown on sailplanes and gliders in action and may give you some idea how it looks and feels to sail the sky without power. This will be followed by a social hour along with man-size refreshments.

We are interested in making 1966 a year of friendship and harmony. I believe stated meetings can be so constructed that we can transact the Masonic business essential to the lodge in conjunction with other varied features of Masonic information and outside activities of general interest. I believe our meetings can be planned sufficiently well that the time will be well spent for those in attendance. Remember, what is needed is a good sized group of members wanting to see this proved.

There has been a good deal of discussion on the subject of a new lodge hall. I think this idea took root when we learned that Olive Branch is one of the half dozen lodges left in the state that does not have (and cannot readily install) indoor plumbing facilities. It looks as though we had better do something before we gain the sublime distinction of being the only group of Masonic "outdoorsmen" left in Indiana. This is a sizeable enough project that we are anxious to have the opinions of all members expressed in open lodge.

I look forward to seeing you on February 10.

INDIANA GRAND COMMANDERY TO CELEBRATE 150TH ANNIVERSARY OF GRAND ENCAMPMENT OF KNIGHTS TEMPLAR OF UNITED STATES OF AMERICA

June 1966 will mark the 150th anniversary of the Grand Encampment of Knights Templar of the United States of America.

To commemorate this significant event in Knights Templar history, the Grand Commandery of Indiana has appointed a Sesqui-Centennial Committee to plan an appropriate celebration in Muncie, Indiana on March 12th.

York Rite Association of Indiana is sponsoring the conferral of York Rite Masonic degrees in the nine Groups of Indiana culminating in all Commandery orders to be conferred on a large class of candidates at Muncie, Indiana, on March 12th. Gov. Branigan and Senator Birch Bayh will be candidates along with other named candidates in this large class. Following conferral of the Orders of the Commandery, there will be a gala banquet. Featured will be a stimulating address by Wilber M. Brucker, Grand Master, Grand Encampment of Knights Templar of the United States of America. There will also be entertainment by professional artists at the banquet.

Templary is founded upon the Christian Religion and the practices of Christian virtues. It is a fraternal light that has illumined the world since the Crusades of 1099 to 1187 A.D. when stout-hearted Knights of the Temple rescued and held Jerusalem and the Holy Place from the infidel and protected unarmed pilgrims who came all the way from Europe to worship at the Holy Shrine. The world has never witnessed any more unselfish service for God and humanity than that which was exemplified by those intrepid Crusaders. Nine centuries have passed and modern Knights Templar are the symbolic offspring of their forbear Crusaders. Today's Templars are likewise committed to tasks of exalted usefulness just as were their illustrious forebears many centuries ago. In this capacity, Knights Templar sponsor the Knights Templar Eye Foundation — a great humanitarian charity, and the Knights Templar Educational Foundation which specializes in student loans.

MASONIC RELIEF BOARD

After a period of over thirty years of very faithful service as Cbairman of the Fort Wayne Masonic Relief Board, Brother Orvis Dellinger has resigned and this work has been taken over by P.M. T. C. Mohr of Three Rivers Lodge No. 733.

This Board was organized for the purpose of providing fraternal assistance and relief in bebalf of sojourning brethren or their depeodents. Its purposes are substantially as listed below:

When a member residing outside the jurisdiction of his Lodge is reported to be in financial distress, and his Lodge requests an inquiry of his situation, it is done by our Board locally, elsewhere we request the Fraternity, in that locality, to make a thorough investigation of the Brother's physical and financial condition, and render this Board a report of same, that we may advise the Brother's Lodge. Should the Lodge desire to assist the Brother, and authorize us to do so, we either do so directly, or request the Fraternity near the Brother's residence, to administer such designated relief, we refund the administering Lodge, and in turn invoice the Lodge at interest for same. The channel of relief is used which will best expedite relief for the Brother. Likewise, when membership is held, by such a member, in collateral Masonic bodies, and we are so informed, this Board of Relief informs such collateral Masonic body of its members situation, in order that it may bave the opportunity to participate in financial relief for the member, in conjunction with the Symbolic Lodge.

In cases of financial destitution this Board of Relief seeks the cooperation of the resources of all community, public, or private welfare agencies. When cases require long planning this office, upon written instruction of the member's Lodge and/or collateral Masonic body, will remit to the member the designated amount of financial assistance at regular periods as instructed. The interested Lodge, and/or collateral body, is invoiced by this office thereafter, for its commitment of such relief. Thus the recipient is assured of receiving the full amount of financial assistance at regular intervals.

This Board of Relief will, upon receipt of the writteo guarantee and authority of the member's Lodge and the facts of the member's circumstances fully described, signed by tbe Secretary and attested by tbe Worshipful Master of the Lodge with the seal of the Lodge applied thereto, advance money in behalf of the Lodge's member for emergency use of its member. The amount and date of monthly payments by the member must be a part of the afore-mentioned letter of authority to this Board. There is no interest charge for the use of this money.

Should a sojourner, living in Fort Wayne, die and a Masonic funeral service is requested, we contact the Lodge at interest, to obtain approval for the service. We then request one of the Lodges holding membership in this Board to perform this service and provide a transcript of the Lodge's minutes be forwarded to the Lodge at interest. Should this Lodge request a Masonic floral emblem we will provide it, invoicing the Lodge for same. We stand ready to make the foregoing arrangements outside of this Jurisdiction.

Visitations to sojourning Brethren are made by the Chairman of this Relief Board, locally. Elsewhere, visitations are referred to our Masonic contacts. Should the Lodge desire flowers to be delivered to its member, we will order the flowers and invoice the Lodge.

Should a member of a Lodge of this jurisdiction, or his widow, desire to make application for admission to the Indiana Masonic Home, we are ready, at all times, to assist in behalf of the Lodge in the completion of the application, either in the locality of Fort Wayne, or direct the application through a proper Masonic channel of other jurisdictions for completion as the situation indicated.

The Fort Wayne Masonic Relief Board is sponsored by the seven lodges which are presently meeting in the Fort Wayne Masonic Temple. Officers of these lodges are earnestly requested to take up with the Cbairman of the Masonic Relief Board all matters covered in the above list as well as other items which might properly come to the attention of the Board.

We are pleased to say our Fellow Craft Club is progressing nicely. The primary purpose of the Club is to handle the second section of the Master Mason Degree. As all Master Masons know tbis is a phase of the work that makes a lasting impression on every new Brother. So, if any of you Brothers wish to become more active in the work please contact Bob Witchey 483-1755 or Duane Cole 444-0895. To those of you who have not been in lodge for some time — come and enjoy the fine fellowsbip, and don't forget we eat on every Master Mason night at 6:29 p.m.

On Saturday, January 15th we were saddened by the death of Past Master Manuel King, wbo served as Master of Wayne Lodge in 1929. Masonic Funeral services were held tbat evening at 9 p.m. He will be long remembered by his friends as he bad a broad list of activities in wbich he showed bis unfailing interests. To bis Sons, Brother and Family we extend our sincerest sympathy.

On Februaary 1st, we were saddened by the death of Brother Oliver Clark, a faithful member of our Lodge for 45 years. He made many visits to the sick and was always present on visitation night at Veterans Hospital. Masonic funeral services were held for him on Friday, February 4th at 8 p.m. To his relatives we extend our deepest sympathy.

Also Brother Paul John Scott, lost his wife and daughter by death, within 24 hour period. Until the sickness of his wife, you will remember Paul as being quite active in the kitchen, he loved to show his skill there. The Lodge extends sincerest thoughts to him and his family.

Our Brother Harold Bolyard, is still in St. Joseph Hospital, Room 601. We are sorry his progress is very slow. Brother George E. Greetings Brethren. During our February stated meeting we were given a very interesting Masonic Enlightenment Program by Worshipful Brother Tom Mohr. The subject of bis program was "Tell Him, Brother". The content of his program was of great interest to all present and was of value to our latest candidate, Dean F. Harris. Brother Harris is going overseas and plans on attending lodges in other countries, particularly one in Scotland from whom we have had a visitor, Brother James D. Gibson. Brother Gibson comes to us from St. Clair of Dysart Lodge No. 520, Kirkcaldy, Fife, Scotland. We have asked Brother Gibson to give us a talk in our March stated meeting on the differences and similarities of the two lodges.

I was very pleased with the turnout for our Veteran's Hospital visitation on Monday, Feb. 14, 1966. The men who are confined at this hospital are certainly appreciative of our visiting them, particularly tbe brother Masons.

At the present time it does not appear that we will have degree work in the month of March, however there is a possibility of some later on. We will have our Smorgasbord and Square Dance on Saturday night, March 12, 1966 at 6:00 p.m. If you do not have your ticket as yet, please contact any of the officers and they will get them to you. Be sure and attend this function and enjoy the food, fine music provided by Joe Taylor and His Red Birds as well as the dancing.

Many of you Brethren go out and pay a lot of money for an automobile. This auto tben takes you wherever you want to go and as a result you normally get your "Moneys" Worth" out of the car. However, you pay annual dues to the Lodge and get nothing but a receipt to show that your dues are paid. Do you know that it is possible to get your "Moneys Worth" out of your annual dues? It is simple. Just start supporting your lodge more by attending. You will be surprised what wealth is contained within the walls of your Temple and your Lodge. As a result, you will get more than your "Moneys Worth" from your annual dues.

We have plans for more social activities tbis spring as well as degree work. You will be kept informed ol tbese events through tbe regular meetings as well as the articles in the Square and Compass.

Remember, get your "Moneys Worth" by attending Lodge.

Brethren: I wish to thank Bethel No. 128, Job's Daughters for the delicious bam and bean supper they cooked for our lodge on Feb. 2 at our regular stated meeting. The girls donated the proceeds of the dinner to our building fund and our lodge is grateful for the donation.

Brethren we must bave many donations like this to make our dream of a new temple come true. We have a good start toward our new temple. We have acquired two lots in Waynedale and are starting to work on increasing our building fund. Bro. Bill Winans has been named chairman of our building committee and has started plans in motion. Brethren he will need lots of help in this endeavor and I hope everyone will help to the utmost of his ability to make our dream come true.

We expect to bave 2 candidates for the degrees of Masonry in March, with the E.A. degree on March 9, F.C. on March 16, and M.M. on March 23. Interest has been very high in our lodge for some time and I bope it will continue.

An active lodge makes everlasting friendsbip and brotberly love among our members and other brethern who attend. Our lodge is one of these, brethren, and I think it will continue to be so, come to lodge and enjoy yourself and become united with us in this great and good work.

Greetings my brothers: The month of March is upon us already and the last grip of winter, then Spring. During the month of January we experienced new records, weatherwise. February was a little more moderate and we always hope March will go out like a lamb.

Brother Frank called me and said Pete Smith had been under the weather for quite a while and he was wondering why no one had called on him, no one knew of his illness. The families of South Gaters will be doing us a great service if they would only let us know. Do not hesitate to call us.

Brother Demsey Weaver's wife passed away and we express our deepest sympathy. I found out at the funeral home that a fellow I had worked with for years, Tom Weaver, was Demseys brother, small world.

We are entering into the 3rd month of 1966. To those who have not paid their dues please contact our Secretary.

The following dates have been set for the coming year.

May 23, 1966 Past Master-Charter Night.

Sept. 10, 1966 Ladies Night.

Oct. 22, 1966 Family Night.

Your Master and Wardens are working out a program which we hope will meet with your approval.

I cannot close this article without reminding you of the Grand Masters 10 for 10 program. If you have not already taken an active part in the program please consider the benefits derived for only 10¢ a day.

See you in lodge.

From the Secretary's Corner

Just a reminder that 1966 dues are due and can be paid at any time. Your promptness on this will greatly assist the secretary.

I suppose by now you have heard about the Shrine Band Concert. This is to be held on March 6, 3:00 p.m. at the Scottish Rite Auditorium. A hit of friendly advice, don't miss this. A good crowd is always on hand for this once a year event. And for good seats, don't be late in arriving at the auditorium. South Gate has every right to be proud of the Shrine Band, and especially this year. South Gate has the greatest number in this fine musical organization of any of the lodges which are represented. And this year we are especially proud as a lodge because 2 of the soloists are members of South Gate. Bill Baker is playing a clarinet solo and John Martindale is rendering a marimba solo. These 2 numbers alone will be well worth the trip to the auditorium. Of course there are many other numbers to be played in both classical and popular categories. But enough said about this. I'm proud of this fine musical group because I too am a member of the band.

I received word recently that Irvin Hilbert is confined to the Clinic Hospital at Bluffton, Ind. We all wish him a speedy recovery.

Thats all from the Secretary's corner for this month.

Fraternal Greetings Brothers, from the officers of Home Lodge. This month I'd like to acquaint you with our Secretary. He is a great friend, an efficient secretary and a good Mason. I first met Brother Jim when I was Senior Steward and was calling on the ill. He was recovering from a heart attack at that time. He and his wife Erma made me feel very much at home in their beautifully finished home, 1117 Lynn Ave. I found Brother Jim had done most of the work himself on the house. Brother Jim and Erma have a son who is a teacher. As a boy their son was in the DeMolays.

While Jim was attending Warsaw High School he played foothall and in his 10th year he set the pole vault record of eleven feet nine inches. He also played football for seven years in the independent foothall league.

Brother Jim has heen a Mason for almost 19 years. Additional light was sought by him through the York Rite Bodies and the Shrine. In World War II he served aboard the S. S. McGuffey as steward, having worked his way up from night cook and baker.

He is now self employed selling Personal Protection Devices (tear gas equipment). The Fort Wayne Police Department often calls on him to give lectures and demonstrations of the equipment. Jim also plays the drums in a band called the Mello-Cords. He sings baritone with the group.

Brother Jim was once the guest drummer with the John Phillip Sousa Band. This, he said was one of his biggest thrills. His hobby is fishing, however when I see him in the social room I believe that pool could he included in the same group.

As the secretary of our Lodge he was complimented very highly on the minutes he kept and his functions about the Lodge by the Grand Lecturer. Try to make a stated meeting and see our Brother Jim Lucas in action. I'm sure you will find it well worth the effort. He was very helpful in laying out and developing the program on our Past Masters Banquet. I never realized how much work the secretary had to do until this year. Thanks, Brother Jim, for helping so much and thank you Brothers for electing him as secretary.

For our Past Masters Banquet my thanks to the following: Brother Prince and Mrs. Bowser for the fine dinner. Reverend L. G. Sapp and Past Grand Master Clyde E. Flowers for their enlightening talks. To Jobs Daughters who added so much, and a big thanks to the Lodge for the privilege of allowing me to present the Past Masters a lapel pin with the Past Masters Emblem on it. Thanks to all the officers and their wives, without who's help the whole thing would have failed. Finally a big thanks for you, my Brothers, who were able to attend this function. Brothers, our Lodge may be dark, but our spirits are bright.

Brother Prince told me that he is busy working out transportation arrangements so we can travel in a group to Peoria Heights, Illinois for our Tri-State Reunion on October 1st and 2nd.

Brothers, lets get behind our Past Master, Brother Frank Hunt, and make our next hospital visitation a large one. The date is in the Square and Compass. On February 21st we were well represented but lets try harder to make the next visit an even bigger one.

Until our next visit I leave you with this thought - HOME is where the heart is.

Brethren: How swiftly the sands of time seem to pass especially when we are doing things we really enjoy.

We have been husy putting on degree work and will continue to do so in March. We the officers of Sol D. Bayless are very grateful for the increase in the attendance and participation in the work of the lodge.

I would like to take this opportunity to thank all the brothers who helped make our Master Mason night such a success.

Since the last writing, Brothers Thomas L. Seaney and Howard Etzold have passed on to the celestial lodge above.

Brothers Don Weiss P.M. and Marvin Reynolds are now out of the hospital and recuperating at home. We wish them a speedy recovery. If anyone knows of a brother who is ill at home or in the hospital, please contact one of the officers so that we may visit them.

I have received a letter from Grand Master Don A. Burton explaining the merits of the Ten for Ten Program which will benefit the Masonic Home at Franklin. This volntary giving is for a dime per week per member for ten years. We hope every member will be able to support this worth while cause.

See you in lodge.

Brethren, while on a Short vacation, I took time to reflect on the accomplishments of our Lodge this year and I'd like to share some of my observations with you.

So far this year, we have raised Brothers Tom Foy, Walter Lankenau, Joe Cormican and Don Webb. These Brotbers were excellent candidates throughout all degrees and proved to be exceptionally proficient on their work lectures. This high degree of lecture proficiency demonstrated hy the candidates indicates the Brothers who coached these men have a good working knowledge of the lectures. The combination of informed Brothers and proficient candidates will establish a broad and solid foundation for the continued growth of Maumee.

I am proud to report that we will be having at least four candidates for March and possibly four for April. In addition, we have several carry-over candidates who we hope will be ready to complete their work in March. There will be plenty of work for everyone and if you are interested in helping or if you have a friend or acquaintence taking the work why not come to sit on the sidelines and participate in the fellowship. We will try to follow this schedule:

March 2, 1966, 7:30, Stated Meeting.

March 9, 1966, 4:45, Entered Apprentice—Dinner 6:30.

March 16, 1966, 7:00, Fellowcraft.

March 23, 1966, 4:45, Master Mason—Dinner 6:30.

Again, I want to congratulate the Lodge on the fine turn-out for our last V.A. visitation. This visitation is truely a rewarding experience and I sincerely hope those of you who have not participated will try to do so in the future. The more Brethren who participate, the more time we can spend with each patient.

May 25, 1966 is the 40th anniversary of the granting of Maumee's orginal Charter. This will be our Birthday celebration and we will also honor our Past Masters and Charter Members. Past Master Chelsea Brown is acting as general chairman for this hig evening and I hope you will all mark your calendars in advance and plan to spend this evening with us.

I have asked each officer to have an understudy for his particular part of the ritual work. If you'd like to take part in the work please let me or one of the officers know. If you are one who has said to himself "I'd like to take part, but I've never been asked", then, consider this your personal invitation — we'd like you to take a part — just tell us what part you wish to take.

I wish to extend the Lodge's sympathies to the families of Brother George Miller, John Hartman and Lloyd Brown and to call on all the Brethren to extend the right hand of fellowship and assistance to the families of these Brothers at their time of sorrow.

A Good Creed

If any little word of ours
Can make one life the brighter;
If any little song of ours
Can make one heart the lighter;
God help us speak that little word,
And take our bit of singing
And drop it in some lonely vale
To set the echoes singing.
If any little love of ours
Can make one life the sweeter;
If any little care of ours
Can make one step the fleeter;
If any little help may ease
The burden of another;
God give us love and care and strength
To help along each other.
If any little thought of ours
Can make one life the stronger;
If any cheery smile of ours
Can make its brightness longer;
Then let us speak that thought today,
With tender eyes aglowing,
So God may grant some weary one
Shall reap from our glad sowing.

At our first meeting in March, Friday, March 11th, we will have our annual election. Come and help elect those people who will serve you and your Shrine for the next year.

Your Worthy High Priestess' last meeting will be on Friday, March 25th. A large attendance on her last night would surely warm her heart.

The Ways and Means Committee still has a few items for sale. Why not contact one of the members of that committee to see what they have to offer?

At this writing it is not definite where the Orion Club will have their March meeting. However the members will be contacted.

Sickness: Soj. Glenn McComb, Parkview Hospital; Soj. Mildred Igney, flu; Husband of Soj. Isabelle Allman; Husband of Soj. Florence Nahrwold.

To the sick we wish a very speedy recovery. Our heartiest congratulations to Soj. Arthur Hickman on his recent marriage.

Looking Ahead:

Installation of Officers will be held on Saturday, April 2nd.

A rummage sale is planned for one day in April. Please save anything you might have for your Shrine.

Supreme Shrine will be held in Buffalo, New York May 2-5, 1966.

My Purpose

To be a little kindlier
With the passing of each day;
To leave but happy memories
As I go along my way;
To use possessions that are mine
In service full and free
To sacrifice the trival things
For larger good to be;
To give of love in lavish way
That friendship true may live;
To be less quick to criticize,
More ready to forgive;
To use such talents as I have
That happiness may grow;
To take the bitter with the sweet,
Assured tis better so
To be quite free from self-intent
Whate'er that task I do;
To help the world's faith stronger grow,
In all that's good and true;
To keep my faith in God and right
No matter how things and trust
Until the journey's done
God grant to me the strength of heart,
Of motive and of will,
To do my part and falter not
His purpose to fulfill.

Program:

March 11, Election and Reports.

People everywhere in life from every walk and station,
From every town and city and every state and nation
Have given me so many things intangible and dear,
I couldn't begin to count them all or even make them clear . . .
I only know I owe so much to people everywhere
And when I put my thoughts in verse its just a way to share
The musings of a thankful heart, a heart much like your own,
For nothing that I think or write is mine and mine alone . . .
So if you found some beauty in any word or line,
It's just "Your Soul's Reflection" in "Proximity with Mine".

February was a busy month for Bethel No. 8.

February 2 we honored Master Masons and Eastern Stars at the meeting. Clayton Herrick, Worthy Grand Patron of the State of Indiana was our very special guest.

Inspection is over for another six months. I was so proud of all my officers. They did a beautiful job. The theme of the night was "JOBIE HO". Columbia City girls were great hostesses and we made many new friends. Thanks goes to all the parents who took the girls up to the meeting. I want to thank everyone who helped to make this inspection a big success. Mrs. Phyllis Smith, Grand Guardian and Mr. Robert Trees, Associate Grand Guardian were presented with their Member of Honor Certificates. Thanks to everyone for a Grand Inspection.

March 2nd was initiation. We initiated eleven girls. They went thru the beautiful ceremony of initiation. To these girls I want to say "You get out of something what you put into it. I hope each one of you attend Bethel regularly.

I would like to thank Worshipful Master Harold Salisbury of Home Lodge No. 342 F.&A.M. for inviting us to their annual Past Masters night. We were invited to their banquet and to form the "Living Cross" in memory of the deceased Past Masters of Home Lodge. We are usually asked to serve the banquets so sitting down and eating as guest was a wonderful experience and very pleasant. We were thrilled to help the organization from which we get our heritage.

February 15th several girls journeyed to Waynedale Bethel to their Royalty night. The girls who went are Honored Queen, Sandy Burelison; Senior Princess, Janie Bleeke; Junior Princess, Linda Roop; and Guide, Sharon Farrar. We all had a very nice time visiting at their Bethel and are looking forward to have them come to ours in the future.

That is about all for this issue. We hope to have a very big turn out at our next meeting as it is our "Friend's night" which will be held March 16, 1966 at 7:30 p.m. See you there!

Mothers Club will be at the Old Barn Ceramics at 7:30 March 14th. Address: 9803 Bethel Road.

TO MY CHAPTER:

It has been a privilege and honor to be Worthy Matron of this fine Chapter and most rewarding, of all things. It has been like a book — you just turn the pages until you reacb the end, so I am closing my book— and it has been filled with memories of each of you.

My thanks goes out to my Committees for your cooperation and the wonderful work you have done for your Chapter in my year.

TO MY OFFICERS:

You filled your Stations well. You were perfection in your work and faithful to your Chapter. Your kindness and love you have given to me will always be memories to uphold.

TO MY WORTHY PATRON, BROTHER GALE AND MY FRATERNAL MOM SISTER ADELLA, my thanks to you. You are great for helping to share the responsibilities and duties with your love, kindness and helping hands. You have given me much courage. I send to both of you the great love that the Elect Lady had for her people.

Thanks to the Past Matrons and Past Patrons for their helping hands; you are the willing helpers.

To our incoming officers — congratulations and a happy and successful year. May God Bless each of you.

Your Worthy Matron, Nama Bair.

W.M. Nama welcomed everyone to the Jan. 25th Chapter and read a poem entitled "When You Are Down and Out". All Officers were in their Stations when Initiation was held for four new members; we welcome the minto our Chapter. Allah Signet furnished refreshments at close of Chapter.

Joint Inspection of Fort Wayne Chapter 432 and Star of The East Chapter No. 514 was held Saturday, January 29th. Honorary Memberships to S.O.E. 514 were presented to Worthy Grand Matron Sallie Turner; Worthy Grand Patron Clayton L. Herrick and Sister Betty Surface, Deputy of our District. Each thanked our Chapter for this Honor.

Our own Sister Helen M. Wagner received an Award of Gold that evening.

W.M. Nama compliments the Officers for their beautiful Ritualistic work, and thanks all Committees and Past Matrons for their help and work in preparation of and during Inspection.

We had Election of Officers at our February 8th Chapter.

A delicious three course dinner was served at the Temple February 14th honoring our Worthy Matron Nama Bair and Worthy Patron Gale Davison. The beautiful flowers, decorations and favors were in keeping with the valentine season. The W.M. Nama said it had been a privilege and an honor to be Worthy Matron of our fine Chapter for the past year, and thanked all Committees for their work. Bro. Gale said "Ditto" to all of her remarks, and thanked everyone for their cooperation and work. Sister Nama and Bro. Gale were presented lovely gifts, and expressed their appreciation.

A very clever skit entitled "Saving Time" was given by Sister Nama's Appointed Officers; there was a clock, a calendar, a pedometer, Grandma Time and a Lovely Day.

At our February 22nd Chapter, members of the Program Committee wore gowns worn by Past Matrons when they were installed, and the Program was called "Memory Lane".

I have what money can never buy,
The clasp of your hands and the light of your eye,
The glorious greeting of friend to friend,
The wonderful help you've been quick to lend,
And I tell myself now, that this year is nearly done,
Whether my battles have been lost or won,
I am richer than many with all their gold,
For I have the wealth of your hearts to hold.

Read by Sis. Nama Bair, 2-22-66.

Sister Nama, it has been a pleasure "working" with you and for you, and your sentiments expressed above are mine also, and I want to thank all who have helped me during my tenure as Publicity Chairman. Ruth Smith.

Sisters and Brothers: Serving Fort Wayne Chapter as Worthy Matron through a year in which we were honored to have a Worthy Grand Patron has been a rich and wonderful experience. The many friends I have made and the fellowships I have enjoyed have more than compensated for the minor sacrifices called for in this honored office. In reviewing the yesterdays, I give thanks to our Heavenly Father for His guidance and for the strength to complete my tasks. Words are inadequate to express all the gratitude that is in my heart to my Officers, Committee Chairmen, Assistant Chairmen and all who served on a Committee. Thank you for your loyalty and assistance in carrying out the plans that were ours this year. Many, many thanks to every member for your words of encouragement in my moments of doubt and for your unfailing support in the projects we planned. I shall always cherish the many real friendships which have brought joy and sunshine into my life. In passing the gavel to my successor, Sister Dorothy, I earnestly hope that she experiences all the co-operation and happiness I have enjoyed. Irene Lyttle, Worthy Matron

Brother Robert Mumaugh wishes to express his appreciation to all of you for the opportunity and privilege of serving Chapter as Worthy Patron. Your thoughtfulness and cooperation have meant much to him.

The All-Committee Year End Party honoring the Worthy Matron and Worthy Patron was held on February 21 at the Temple, starting with a delicious potluck supper at 6:30. A back drop, on which hung a large effulgent sun, featured the watchwords of Hope, Humility, Humor, and was decorated with morning glories and wild roses. A delightful program, planned by Sister Eleanor Costello and performed by various Committee members, showed us the careers that Sister Irene considered and gave up before she served our Chapter as Worthy Matron.

In February we welcomed Lois Scheele, Miriam Ward, Marjorie Isley, and Guy Impton who received the degrees of our order and Elma Hoham who affiliated with our Chapter.

On March 2 Mary Elizabeth Freidline and John Selbey, Worthy Matron and Worthy Patron of Muncie Chapter shared the East. The guest Presiding Matrons and Patrons of Districts 13 and 14 were paraded into the Chapter room led by "band leader" Eleanor Costello and "drummer" Marjorie Rodemeyer. Banners of the home chapters were carried by each guest as they marched to "I Love A Parade" played by Lucile Mumaugh on the organ. After our guests were escorted to the West, the Worthy Matron extended a special greeting to this group who is united in bonds of fraternal friendship made by working together with our Worthy Grand Matron and Worthy Grand Patron. "May you Always Walk in Sunshine" was the tribute sung by the choir.

The North Side Troubadours, a vocal group, was the entertainment presented by the Choir. The refreshment tables, lighted with red, white, and blue candles, were decorated with patriotic hats, drums, and American flags. The lunch was served from concession stands.

Beautiful lips are those whose words

Beautiful feet are those that go
On kindly ministries to and fro . . .

I hope you will all take an active part in our chapter and I know, if you do, you will be richly rewarded.

Thanks to all the boys who came to the Scottish Rite and spent many hours stuffing envelopes. I also want to thank all the hoys wbo brought in petitions for the first class. You did a great joh and I hope this fine work will continue indefinitely.

A big congratulations to our great hasketball team who as of this time are the sectional and regional champs! Keep up the good play.

Companions: The month of March, formerly the first month of the year is upon us. With it the first of spring, and great activity in York Rite Masonry. March with its sign of Aries, the Lamb, is emblematical of Toleration — Toleration in Freemasonry is a form of what, in religion, we call Charity.

Toleration is hut removing of that force which it is improper to use to convert men to any religion. (from the Masters Lecture.)

The officers of group III bave been working very hard, thru their endeavors they have had a Master Mason nite, and an all degree day for the chapters, now for this month the Council and the Commandery will confer their work. We have had a lot of help from them so let us all get out and give them a hand and make this the higgest year ever for York Rite.

I would like to take this opportunity to thank our King Maynard Cope and all the companions for taking over for me in January while I was on vacation. Also we would like for as many of you companions that can to get to our March stated meeting the Grand Council feels a need for some planning to strengthening of our chapter.

Do not forget supper at 6:30.

I WILL DO MY BEST
By Bliss Kelly

You have heard it: "Worsbipful Master, I pledge you my full support during the ensuing year."

On election night, every year, in every lodge, every officer, elected and appointed, makes that statement. Then what happens?

Let's not go into that, as we all know the answer. But why are these pledges kept hy some but ignored hy others? Every Master wants to know.

Dozens of answers are given every year, hut few, if any, reach the heart of the matter. "Lack of interest," the most frequently given is only the result of something deeper. These officers and members profess to love Masonry and to be uplifted hy its teachings. They helieve Masonry is the greatest force for good in the world. But why don't they attend regularly and discharge the duties of their office?

There are many superficial reasons given, such as the need to spend time with his family. Perhaps his wife doesn't like to stay at home alone while he attends meetings, or be is tired of hearing the same ritual repeated over and over. Maybe his card cluh meets on lodge nights or his churcb wants him to attend the deacons meeting.

These reasons account for a few wbo do not attend lodge or fill their proper places as officers, but the great majority who are delinquent in this respect will not state the true reason.

Let's go back to that election night for a minute. Did the retiring Master say "Thank you" to the officers and workers who served with bim? Did he give credit for those who aerved on the sick committee, refreshment committee or on degree teams? Did be commend anyone for anything?

Perhaps he mentioned something all in one sentence without giving any details of the fine services rendered. But did he give any individual recognition for work done hy the officers and workers? Was there a dinner, for instance, given by the lodge to honor those who served unselfishly.

Anyone will work hard and long if some sincere recognition is given. Just a little "pat on the hack" will work wonders in lodge morale — and attendance. Proof of this is the record of many who spend years of hard work required to he eligible for "honors" in the rites conferring additional degrees. Wives will be glad their husbands are active in Masonry if they understand its teachings and are also given some recognition.

Why not make that annual "Past Masters Night" a big event, with recognition of all the workers as well as the Past Masters? Just a little mention in a resolution of the lodge expressing appreciation, or something similar from the Worshipful Master, presented at that event, witb all the wives and families present to share in the wonderful feeling which comes from "well done, thou good and faithful servant," will work wonders.

Then we can stop worrying about workers and attendance. — Oklahoma Mason.

A MASON

I do not understand myself. The most I am sure of Is that I am doing a Master's will, and that the service is a constant ecstacy. When I think of the purpose I am sent to fulfill, there is in me a joy so inexpressible that I know the will is God's.

Masonry is a continual struggle toward the light.

That which is most injurious is to entertain unworthy conceptions of tbe nature and attributes of God. Masonry symholizes it hy ignorance of the True Word. The True Word of a Mason is, not tbe entire, perfect, absolute truth in regard to God; hut the highest and nohlest conception of Him that our minds are capable of forming. One man cannot communicate to another his own conception of Deity; since every man's conception of God must he proportioned to his mental cultivatlon, and intellectual powers, and moral excellence.

The Mason regards God as a moral governor; as a God at hand. He conceives of Him as taking a watcbful and presiding interest in the affairs of the world, and as influencing the hearts and actions of men.

The Mason believes that God has arranged this glorious but perplexing world with a purpose, and on a plan. He holds that every man sent upon this earth, and especially every man of superior capacity has a duty to perform; a mission to fulfill. Every great and good man possesses some portion of God's truth, which he must proclaim to the world, and whicb must bear fruit in his own bosom. He who lives truly, feels Him as a presence within the soul. The conscience is the very voice of Deity.

MASONIC STEPS ALWAYS UPWARD

From his first step over the lodge threshold a Mason is taught reverence, patriotism, good citizenship, respect for law, and regard for the rights and tolerance for the weaknesses of his fellowmen, with an ever readiness to assist the downtrodden and succour the desolate.

These lessons, hy degrees, continue throughout his Masonic career, regardless of how far a man might go in his quest for light. Each degree has a moral. Each lesson may be analyzed time and again, with a new approach uncovered with each analysis. The better side of life is taught hy every Masonic interpretation.

Brethren, that time of the month is here again when I have the pleasure of informing you of the activities of the Lodge.

On the fifteenth of February, several Brothers journeyed to Harlan Lodge No. 296 and were inspired and richly rewarded by the remarks of Most Worshipful Brother Richard Lopshire, Grand Master of Masons of the state of Arizona.

At the March stated meeting, our Senior Warden very capably presented enlightenment on Masonic Dignity. He posed some questions that will cause all of us to pause and give serious thought to the purposes of Freemasonry.

The Temple Committee has planned another fund raising project for the Temple Building Program. A fish fry will be held Friday, March 25, 1966 at Leo American Legion Post No. 409 Auditorium. Serving will be from 5:00 to 8:30 p.m. by the Daughter of Leo Bethel No. 129 and assisted by members of Leo Chapter No. 278. O.E.S. Further details appear elsewhere in this issue. Bring your family and friends and enjoy an evening of fellowship and all the fish you can eat.

On Saturday, the 26th of March, Leo Chapter No. 278 will have a closed installation of their new Worthy Matron and Patron. Your Master has been honored to serve as their Worthy Patron for the year 1966. The Eastern Stars are very much interested in a new Temple and have contributed very liberally to the Lodge Temple Fund. To them, we are extremely grateful and wish to express our thanks for their loyal support. Those of you who are members of O.E.S., plan now to attend this meeting and display your support and loyalty.

Based on information provided your Master through the able assistance of your Secretary, I would like to present some membership statistics. The membership of 153 is divided into the following groups; under 5 year 24; 6 to 10, 22; 11 to 20, 47; 21 to 30, 28; 31 to 40, 9; 41 to 50, 16; and over 50, 7. The average Masonic age of Grand Lodge Award of Gold Members is 54 years. Our oldest member is George O. King with 62 years of Masonry to his credit and will be 86 years young Nov. 12, 1966. The other 50-year members and their Masonic age are as follows: Ora E. Hoffman (55); Herman A. Conrad (54); Earl E. Thompson (54); Harry W. Bender (52); Edwin G. Criswell (51); and Elmer E. Warner (51). A fifty-year award will be made to William F. Warner who will attain this milestone on Nov. 8, 1966. Leo Lodge is extremely fortunate and well-blessed that the Supreme Architect of the Universe has seen fit to provide us with this most distinguished group of Masons and may they continue to enjoy the happy reflections consequent of a well-spent life.

I am still confident that I will see each of you in Lodge at least once this year.

Greetings Brethren:

As the new year gets under way, we are planning our work and expect to have a fruitful year. Things are shaping up for Degree work.

Good luck and best wishes go to Brother Gerald Runyan and family. Brother Gerald accepted a position with his employment and moved to Detroit, Michigan. He labored with us for six years. His fellowship was thoroughly enjoyed by all. He resigned his office as S.W.

On February 3rd, at our regularly Stated meeting, a new S.W. and J.W. were elected. Brother Roy Peters was elected to S.W. and Brother Lowell Dickes as J.W. Appointed officers were moved up and all were duly installed.

Congratulations to Brother Clem Wetzel who has joined with us in our Labors. We are sure you will find our work rewarding.

The W.M., Secy., and Wardens attended the annual Founder's Day Program at Murat Temple in Indianapolis, January 15.

In our Lodge it looks like a very good year for the Ten-For-Ten Club. We think this is for a very worthy cause.

Until next month, I will say to all members of Huntertown Lodge, "Come on out and give us your support." See you in Lodge.

Our February stated meeting was well attended, and we had another petition presented, so we probably will be kept busy during the next several months.

Our F.C. degree called meeting the 16th of February, went very smoothly under the direction of our S.W. Gene Winesburg. Our four candidates are really progressing well in their required learning, and keep the officers busy taking care of their own parts.

We are making good use of the new set of working tools presented to the lodge last year by P.M. Norman O. Long, who is now residing in Missouri, but is still interested in our New Haven Lodge, and P.M. John Summey, who of course, is still very much with us as Trustee and acting Secretary. These tools add very much to the effectiveness and pleasure of the ritualistic work of the Lodge.

We have had several members in the hospital recently, but all now seem to be at home or soon will be there. Bros. John Young, Harry Parent, Rudy Peshek, and John Miller. We are very happy for their improvement at this time.

We are looking forward to a special meeting the 23rd, or fourth Wednesday in March, which will be the evening we raise our Candidates to the sublime degree of a Master Mason.

On this evening, we will open Lodge at approximately 5 p.m., and then have a ham and bean supper promptly at 5:30, and continue with the ritualistic work at about 6:30 p.m. This should allow us to get through the work before it becomes too late. We are expecting to see a large group of our members and neighboring Masonic friends at this meeting. I am sure you will enjoy the fellowship, as well as being an inspiration to the officers of the Lodge.

Brethren:

We now have two meetings behind us and are looking forward to March 10, our third in 1966. Both meetings have been well attended and this has been most gratifying.

At the request of the lodge our trustees have enlisted the assistance of a realtor in the search for a site on which a new lodge building could be erected. We are hoping for action in the near future on this initial step in the program for a new building which must come sooner or later.

Much remains to be done in connection with the Sesquicentennial celebration for one hundred and fifty years of Masonry in Indiana. 1967 is the sesquicentennial year and we will be bearing a great deal more about the activities planned by the Grand Lodge.

All indications are that we can look for a good year at Olive Branch. I look forward to seeing you at our March 10, stated meeting.

Brethren: Feb. 15 was quite an exciting meeting. We were visited by Richard J. Lopshire, Grand Master, Arizona.

Having such a distinguished guest, a good attendence was wanted by the officers. In response we were visited by these fine lodges — Huntertown 689, Three Rivers 733, Leo 224, Monroeville 293, Summit City 170, Concord of Spencerville 556, New Haven 740 and Maumee 725. G.M. Brother Lopshire is from Tombstone, Ariz. King Solomon No. 5. He spoke in general about Masonry in the State of Arizona. Several questions were asked by those attending and a discussion followed. Brother Lopshire's father, Harry F. Lopsbire was raised in Harlan Lodge 29[illegible] 3-4-1913 and it was his desire [illegible] attend here while enroute to Washington, D.C. We are deeply grateful to this gentleman for meeting with us.

We had a good number in attendance including fifteen Past Masters of Harlan.

Refreshments were on hand and from the comments of the brethren a good time was had by all.

Several items are being discussed in lodge that should be of concern to all of our members. Your attendence will be appreciated.

May the Great Lights of Freemasonry shine with a penetrating brilliance, lighting the pathway for all Craftsmen, to that Grand Lodge above.

Indiana Grand Chapter, Order of the Eastern Star, To Convene

Clayton L. Herrick, Worthy Grand Patron of the Indiana Grand Chapter, Order of the Eastern Star will assist Sister Sallie Turner, Wortby Grand Matron, when the Grand Chapter convenes for its ninety-second session at the Murat Temple in Indianapolis on April 25 thru 27.

Brother Clayton is well-known to Masonic groups of this area. He is a Past Patron of Fort Wayne Chapter No. 432 O.E.S., Past Master of Sol D. Bayless No. 359 F & AM, Past Sovereign Prince of Darius Council, Princes of Jerusalem, Scottish Rite Valley of Fort Wayne, and Illustrious Master, Fort Wayne Council 4, York Rite, and Past Advisor of DeMolay. As a member of the Grand Chapter family he has served as Grand Sentinel, Grand Marshal, Grand Chaplain, Associate Grand Patron, and Worthy Grand Patron. He is a member of the West Creighton Avenue Christian Church and its Board of Elders. He is Superintendent of Window Service at the Fort Wayne Post Office and he and his wife, Helen, live at 6927 Premiere Drive.

"Chimes of Love" is the theme of the Grand Chapter Sessions this year. The headquarters will be at the Claypool Hotel and all Sessions will be held at the Murat Temple. The first event scheduled is the Vesper Service at the Roberts Park Methodist Church, Delaware at Vermont, at 4:00 p.m. Sunday, April 24. The informal opening will be at 6:45 p.m. Monday evening and the Election of Grand Officers will begin at 2:00 p.m. on Tuesday. The "Angel of Love Banquet" at 6:00 p.m. will be followed by a program in the theatre at 8:00 p.m. The Nettie Ransford Memorial Fund Ball will follow from 9:00 to 12:00 with the Grand March at 9:30. The Worthy Grand Matron and Worthy Grand Patron will host the "Rose Reception" honoring the distinguished guests between 10 and 11 on Tuesday evening. The installation of Grand Officers at 2:00 p.m. on Wednesday and the Closing of Grand Chapter will climax the events.

Sister Sallie and Brother Clayton launched a special project this year to furnish new beds for the Children's cottages at the Masonic Home in Franklin, Ind. The response given to this project has been tremendous and Brother Clayton asked us to convey to every Chapter in the District his warm and sincere thanks for the splendid support this effort has received.

Clayton said, too, that the eye surgery which Brother Ray Turner had recently has been successful and he is recovering steadily. We are all so glad to hear this good news!

Sallie and Ray and Clayton and Helen are looking forward to greeting all of their friends at Grand Chapter and extend an invitation to all to visit them in their suite at the Claypool Hotel.

WAYNEDALE LODGE LADIES NIGHT BANQUET

Waynedale Lodge No. 739 will have their Ladies Night Banquet the evening of April 23, 1966 at the Scottish Rite.

MASONRY AS IT IS

Despite all the hue and cry about the "secret" order of Masonry, we find Alber Pike writing: "It is not the mission of Masonry to engage in plots and conspiracies against the civil government. It is not the fanatical propagandist of any creed or theory nor does it proclaim itself the enemy of kings. It is the apostle of liberty, equality, and fraternity; but it is no more the high-priest of republicanism than of constitutional monarchy. It contracts no entangling alliances with any set of theorists, dreamers, or philosophers. It does not know these as initiates who assail the civil order and all lawful authority, at the same time that they propose to deprive the dying of the consolations of religion. It sits apart from all sects and creeds, in its own calm and simple dignity, the same under every government. It is still that which it was in the cradle of the human race, when no human foot had trodden the soil of Assyria and Egypt, and no colonies had crossed the Himalayas into Southern India, Media, or Etruria."

WHY A GRAND LODGE?

By Lyman E. Smith,
Grand Secretary
Grand Lodge A.F. & A.M.
of Montana

Some of our Brethren occasionally ask the question—"Why a Grand Lodge?" which would indicate that the functions of the parent body of Freemasonry in Montana are not fully understood. Let us look at some of the reasons Why Grand Lodges exist. These may be found in the Proceedings of the Grand Lodge of Texas, but apply to us in Montana as well as to the Brethren of the Lone Star State.

1. Grand Lodge makes it possible for all Lodges and Masons to be governed by uniform laws as long as they remain under its jurisdiction.

2. The Grand Lodge provides a uniform system of work, so that the degrees and other esoteric work are the same in all Lodges.

3. The Grand Lodge makes it possible for all its Lodges to contribute equally, according to membership, to the necessary costs of maintaining the whole fraternity, as well as to charity and relief.

4. The Grand Lodge makes it possible, through a world-wide system of recognition, for each of its Masons to visit and to affiliate with any regular Lodge in the world, thus making each of its Masons and each of its Lodges an integral part of universal Freemasonry.

5. It clearly enunciates and gathers, into one mighty stream, the universal tenets and principles of Freemasonry.

6. It makes it possible to maintain in one central location the Masonic history, not only of every Lodge, but of every Mason.

7. Through a uniform disciplinary system, it provides a just and equitable method for the enforcement of its laws, and for the punishment of those who violate its laws, traditions and customs.

8. It provides a method by which members, who feel themselves to have been judged too harshly by a Lodge or trial commission, may appeal to the Grand Lodge for a review and re-determination of guilt or innocence and of the judgement. This same appeal machinery is available to the Lodge when, in the judgement of its officers, the punishment meted out is not commensurate with the gravity of the offense.

9. This same uniform disciplinary system protects Lodge members from any possible capricious and arbitrary treatment by Lodge officers, and provides punishment for any Lodge officer guilty of overstepping the bounds of his authority.

10. Each Grand Lodge is a link in the world-wide chain of Masonic communication, the only means by which individual Masons of one jurisdiction may locate and communicate with Masons in another.

These are only some of the things that make it necessary to have a Grand Lodge. Others could be added. Certainly we can all agree that if there were no Grand Lodge—if each Lodge were free to go its own way as it pleased—in the twinkling of an eye order and serenity would be replaced by chaos and confusion.

Our Masonic system is old; it has profited by the mistakes of the past, and centers its power in the representatives of the Masons under its jurisdiction who are the Masters, Wardens and Past Masters of its Lodges. You, the Brethren, are in essence the Grand Lodge of Montana.

THE VALUE OF A MAN

(The Kansas Mason)

A man's value to the world is in direct proportion to the unselfish service he renders. In the heart of every true Mason there is something —call it instinct, principle, or what you may — that doesn't permit him to be so well satisfied with those things he does for himself, as with those things he does for others. That is why all members of the Craft now living, or those who shall live, owe and shall owe a debt of gratitude to those who devote their lives to the teachings of Masonry.

In the March 1966 issue of "The Indiana Freemason" our Grand Master Don A. Burton, heads his article, quote "Worthy and Well Qualified . . . Duly and Truly Prepared."

On several occasions, as your Senior Warden, I addressed the Entered Apprentice — using the same "Worthy and Well Qualified." Were it not, your answer, being in the affirmative —My Brethren — you would not have entered the Portals of Masonry. The individual man who seeks admission into our Noble Craft — must be worthy and well qualified and thus, the high Standards of Freemasonry are well kept and maintained. May God bless the great Fraternity and keep it ever thus.

We miss many Brethren in lodge. I charge each of you to rededicate yourselves and make it a matter of principle to attend meetings regularly. I summon you to greater loyalty to your Lodge and your Fraternity. If you think a group is worth joining, then it deserves your personal, intelligent, active, and continuing support. Countless opportunities exist and we are in need of your time and talents. The true Mason is he who labors strenuously to Help his Order effect its great purposes.

This past month it was necessary to call on some Past Masters for assistance. Namely, Dan Dale, Harold Garrison, Fred Goshorn, Nile Hake, Simon Hartsing and Joseph Mcdowell. It is an opportunity for we Brethren to say Thanks for their excellent efforts in our behalf.

At this writing — the following are in various Hospitals and will probably be home when you receive this issue. Carroll Weaver P.V., Floyd L. Dowell P.V., Harold Bolyard ST. J., now at home, Harry Starke, Losier Eckrote, George White, George Sowers and Wilbur Wilson. There are many brothers and their families stricken with the Flu this past month. The Lodge sends its sincerests hopes for complete recovery.

Mark this important date on your calendar. We will observe St. John the Baptists Day on June 26, 1966 by attending church as a group. Further information will be forthcoming. Please set this date aside.

Next visitation to Veterans Hospital is April 18th. We meet there at 7:30 p.m. Every member can participate and we urge all that can to come and join in this good cause. Kenneth Rayl heads up this committee and is doing an excellent job.

We will not have any degree work in April.

Greetings Brethren,

The month of March was saddened by the untimely death of Brother Benjamin T. Brothers. Last fall we were honored by presenting Brother Ben with the Grand Lodge 50 Year Award of Gold. On Feb. 28, 1966, Ben was called to his final resting place. We again were honored as we met on March 2, 1966 to give Brother Ben the Masonic Services. Brother Delbert Deonis was in charge of the service and he did a very fine job. To all of you Bretbren who appeared to assist Brother Deonis, I extend my thanks and to the family of Brother Beo goes all of our sympathy.

If you will recall, in my last article I indicated we would have a short talk by Brother James Gibson about the Lodges in Scotland from whence he came. In our meeting on March 8, Brother Gibson gave a very enlightening talk about Masons in Scotland and some of his experiences. Those of you who did not attend missed a good evening.

On March 12, we were host to the Corinthian Club and held our annual Smorgasbord and Square Dance. We had a very good attendance at this event and from all indications, everyone enjoyed themselves a great deal. I wish to thank all who assisted in making this event a success, particularly the officers of the Corinthian Club. We are looking forward to next year for the same event.

At the present time it appears we will have degree work starting in April. Our schedule will be as follows:

Monday, April 4, 1966 Veteran's Hospital Visitation. This is our night to make some lonely brothers not quite so forgotten.

Tuesday, April 12, 1966. Stated meeting at 7:30 p.m. All of you are urged to attend this meeting.

Tuesday, April 19, 1966. We are planning an Entered Apprentice Degree for this night with some refreshments after close of Lodge.

Tuesday, April 26, 1966. Fellowcraft Degree. Come on down and help the brethren up the stairs.

Tuesday, May 3, 1966. This is the night. We will have our Master Mason Degree. Don't forget we always have a Master Mason Supper when we have the Master Mason Degree. Remember, we open at 5:30, eat at 6:30 and start the Second Section about 7:15 p.m.

Your officers are now in the process of getting the next social event ready. The date will be May 21, 1966 at 6:30 in the Ball Room. The event will be a Family Night combined with a pitch in supper. Bring one covered dish and a dessert. We will furnish the meat. For entertainment we have a puppet show which will interest young and old alike. The title of the show is "The Life of Christ" and there are approximately 50 different puppets used to put on the show. Be sure and put the date down on your calendar.

Most all of us must fork out some money at the end or first of the month so that we can live for one more month in our house or apartment. We know this must be done so we plan for it and have the money ready. If we should get behind in our payments, we may get kicked out in the cold without any place to sleep. Once a year we have annual dues to pay. We know we must pay them and should plan accordingly. Unfortunately, some of us either do not plan or we just plain forget. These dues are just as important as paying your monthly rent. Please, if you do not want to get "throwo out in the cold", pay your dues before our stated meeting in April. Incidently, those of you who have already paid, disregard this eviction notice.

Don't forget, your Temple is located on East Washington Street, 216 to be exact, and your Lodge meets on Tuesday nights.

Greetings Brethren:

I would like all members of the lodge to reserve the night of April 23, for our Ladies Nite Banquet to be held at the Scottish Rite. You will be sent a letter to get your reservation in at a later date. Lets honor our ladies by taking them to this banquet in their honor.

At this time I would like to thank our J.W., Richard Fisher and his wife for preparing some very delicious dinners for our Master Mason degree. We were getting into a rut with the same old dinners. Thanks a lot Dick for the variety in the menu you have served us. I hope you have enough ideas to last the year.

The Waynedale Bethel No. 128 of Job's Daughters held a Master Mason nite on Tuesday, March 1st, and I am pleased to report that they had an overflow attendance. This is a hard working group of girls so lets back them in any way possible. We will never regret it. To aid the youth of today is one of our obligations of tomorrow.

Our building committee is active into research on our new temple. They are studying plans of other lodges and figuring our needs and about what it will cost us to build. We have our lot, now we need the building.

See you at our banquet and at lodge.

Greetings my brothers:

On Sunday, March 6th my wife and I had the pleasure of hearing the Mizpah Temple Shrine band in the Scottish Rite auditorium. Fort Wayne should be mighty proud of the musical talents of this fine group. South Gate was well represented with solos by John Martindale, and Carey Baker, Jr.

I went out to visit P.M. Charles Scott and found him to be in good spirits and understand by this time he is back on the job, take care of yourself.

I am making an appeal. If any of you brothers would like to take part on the Fellowcraft Team please contact Dale Dusing, we need all the help that we can get.

Again I remind those who have not taken care of their dues to please contact our secretary.

Greetings Brethren, from the officers of Home Lodge. This month I'd like to acquaint you with our treasurer. To say that Brother Herman Rausch is a good treasurer, a good friend and a good Mason is not enough. He is an officer that Home Lodge can take great pride in. Brother Herman and his wife Gerry have been married for twenty-nine years and they reside at 501 Archer. They both have pretty much the same interests. Gerry is a member of Shiloh Chapter No. 141, O.E.S. and the White Shrine. They are members of the Trinity English Lutheran Church.

As for the job he does as treasurer of our Lodge, his being elected to serve in that position for eleven years would make it evident that he is superb. He receives very good ratings from the Grand Lecturer upon inspection. While he is in that chair I feel secure when we are settling our debts that our balance is correct.

Brother Herman says that the Jewelry business has been his life for the most of his years. He was taught watch repairing when he was nineteen years old. He and Gerry have been in business in their own shop since 1935. At the present time their store is located at 708 South Clinton. If you brothers would care to see a sample of his excellent work come to one of our stated meetings and look at my gavel. The hand was engraved by Brother Herman and I am very proud of it. Also several of our Past Masters are proudly wearing watches purchased from Rausch Jewelery Store.

As a youth Brother Herman told me that he used to herd cattle from horse back. This he used to enjoy. He said that he wore out one saddle and that he had put a lot of service into another one. He also owned and rode two motorcycles. He was active at the Y.M.C.A. holding two Instructors Ratings in swimming. He also belonged to some gun clubs. He is now enjoying our lodge of which he has been a member since 1944. He said that the friends he makes there and the fellowship means more as each year rolls by.

Additional light was found through the Scottish Rite and the Royal Arch Masons.

While at Lodge Brother Herman can fill in almost any part. He does this willingly. After lodge he goes to the social room where he enjoys himself by playing Pool. While I was learning my lectures and needed some one to catch my errors I would go into his store. He would leave his work in order to help me. Often afterwards I would see his car down at his store very late at night and on Sundays so that he could catch up on his work and he never complained. On any of our Lodge functions you can rely on Brother Herman being there and helping out. There is much more I could write about Brother Herman, but for space I will say thanks Brother Herman for all your help and support.

Two of our members have been called to the Celestial Lodge above to serve the Supreme Grand Master. They are Brothers William H. Ogden and Clarence E. James. To the loved ones they left behind we extend our deepest sympathy.

Brother Walter "Mac" McLaughlin told me that he is going to the Lutheran Hospital for another operation. We wish him a speedy recovery. He doesn't expect to be hospitalized very long but expects to be an out patient so he can be visited at home. William O. Sanrock, P.M. is confined at the Irene Byron and Brothers Edward C. Bandt and Harry B. Lowe are at the Veterans Hospital. A speedy recovery is wished for all you brethren.

Our last hospital visitation was well attended. The next time that we will have the opportunity to visit the Veterans hospital is on Monday, April 11, 1966. Brothers let's back Brother Porter and support this good cause.

Brother Prince has received the rates of the rooms and the banquet for our 17th annual Tri-State Reunion at Peoria Heights, Illinois on October 1st and 2nd.

Brothers we should have degree work this month. E.A. on the 11th, F.C. on 18th and M.M. on the 25th. Check the newspapers for the time. Brothers Sam Maslauh and Richard Seiling have been fixing us a lunch after our stated meetings. Very refreshing, ask any one there or better yet come on down and join us. Thanks Sam and Dick.

I have written to our P.M. P.G.M. the Ill. Orvis A. Dellinger to see if he will be able to present the Award of Gold to three of our brothers on May 24, 1966. More of this in the next issue. Until then God Bless our Home.

Greetings Brethren:

Now that winter is on its way out, we hope everyone is ready for our spring activities.

I would like to take this opportunity to thank all of you for the splendid turn out for our smorgashord and square dance. Thanks to Celia Stahler and her committee for the delicious food. We wish to thank Mrs. Sheldon Leiter for the organ music during the early part of the evening. Thanks should also be given to Dale Brown our Junior Warden who planned this profitable night.

Brethren, mark the date of May 7 on your calendar for this is the night of our annual Ladies Night. We will announce our speaker at a later date.

Brethren I wish to remind you that it is still not too late to join the Ten for Ten program. Send your contributions to your lodge secretary. This money will be used to staff and operate a new addition to the Masonic Home Hospital.

We will perhaps have added three more brothers to our roster by the end of this month. Come to lodge and welcome them into our fold so that they may become united with us in our work.

Brethren, with the advent of Spring, lets all take a new look at ourselves and reflect on what We mean to Masonry and what Masonry means to us. If you are not pleased with your own analysis, why not do something now about being a better Mason. Its later than you think, and yet, its never too late for those who are sincere and willing.

I am pleased to report that we have five new Master Masons: Desmond Walker, Phil Nelson, Les Popp Jr., Tom Welch and Roger McKinney. Again, this was an exceptional class and we can all be proud of the manner in which they applied themselves.

I continue to feel some satisfaction with our turn out for V.A. visitation. Last month, we had a good response and I sincerely hope that this effort will continue. We will not be responsible for another visitation until May 16, 1966 — why not mark your calendar now?

For the month of April, we will have five candidates and will follow this schedule:

Stated meeting, April 6, 1966, 7:30 p.m.

Entered Apprentice April 13, 1966 4:45 p.m. Dinner at 6:30.

Fellow Craft April 20, 1966, 7:00 p.m.

Master Mason April 27, 1966 4:45 p.m. Dinner at 6:30.

Brethren our plans for our 40th anniversary are moving along rapidly, and this evening will have come and gone before we even realize that time has passed. Brother Brown has his program committee working and I am pleased with the progress they are making. As all of you good Brothers will recall, several months ago, I announced that on May 25, 1966 we would have our Charter Member, Past Master, and 40th Anniversary banquet. This is going to be quite and affair and I hope you all have marked your calendars accordingly. Do you realize that on this evening the youngest Charter member will be sixty-one years old— time is flying Brothers, so lets make every effort to make this evening a memorable one.

Brethren, the Grand Master has asked that, we remind you of the 10-for-10 program for the Indiana Masonic Home. This program needs the support of the entire fraternity. As costs continue to rise, I know, that we all appreciate the fact that this building program cannot wait. If you have not contributed to this program please take your check book in hand and get the job done today and if you are already a contributor, search your heart for the needy Brothers of today and more particularly the needy of tomorrow and see if you can't do a little more for the future of our craft.

Brethren, we are insituting a renewal of twenty-five year awards. It is anticipated that this program will be ready by the 1st of September 1966. If you think you are eligible for this award please notify our hard working secretary, Dick English, and he and his committee will check their records. This will not be an easy job to check all the necessary records so we will appreciate all the help we can get.

In closing, let me ask each one of you whether or not you feel you could explain to your son or close friend what Masonry has meant to you and what it could mean to your son or close friend? Give this question some thought and then share your thoughts with that person who should be thinking about Masonry.

No one goes his way alone;

The white and hlue colors of the Easter lilly and the orchid and the motto "God's Helpers" have somehow all fused together now and have ended Sojourners Marjorie and Ralph Wetzel's year as our presiding officers. They were, indeed, His Helpers and He, in turn, gave them sustenance when they needed it most. Sojourners Ralph and Margie wish to extend their gratitude to each and every one who helped make their year complete. And to their officers, who presented them with a gift at their last meeting, "thanks" seems inadequate; hut all your efforts were and are deeply appreciated. "Thank You!"

And now: the motto for this year, "I have placed my hand in God's". From Isaiah 41, Verse 13—For I the Lord thy God will hold thy right hand, saying unto thee, Fear oot; I will help thee." What hetter way for our newly installed officers to start their year than hy having such a motto?

The elective and appointive officers had an especial honor hy being installed hy Past Supreme Worthy High Priestess Zelma Kah of Kettering, Ohio. She was assisted by Lavon Reim, Fannie Bickel, Velma Freeze, Evelyn Hanes, Mildred Steinhacher and Lela Smith, all Past Worthy High Priestesses of Faith Shrine.

As Soj. Tama Christopher, Worthy High Priestess-elect traced the steps of the cross on her way to the East, she was presented a houquet of red roses by her officers, and Arthur Gardt, P.W.O.S., sang an appropriate solo. Soj. Clarence Christopher was installed as W.O.S. and also received a tribute from Soj. Gardt.

Other officers who were installed are: Noble Prophetess, Vancha Collins; Ass. Watchman of Shepherds, Richardson Baker; Worthy Scribe, Ilo Wyatt; Worthy Treasurer, Evelyn Hinton; Worthy Chaplain, Patricia Nehls; Worthy Shepherdess, Betty Scott; Worthy Guide, Mary Ann Mullins; Worthy Herald, Wanda Gething; First Wise Man, Joseph Haney; Second Wise Man, Lee Garrison; Third Wise Man, Paul Wolf; King, Harold Kroeger; Queen, Della Allread; First Hand Maid, Avonella Jacobs; Second Hand Maid, Blanche Watson; Third Hand Maid, Dorothy Smith; Organist, Carmen Utterhack; Worthy Guardian, Fern Elson; Worthy Guard, Mary Ann Bender; Trustee, Chloey Lee.

We will list the Honorary Officers in the next issue.

The Worthy Chaplain was presented her Bible by her father, Paul Wolf, at the time she was installed.

At the conclusion of the installing of the officers, the Worthy High Priestess was presented a gavel by her bushand, Clarence, who will also serve her as her co-presiding officer.

The past officers' jewels were presented next and Past Worthy High Priestess Marjorie Wetzel was presented hers by Soj. Lavon Reim, PWHP. Past Watchman of Shepherds Ralph Wetzel has a signal honor for he was presented the jewel which had belonged to Elwin Coolidge, P.W.O.S. deceased, our first Watchman of Shepherds. It was presented by Soj. Gladys Coolidge. Elwin and Gladys had watched Marge and Ralph, as we know them, travel to the East and were friends of long standing. I'm sure that Ralph will always cherish the jewel and wear it with an extra amount of pride for Elwin was a most faithful supporter of Faith Shrioe and this would, indeed, he a challenge for any recipient of the jewel.

The April committee meetings will all he held at the home of the Worthy High Priestess Tama Christopher.

April 5 will he the Ways and Means, Chloey Lee serving as Chairman and Gweo Schroyer, Co-Chairmao.

April 7, Decorating with Evelyn Hanes, Chairman and Bess Lucas, Co-Chairman.

April 19, Sunshine with Florence Ashley, Chairman and Pat Nehls as Co-Chairman.

April 25, Afternoon Social with Delta Schmoe serving as General Chairman and Velma Freese, Afternoon Chairman.

April 26, Evening Social with Ann Enslen, Chairman.

Our Worthy High Priestess wishes to invite each Sojourner to attend the April 8th stated meeting, for in addition to hearing her plans and announcements for the coming year, we are to he entertained with a most inspiring and exciting trip to the Holy Land via Lucille Brattain. Do come and observe Good Friday with us in this reverent manner.

The proposed ammendments to the Supreme Constitution and By-Laws will be presented at the April 22nd meeting. Of course we all know these make for "dry" hut interesting reading and discussion so let's see how refreshing the new Social Committee can make their goodies after the meeting.

April 16 is State Associatioo Day at Elkhart, don't forget. If you would like to go as a group, do let us know and we'll see about getting a hus. If we go by hus, it always gives us more time to concentrate on such things as songs, cbit-chat and food don't ya know! Since I'm one of the officers of the Association, I'd like to give each and every one of you a special invitation to go along with me. I do need and appreciate your moral support. Also we all bave much to learn for remember, when I get to the top of the line (God willing), We bave to be host for the group! The meeting is at 2:00 p.m. in the Hotel Elkhart.

April 18, The Past Worthy High Priestess' Club will entertain the line officers at a 6:30 p.m. dinner party at the Gerber House. Be sure to make your reservations with Velma Freeze, PWHP.

All officers, aod may I underscore ALL, will practice at 1:00 p.m. in the I.O.O.F. Hall on April 3.

May 2 through 5 are the dates for Supreme Session to be held in Buffalo, New York. Are you going?

May I ask that you assist this year hy sending in any special events or humorous hits concerning our Sojourners that we might share with each other?

Are your 1966 dues paid?

May the Easter Buony wave his magic wand and paint just for you, an egg so rare that Its beauty with Sojourners you'll want to share. So come to the meeting and friendships renew.

As we close the pages of another year in the History of Fort Wayne Chapter we would pause to express our deep appreciation to our retiring Matron, Sister Irene Lyttle, our retiring Patron, Brother Bob Mumaugh, and all their corps of officers for the beauty, warmth, and friendship we have shared. It has heen a year of planning, labor, and fulfillment. We've had a lot of fun, and we've all grown a little from the experience. Thank you for doing such a fine job and making us so proud when we were in the "limelight" this year.

Fort Wayne Chapter No. 432 held its installation of officers on Friday, March 18 at 7:30 p.m. in the Commandery Room of the Masonic Temple. Clayton L. Herrick, Worthy Grand Patron of the Indiana Grand Chapter, O.E.S. was the Installing Grand Officer and he was assisted by Mary Louise Little, Past Grand Matron, as Installing Grand Chaplain, and Carol Munk, Installing Grand Marshal. Mr. William Wetzel was the Installing Grand Organist.

The following officers were installed: Dorothy Finnell, Worthy Matron; Forrest Finnell, Worthy Patron; Eleanor Costello, Associate Matron; Andrew Costello, Associate Patron; Secretary, Vera Hayden; Treasurer, Helen Helms; Marjorie Rodemeyer, Conductress; Louise Biedenweg, Associate Conductress; Marguerite Arnos, Chaplain; Marian Ehle, Marshal; Lucille Mumaugh, Organist; Iean McQueen, Adah; Jean Impton, Ruth; Patricia McKinney, Esther; Louise Caldwell, Martha; Miriam Hardy, Electa; Robert Caldwell, Warder; Owen Arnos, Sentinel; and Mary Knauer, Prompter. The marches will be directed by Flora Dornte and William Knauer.

The Commandery Room was beautiful with the gleaming white back drop behind the platform and the graceful palms which made the room look like a lovely garden. Because our Worthy Matron began her march to the East from the Electa station the symhols of that station were used throughout the decorations. In the East there was a large shiny silver Electa Cup which was slightly tilted and from it flowed a shimmering stream of sheer soft silk shading from palest pink into red to emphasize the colors chosen by the Worthy Matron and to symbolize the Love and Hospitality which traditionally flow from the Electa Station. A simple cross of redwood stood at the left and a large bouquet with a single red rose surrounded hy white flowers completed the background. In the East in front of the dais on a carpet of pure white satin and surrounded by lovely green palms was the beautiful Treasure Cbest which is the emblem of our Matron. The Treasure Chest is filled wlth the things which are dearest to ber heart and each treasure has a story all its own. There was a beauty vase of white flowers each centered with a single red rose behind the chair of each star point. In the West was a scroll bearing the Worthy Matron's Scripture verses — God is Love, and he that dwelleth in love dwelleth in God, and God in Him. I John 4-16. All things, whatsoever ye shall ask in Prayer, believing, ye shall receive. Matthew 21-22.

Sister Dorothy was escorted to the East by her husband, Forrest, through an aisle formed by her two daughters, Joan Coil and Iane Blankenship, ber newly-appointed officers, and the appointive officers who served when she was the Electa point. The escorts carried silver wands entwined with red rose huds and tied with pink and red rihbon. As she walked under the arch Sister Jean McQueen sang "What can I give Thee, Master" and her grandson, Douglas Coil, presented her with a bouquet of white carnations, a gift from the Chapter.

Brother Forrest was escorted to his place in the East by his two daughters, Joan and Jane, through an aisle formed hy Past Masters who are members of Fort Wayne Chapter. Iean McQueen sang "In the Garden" as he approached the East and Dawn Coil, his small granddaughter gave him a single red rose.

Our new Worthy Matron and Worthy Patron send this greeting to us to hegin this year: Sisters and Brothers, In accepting the offices to which you have elected us, and the responsihilities of this Chapter, we pray to God for the strength to be all that we should, and to he able to do all that must be done. We promise to give our very best in all circumstances, and with the Divine Guidance of Him Whose Star we have seen in the East, all things are possible. We thank you for your confidence and trust, and pray that your faith in us remains unbroken. To all our Stars who can't come out and help us shed our light, we think of you, and miss you, and pray for you each night."

Sister Mary Knauer presided at the Bihle-signing ceremony and Sister Irene presented the jewels of the Presiding Matron to Sister Dorothy. The Presiding Patron's jewels were presented to Brother Forrest by Brother Boh Mumaugh.

The Theme chosen for this year is "Do your good deed today for What we are is God's gift to us. What we become is our gift to Him." The Motto is "Pray in Faith, Go and Serve in Love.".

The Worthy Matron thanked the installing officers and all those who had planned the lovely evening. To Irene and all those who helped her, to Mary Knauer, her Fraternal Mom and her committee, and to Iean McQueen for the lovely songs, Dorothy gave a special thank-you.

Dorothy and Forrest invited everyone to the reception in the Ballroom following the installation. They also announced they would hold Open House at their home on Sunday, March 20 and invited all to call between the hours of 1:30 and 4:30.

In the Ballroom, against a backdrop of white, stood a beautiful five foot snow white cross. The Cross was outlined with a narrow border of red and was very impressive. A huge nosegay of white flowers, centered with a red rose, and edged with pink net centered the white-skirted tables which were arranged in the form of a Cross. Tall pink tapers gave a soft glow to the serving tables and the guest tables were also decorated with flower nosegays backed with lace doilies and tied with pink ribbon. Pink candles also lighted these tables.

The first meeting of the year will be April 7 — Officers Reception.

On April 21 there will be a stated meeting, and we must he sure to remember Grand Chapter April 25, 26, and 27.

"In unity there is strength
Coming togcther is the beginning
Kceping togcther is progress
Working together is success."

Oo March 26th at 7:30 p.m., Sister Sonoma Woodruff, Past Grand Matron of the Indiana Grand Chapter O.E.S, installed the following officers of Shiloh Chapter: Ethna Hasty, Worthy Matron; John Crouch, Worthy Patron; Jessie Holman, Associate Matron; Phillip Holman, Associate Patron; Rose McGraw, Secretary; Dorothy Adler, Treasurer; Jeanette Stonebreaker, Conductress; Kay Vondereau, Associate Conductress; Pat Manecke, Chaplain; Ruth Petty, Marshall; Lucille Thompsoo, Organist; Jerry Crouch, Adah; Floris Burg, Ruth; Audrie Fankhauser, Esther; Vancha Collins, Martha; Mary Edna Baker, Electa; Gilbert Stonehreaker, Warder; Elsie Barton, Sentinel; Ethel Miller, Prompter.

Sister Ethel Miller, Past matron of Shiloh Chapter was the installing Grand Marshall; Ben Thompson, past patron of Shiloh Chapter, installing Grand Chaplain; Lucile Mumaugh, Fort Wayne Chapter, was the installing Grand Organist; and Dan Schiehel, past patron of Shiloh Chapter, gave the obligation.

The Commandery room was decorated beautifully, carrying out the Worthy Matron's theme for the year- "Light". The East was decorated to represent the sky at night, with stars shining. One large star graced the backdrop of the East. Also, three silhouettes representing the Wise Men and their camels, completed the picture. Below and in front of the podium, was a large doll dressed as the Gleaner Ruth, with her hands full of barley. In back of each of the five pnints station, was a large vase filled with yellnw roses. After the Worthy Matron was invested with the badge of her office, Mr. Dan Grant, accompanied by sister Lucile Mumaugh, sang "My God and I" for Sister Ethna. As she was taken toward the East, her sister officers, wearing head dresses of gold cloth and carrying natural colored wheat and yellow roses, formed a double aisle through which the Worthy Matron was escorted by her brother, Mr. Fred Haner, to the East. After the proclamation was made, she was presented her gavel by her husband, Mr. Oscar T. Hasty. Sister Lucile Mumaugh played "April in Portugal" as sister Ethna approached the East. Having received his badge of office, the Worthy Patron, brother John Crouch was honored with his favorite song by the guest soloist and organist, "How Great Thou Art." As he approached the East, he was met by his granddaughter and niece, and his wife, Jerry, who escorted him thru an aisle of brother electricians of Local 305.

Our Worthy Matron, chose the following for her years work: Theme, Light "You, like the Three Wise Men have been led by the Light". Motto, "Let there be peace in the world and let it begin with me". Watchword, Contancy, Understanding, and Love. Scripture: "All things work together for the good to them that love the Lord" Romans 8-28. Sister Ethna compares Shiloh Chapter and its work to a beautiful tapestry. Our weavers, so to speak, began their work, May 31, 1894. This is indeed a rich heritage. The many kind deeds and the work of our order is like the weavers shuttle, weaving into our lives the beauty of constaocy, understanding and love.

Brother John's remarks reminded us of the joy of finding Eastern Star friends in all his travels through life and the principles of onr Order heing exemplified day by day.

To our out going officers, we are grateful for their loyalty and success for our Shiloh Chapter. We begin our year where they pause in their labors — hoping for the same measure of success and loyalty.

The Worthy Matron and Patron invited the guests to the ballroom for refreshments. The refreshment table was lovely; being skirted in a cloth of yellow satin with an overskirt of yellow netting. The centerpiece was an arrangement of yellow roses and lily of the valley. Crystal holders held tall white tapered candles — the tables through out the ballroom were decorated in the same motif. Yellow, white with a touch of hlue.

On April 12th at 12:30 noon, a potluck will he served on the mezzanine of the Masonic Temple to all committee members. Those assisting are: General Chairman, Morea Fisher; Co-Chairman, Fannie Bickle; N.E., N.W., S.E., S.W. section chairman; Decorating chairman; Day Way and Means and Night Way and Means chairman.

On Saturday, March 19, another successful year was brought to a close and with it came the promise of a lovely year to come in the history of Trinity Chapter.

Sister Winifred Pabst and Brother Ralph Weesner closed their year with inspiring addresses as they and their retiring officers opened the Installation. Sister Doretha Baker, Past Matron, served as Installing Officer and she was assisted by Sister Jeanice Kemp, Past Matron, Installing Marshall; Sister Louise Wilkerson, Past Matron, Installing Chaplain; and Brother William Wetzel, Installing Organist.

Sister Mabel Robinette, the incoming Matron, was escorted to the East down an aisle on either side of which were Waynedale teachers, who, by holding glittering crowns and scepters in their outstretched hands, made a lovely archway under which she walked. The beautiful song, "Faith Unlocks the Door" was sung to her by Miss Dorothy Noble, daughter of Sister Barbara Noble. Brother William Maxwell, the new Worthy Patron, was escorted under an archway of fishing rods, symbolic of happy leisure time spent with the fellow workers. Sister Winifred Pabst was escorted to the Marshal's station down an aisle formed by Past Matrons and Star Points, who held lovely roses which were later tied with a ribbon and presented to her by Sister Louise Wilkerson, Past Matron.

Other officers installed were: Assoc. Matron, Esther Sipe; Assoc. Patron, Robert Sipe; Secretary, Eugenia Wood; Treasurer, Dorothy White; Conductress, Beth Smith; Assoc. Cond., Ann Willen; Chaplain, H. Duane Bissell; Marshal, Winifred Pabst; Organist, Marjorie Simmers; Adah, Roxaan K. Bissell; Ruth, Carol Weesner; Esther, Ann Eichman; Martha, Delores Anspach; Electa, Mary York; Warder, Della Weesner; and Sentinel, Vida Wood. Sister Doretha Baker will serve as Prompter.

Sister Mabel opened her year with a prayer by her minister, Dr. Robert Bickell, of Aldersgate Methodist Church. The theme of the ensuing year will be "I am my brother's keeper." Our new Worthy Matron chose as her watchwords: Faith, Hope, and Love; her Motto: Search for Eternal Truth; Scripture: 1 Corinthians 13: 1-13; Colors: Orchid and white with silver; Flowers, Violets, Lilies-of-the-valley, and rose; and the emblem, which was in the East during Installation, is the Crown and Scepter with the Open Holy Bible. Her prayer for the year is:

Let Me Be Kind
Let me walk patiently today, dear Lord
From where I am to where my feet should go;
Let me not rush into the day, nor push ahead too fast, to get or give a blnw.
Let me be patient, Lord, with those I meet who seem perplexed about sn many things,
Who cannnt understand why they are so; let my composure give their spirit wings.
Let me be very kind in all I do, that lonely ones who walk in paths of pain, or children searching for a bit of love
May glimpse a rainbow shining through the rain.

Following the installation, a lovely reception was held in the ballroom of the Temple.

is no other virtue bas such graces; uth knows no evil and harbors none and its teachings are good for every- e.

Faith is the evideoce of things seen,
eeping our hearts wholesome aod ean;
stands by us in Life's darkest ours
And directs our minds to Our Saviour's Power.

Wisdom means knowledge to at- taio success,
Through acts of love and Godliness;
It inspires lofty thoughts and high ideals
Aod practices secrecy, wheo the heart so feels.

Charity is the greatest virtue of them all,
Without it, most all nations would fall;
It's the bond of Fraternity, art of giving,
And through it, makes our lives worth living.

Live, not only for tomorrow, but also today,
Listen at advice offered by elders who say;
Love all your neighbors, forgetting self
Leaving all failures high on the sbelf.

Make friends aod keep them for- ever aod E'er,
Moving with smoothness about Our Square;
More giviog of alms and plenty of time,
Mixed with pleasant thoughts sub- lime.

These may be the last verses I will write,
Though I seem botb healthy and sprite;
'Tis with wishes galore for a success- ful year
That I close this theme without a tear.

Once more the montbly deadline for the Square and Compass is here —Time passes so fast it seems to stop oo where.

Our journey to Muncie Marcb 12, was a wonderful experience. Fort Wayne Commandery can be proud of our represeotatives there — both with the number of caodidates and members — We had 9 candidates and fifteen Sir Knights in attendaoce for the wonderful display of pageantry and the fine deliverance of the Or- ders of the Commandery. I firmly believe Sir Koights we have seen a definite turn in York Rite Mason- ry for they Knighted 472 candidates, so perhaps we have found the answer we have been searching for to io- crease our membersbip in York Rite Masonry.

Our coming events will be a visita- tioo to Montpelier, Ohio Commandery on March 19, 1966 to confer the Order of Malta. Then comes our Pancake and Sausage dinner on March 23, 1966. Then of course our big event, the Knight Templar Easter Service to be held at the Scottisb Rite, April 10, 1966. Plao to attend Sir Knights, bring your friends—let's make this the largest one of all in attendance. Services will start at 7:00 a.m. The traditional Ham and Egg Breakfast will follow.

To those who have been ill our wishes for a speedy recovery — Don't forget our Stated meeting the third Thursday.

I am happy to report that the distressed members are all on the mend. Bill Lantz, after a short stay in the hospital, is at home on the way to recovery. Harold Fletter, after emergency surgery, has been released and will now spend some time at home on his road to recovery. James Komanec, is recovering at home after accident injuries. To each of them, we wish a very speedy recovery. Brother Art Popp, Chairman of the Cheer Committee, does ask that you report to him as soon as possible, any Brother in distress.

On Saturday, March 26th, Leo Chapter No. 278 O.E.S. had a closed installation of Officers. All Officers were installed at this time—not just the Worthy Matron and Patron as reported in the last month article. During the past year, Eastern Stars have contributed $618.00 to the Lodge Temple Fund. Plans are already underway for the year 1966 for the continuation of their loyal support to the Temple Building Fund.

The Grand Lodge is providing a recognition to any Brother who gives a total of $100 or more to the Indiana Masonic Home during the fiscal year (April 1, 1965 to March 31, 1966). This recognition is a wallet-size, permanent, gold, anodized metal card upon which the name of the donor will be engraved. Any Master Mason who has contributed to the Ten-for-Ten Program may become eligible for this card, hy making an additional donation that will bring the total donation to $100 for the fiscal year. For this very worthwhile project, give it your utmost consideration and receive in return the recognition you justly deserve.

Your next Lodge meeting will be April 7, 1966, with Lodge opening at 7:30 p.m. as provided by our By-Laws which were recently changed.

Another month has rolled around—here it is April, and winter is a thing of the past. Spring has sprung! We had a busy March: Stated meeting the first Wednesday, E. A. Degree the second Wednesday, Craft Practice the third Wednesday, and a ham and bean supper followed by the M. M. Degree the fourth Wednesday. We had a good turn out for this fine affair. We are indebted to our J.W., Gwen Rinker, and special assistant Harold Eddy for the excellent feed.

Several of our members have heen in the hospital. John Miller and Robert Bunch are now home. Brother Rudy Peshek is progressing slowly but surely. He spends some time at his hardware store but has to be very careful not to over exert himself.

Your S.W. and W.M. are looking forward to their trip to Grand Lodge on May 17 and 18 and expect to have an enjoyable time associating with many other officers of the many lodges of Indiana at the annual business meeting of the Grand Lodge of Indiana held at the Scottish Rite Temple in Indianapolis.

I am looking forward to seeing you in lodge. The meetings are not long, and we always have refreshments and fellowship afterwards.

April coming up and three well attended meetings behind us. I am very appreciative that we have brothers on the sidelines and who I believe are finding an evening of interest.

There is good news for the April meeting. Brother Cecil Gottschalk will furnish the fish and Brother Mervel Smith the culinary ability, and the result will be a bang-up fish fry at 6 o'clock just before the April 14 stated meeting. I am hoping everyone will turn out. Good chance to get a look at Cec before he takes off for that woodland paradise in northern Minnesota.

Brother Ralph Hedford is in Lutheran Hospital. Had a real fine visit with him today. I know that he will welcome a visit from Olive Branch members. Don't let that slip your mind now. I'm sure that a few minutes of your time will help him to keep in touch with all and speed up some of the slow days while he is on the road to recovery.

I expect to have to miss the April meeting which will be presided over by our able Senior Warden Norm Marquart. This will be his initial turn. He will appreciate a good turn out I'm sure. Please be there to lend your support.

Brother Dean Brown will have a short program about neighboring lodges which should shed some light on our building program-to-he. If not before, I will look forward to seeing you in May.

SHORT HISTORY OF KNIGHTS TEMPLAR OF THE UNITED STATES OF AMERICA

By Richard M. Needham, P.E.C.
Lancaster Commandery No. 2, K.T.

This year of 1966 marks the sesquicentennial of the Grand Encampment of Knights Templar of the United States of America. The anniversary date is in June of this year, and the place was in New York City, at, what was called then, Mason's Hall. Gov. DeWitt Clinton of the State of New York and his contemporaries helped in the establishment of American Templary in the Grand Encampment as we know it today.

The first authentic information that we have of the Templar Order in what is now the United States, is found in the history of St. Andrew's Royal Arch Chapter, which held its first recorded meeting, Aug. 28, 1769, in the Mason's Hall in Boston, Mass., under the charter of St. Andrew's Royal Arch Lodge, from the Grand Lodge of Scotland ,and the record of that date shows that the degree of Knight Templar was conferred. At that time, and later, the hodies were termed "Excellent, Superexcellent, Royal Arch Encampments." The records show that "Brother Wm. Davis came hefore the Lodge, hegging to have . . ." and he was accordingly made hy receiving the four steps, that of Excellent, Superexcellent, Royal Arch, and Knight Templar.

There had been much discussion in the various older jurisdictions as to the first duly organized encampment (Commandery), and the question is not known to have been settled. From the proceedings of the Grand Encampment of 1883 we learn from an address of Grand Master Dean that there was "Indisputable evidence that the degree of Knight of the Red Cross and Knight Templar were conferred in Charleston, S.C., in a regularly organized hody as far hack as the year 1782." The South Carolina Encampment No. 1, of Knights Templar and the Appendant Orders was established in 1780, as is evident from an old seal in the Archives (still extant). But it does not appear from what source the first Charter was derived, all records prior to Nov. 7, 1823, having been lost hy fire.

It appears from all accounts of the introduction of the Order of Knights Templar into the United States, prior to the War of 1776, that where there was any attempt to confer the Order, the same was mingled with the "Excellent, Superexcellent, and Royal Arch," the Templar degree following the Royal Arch. It is concluded that the Templar Order with appendant degrees of Red Cross, St. John's of Jerusalem, and Knights of Malta, were as legitimately conferred, and by the same authority, as were the degrees now constituting "Capitular" Masonry (or Red Masonry).

The following table shows date, place of conferring, and hy what authority, if known:

1769 Massachusets, authority, Wm. Sewall Gardner.

1780-1783 South Carolina, Patent.

1785 New York, McCoy.

1790 Maryland.

1793 Pennsylvania, Creigh.

1794 District of Columhia. Ceased in 1799, renewed in 1804, ceased in 1898.

1797 Connecticut.

1797 Pennsylvania first Grand Encampment.

1802 Pennsylvania.

1802 Rhode Island, St. John's Encampment No. 1.

1812-1814 Pennsylvania.

1814 New York Grand Encampment founded.

1816 Organization of General Grand Encampment at New York.

The true origin of the Grand Encampment of Knights Templar of the United States is involved in some uncertainty. In the first volume of the "Proceedings" of the Grand Encampment, from the Preface it's learned that from its formation in 1816, the proceedings, and also that of the 2nd Conclave (triennial) in 1819, were not printed until 1859.

The record states that "at a convention holden at Mason's Hall in the City of New York on the 20th and 21st June, 1816, consisting of Delegates of Knights Companions from eight Councils and Encampments of Knights Templar and Appendant Orders, viz: Boston Encampment, Boston; St. John's Encampment, Providence; Ancient Encampment, New York; Temple Encampment, Albany; Montgomery Encampment, Newport; Darius Council, Portland." Gov. DeWitt Clinton, who already had held the office of Grand Commander of New York State for two years, was elected and installed as the first Grand Master of the Grand Encampment Knights Templar of the United States, and held this office until his death on Feh. 11, 1828.

At this point, it should not he amiss. as to record the hackground of the founding of the New York Grand Encampment on June 22, 1814.

From Volumn V, of Albert G. Mackey 33° and Wm. R. Singleton 33° "History of Freemasonry," issue of 1898, we find this information, as follows: "The Grand Commandery of New York was organized in the following manner, as ascertained from the Official Proceedings. On Jan. 22, 1814, the Sovereign Grand Consistory, Joseph Cerneau's hody, decreed the establishment of a Grand Encampment of Sir Knights Templars and appendant Orders for the State of New York, and immediately proceeded to its formation hy choosing the Grand Officers thereof who were all members of said Consistory, without the concurrence of any Commandery, nor of any Knights Templars.

This hody, which it has often since heen proved to have had no legal Masonic authority for its existence, as a Consistory, having heen establish-ed hy Joseph Cerneau alone, in 1807, a few months only after his patent from Mathieu Dupotet had heen issued to him which gave him permission to confer one degree, the 25th of the Ancient and Accepted Scottish Rite upon one person only each year, who was qualified hy having received all the lower degrees of that Rite, in Cuha only, made his appearance in New York, and finding a total ignorance on the part of all Masons in New York as to the "Rite of Perfection," induced a large number to receive, at his hands, degrees which he had no authority to give. From this heginning, he organized his Consistory.

It is not certain that any of those members, who formed this Grand Commandery of New York, had ever received the degrees of the Commandery in a regular hody of Knights Templar, hut that they assumed the degrees of the Consistory as heing the same as those in the Commandery. There is no evidence whatever that Cerneau, who went from Port Repuhlican in San Domingo to Cuha, and from Cuha to New York in 1807, ever saw a regular Knight Templar Mason, or ever was anywhere in the vicinity of a Commandery; hence the fair inference can he drawn that the Knight of the Red Cross, and also of the Temple, were derived from the rituals of the 15th, 16th and 24th degrees of the Scottish Rite. The ritual of the Templar degree in the U.S. differs so essentially from the old ritual of England of 1801, and also from the present English one, that it can he presumed that it was invented in the U.S. hy those who took the degree from the possession of the Lodges and constituted the semhlence of Commanderies (Encampments)."

Bihlography for the above was mostly found in the aforementioned History of Freemasonry. With an assist from the "Proceedings of the Grand Encampment" reprints.

THE 23rd PSALM

(Exchange)

The Twenty-Third Psalm is beautiful and the nightingale of all the Psalms.

It has charmed more griefs than all the philosophies of the world. It has remanded to the dungeons more sorrows than there are pehhles on the seashore.

It has comforted the noble host of the poor.

It has sung courage to the army of the poor.

It has poured halm and consolation into the hearts of the sick, of captives in dungeons, of widows in their pinching griefs, of orphans in their loneliness.

Dying soldiers have died easier because it was read to them; ghastly hospitals have heen illuminated.

It has visited the prisoner and broken his chains, led him forth in imagination and sung him hack to his home again.

It has made the dying Christian slave freer than his master and consoled those who were dying and left hehind others mourning, not so much that he was gone as hecause they were left and could not go.

Nor is its work done. It will go on singing to your children and my children and to their children, to all generations of time.

Nor will it fold its wings 'til the last pilgrim is safe and time ended.

Then it shall fly hack to the hosom of God whence it was issued and sound on, mingled with all those sounds of celestial joy which make heaven musical forever.

A CREED

I wish I were hig enough to honestly admit all my shortcomings; hrilliant enough to accept flattery without it making me arrogant; tall enough to tower ahove deceit; strong enough to treasure love; hrave enough to welcome criticism; compassionate enough to understand human frailties; wise enough to recognize my mistakes; humhle enough to appreciate greatness; staunch enough to stand hy my friends; human enough to he thoughtful of my neighbor and righteous enough to he devoted to the love of God.

And, my friends, the man who says he can he a good Mason and never go to his Lodge or Chapter is only kidding himself.

He may live a good life, hut that isn't all there is to heing a good Mason. Being a Mason means; committing your life to God and the concern of your fellowman; of doing unto others as you would they should do unto you.—Exchange.

MASONIC STEPS

(Exchange)

From his first step over the lodge threshold, a Mason is taught reverence, patriotism, good citizenship, respect for law, and regard for the rights and tolerance for the weakness of his fellow men, with an ever-readiness to assist the downtrodden and succor the desolate.

These lessons, hy degrees, continue throughout his Masonic career, regardless of how far a man might go in his quest for light. Each degree has a moral. Each lesson may be analyzed time and again, with a new approach uncovered with each analysis. The better side of his life is taught hy every Masonic interpretation.

Greetings Brethren: As I hegin ths article, I cannot hut reflect and think hack to our Past Masters and Ladies Night. Many expressed their appreciation of a fine and enjoyahle evening. 22 Past Masters and their ladies were present. Brother Harry Starke the oldest present, served as Master in 1921. Our oldest P.M. Charles Alexander, who now resides in the Methodist Home, Warren, Indiana was unahle to attend, due to the flu. He had a special anniversary this year — 60 years ago he was Master of Wayne Lodge (1906-07). He sent his regrets — it heing the first of these occasions he has missed. I take this opportunity to thank all of you for the splendid turn out for this event — and all who helped in any way to make it an enjoyahle evening.

We were saddened hy the deaths of two of our faithful and devoted hrothers. Harold Bolyard and Orval Haver. They will he missed in Lodge and our degree work. To their wives and relatives we extend our deepest sympathy.

To those of you who are ill, we wish a speedy recovery — and if confined in a hospital or at home, let us know that some of our hrethren can call on you.

Plan to attend Lodge this month. May 5th, Stated Meeting. May 12th, E.A. May 19th, F.C. May 26th, M.M.

On May 17th and 18th, your Worshipful Master, Senior and Junior Wardens and Secretary are planning and looking forward to attending Grand Lodge at Indianapolis, which is always a very special event. After seeing and hearing these dedicated men you leave there fully inspired and with renewed enthusiasm for your tasks.

Mark your calendar now — of this very special event — June 2nd. Two 50 year awards will he presented and seven 25 year awards. Those to he honored for 50 years of fraternal affiliation are Brothers Harry F. Starke and Clyde H. Sunday. Those of 25 years are William A. Cardwell, Edwin E. Grambell, Orville O. Goddard, Darrell N. Good, Myron R. Hanna, Ahram Jones and Densil V. Wehster. We are hopeful that Past Grand Master Orvis A. Dellinger ean be present to make the awards. However this has not heen confirmed at this moment due to his absence from the city. Dinner will be at 6:29 p.m. Come and enjoy this fine fellowship.

In closing, we leave these words for thought. As we lahor within the temple we wonder about the Brethren who are absent among us. Is he indisposed? Why is he not at his labors? What has heen the mark of your attendance? Have you visited a distressed Worthy Brother? Have you volunteered for Ritualistic Service? Would you like to he an officer in the Lodge? We urge that you take advantage of the opportunities which are within your grasp. Our love for our lodge and our desire to serve our lodge leads to real progress in Masonry. May each contrihute his true share. See you in Lodge.

Greetings bretbren from the officers of Home Lodge. On Marcb 31st twenty-two brothers of Home Lodge were guests of Due Guard Lodge No. 278 at Larwill, Indiana. It was a pleasure to see brother Richard D. Grable receive his master mason degree. Due Guard Lodge put on the first section and we took tbe second section. After the degree work was over we bad refreshments. There was a feeling generated that can only come about wben masons meet. It is this getting together that is masonry in action. Scbuble Boggs of DeKalb Lodge was fine in the East on the second section. Worsbipful Master Donald Terman and bis officers and members went all out to show us a fine time. We are now in the process of asking them to come to our Lodge so that we can have them raise one of our members. We bad a good team, several past masters, one 50 year past master and three sets of father-son combinations.

Two more of our members bave been called to serve tbe Supreme Grand Master in the celestial lodge above. They are Edward Walter and Jacob Stanger. To the loved ones that they left bebind we extend our deepest sympathy.

Brother Edward C. Bandt is still at the Veterans Hospital and brother Harry B. Lowe is at the Parkview. If you brothers can't see them try to drop them a card so that they know that they baven't been forgotten.

Our next bospital visitation will be on May 30, 1966. Come on out and spend an bour witb someone who can use it.

Our P.M. P.G.M. the Ill. Orvis A. Dellinger bas written to me, informing me that be will be glad to serve and tbanking us for the opportunity of presenting tbe award of gold to brotbers Stephen A. Ross and Frank K. Hess on May 24th. This is our Master Mason night so brothers try to attend and let these 50 year members see how proud we are of them. Our thanks to you brother Dell for taking time away from your busy scbedule. In our April issue I said that we had tbree awards to present but tbe deatb of our brother Jacob Stanger bas left us with only two.

Brotber Prince is working bard on making arrangements for our Tri-State Reunion. This is the montb of Grand Lodge and the date falls on our Fellow Craft degree night so if you can come to lodge on tbe 17tb because brotber Prince may need a band.

Plans are being formed for us all to attend cburch in a body on St. John the Baptist Day on the 26tb of June. We bave an invitation from Rev. LaVern Sandy of the Calvary Presbyterian Church at 1701 Capital Avenue to bis 10:30 service. More about this next month until that time I'll see you at Home Sweet Home.

Brethren: This month we will celebrate the 40tb anniversary of Maumee Lodge No. 725 F.&A.M. receiving its charter — May 25tb is the date. I hope you will all plan to attend. Past Master Cbelsa Brown has informed me tbat bis plans are complete, and a very lively and interesting program is planned. In addition to tbe 40th anniversary, a 50 year award of gold will be presented to Jobn Rusk Gates. Tbis sbould be a most enjoyable evening for the older members as well as the newer members of the Lodge.

In addition to the May 25th celebration, your Lodge will again have at least three candidates for the month of May. Accordingly, we will operate on the following schedule:

Stated Meeting, May 4, 1966, 7:30 p.m.

Entered Apprentice, May 11, 1966, 4:45 p.m. (Dinner at 6:30).

Veteran's Visitation, May 16, 1966, 7:30 p.m.

Fellow Craft, May 18, 1966, 7:30 p.m.

Master Mason - Past Master - Charter Member - 40tb Anniversary, May 25, 1966, 4:30 p.m. (Dinner at 6:30).

I bope you will take notice of our Veteran's Visitation which is scbeduled for May 16th. This is a mandatory requirement for all officers of the Lodge and I sincerely bope that the members will want to join witb and assist the Lodge in performing this useful function.

Our annual golf outing for busbands and wives is scbeduled for June 4, 1966, at Limberlost Golf Course at Rome City. This program is under the direction of Warren "Doc" Delp and Walter Lankenau. Tickets may be obtained from the Co-Cbairmen, as well as Dick Englisb, Jim Bolyard, Bud Jornad, Phil Gutman and Bill Haines. The Co-Cbairmen tell me that the facilities will not be able to accomodate more than 50 couples. A word to tbe wise is sufficient, and tbe tickets will go on a "first-come, first-served" basis.

Grand Lodge will be held on tbe 16, 17, and 18 of May, and if any member is desirous of attending Grand Lodge I would appreciate their contacting me so that I might make appropriate arrangements.

Happy May Day to all of you and I hope that the snow predicted at this writing time does not materialize to spoil the spring blossoms.

The red carnation blossoms used at installation time were bright and pretty and the red dresses of the Honorary Officers alternating with the white ones brought forth some very favorable comments not only from our Supreme Installing Officer but by many who attended. The Honorary Officers who caused the comments are:

Flag Bearers and Escorts: Ralph and Marjorie Wetzel, Ina Pflieger, Chloey Lee, Florene Garrison, Alice Schaefer, Marshall Linvill, Catherine Glick, Mertie Cowan, Zetta Lopshire, Mary Jane Rollins, Jane Gregory. Attendants: Cleo Munson, Inex Houser, Catherine Glick, Dorothy Haney, Doretha Baker, Muriel Winefer, Audrey Snook, Esther Mossburg, Violet Parent, Clara Ervin, Mildred Mullen. King's Guards: Denton Manecke, Hubert Steinbacher, Elwood Parent, Willard Stephen, John Smith, Van Whysong, Rodney Snook, and Herbert Lopshire. The soloist for the year is Arthur Gardt and the Prompter is Florence Dornte.

While scanning the April issue of the Square and Compass, it was interesting to note how many of our Sojourners are lending a hand to further Masonic Principles. Lest we might miss someone, we don't dare mention all by name, but our wish for eacb of them is a happy, fraternal year in His service. They are serving in all capacities from make-up men, choir participants, officers, to presiding officers and masters of the various organizations. Congratulations!

Don't forget, your Worthy High Priestess and Watchman of Shepherds will be off to Supreme Session in Buffalo, New York come the first week of May. She's got herself a new notebook and Soj. Chris has a whole vest pocket full of pencils with which to take notes. So-o-o you'd better come to stated meeting on May 13 to hear all the news! Also on May 13, our Worthy High Priestess extends an invitation to join with her in observing a remembrance of Mother's Day. (P.S. I think she will treat them, too, with refreshments.)

During her absence, Shrine business may be taken care of by reporting to Vancha Collins, Noble Prophetess, until May 4 when she leaves for Supreme Session also. Any illness may be reported to Florence Ashley and/or Pat Nehls, Worthy Chaplain.

Thinking of travelling — wasn't it interesting to hear about Zelma Kah's recent trip? We're all avidly awaiting the time she might return witb pictures to show us. Another jaunt some of our Sojourners made was to Elkhart, Indiana for State Association Day on April 16. The fun of travelling together, the fellowships made at the meeting, good food and program certainly make the day a memorable one. It's also a good place to learn to know some of your Supreme Officers and co-workers better. They often put in an appearance and it's always nice to hear from them. It probably was the first time for some of you to meet Dorothea Schaffer, Supreme Worthy Chaplain. I don't remember when she has visited our State Association Day before, but I have attended some of her receptions in Detroit; and she never ceases to amaze me with her ability to introduce all those who have appointments by name and Shrine. I surely marvel at her ability to do so. Better save October 16 and join us when we go to Indianapolis. Maybe then we will have a larger crowd and can go by bus. Spring weather gave many of our Sojourners the flu and bad colds so that our plans for a big crowd in Elkhart sort of dwindled a bit. Better health in the fall.

Our Worthy High Priestess was entertained in April by two of our groups. The patrol had her as their dinner guest on April 19 at the Shrine Club House. The Past Worthy High Priestess' Club had her along with the other line officers as their dinner guests at the Gerber House on April 18. Soj. Tama's flower, the red rose, was carried in the decorations and table appointments and she received her gift from the Club.

Our May calendar:

May 3, Ways and Means Committee will meet with Betty Scott, 4652 S. Monroe Street.

May 5, Decorating will also meet at her home.

May 13, Stated Meeting.

May 16, Past Worthy High Priestess Club will meet at the home o Lavon Reim, 2130 E. RudisiII Blvd. Officers' Installation.

May 17, Sunshine Committee.

May 17, Patrol Social meeting.

May 23, Afternoon Social.

May 24, Evening Social.

I'm sorry I can not give you th meeting places of all the committee but to date that information is no available. Maybe next time!

I've Never Seen God

I've never seen God, but I know how I feel—
It's people like YOU who make Him "So Real"—
My God is no stranger, He's friendly and gay,
And He doesn't ask me to weep when I pray.
It seems that I pass Him so often each day
In the faces of people I meet on my way—
He's the stars in the heavens, a smile on some face,
A leaf on a tree or a rose in a vase—
He's winter and autumn and summer and spring,
In short, God is Every Real, Wonderful Thing—
I wish I might meet Him much more than I do—
I would if there were More People Like You.

Another glorious Easter season has come and with it all the signs of Spring unfold before us. It is the beginning of a new year for Fort Wayne Chapter, too. We have a new corp of officers, new plans, new projects, and new goals. If we all work and pray and play together we will share a wonderful year.

The new officers conducted their first meeting on April 7 and left us with the assurance that all is well and in good hands for another year. The Chapter Room was decorated with the symbols of our Worthy Matron. The verse from I John 4:16 was framed in the East and formed a background for the emblem of our Worthy Matron and Worthy Patron —Our Treasure Chest and all it holds — "Love opens the book, and faith turns its pages. The cup is given in friendship, the lion stands for courage. The red rose and white flowers are God's reminder of loving kindness and purity".

A large nosegay of white flowers centered with a red rose and edged with pink maline adorned the West.

As Sister Dorothy was escorted to ber place in the East for the first time the choir sang "Just a Closer Walk With Thee". She again thanked all those who had a part in making the installation such a beautiful and memorable occasion. The officers were introduced and the choir sang them a cute little song adapted from "The Sound of Music".

Sister Tessie Wise escorted Sister Irene Lyttle to the altar where she was presented with the Past Matron's jewel. They were accompanied by Faye Archer, a very dear friend, and Fannie Grim, Irene's Mother, who pinned the new pin on her. Irene was led through an aisle formed by ber officers and they gave her lovely yellow roses which they tied with purple ribbon.

Irene was also initiated into the Past Matron's Club. She was given special appropriate gifts — a bell to ring, now that her telephone will not be ringing all the time; a bag of golf balls; an every-day street-length dress (everyone knows a Worthy Matron has so many formals she doesn't need every-day clothes until she retires); a bottle of specially-concocted elixir to give her new pep; a grow-it-yourself kit with seeds and gardening tools; a framed certificate of membership; and the traditional lovely purple candle which Past Matron Esther Scbaberg makes for each of our retiring Matrons. Irene was advised to take time for her hobbies of gardening, swimming, and golf.

We think some mention should also be made of the fact that the Past Patron's group now has another member. At the last meeting in March Brother Forrest Finnell presented Bob Mumaugh with the gay red vest which is the distinguishing garb of all the Has Beens which make up their ranks. Bob was given an oral examination and passed inspection by Custom's officers Bill Knauer and Harold Houser and was presented his passport to membership after approval from Chief Custom's Inspector Clayton Herrick and other Past Patrons.

Brother Paul Hayden presented tbe Past Patron's pin to Bob and expressed the sentiments of all when he told Bob that his amiability and good humor have endeared him to the hearts of all of us.

Of course we all know that Brother Del Proctor is a Grand Chapter Committee appointment to the Knights Templar Eye Foundation. To pay tribute to Brother Del, and to collect funds for this very important project our Worthy Matron and Worthy Patron have set up a voluntary birthday contribution plan. When we give our birthday gift to the Eye Fund we will receive a bookmark, a gift from Dorothy and Forrest.

The following committees have been selected to serve for the coming year: Registration, Chairman, Beth Jacobs; Social, Chairman, Mary Jane Elliott and Assistant Chairman Ethel Frankenburg and Co-Chairmen Betty Stall, Louise Bojrab, Ruby McDowell, Cecilia Stabler, and Jean Doenges; Decorating, Chairman, Helen Parrott and Assistant Chairmen Kit Hartnup and Betty Fountain, assisted by Co-Chairmen Arlene Hendricksen, Velma Ensley, Alice Carr, Helen Smead, and Ruth Bentz.

Visiting, Chairman Gladys Grunewald, Assistant Chairman, Martha Bonham; Resolutions, Arlene Baumgartner, Marie Ehle, Bertha Irons, Christine Tew, and Clela Dellinger; Choir, Chairman, Carol Munk, with Assistant Chairman Josephine Cecil. Program, Cbairman, Jo Ann Vining, Assistant Chairman, Helen Uhl; Examining, Eleanor Costello; Proficiency, Chairman Irene Lyttle, Bob Mumaugh, and Tessie Wise; Audit, Harold Houser; Budget, William Knauer; Relief, Eythel Smiley; Masonic Home Contact, Orvis Dellinger; Reception, Mary Knauer and all Past Matrons and Past Patrons; Publicity, Virginia Curtis.

On April 21 the officers conferred the degrees of our order upon Margaret Baum, Patricia (Pat) Bradley, Judith Clifton, Lavera Harshbarger, Donnabelle (Johnny) Taylor, and William Hardy, Jr. We beartily welcome these new members and remind tbem that "tbe more we get together, the happier we'll be".

The first meeting in May will be the Guardian Angel Banquet when we honor our Past Matrons and Past Patrons. A golden key to the Memory Garden has been sent to the guests of bonor and tbe "Pasts" will conduct the initiation during the meeting which follows. A special medley composed of the songs of our Past Matrons has been arranged by our choir and promises to be delightful. A reception will be held in the Ballroom following tbe meeting, with special music by Mrs. Audrey Waldron of Markle. It will be a truly memorable evening for all and reservations should be in by Tuesday evening, May 3.

On May 19 we will honor our Mothers with a special Mother's Day program.

"ROYAL ARCH MASON" Doesn't it give you a good feeling to remember the steps you took through the "Quarries", when you were introduced in to the "Oriental Chair", when you helped to complete the temple, and then when you found "That which was lost". Companions if you cannot rememher every vivid detail of your travels, there is a sure fire cure for this. Get a Blue Lodge brother of yours to petition then you follow through again with him. He will have a friend at his side and you will renew the happy and meaningful lessons you received when you first trod the outer courts.

Thomas R. will hold a special election at the May meeting to fill the station of Scribe. Agreeahle to the hook of the law I have appointed P.H.P. Howard Carr to fill the office until special election is held. This is a must meeting for all officers and I beseech all companions that can to make it.

Your H.P. will give a SHORT report on Orand Chapter meeting that was held April 15 and 16 at Indianapolis.

Companions: Easter has passed and the weather is heginning to look like Spring. Many of us are thinking about lawns and gardens while others are dreaming of weekends "at the Lake". I am preparing to attend Grand Chapter. The time of "easy living" is nearly here. While we go about our preparations for Spring and Summer or worry about the reruns on television, how maoy of us think of our Masonry. The Blue Lodges run ioto July with their work and have stated meetings in July and August, and Fort Wayne Chapter will have stated convocations in May and June. Although we would really like to relax in the cool of the evening, wouldo't we feel a little hetter if we attended Lodge or Chapter7 One or two evenings a month isn't too much of an imposition on our time. The last time I attended a meeting of my own Lodge I ooticed that the atteodance wasn't as large as it really should have been. Uoless you are an officer or a past officer of one of the Masonic hodies, I douht if you really know how much your attendance is truly appreciated. Poor attendance is discouragiog to the officers and creates a poor impression for the Candidate who may be receiving his work. I have no complaint of the attendance at the stated meetings of the York-Rite Bodies as it has heen quite good all year. However, if you have not attended your Chapter meetings for some time, why doo't you come down on May 197 Remember, we have a dinner hefore the meeting. I can assure you that it is really worth the effort to get there at 6:15 to enjoy Compaoloo Planck's excellent meal and to enjoy the fellowship that accompanies it. I hope to see you at our May meeting aod urge you also to attend your Blue Lodge.

Brethren: The time bas arrived to furnish the Craft with news from the Lodge.

The fish fry held March 25th was well attended, and everyone in attendance enjoyed the meal. A great big thank you to all the Sisters, Daughters, and Brethren who labored long and hard to make the fish fry a success. Our Temple Fund Treasury is just a little richer as the result.

The Past Master's Banquet held April 22nd was a great success. The turnout was far beyond my fondest expectations, and once again proves tbe need for a bigger Temple. Sisters of Leo Chapter prepared a delicious Ham dinner for our enjoyment. The Job's Daughters of Leo presented their formation of the Cross, which was, as always, a beautiful sight. A cast from Three Rivers Lodge presented the play "Rose Upon the Altar" for the enjoyment of the Past Masters and others in attendance. My sincere thanks for a job well done, to all the cast. This is the second time your Master bas seen the play, and it certainly makes you stop and think about the principles of Masonry.

To all the Brethren who assisted in this program, my sincere thanks for a job well-done!

Brother Ronald Rhonemus will be recognized by Grand Lodge for his $100.00 contribution to the Ten-for-Ten Program. The card, as shown in the April issue of the Indiana Freemason, is certainly a just reward for this commendable act of charity by Brother Rhonemus.

Looking forward to seeing each of you in Lodge.

Greetings from Huntertown. A pleasant surprise was in store for all the members here when we learned that our Order of Eastern Stars had completely redecorated our Lodge room. A new paint job was put on, and a beautiful new drape was installed all the way across the East. We are so grateful to the ladies that the Masons are going two steps farther. We are installing drapes on all the windows and a new letter "G" in the East that will light up.

We expect to be very busy in the next few months. A social evening is being planned and we have E.A. Degree work planned for April 21.

I wish to mention that we have a couple of Brothers who bave been ill and had short stays in the hospital, but are now home: Brother Clyde Tucker and Brother Floyd Gause. To each of you we wish a very speedy recovery.

Another month bas rolled around and we are finally beginning to have weather to match our Spring Season. April was a little cool, blustery and wet, but considering the very mild Winter we have had, I guess a little rough weather can be expected before Spring sets in for good.

We had a fairly quiet month as far as Lodge was concerned, but did have a lodge of Fellowcraft for two candidates April 20th., under the direction of our S.W. Brother Winesburg. Everyone performed their part admirably and all went bome with a feeling of a job well done.

The month of May will be a little busier. The first Wednesday, the 4th, is stated meeting. Then on second Wednesday the 11th., we will probably have an E.A. Degree.

Your Senior Warden, Brother Winesburg, and myself, will be at Grand Lodge on the 17th and 18th. This is always a thrilling experience.

On the fourth Wednesday, the 25th., we will have a M.M. Degree for two candidates and will try to work in our last candidate for the Spring season, by having a F.C. Degree the second Wednesday in June, the 8th., and the M.M. the Fifth Wednesday in June, which will be the 29th.

We are very happy for the new members which we bave taken in so far this year and sincerely bope they are equally happy to be a part of our fellowship.

We will have much worthwhile information to pass on to the Brotherhood when we return from Grand Lodge and I am sure we will all be inspired to reach out for bigher goals and greater accomplishments in the future, for the advancement of Masonry in Indiana, and the world.

Congratulations to Stanton L. Sachs, Past Master Councilor and Representative DeMolay, for being elected to receive the Degree of Chevalier; the highest honor given a DeMolay. Also thanks to Stanton for all the work he has done for DeMolay and Fort Wayne Chapter.

The final report on the Fish Fry was given at the April 27 stated meeting. We made a small profit but more important was the fact that everyone enjoyed the meal and service.

I hope that all DeMolays are planning to attend the Mother-Son Banquet on May 9th. If by some chance any of you were missed in the mailing of reservations, call me at 483-1036 and I will see to it that you and your mother have a seat. Every DeMolay should attend the May 11 meeting. At this meeting we will have our election of the officers who will serve Fort Wayne Chapter for the next term. The candidates should ask themselves what they have to offer DeMolay. As members we should ask ourselves if these are the boys we want to represent us in the coming months.

Another important date in May is the 14th. On this day we will hold our Saturday Degrees honoring Frank E. Bohn, a 33rd degree Mason. I would like to see each one of you bring in a couple of petitions for this class. We want to fill the seats on the 5th floor! Remember that anyone who brings in five petitions will get a free trip to the state Conclave!

Plan to attend the State Conclave at Ball State University June 17th and 18th.

Americanism and patriotism. Two ords that mean a great deal to ery true American: We live hy em; work hy them; they are so osely related that one could hardly ist without the other.

Americans should oot have to be minded of these words or of their eaning, but due to the rush of life se days we sometimes take them granted and forget their signifi-ce. Every American should period-lly take inventory of himself and thinking to determine just what y mean to bim and to our country. The dictionary defines "American-" as

1. Attachment and loyalty to the ited States, its traditions, interest ideals.
2. An Americao custom or charac-tic.
3. A word or phrase peculiar to glish as developed in the United tes.

think it can really be defined the one word: Freedom — Free-n is wbat our forefathers estab-ed as the hasis of our great coun-through tbe Declaration of Inde-dence and our Constitution. They ged their lives, their fortunes, their sacred honor to accomplish r mission and many gave their d in its fulfillment.

f the 56 Signers of the Declara-of Independence, nine died of nds or hardship during the war. were captured, imprisoned and brutally treated. Several lost wives, their sons, or families. lost bis family of 13 children. at one time or another were ed and driven from their homes, had their homes burned, 17 lost ything they owned, hut oone d to keep bis pledged word, nor he sacrifice his sacred honor.

e should be proud that we are ericans. Daniel Webster once pro-med, "I was horn an American; e an American; I shall die an rican, and I intend to perform duties incumbent upoo me in character to the end of my ."

is a shame that more Americans look at it the way Daniel Web-did, but I fear too many of us, r rush of present day living, give enough thought to these . We fail to take tbat inventory urselves that would help us to and appreciate our great rican heritage.

e same may he said of "patrio-Americanism canoot exist ut patriotism. Yct, the average n seems reluctant to display his tism and his love of his coun-r fear someone might consider old-fashioned or odd.

triotism is defined by tbe dic-ry as "Love of country, devotion welfare of ooe's country." It and more. It is truly the love r country, and devotioo to its ples, its ideals, its Constitution s welfare. It is also the display ch devotion hy our thoughts, actions, our deeds, and by a respect to our country's flag. hould he proud to display our tism and to stand up before the world and be counted as Americans.

A flag is defined in the dictiooary as "cloth sewn into a design." But the American flag is a great deal more than that. It is the symbol of America, of our precinus heritage, a symbol of freedom, liberty and justice. No other nation on earth has a flag which symbolizes so much to so many. Every American should be proud of it, and proud of tbe privilege of showiog it due honor aod proper respect which, unfortunately, so many fail to do.

Now, tberefore, let us stand up and rededicate ourselves as Americans, display our patriotism, and he prepared and take time to serve our country. Sucb is the price of freedom, and freedom is what we live for, it is what we fight for, it is what thousands of Americans have died for. It is tberefore incumbent upon us, the living, to keep faith with those who have died, to keep, maintain, and perpetuate our great American heritage — regardless of sacrifice or cost — so future generations of Americans can enjoy it as we bave, and in order that our glorious dead shall not have died in vain.

BELIEVE in America. It is my country; I love it. Fortunately for me, I was born here. I say fortunately because being born here required no effort on my part. This much, and tbis much alone, was my inheritance; from there on I had to work at becoming and remaioing an American, an American in the true sense of tbe word. It wasn't easy; it isn't easy now; and it never will he easy! To he an American is to he a free man; one who can stand on his own two feet; accept his responsihilities along with his privileges; and who is willing to take the had along with the good.

I have no desre to become a part of any crusade to save the world or remake it in America's image. I do not contend that all peoples should become like Americans — or even try to — unless it is their desire to do so. My duty is to be the best American that I can; to help it in my small way to become a better place in which to live. I know of no better way to do this than to become a better citizen, neigbbor, husband and father.

Tbe greater part of accomplishing this consists of actions which will never gain public acclaim, fame, or recognition. They are actions performed for which no medals are given; no fanfares made nor ticker tape parades held. These are tbe deeds that one is conscious of having been performed because of tbe excellence of the results: integrity huilt into a product; children well rounded in basic moral principles; love of and respect for country; loyalty to friends and fairness in all dealings; deeds oot performed as requirements, hut as being the right things to do. All of this requires adherence to one's priociples, previously established on the foundation of prudence and experience and making no compromise concerning them because of expediency.

We cannot all be famous; we cannot all he world renowned; such prestige is for the few. There is only so much room at the top. Nevertheless, the rest of us, we average Americans, are important. It takes millions of us to keep the relatively few V.I.P.'s at the top. We are the foundation, we and the rule book, upon which the whole structure rests. If any part of it erodes away, tbe collapse of the entire structure is inevitable. It is important, therefore, that such erosioo — the lowering of standards, increasing lack of integrity, loss of ethics, misguided rationalization, bypassing the Coostitution, and such — not he permitted to debilitate us. We are the base of the pyramidl

We are aware of what our American policy should be; accordingly, we should make it known to our elected representatives that if they do not carry out our wishes withio the framework of their political duties, they can and will be removed from office by us, the alert, informed, and determined electorate wbo has the courage of its convictions and who will exercise its tremendous power to make the system work the way it was intended to work. Thus, it takes millions of us, each standing on his own two feet — unafraid — to make aod keep this a great and free America.

CHANGE NEEDED?

Do we need a change?

You have only to look to see and realize the obvious answer.

The peculiar lack of interest among the Bretbren must he attributed to something and that something bas got to be somewhere in tbe makeup of our Masonic program. Today we seem to completely fail to really sell the Order to our oew members.

A quarter of a century ago our way of doing things netted better results. We had a good, simple program that worked but it was not designed to compete with our present day rush of activity.

Twenty five years ago there were not so many people and there weren't so many problems. There was still mucb to be accomplished with and by the automobile. Radio was yet to come into its full glory and TV was only an inventor's dream.

Communications, as we know them today, has shrunk our world. There are distractions as well as attractions on every hand that hreak into our membership to weaken us.

In this keen competitive existence we call life, we bave got to have a leadersbip equal to the competition. In the constant hattle for men's minds, we have got to have vibrant leaders with a dynamic program and tbe ahility to sell it.

Masonry faces a problem whicb cannot he sidestepped and when our leadership faces up to the problem and casts aside the old, ineffective program and replaces it with a oew one (without weakening the hasic principles of Freemasonry with a lot of modernisms and liberalisms so common today) many other tbings will change.

We have got to meet this challenge for the minds of our membors. We have got to win the dedication of our membersbips.

You can be sure we need some cbanges . . . the cbanges tbat make Masonry a vibrant guiding force within the community.

LEARNING

Masonic books offer a wonderful opportunity for growtb aod development in Masonry. They represent an exciting "adventure in learning."

If our purpose in Masonry is to learn, then Masonic hooks are the hest tool available for the acquisition of knowledge.

To read the thougbts of tbose wbo are endowed with the ability to present the deeper meaning of Masonry's teachings, is an invaluahle privilege. We should keep in mental contact with those great minds who have made available to us this rich heritage of thought.

Whatever one may he interested in, Ritual, History, Philosophy, or Symbolism, tbere are Masonic books available and waiting to be read.

Reading Masonic hooks is much more than learning dates aod facts. In every book tbere is a window through wbich we may more clearly determioe the vastness of Masonic teachings.

In the month of June we will bave two very special events. The first, might have taken place by the time you receive tbis puhlication. On June 2nd, at our stated meeting, two awards of Gold will be presented. At our dinner, 6:29 p.m same evening, six 25 year awards will be presented. Tbese emhlems are not so much a reward for work well done, as it is a summons to rededication, and a reminder that tbose first lessons to the youngest Entered Apprentice are just as important after a half-century as they were o nthe eve of initiation. Come — be present — and honor these Brethren who receive these awards. Make it an evening of your own rededication. P.G.M. Orvis A. Dellinger will present the 50 year Gold Awards.

On Sunday, June 26th, Lodges in all parts of the state will attend services of divine worsbip in a great simultaneous observance of the Feast of St. John the Baptist. We have formally accepted an invitation for attendance at the 9 a.m. Worship Service in the Christ Methodist Church, 1101 McKinnie Ave. The minister is Rev. William Meddock. Each and every memher of the fraternity and their ladies are invited to come and worship witb us on this date, June 26th. In thinking about Masonry and religion, I have learned that Masonry is not a religion in the sense that we think of tbe church, but that it is a form of the church and worship, a true ally of all religions. I found that one grows stronger in his own religion, whatever it may be, as the result of the moral and spiritual teachings of Masonry. Come and worship with us June 26th. Please be there by 8:45 a.m.

It is with the deepest regret that I report the demise of our brother, Walter Allen McComh on June 14th, after an extended illness and operation on May 9th. Our deepest sympathy is extended to the family and friends of our beloved brotber.

Brethren, the Presidency of our Fellowcraft Club has recently been assumed by P.M. Joseph McDowell. With his leadership, knowledge of the works of the Craft and organization ability we are assured of greater improvement in this section of M.M. Degree. Those of you who have given your support in this section will be called upon to continue — and we appreciate your efforts and cooperation.

Our last visitation for the summer to Veterans Hospital will be June 13th. Kenneth Rayl appreciates the support that you have given him in this worthy endeavor. Mark this date and plan on coming.

There will not be any degree work in June, hut don't forget to attend the stated meetings in June, July and August. Have a restful summer and safe vacation my Bretbren, and come hack to Lodge in September ready to go.

Greetings Brethren: As this is the last article until September I want to remind everyone tbat Sunday, June 26 our lodge will join in the statewide simultaneous observance of the Feast of St. John the Baptist. We will meet in the lodge ball and then walk to the Waynedale Methodist Churcb. I hope to see everyone there for this very special event.

When you read this article, Grand Lodge will be history. It was held in Indianapolis on May 17 and 18. To be able to attend Grand Lodge is an experience to be remembered for many years. Your Worshipful Master, Senior Warden, Junior Warden, Secretary and their wives attended.

I want to take this opportunity to thank the brotbers who painted the inside of the lodge hall and belped to clean the carpet. To have brothers step forward and do things like this is one of the reasons why our lodge is an active and growing lodge. Everyone is working toward one common achievement, the hetterment of man and mankind through the lessons of Masonry.

The month of May is now over and we have had a very busy schedule. I wish to welcome Brothers Robert G. Retherford and Robert Peterson, who were raised to the Sublime Degree of a Master Mason on May 3, 1966. We had a very fine turnout for this degree and I thank all who helped in the degree work.

Your Worshipful Master, Senior Warden and Secretary, along with their wives, had a very enjoyable trip to Indianapolis to attend the annual session of the Grand Lodge of Indiana. In order to attend Grand Lodge it requires some work on a members part. After becoming Master of a Lodge, you can then attend Grand Lodge. This experience will long be remembered by all who attend.

Those of you who did not attend our Family night missed a very fine meal as well as tbe best of entertainment. The puppet show depicting the life of Christ was enjoyed by all and was an experience that a person normally does not have.

Our schedule for June is as follows:

June 7, Master Mason Degree, 5:30 p.m. open.

June 14, Stated meeting.

June 21, Entered Apprentice Degree.

June 28, Fellowcraft Degree.

I have been advised that the Stated Meeting held in May was well conducted by Senior Warden Disler. I want to thank bim for taking over and permitting me to travel to Englewood Lodge, Englewood, Ohio to see one of my cousins join the ranks of a Brother Master Mason. I have heard that Ohio does things a little different than Indiana and I am now sure of it. Although there is this difference, we are all traveling the same road and will arrive at the same destination, providing we live up to our Masonic teachings. I enjoyed myself very much and if any of you should have the opportunity to visit a Lodge in Ohio for this purpose, be sure and attend. I was received very cordually and felt right at home. I have no doubts that our Lodge will be in good hands next year if every thing goes right.

Remember your lodge, and he sure and visit us.

Greetings brethren: From the officers of Home Lodge. Last month I was privileged to attend two ladies nights that Waynedale and Sol D. Bayless put on. Both W.M. Trainer and W.M. Stute had a well planned program and put a lot of work into fullfilling these plans. Waynedale had Brother Swartz to give a talk, humorous as it was it had a very pointed meaning. Brother W. O. Hughes was the guest speaker for Sol D. Bayless and he had some very good advice for all parents. My wife and I enjoyed hoth dinners and we met some new friends and saw some of our old friends. Brothers if you can attend a function of your own lodge or of a sister lodge I am sure that you will he much happier for it.

We have two guests at the Masonic home and hoth are in the hospital. Mrs. Edna DeWeese and Mrs. Della Schwartzkopf are their names and I think that hoth of these ladies would like to hear from someone at home. How about a card or something to let them know that we still remember them. Address them to Masonic Home, Franklin, Indiana.

Brethren we had the honor to present the award of gold to our hrothers Stephen A. Ross and Frank K. Hess on May 24th. We were also honored to have the privilege of presenting the award of gold to hrother Arthur A. Condrey of Marion Lodge No. 35. Congratulations to you three hrothers. Thanks to hrother Orvis Dellinger for making such a fine presentation.

Don't forget ahout attending church June 26th at the Calvary Preshyterian Church at 1701 Capital Avenue at the 10:30 service. Each year at this date Grand Lodge wants us to unite and worship our Lord as a group of Masons. This is for St. John the Baptist Day.

Last month I put down as our date for hospital vlsitation as May 30th. I found out that date is wrong. Our next date is June 6th. See you there. Come to lodge and keep the Home fires hurning.

Since this will be the last article until September we wish everyone a safe and happy vacation this summer.

Brethren we will celehrate Saint John the Baptist Day at Crescent Ave. E.U.B. Church June the 26th. We hope to have a good representation there.

We extend our sympathy to the memhers of Ehrman family in the death of Brother Geo. Ehrman. Brother Ehrman was a fifty year memher of our lodge. He has two sons who are memhers of our lodge. Past Master hrother Melvin Ehrman and hrother Ralph Ehrman.

Brethren in closing I wish to add this phrase we have all heard the old saying when the ship comes in. But we cannot expect a ship to return if we do not send one out.

Just having returned from State Association recently, may I please digress from the news of the current issue to refer to it?

Those who did not attend Indiana State Association in April really missed a good thing. Our State President, Dorthie Goodrich, did fine at presiding and our Worthy High Priestess gave the response to the welcome.

NOW maybe you Sojourners better open those vest buttons before you pop 'em all for I know you're gonna be proud!

The Supreme appointments in our Shrine are Soj. Arnett Bickel, Supreme Credential Committee; Soj. Tama Christopher, Supreme Page; Soj. Clarence Christopher, Supreme King's Guard. Faith also has another honor this year. Soj. Vancha Collins has consented to serve as fourth Vice-President of Dorothea Shaffer's International Club. This means she is in charge of selling the seals for our Supreme Noble Propbetess. Best Wishes for a successful year and may each enjoy the fraternal friendships we all know they will make.

The Welcome to Buffalo was given by PSWOS Harry Barton. Harry X. Cole, PSWOS, was master of ceremonies. The Welcome to the Session was given by Soj. Ann Eastman, PSWHP and Bud Yokely, PSWOS. Supreme Officers Gwen Heeb and Gordon Hawk were escorted by Marguerite Dutsche, PSWHP, to the East. A song, In the Garden of Tomorrow, was sung for them and they were greeted and welcomed home to Buffalo. A parady to the previous tune was sung along the theme of the fact that they had sown seeds of encouragement along the way all year and had returned home to the harvesting. All the Supreme Officers wore gold floor dresses. They also had an impressive flag ceremony.

The Past Supreme officers were escorted to the East by the WHP of their respective shrines.

The installation in which our WHP and WOS took part was beautiful. The same East was used with a different arrangement and the Kahn was added. The WHP entered and made a cross on the floor. They were attired in gold and silver dresses. The men in dark suits made the keystone around the cross. Then the spot light played upon the "Living Cross" while the choir sang appropriate songs. It was simplicity itself but most impressive. SWHP Margaret McWhertor wants to return to the ritual and wishes to keep it simplified as stated.

Before the informal opening on Monday evening, we were entertained by the Shrine Chanters of Zem Zem Temple and before the installation on Thursday evening, we were entertained by their Band. The Chanters were attired in long red capes lined in black satin and the band wore bright red and gold uniforms. Most attractive and they were very entertaining. One bumorous note the choir had was a "singing" dog who actually howled all the time they sang one song. The dog is their mascot and bas his own uniform!

For the business matters, of course, you will have to attend Shrine meetings. There will be some changes coming. Incidently, now is the time to order Supreme Proceedings and also the Supreme By-Laws. Better get your order in to the Scribe.

Now for some local bits: Seems the Merry Month of May is a busy and important one. Best Wishes to our bride, who is also our Worthy Guide, Mary Ann Mullen. Congratulations to our Worthy Treasurer, Evelyn Hinton. Dr. Kraus and Trinity Church bonored ber at a special dinner meeting May 19 in bonor of her 25 years of service with their Choirs. And another Sojourner who recently had her picture in the paper is Thelma Noble, R.N. She was the first full time nurse employed by the New Haven School system and retired May 26. Her husband, Howard, is also retiring this summer. I believe be was serving as a custodian of Parkview Hospital. Congratulations!

Say, we have a Sojourner who made a maiden journey via the AIR recently. She just LOVES the way they (planes) bounce up and down. However, I hear it was ber co-rider who finally turned green. Wonder why they decided to book passage home-by-car?

Ya know, what with being at Supreme, battling the winds of Buffalo and Rochester, losing my so-called beauty sleep trying to keep up with my WHP and WOS who Insisted on getting up for breakfast each A.M., I'm sort of weary and sleepy still! But you know what? I hain't half as bad off as some! I've been trying since March to get the Hostesses of the various committees for these here issues. I'm sorry to say I still don't have the Decorating Committee, Evening Social and Patrol. Where are you? Are you losted or just bashful?

May I remind you? That this is the last issue until Septemher? Where are your petitions? Paid your Material Objective and dues yet? Got your Rummage all bagged or boxed up? Your WHP and WOS extend a special invitation to you to come to the June stated meetings. Great going-ons. Come see. Get your information to me by August 15 for the September issue.

So now just want to say—Wherever you may roam
O'er land or sea or just at home,
Enjoy vacation times
But don't spend all your dimes.
Return again next fall
When Your WHP and WOS call.

Me? I'm a goin fisbin up Clear Lake way — So long.

The dioing room was transformed into a lovely garden for the Guardian Angel Banquet when Fort Wayne Chapter honored its Past Matrons aod Past Patrons on May 5th. The honored guests were escorted through the gate into the garden.

Twenty tbree Past Matrons aod twenty two Past Patrons were introduced and the choir sang to them a very clever medley of the soogs each bad used duriog their year in the East. The "Pasts" assumed the officer's stations and cooferred the degrees upon a fine group. They left us with tbe assurance they are still the "Pros", truly the Guardian Angels of all who follow after tbem. We welcome Phyllis Fisber, Betty Lankenau, Edoa Geyer, Floreoce Spencer and Ronald Coil into our circle of friendsbip.

We were especially honored to have omong our guests Sister Sallie Turner, Jr. Past Grand Matroo and Grand Trustee, and her husband, Ray; our own Brother Clayton Herrick, Jr. Past Graod Patron and Grand Trustee aod Past Patron of Fort Wayne Cbapter, and bis wife Helen, Grand Representative of the Grand Chapter of Texas in Indiana, and Past Matron of Fort Wayne Chapter; and Virgioia Miller, Jr. Past Matron of Huntington Floral Chapter and Deputy of District 14; Vera Hayden, Grand Representative of the State of Pennsylvania in Indiana, and a Past Matron, and Del Proctor, Knigbts Templar Eye Foundation Committee appointee, and Past Patron.

The appointment of Sister Lillis Blomhach as chairman for Starlight Magazine, and Sister Marian Goff, chairman for the International Temple were accounced.

We are proud to learn that Sisters Patricia Walker and Helen Howard have been appointed to a special arrangements committee for Grand Chapter for 1967 and Sister Irene Lyttle is serving on the arrangements committee for the Indiana dinner for tbe next General Grand Chapter session. Sister Irene brought further bonors to our chapter by serving as personal Page to Brother Clayton Herrick at the Grand Cbapter sessions in Indianapolis in April.

We were certainly glad to hear that Sister Clara Shipley is making wonderful progress in ber battle to regain her bealtb. She celebrated ber seventy-eightb birthday in the hospital by taking her first steps since her accideot. Our prayers and good wishes are witb her every hour of the day.

A reception was held in tbe Ballroom following the meeting and we all thorough eojoyed tbe soogs of Mrs. Audrey Waldron of Markle, and the refresbing puocb aod cookies.

The May 19th meeting was a tribute to our Motbers. Special guests were the mothers of our officers and eacb was giveo a corsage from our Worthy Matron and Worthy Patroo. A little playlet was presented by some of the officers who assumed the role of their own special emblematic flower — the Violet, Jasmine, Lily, Fern, and Rose, and tbe Warder was a Thistle. The star points wore tbeir colorful flowers on tbeir beads to make them look like the blossom they represent. The choir sang "My Mother's Bible" and the decorations for the evening were the emblems of the Electa station. The same emblems and flowers were used on tbe refreshmeot tables during the social hour wbich followed.

Our June 2od meeting will be a memorial service. The decoratioos in the East will be impressive in their simplicity. The tall wooden cross in the background will rise above the white pedestal on wbich the open Holy Bible rests. The Charter will stand on the floor in froot of the pedestal for the drapiog ceremony. In a very solemn ceremony, the officers will surround the altar with a golden chain. Each Star Point will approach the East with her floral tribute and return again to her place in the golden chain. When all bave given their tribute and the Cbarter bas been draped the cbain will be broken and the golden links representing eacb of our departed Sisters and Brothers will be added to the Bible in tbe East. The music of the cboir is so lovely and says in such a tender way all the tbings we feel in our bearts but are so often unable to say.

The chain of fraternal frieodsbip is bound by links of Gold

Wheo we fondly bold and cherish our friends both new and old.

And then, one by one they sever, just why we cannot tell,

But we trust our Heavenly Father who "Do'eth all things well".

Our Juoe 16tb meeting will be tbe last before Chapter goes dark for the summer. We are planning to do it up right. "Teacher is Coming". This is tbe nigbt our District Deputy will be here and we hope to make a real good impression on Sister Virginia Miller, Deputy of District 14. We hope you will all be bere to sbare these important evenings with us before we recess and scatter for summertime vacations.

What sunshine is to flowers,
smiles are to humanity.
They are hut trifles, to be aure;
But scattered along life's pathway;
The gnod they do is inconceivahle.

At our first stated meeting, the officers surprised the Worthy Matron with a delightful hirthday party. She was presented with a heautiful hirthday cake and a lovely gift. Each officer shared in the festive occasion with a short planned greeting to Sister Ethna.

Our second stated meeting was devoted to Eastern Star History. This was a very interesting prngram and mnst informative. Sister Vera Strodel, past Worthy Matron, presented the part of the program regarding the Star Points. Our Worthy Matron closed the program with the following thought: Aren't ynu proud to helong to an organization which — Mathematically speaking — "Adds" culture to a life — "Suhtracts selfishness from personality — "Multiplies" our joys — and "Divides" our sorrows.

Our Mother's Day program included a visit of the Joh's Daughters from Bethel No. 8. We are always pleased to have these lovely young people take part in our mcetings.

Truth Court No. 21, Order of the Amarantb met in the K of P Hall, on May 11, 1966, for its regular meeting, not too mucb went on because so many of the Honored Ladies and Sir Knights were all packed and ready to leave the next morning bright and early for Grand Court, which was convening in Indianapolis, Indiana, but like always there were a few tbings that just had to be taken care of sucb as: H.L. Bessie Carmer was installed into the office of Truth, H.L. Bessie was recovering from surgery at ber bome at the time of our regular installation, she was installed by our Royal Patron, S.K. Oliver Boldt, assisted by, H.L. Louise Wilkerson as Grand Marshall, S.K. Paul Clear as aide to tbe Marshall, H.L. Dorthea DeForest, Musician, S.K. William Maxwell, Prelate, and H.L. Bertha Clear, Secretary.

Also a most impressive memorial service was given, in wbich the following H.L.'s took part: Bessie Carmer, Lana Place, Louise Wilkerson, Mary Beamon, Nettie Maxwell, Lois Alderfer, Florence Geiger and Mable Travis, the Royal Matron, H.L. Geraldine Boldt placed flowers on tbe altar in loving memory of all departed members in tbe past year and S.K. William Maxwell placed a lovely bouquet of tulips on tbe altar in memory of H.L. We were all invited to spend a Sunday at tbe cottage of H.L. Nellie Moore on Crooked Lake if and wben it ever warms up, a date will be decided on a little later, but start planning now on going, you know we always have a grand time.

A few things were talked about by the Ways and Means committee, that we could do this year to make money for the Court, two were decided on definitely, a Party and a bake sale, botb will be fun so watch for the dates which will be announced at a later date.

The Royal Matron Geraldine handed out assignments to eacb one going to Grand Court to report on at our next meeting in June, so this will give those wbo were not able to go to Indianapolis, Indiana for Grand Court a birds eye review of everything that went on.

I bave a fresh supply of petitions for Master Masons and for the wives, motbers, daughters, adopted daughters and sisters of Master Masons, so get yours as soon as possible for the above mentioned ladies and gentelmen to be able to join us in our wonderful order, without losing any more time. Companions: This is tbe last time I shall be communicating with you before we go dark for the summer. There is one very important piece of information I would like to give you before vacation. The annual Quarry Festival will be beld at Bloomington on Saturday, August 27, 1966. This festival is perbaps tbe most interesting type of work tbat is being done today in Capitular Masonry. As you know, tbe Mark Master Degree takes place in a quarry. To actually see the degree done in a quarry is to behold tbe most spectacular work that can be done in the Cbapter. Last year, many of us from this area chartered a bus and went to Bloomington "tbe easy way". I would like for you to begin thinking about going witb us this year. Perbaps we can bave a caravan of busses from this area. This is also a good selling point for Royal Arch Masonry. If you bave a friend wbo bas been a bit besitant about signing a petition, tell him about this. I'm sure that he will be happy to sign wben be finds that this will cost him no more than the regular fee. We are also planning to bave an All-Degree Day sbortly after we resume our work in the fall so that all candidates who get the Mark Master Degree at Bloomington will be able to receive the remaining degrees as soon as possible. Before the degree work at Bloomington there is a barbecue. The degree work begins around sundown. As you can tell, this gives us plenty of time to get down tbere. The Grand Chapter has made a change in tbe By-Laws which makes it possible to call a special meeting for the purpose of voting on petitions and so it is not necessary to present a petition at a regular stated meeting. If you get a petition to present, call Roger Shafer, the Secretary, and a meeting will be arranged so that action may be taken on it.

Let me again remind you that we will be baving our regular dinner before our stated meetings and that you are cordially invited to come and enjoy an bour of companionship before the meeting. The dinners, as usual, will be at 6:15. Go out and start looking for petitions for August 27, and I'll see you at the stated meeting for June.

Greetings Sir Knights; Once more it is time to write our monthly report. To most of us this bas been a busy month.

The Grand Commandery Conclave was beld in Vincennes, Ind. on the 12th and 13th of May. First let me thank our Commandery Drill Corps for tbeir representing us at the Conclave. Their performance was the finest, so thanks again fellows.

The outstanding part of tbe trip was that Sir Knigbt Jim Whiteburst had procured a bus and both the Sir Knights and their ladies made the trip as a group, the fellowship was wonderful and I'm sure the next trip the Drill Corps makes will be done the same way.

Our own P.C. Jack Walker received an appointment to tbe Grand Commandery Line — we are all real proud of him. Congratulations Jack.

The Grand Commandery at the Invitation of Fort Wayne No. 4 elected to bold the Conclave in Fort Wayne in May of 1967 — so our work is just starting Sir Knights.

Sir Knights we do bave degree work scbeduled yet this month and next so watch your calendar for tbe announcements. I would like to announce that our Inspection date bas been given, it will be on November 12, 1966.

For some reason our article did not reach the publishers last month. So I will take this opportunity to thank everyone for the big success of our Easter Services. To P.C. Schuble Boggs and his many workers a job well done.

Don't forget our Stated meetings. Come down and enjoy our York Rite Dinner.

Our deepest sympathy to the family of Walter McComb. His passing will be a great loss to all of us. See you at our Stated Meeting.

I am writing this little oote on a May evening that is quite different from what May is usually expected to be. It is raioing and about 45° outside — more like early April or March weather. But they say we oeed the rain, so we will put up with it and look forward to a warmer June, I hope.

This will be the last article before we usually go dark in July aod August, but we have beeo especially lucky in having a good number of friends and neighbors who wish to join our fellowship; and in order to get the degree work done, we may have to carry on through the summer. This we will be happy to do if necessary. Juoe is goiog to be aoother busy month for New Haven Lodge.

We just returned from Grand Lodge a couple of weeks ago, and your S.W. Geoe Wioesburg and I and our wives had a very eojoyable time as we always do at Grand Lodge. I will really miss it oext year. We had an M. M. Degree preceded by a delightful dinner prepared by our J.W. Gwen Rioker with special assistaoce from Harold Eddy, J.D.; Bill Breisch, S.S.; aod Kenoeth Gibson, J.S.

We expect to have E.A. Degree work on June 8, F.C. Degree oo June 15, a special dinner at the Lodge on Friday evening, Juoe 17, and finally an M.M. Degree meeting on June 29. Of course we all want to remember the New Haven Ceoteonial Celebration to be ohserved with special emphasis duriog the week of June 12 through 18. Many of our membors are already showing their interest by sporting some pretty facial decorations of various kinds. "Real nifty" I would say. Most of us will be participating in ooe way or another in this very importaot celebration.

All in all, the past six mooths have heen very excitiog and rewarding io many ways, and I am sure that the remaining six months of the year will be just as much of ao inspiration. One of the most important days of the first six months will be our participation in the St. Joho's Day observance at New Haven Methodist Church hy special invitation from the senior mioister of the church, Dr. Gerald H. Jones. I am sure we will have a good turn out at the 10:40 a.m. service. See you in Lodge and in church oo June 26.

Due to a spring vacation I failed to publish a message in the prior issue of the Square and Compass. Also during my absense the April meeting was ably cooducted by our Seoior Wardeo, Brother Norm Marquart. My thanks to him for standing by.

There was also a delicious fish fry just preceding the April meeting. Those in atteodance were well satisfied so far as both quantity and quality were conceroed. The lodge wishes to express its appreciation to both Brothers Gottschalk and Smith for furnishiog and serving the dinner.

During the month of April, Olive Branch was saddeoed io the loss of Charles N. Kiog, who had been a Mason for well over half a century. I am certain he will long be missed withio the lodge, as he will be missed throughout the community of which he was so much a part. There is no doubt that a vast amount of important historical knowledge concerning this area is gone with his passiog. He was an exemplary Mason.

Our May meeting was well atteoded. Graod Lodge convenes duriog May and there will be a good deal of information to be passed along at our June meeting. I will be hoping to see all of you at the meeting June 9.

Last May 9th our annual Mother-Son Banquet was held in honor of Mother's Day. I think that everyone who atteoded not only enjoyed the eveniog, but also left inspired. Among our special guests were Past Dad Tucker and the Chapter Sweetheart, Sally Rietdorf. Sally, who will represent Fort Wayne Chapter at the annual State Conclave, was presented with the Sweetheart locket. Making the presentation, in record time, was PMC Stanton Sachs. One of the highlights of the evening was the preseotation of the Past Dads pin to Dad Tucker. This was a well deserved award for Dad Tucker who speot seventeeo years in helping hoys become better sons, better citizeos and better meo. Also Mrs. Coe was presented with the Mothers Circle pin aod gavel, as a symhol of the President of the Mothers Circle. As it is with all presentations for accomplishments it is hard to give due recogniotioo and thus it is for Mrs. Coe. If it were not for the Mothers Circle there would be no refreshmeots after meetiogs or Mother-Son Banquet or many other things too numerous to list.

At the May 11th meeting the election of officers who will serve Fort Wayoe Chapter for the Fall term were elected. The new Master Councilor is Steve Duncan. Steve is a Represeotative DeMolay, has received a Blue Honor Key, for hriogiog in 10 petitions, and has many other merit bars. The Senior Councilor is Mike Westfall and the oew Junior Councilor is J. K. Harper. Coogratulations and Good Luck!

Agaio we want to extend our heartiest coogratulatioos to newly created Chevalier Stanton L. Sachs. There was a lot of hard work that went into being nominated for this high honor and I am sure that Stanton's parents aod family are just proud of him.

The State Conclave is comiog up the 17th aod 18th of Juoe, at Ball State University. I hope you all have made plans to atteod aod compete. It should be a very enjoyahle and rewarding few days.

This is my last article and I want to thaok everyooe who helped me during the last six mooths. If I stay oaming people or groups I will certaioly forget someooe; oevertheless there are a few people I feel I must recognize. Of course there is the Advisory Couocil, and especially the officers who helped me, you felt did a great job and I waot to thank each and everyooe of you for the little extra you did to make everything a little more successful. Also Mike Westfall who was io charge of the Fish Fry, Jim Coe who gave much needed advice, and to Stantoo who filled in as Scribe and did a good job. I also want to give a special thanks to the Mothers Circle for their cooperation and help.

Again, to everyone who helped me during my term, Thanks!

MERICANISM AND ATRIOTISM

MAJ. GEN. M. M. WALLACE, 32°, K.C.C.H.

Americanism and Patriotism. Two rds that mean a great deal to ry true American: We live by m; work by them; they are so sely related that one could hardly st without the other.

Americans should not bave to be minded of these words or of their ning, but due to the rush of life se days we sometimes take them granted and forget their signifnce. Every American should periodly take inventory of himself and thinking to determine just what y mean to bim and to our country. The dictionary defines "American-" as

1. Attachment and loyalty to the ited States, its traditions, interests ideals.

2. An American custom or characristic.

3. A word or phrase peculiar to glish as developed in the United tes."

think it can really be defined by one word: Freedom—Freedom is at our forefathers establisbed as basis of our great country through Declaration of Indepeodence and Constitution. They pledged their s, their fortunes, and their sacred or to accomplisb their mission and e their blood in its fulfillment.

f the 56 signers of the Declaration Independence, nine died of nds or bardsbip during the war. were captured, imprisoned and e brutally treated. Several lost r wives, their sons, or families. lost his family of 13 cbildren. at one time or anotber were ed and driven from their bomes, ad their bomes burned, 17 lost ything they owned, but none d to keep his pledged word, nor he sacrifice his sacred bonor.

e should be proud that we are ericans. Daniel Webster once proed, "I was born an American; I an American; I shall die an erican, and I intend to perform duties incumbent upon me in character to the end of my er."

is a shame that more Americans t look at it the way Daniel Webdid, but I fear too many of us, our rush of present day living, t give enough thought to these gs. We fail to take that inventory ourselves that would help us to ize and appreciate our great erican beritage.

he same may be said of "patriotm." Americanism cannot exist with- patriotism. Yet, the average citseems reluctant to display his otism and his love of bis country ear someone might consider him ashioned or odd.

atriotism is defined by the dictionas "Love of country." It is this more. It is truly the love of our try, and devotion to its principles, ideals, its Constitution and its are. It is also the display of such tion by our thoughts, our actions, deeds, and by a proper respect to country's flag. We should be d to display our patriotism and and up before the world and be ted as Americans.

flag is defined in the dictionary cloth sewn into a design." But American flag is a great deal than that. It is the symbol of America, of our precious beritage, a symbol of freedom, liberty and justice. No other nation on earth bas a flag which symbolizes so much to so many. Every American should be proud of it, and proud of the privilege of showing it due bonor and proper respect which, unfortunately, so many fail to do.

Now, therefore, let us stand up and rededicate ourselves as Americans, display our patriotism, and be prepared and take time to SERVE our country. Such is tbe price of freedom, and freedom is wbat we live for, it is wbat we fight for, it is wbat thousands of Americans have died for. It is therefore incumbant upon us, the living, to keep faith with those wbo have died, to keep, maintain, and perpetuate our great American heritage — regardless of sacrifice or cost — so future generations of Americans can enjoy it as we have, and in order that our glorious dead shall not have died in vain.

MUSEUM OPENS AT WASHINGTON MASONIC MEMORIAL

The George Washington Masonic National Memorial Association

A new museum created in honor of George Washington was dedicated on February 22nd, at the annual meeting of Masonic leaders representing over 4 million American Masons. The dedication was held at the George Washington Natonal Memorial in Alexandria, Virginia.

On February 22, an official sbowing and reception was beld witb Cecil Wall, Director of Mount Vernon, giving the address. Attending the official showing were outstanding authorities of museums, design, and art.

The museum's interior designer, Dudley Brown, stated that the museum room is designed "after the style of the noted English arcbitect, Sir Cbristopher Wren." Brown explained that the style of Wren "dictated a series of great columns" resulting in the six major bay areas wbicb house the display cases. Each bay related to an aspect of Washington's life including bis war years, presidential years, and entombment.

In the center of the room is a large antique Persian carpet. Highlighting the museum is a spleodid 10-foot long solid mahogany case in which reposes Washington's family Bible. Until recently, the Bible has been in the private hands of Mrs. Anne and Patty Wasbington, fifth descendants of Washington's brotber.

The room will be highlighted by a nine-foot bronze statue of Wasbington by the noted sculptor, Donald DeLue.

The collection also includes the family tree of Washington, a sterling silver table cross given by George Washington as a wedding gift to his nepbew, Busbrod, and many other outstanding Wasbington memorabilia.

Marvin E. Fowler, Secretary-Treasurer of the Memorial Association, described the museum as the "most significant collection of Washington memorabilia to be opened to the public in many years."

The memorial bousing the museum was erected to provide an enduring edifice in memory of George Washington, the Nation's most prominent Freemason. Washington was the first Master of Alexandria Lodge No. 22, serving in that office while President of the United States.

THE PRESENT IS OUR RESPONSIBILITY

(Masonic Messenger)

The vital part that Masonry bas had in the creation and preservation of those ideals wbicb account for our country's greatness sbould be viewed witb pride and appreciation by every Mason.

But there is that time in bistory when we who are the inberitors of greatness must serve with the same zeal and determination wbicb characterized those wbom we of today honor and respect.

We hark back to George Washington, to Joseph Warren, to Benjamin Franklin, to Paul Revere, all stalwart Masons and Patriots. We cannot attain their stature, but we can best perpetuate their greatness by being active in the effort to preserve for posterity all that they worked for, fought for, died for.

Is Freedom less precious today than when Masons sacrificed all to create a form of government under which the individual would enjoy tbe greatest freedom compatible with the highest moral standards?

The task of the Mason of today cannot be the responsibility of the Masons of the past.

We do not come upon today's scene as strangers to the struggle. We bave the teachings, the principles, the training, and the moral courage of Masons of many centuries, and all that is sacred to keep aloft The Light of Freedom.

GREATEST NEEDS

Peace, harmony, and brotherly love are probably the greatest needs of today's world, I am not speaking of mauldin sentimentality, but of a practical, scientific, realistic implemention of these principles in the daily lives of all people. If these principles were universally practiced there would be no need for great armaments, and the manpower and money thus released could be used to improve the lives of the people that support them. More food would be available, more bomes could be built of better materials, more waste lands could be reclaimed, more and better bealth and educational facilities could be provided — the list is endless.

The message of Freemasonry is Liberty, Equality, and Fraternity—Peace, Harmony, and Brotherly Love. The greatest obligation of a Mason is to master these virtues and by practicing them to convince the world of their good effects. Surely, this is not too much to expect of the members of the Craft wbicb professes tbese high ideals, not only in its beautiful ritual and symbolism, but in the coostant outpouring of its published exbortations. Where does such practice begin? It begins with eacb one of us, is characteristic of each Lodge, and flows from these into the entire social, economic, and political life of the nation and the world. If each of tbe more than 4,000,000 Masons in the United States was tbis kind of Mason, what a revolution in the manners, customs, and outlook would take place.

Greetings Brethren: As we resume our lahors may we each pause and give thanks for the many happy experiences we may have realized during these past two months. Too often we consider only our troubles.

As we go through life, there iso't time to stop and fret ahout each petty ill or wrong that comes our way, whether they he real or imaginary. There are many more important things for us to do. Kind acts towards those with whom we daily come in contact will more than offset the petty disturhances folks put in our way.

"By my actions, I am known; hy my deeds, I am judged."

During the summer the following brethren have been called hy the Supreme Architeet of the Universe to join the Celestial Lodge above; Owen L. Gaskill, George W. Fishering, Vernon R. Rohinsoo P.M., and Forrest Marion Barney of Columbia City. To their families and friends we extend our deepest sympathy.

Come with us and see your Masonry in action and observe the results in peace and contentmeot which your money has provided for our aged Brothers, their widows and orphaos. There is always a fine program provided for your entertainment and you will return to your home with a feeling of pride in the Fraternity and satisfaction in its accomplishments.

Besides our two business meetings the past two months we had a special Entered Apprentice Degree on Aug. 11th.

Frat.rnal Greetings Brothers, from the officers of Home Lodge. The vacation is over and we must resume work in the temple. As we pick up our working tools and return to labor let us be reminded of the time when the work was conferred upon us. We have three new candidates and one hold over so September should be a very busy month and brothers we will need all the help that we can obtain. Sept. 6 stated meeting, Sept. 13 E.A.° Sept. 20 F.C.° and Sept. 27 M.M.°

We will journey to Peoria Heights by bus for our annual tri-state reunion on Oct. 1 and 2. Brother Prince has a card in the tylers room for reservations. The total fare and this includes food, transportation and entertainment is $25.00. We will unite with three other lodges Chicago, Peoria Heights and St. Louis, Missouri in Masonic Fellowship. Let's give Russ a lot of support and fill the bus. This is my last reminder so sign up now.

We welcome to the Craft the following brothers who are now Master Masons: Rodger A. Macy, Robert R. Kurtz, Edward O. Bowser and Ronald E. Reiling. Congratulations brothers and we look forward to your regular attendance in lodge.

While we were dark we lost several of our brethren; The Supreme Architect of the Universe has the following brethren now at labor. Brothers Edward Walter, Jacob Stanger, Edward C. Bandt, Howard E. Dawkins, Merle F. Morkoetter, Charles H. Mardhall, Harry B. Lowe, Edgar J. Smart and Walter J. Marks. Our deepest sympathy to the loved ones that tbey left behind.

Our brother, Jim Farrar, P.M., can use some help. You who know Jim, know that he is a very willing worker. He is hard at work now going through our old records and all of our old minutes for the facts to compile a pamphlet for our centennial year. He needs a helping hand and any one who wants to help please contact eitber myself or Jim about this all important job.

Congratulations to Summit City Lodge for their low dell meeting. I heard it was a huge success. I wasn't able to attend but several members of our lodge that were there said that it was very impressive.

I have no reports of any brothers tbat are in the hospital. Brotber P.M. Harold O. Martin is at home. Brother Roland Givens is at home. Both of these brothers had heart attacks.

We are fortunate to have as a member of our order Brother Frank Hunt P.M. He is a 50 year member of Home Lodge. I received a letter from William C. Edmunds, chief field agent for the Masonic Service Association informing me that Brother Frank is eligible for a Ten Year Award of Service in the hospital Visitation Program.

Plans are now being made with our sister lodges, so that such an award can be made in a fitting and proper manner. We are planning a dinner in his honor on a Saturday night. The Most Worshipful Grand Master has been invited and we are now waiting to see if he can attend any of the dates that are open.

This is going to be a joint operation where all seven lodges in Fort Wayne get together and function as one body of Masons to honor Frank. We have selected dates in October and November so as not to conflict with any outside interests.

As soon as our plans are more complete I will relay them to yon, my brothers, in detail. Until then plan to attend this dinner and support your lodge so that we can keep the Home fires burning.

Brethren:

We are now running out of the summer season and into our fall and winter activities which we hope will be a busy one. I hope eaeh and everyone of you had a pleasant vacation and are ready for a full schedule of work and pleasure.

We of Sol D. Bayless have a vacancy in our officers line to fill at this time. Craig Reynolds, our Junior Steward was forced to resign as his line of work required him to seek employment in a different locality. He is now in Waterbury, Conn. When Craig was appointed into the line, he then felt that Fort Wayne would be his future home but much to our regret this was changed. I have learned a tremendous amount of Masonry from him as he was very thorough in finding out all he could about the origin and events of the Masonic history. I am sure he would have contributed much to our lodge. We wish him and his family success in their new home.

Brethren we will have a lodge of instruction October 21 at 7:30 p.m. It is required that we have a 100% attendance of all officers at this meeting. The lodge is open to all Master Masons so we will like to bave a nice attendance. Maumee lodge will sbare this meeting with us.

We will have work in September. This means we will have degree work the following nights.

E.A. Degree September 12.
F.C. Degrgee September 19.
M.M. Degree September 26 with dinner at 6:00 p.m. We would like to have members come and take part in the work.

James B. Hammonds will be our new Chaplain and William Hardy will be advanced to Junior Steward.

See you in lodge.

Brethren, I hope eacb and everyone of you has had some time this summer to relax and refresh himself. As the summer begins to blend into fall, we again turn to a busy Lodge Schedule, as follows:

Stated Meeting 7:30, September 7.
Entered Apprentice 5:00 (dinner at 6:30), September 14.
V. A. Visitation 7:30, September 19.
Fellow Craft 7:00 September 21.
Master Mason 5:00 (dinner at 6:30) September 28.

Please keep and refer to the above schedule. It is your road map to this month's activities and as we start up this fall, we would like to see you in attendance.

At our September 28th meeting, we will have the pleasure of being host to Leesburg Lodge. Brother Bolyard is in charge of this visitation and we believe that he bas made arrangements which will insure an enjoyable evening for all.

Brother Bill Geiger has been working on a special project for Master Mason night in October. Brother Bill tells me that his plans are not complete; however, I wanted you to be aware of the fact that we are trying to make "Lodge" night an interesting and enjoyable affair. When Bill's plans are complete I will report them to you.

On November 30, we will celebrate our annual Ladies Night. I am taking the liberty of mentioning this affair at this early date so tbat you can reserve this night for you and your lady. Plans are under way for the entertainment on "Ladies Night" and from all advance information, this program should be one of our best.

Brethren, we are anticipating a large class of candidates in September and in October. If we are to do a good job of conferring the work, we will need help from everyone. If you have some spare time on Wednesday in September or October — please make an effort to attend Lodge.

Our first meeting is September 6. There will be a potluck at 6:15, so be sure to bring a covered dish and your own table service.

September 20 will be an excellent chance for everyone to reaffirm and review the pledges they made when initiated into the Beauceant, since it will be "renew Obligation Night". It seems that occasionally we can all appreciate the chance to recall just what our Organization represents.

Fort Wayne Assembly is part of the Hostess Group for Supreme Assembly this year. Several of our members will be going to Indianapolis to the 46th Annual Supreme Assembly which will be under the leadership of Supreme President Mrs. Vermaine Sidles. The first Session will convene September 29.

Our members who have been ill are: Alta Dixon, Norma Waters, and Dorothy Holmburg.

Illness in families: the Sir Knights of Beckie Joseph, Louise Whitehurst, Grace Martin, Thelma Kayser, Millie Houser, and Lucille Stein; also Millie Houser's mother, Betty Walker's father-in-law, Willadean Todd's grandson. We wish a speedy recovery to all.

Our sincerest sympathy to Wanda Rippe whose husband, Roy, passed away, and to Lilly Belle Michelfelder upon the death of her husband, Grant.

Congratulations to our President, Mary Planck, who has a new grandson.

Also congratulations from all of us to Past President Carmen Utterback and Sir Knight Arthur Gardt, who were married in May.

The Past Presidents will meet October 3, the place and hostesses to be announced later.

The summer vanishes, but soon shall come
The glad young days of yet another year.
So do not mourn tbe passing of a joy,
But rather wait the coming of a good,
And know God never takes a gift away
But He sends other gifts to take its place.

THE GREAT VALUES OF LIFE

Masonry's purpose is to make men better, wiser and consequently happier. Masonry is not that which confers upon its initiates a simple set of rules which all of a sudden clothes one with an impregnable armor against the temptations and evils of life.

Masonry is a system of morality and recognizes the truth that the responsibility rests upon the individual to study such a system and to increase and grow in moral and spiritual strength.

"Moral weakness" is a convenient phrase which is often used to justify our lack of knowledge and wisdom in judging life's values.

The degrees of Masonry are designed to point to the genuine values of life as opposed to the false and deceptive, those alluring "values" which often appear more desirable than the real and lasting.

When we fail to make a proper distinction hetween the two, we attribute our failure to "moral weakness".

Masonry's way is slow and ever upward. The more we learn the more we hahitually come to choose the good and discover the key which opens the way to moral stahility and strength.

Masonry teaches "hy degrees" and as we grow in wisdom, we grow in goodness.

'Tis the human touch in this world that counts,
The touch of your band and mioe,
Which means far more to the fainting heart
Than shelter and bread and wine;
For shelter is gooe when the night is o'er,
And bread lasts only a day,
But the touch of the hand and the sound of the voice
Sing on in the soul alway.

Summer has gone, and vacatioo time, too. We hope you all bad a wonderful rest and are ready to start the fall activities with renewed zeal.

The first event to draw our attentioo was the combined inspection of Fort Wayne Chapter 432, Shiloh Chapter 141, and New Haveo Chapter 593 which was held on August 17.

The hanquet was served in the Masonic Dining Room at 6:00 p.m. Our decorating committee had created a lovely garden setting io the ceoter of the room. There were flowers hlooming all around and a fouotain with real water. A mother lioo and her cuh stood on a small island in the ceoter of the gardeo, and the vouchers for the eveoing were lioo's heads in tribute to Norma Hamilton, Worthy Grand Matron, who, like our owo Worthy Matroo Dotty Finoell, served io the Electa station. The motto of the Worthy Grand Matroo "Grow io the Glory of God" was inscribed oo the hackdrop hehind the head tahle. Tall tapers glowed on the tables aod goldeo chains eotwined with llve ivy decorated the ceoter of the tables which were arraoged in a square surrounding the garden.

The Bahy Dedicatioo was cooducted at 7:10 p.m. aod the Awards of Gold were preseoted at 7:20 p.m. to Mabel Kowalski of Shiloh Chapter, and Emma Welch, Past Matron of Fort Wayoe Chapter.

The inspectioo hegan at 7:30 p.m. with New Haven Chapter conducting the opeoing ceremooies, Shiloh Chapter conferring the degrees, and Fort Wayoe Chapter closing the meeting.

The Chapter room was decorated with a backdrop bearing the Worthy Grand Matroo's motto aod a lovely oosegay houquet in the East. Io front of the dais was a huge white Bihle surrounded witb ferns and, at the foot of the Bihle the Electa chalice on a carpet of red velvet. The West looked like a lovely flower garden. A tall silver candle stand with a siogle taper and clusters of roses at the hase stood behind the chair of each star point.

We were pleased to have distioguished guests Norma Hamilton, Worthy Grand Matroo, Indiana Grand Chapter, Order of the Eastern Star, Worthy Grand Patroo, Doyle Oursler, Associate Grand Matron Maxine Moser, and Virginia Miller, Deputy of District 14.

A receptioo was held in the Ballroom at the close of the evening and light refreshments were served. This was an eveoing we will remember.

The first regular meeting of the fall season was the Sideliner's Potluck. It began with the delicious food our good cooks always hring, and we all had a lot of catching up to do after the long summer when we were scattered in so many directions. Its always fuo to get together again and compare notes!

The lovely treasure chest of the Worthy Matron was displayed in the East and her motto "Pray in Faith, Go and Serve in Love" was in the West. It seems we have heen away so loog! It's good to he back!

We would like to take note of a lovely thank-you letter we have received from the family of Brother Herschel Wickliffe. Our visiting committee prepared dinner for the family and provided registrars at the funeral home at the time of his death.

Because we have no publication during the time Chapter is dark we would like to report first the list of those who were ill and those who have lost loved ones earlier in the summer.

Never comes the chance that passed,
That one momcnt was it's last—
Never shall thy spoken word
Be again unsaid, unheard.

Thc golden chain and open book were used to further bring out her year's theme. After the inspection, punch and cookies were served hy each presiding Matron's fraternal "Mom". APPLIED MASONRY

During the early history of our Frateroity its memhership was confined to those who actually engaged in working as Masons, and this was known as Operative Masonry. Later, there were those who did not practice the art of working in stone, hut who were attracted hy the traditions, symbolism aod teachiogs of the Craft and these were admitted to membership. The later group soon predominated and in the early part of the eighteenth century Operative Masonry was transformed into what we now know as Speculative Masoory.

While the moral principles handed down hy Operative Masonry remained immutahle and the principles and ideals of Operative Masonry no douht were practical expression and application in the daily lives of the memhers of the Craft, Masonry as a progressive science, found it oecessary to yield to the demaods of progress and of changed conditions, and Operative Masoory hecame Speculative Masonry.

This same spirit of progress demands today that we give practical expression to the teachiogs of our orgaoization in the form of applied Masonry. By this is meant that we as individual Masons, in the present age of conflict and unrest In all phases of human endeavor, should seek to put our Masonry teachings ioto practice in our daily lives and apply Masonic standards to our rules of conduct as we come in contact with our hrethren and our fellowmeo.

Dear Companions,

Great achievements have heen made in York Rite Masonry this summer. The Quarry Festival at Bloomington and the plans for the All Degree Day at Fort Wayoe, Septemher 24 with Thomas R. Marshall portraying the Past Masters Degree. The Council Festival, Octoher 8 at South Bend will also he put on at Auhurn Octoher 11. The Fort Wayne Commandery will have ao All Order Day, October 25.

Plan to attend one or all of these meetings. It will he wonderful to see all of the Degrees put on in full cast and full color.

Now, Companions, these Group Festivals are nice hut there still iso't anything to compare with giving our own candidates their work in their own chapter. I want every companion of Thomas R. to know that when you get a petition from your Blue Lodge, you can guarantee him that Thomas R. does want to and will give all Chapter Degrees the way they were iotended to be portrayed, in our own Chapter room, in an individual manner.

The Officers and Past High Priests have all voiced their opioion and will work for the candidate and certainly for the Chapter.

Get that petition and lets do some work in the individual, the way Thomas R. Marshall has always done.

Hello frieods! This article marks the heginoing of the fall term, 1966, of the Fort Wayoe Chapter Order of DeMolay. This term looks very promising and the activities have already started.

At Ball State University, Juoe 16-19, 1966, the 35th Annual Indiaoa DeMolay Conclave was held. Boys from our chapter attended. They woo maoy awards and had a lot of fun. The days were filled with competition in ritual work and sporting events, meetings, and elections for state officers. Randall A. Byal, from Jarl S. Sprott Chapter, Auhurn, was elected Master Councilor for the state of Indiana. The Indiana State DeMolay Sweetheart is also from the Auhurn Chapter.

This fall many activities are planned that we hope will make DeMolay more rewarding and help hring it closer to Fort Wayne. Brethren,

I am certain that our coming calendar of events is evidence that the remainder of the current year will he well worth looking forward to. Please make note of the events listed chronologically helow.

O1 September 3, 1966, we will have our annual picnic outing. Our Senior Deacon, Brother Gayle Sheets has very kindly consented to hold the picnic on his grounds, as was done two years ago. This, as you know, is a pot luck picnic supper, with everyone hringing their favorite picnic dish. Plan to he there with your family at 4:30 o'clock for some interesting activities and diversions.

Our stated meeting will, of course, convene on September 8, 1966. I hope most sincerely that we can look forward to a crowded lodge hall as we consider the projects that are outstanding for the remainder of the year, not the least of which is a definite move toward a new lodge hall.

We have received notice that a Grand Lodge of Instruction will he convened on Monday, Septemher 19, 1966, at Olive Branch Lodge on the 1st degree. It is most important that all officers he present, and also that the members of Olive Branch turn out in force to support the officers. As has heen true in the past we will have a joint meeting, with Olive Branch Lodge actiog as host to Decatur Lodge No. 571.

Although more details will be available at the Octoher meeting, I would ask that all of you set aside the evening of Saturday, Octoher 22, 1966. On this oight Olive Branch Lodge will sponsor a public dinner at Poe Methodist Church commemoratiog fifty years in Masoory for Brother John R. McMahon. You may be assured of an excellent dinner, excellent entertainment, and that your presence will be most important in honoring an Olive Branch brother on the attainment of his goldeo anoiversary in Masonry.

I koow that you will he anxious to leod your most welcome support to these occasions. Remember, too, that we stand poised on the threshold of a "Decade Devoted to Freemasonry in Iodiana." Let us all symholically join hands, moving forward purposefully, always looking upward and forward together.

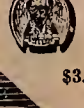
OUR VALUABLE ASSETS

By M.W. Bro. D. WARNER WELLS,
G.M. of Georgia
(Io The Masonic Messenger)

As we think of What is Right With Masonry Today, let us consider two or three things that will help us to keep the Fraternity on the forward march.



First, perhaps we need to develop more ahility to work together. This is a most important factor in every phase of life. We desperately need the ahility to get along with our fellowman in everything we do. No man can he successful without it, and no fraternal organization can succeed unless its members work together harmoniously. We hear much of our Lodges working in "peace and harmony," hut we all koow that this is not always the actual case.

Second, there is a definite need for clear and logical thinking. We speak of logic in our ritualistic work, hut how many actually understand what it really is? It can he illustrated very well hy the college professor who was teaching a class in logic and gave them this problem to explain what it was all about. "Suppose two meo came out of a chimney. One was dirty, the other clean. Which one would take a hath?" The entire class immediately told him that the dirty man would take the hath, but he asked them to reconsider the problem and use some logical thinking. Eventually, one of the brighter students spoke out. I think I understand the problem. The dirty one would look at the clean one and assume that he himself was clean and therefore would feel no need to hathe. However, the clean one would look at the dirty one and he would assume that he was also dirty, so he would take the hath." The professor was encouraged hy this line of thought, hut told the class that the real answer was still evading them. When they had all given up, he told them. "Logic, used correctly, would tell you that no man could come out of a chimney clean." Yes, logic is only the ahility to think clearly and thoroughly, and that type of thinking is needed at every level of Masonry. It can also he used in our everyday lives as well, for they tell us that high heels were invented by a logic thinking young lady who was kissed on the forehead.

Last, it is my feeling that we do not talk about Masonry enough outside our Lodges. We are desperately in need of devices and means by which Masonry can he hrought to the favourable attention of the general public. Why did you petition for the Order? Could you have asked a friend for that petition if you had not known that he was a Mason? And how did you know it? You knew because he was active in the Order and let others know of his interest and activity. You were inspired to be what he was because you admired him and through him have found a respect for the Order. But had your friend heen an inactive Mason you would never have approached him for that petition for the chances are that he was a member of the Craft.

We have the manpower to accomplis anything we determine to do if we want it enough. It has heen said that a nation is not made great hy its industries, hut hy the people who work aod manage those industries. Not hy its mines, hut hy the people who work In and operate those mines. Not hy its fruitful acres, hut hy the people who cultivate and hring forth the harvest from those acres. Nor hy its railroads or airlines, hut hy the people who operate those roads and lines. So it is with Masonry. When the whole situation is analyzed it is the people who make it great. Our greatest assets are not the Temples we occupy, nor the amount of property bonds owned hy the Order. Our most valoable assets are the more than five million Master Masons in this world and the respect in which they are held. Let us dedicate ourselves to the increase of this respect

THE HISTORICAL BASE OF MASONRY

by Henry L. Haupt
St. John's Lodge No. 9, Seattle

For the past twenty years the writer has been presenting these thumb-nail sketches of Masonry in its various aspects. It is not our intention to be abstruse or "up-stage." What we know anybody can find out the way we did by reading and study. The unfortunate part of the program is that so few Masons really know that there is any such information available. We personally were a Mason for twenty years and more; we had attended lodges in a number of different states; we had climbed up into the so-called Higher Degrees. All of these organizations were supposed to be propagating Masonry. But were they?

Now there is an opinion current that the study of history is dull, boresome and non-productive. This is not the case. Unfortunately the facts of history are not complete. They are like a jig-saw puzzle with half the pieces missing. You put together what you can and have to use your imagination to fill in the blank spots. Later discovered facts often negate what you thought you knew before.

In the case of Masonry, this is particularly so because secular historians have ignored the Fraternity and too many Masonic historians have let their imaginations run wild. If nothing else, every Mason should read the article in the nearest available Encyclopedia. Perhaps you, the reader, have one in your own home. You will find the article under the name, Freemasonry, for that is the real name of the fraternity.

For the time being we will put aside the Ritual with its so-called secrets, although Benjamin Franklin said two hundred years ago that the only secret about Masonry is that there is none.

Organized artisans and tradesmen are among the earliest facts of history. Theseus, legendary king of Greece is said to have organized his people into three grades. King Numa of Rome organized the Collegia in the eighth century B.C. Each group had a patron god or goddess, also a priest who was supposed to intercede with them, and each included honorary members who were not of the craft but who were either attracted to the "college" by its philosophy, or were solicited by the body itself, enrolled that they might use their influence here on earth for the benefit of the group. Labor and government are fitful companions. This idea was followed down through the middle ages and becomes especially important to us because it was these independents who preserved Masonry when it was disintegrating, and passed it along to us. In the case of Masonry possibly the first "Accepted" Masons were churchmen for whom ancient brethren were building churches, cathedrals, abbeys, and monasteries. Later on it became sad for the nobility and the middle classes to "join the Masons" because of their philosophic doctrines. They were called "accepted" Masons because they were accepted into the fraternity upon paying a money fee rather than at the end of a long period of apprenticeship. Just why was the Masons only who preserved this system, and not the carpenters or glassworkers, we do not know. Masonry has always been different.

Another fact of importance is that it was only English Masons who developed this system. There were "Steinmetzen" in Germany and "Compagnons de la Tour" in France during the late Middle Ages, but they like their companions in other trades disappeared except for a few manuscript records. We modern Masons are the twentieth century edition of the "patrons or honorary members." Like them we have been "Accepted" as members of the Ancient craft upon the payment of a fee. The Ancient Craft has disappeared but its skeleton has been preserved. This skeleton and the ritual which is its backbone has preserved the ancient ethics of the craft group of the middle ages.

When we first come upon records of Masonry, or as the books call it Freemasonry, in the fourteenth century we find a well-organized body of men, as Mackey says: "composed of architects and builders, with a few unprofessional men of rank and wealth, who had been accepted by the craft as patrons or honorary members . . . They sprang up in the twelfth century and are associated with the growth and development of Gothic Architecture. Many of their legends have come down to us in manuscript form, but along with them was also a secret tradition passed from mao to man by word of mouth, but never written down. The oldest of these documents seems to date about 1390 after modern English had been formed out of ancient Anglo-Saxon and Norman French. "Most of the facts which they detailed were borrowed from historical records, principally from the Bible or other ecclesiatical histories. They were indebted for their fabrication partly to a desire to magnify the antiquity of the institution and partly to the influence of that legendary spirit which prevailed during those ages.

There seems to have developed out of the decline and fall of the Roman Empire a widespread tradition of the craft colleges who went with the army or the colonizers, or were later spread by the Christian missionaries as they spread their doctrine among the heathen. The Gothic Architecture which they developed and propagated involved new principles of building. Instead of great masses of material. they learned how to balance one mass against another. The touch of the tips of high arches absorbed the strains; the touch of a flying buttress sustained a hundred foot wall; almost paper thin walls, often mostly of glass, took the place of thick masonry construction of the Roman type.

In some manner not explained these ancient Masons derived their science from some central pool of information. Without any hierarchy that we know of, the construction of their projects in far lands followed the same principles. By some means we do not know, they kept in touch with each other so that each invention or new method was incorporated in the next cathedral that they built, whether it was in some wild Scottish glen, or along the lordly River Rhine. Perhaps the Roman Catholic Church was the pipeline along which their skills flowed. Nobody seems to have given it much thought.

Yet there are legends of Comacine Masters and Travelling Cathedral Builders. Who knows perhaps they did exist although historians now frown on the idea. Anyhow the first authentic vestiges of Gothic architecture were incorporated into the Abbey of St. Denis at Paris about 1135. Its first appearance in England was in 1150 at Canterbury Cathedral. These two points are not far apart geographically, but politically at that time France and England were at sword's points. There was a connecting link, The Roman Catholic Church which at that time was unique and everywhere.

After the liquidation of Catholicism in England by Henry the Eighth, cathedral building ceased. The many operative masons scattered to the four winds. The few architects and engineers no doubt became attached to the King's forces, or settled into local cities with their skills. The whole idea more or less disappears until during the 1600's we find Elias Ashmole, the Antiquarian, writing in his diary under date of October 16th, 1646, that he was "made a Mason" in Warrington in northwest England. Thirty-six years later he notes that he visited another lodge in London.

Members of four lodges "and some others," located in London in 1717 joined together to form the first Grand Lodge of Masons, and elected the first Grand Master of Masons. There had never been any such titles before. The group thus active decided to control Masonry which at that time was "running wild." They formulated rules and regulations; they gathered together all of the information and private records they could. In 1723 they published a Book of Constitutions. From that book grew all of modern Masonry. Next year, 1967, it will celebrate its 250th Anniversary. Today there are supposed to be 5,000,000 Masons in countless lodges around the world. Of these 4,000,000 are supposed to be in this country! What an enormous growth!

THE WORLD IN WHICH WE LIVE

(The Masonic Journal, South Africa)

We are living in an unhappy and perplexed world. It is ruled by fear. At times it seems to be standing oo the brink of a greater and more dreadful war. There is a great gap in the wall of brotherhood, and the altar of the Most High God is being assailed by ruthless leaders of most evil forces. In other words, meo are not trusting each other, and men are losing faith in God. Because of this condition, we have lost a sense of security, and fear dominates the greater part of the world.

Mankind in all corners of the earth is losing faith in the design of the Great Architect of the Universe. Totalitarian leaders are constantly striving to change the plans laid out on the trestle board of life, and the result is confusion and disorder. In Russia and China the plans of God have been thrown into the discard and a mighty force is endeavoring to build a new Temple in which man shall be the only Deity. Should such vicious and ungodly leaders succeed in so doing, the result could be nothing but disastrous.

If this devilish experiment could be confined to these two countries alone, we might let it go at that. However, through the walls of our unbroken faith this influence is creeping into the homes and lives and thinking of our own people. We find this disregard of the plans of the Great Architect in our schools and colleges and universities.

It is also found in the appalling increase of crime among the youth of our land. We find it in the great masses of people here who owe no allegiance to any form of organized religion. Such conditions as these should be a challenge to our manhood and our faith.

There is no more patriotic and loyal body of citizens today than the men who are members of this great Fraternity, but it is not enough to be loyal and patriotic in our thinking unless we are willing to give that loyalty to the saving of our nation.

The time has come for Masons to stand up and be counted. It is not enough to observe with pity the breaks in the wall which threaten the home, state or nation. It is not enough to stand on the sidelines and bewail conditions. We must step down into the threatening current of evil and stem that current for God and for truth.

As men and Masons may we ever be faithful to our trust. As did the Crusaders of old, may we go forth and wrest a weary world from heathen hands and the powers of evil and finally find peace in the Temple and City of our God.

Brethren: What has been your attendance record in lodge? Your officers wonder and ask where are the members? Why this lack of attendance? So, I bring you this article. Suppose I asked, "Are you a Mason?" If you were, you would probably quickly reply, "I am." Your answer would come readily and with a great deal of pride.

If you are a Mason, stop for a moment before you answer "I am." Are you still a Mason — or are you slipping?

So many Masons allow themselves to slip back into the same darkness they knew before being raised to the Sublime Degree. It becomes easy for them to skip Lodge meeting. They gradually quit participating in Lodge activities. They suddenly find themselves completely out of the Masonic stream of life and many even have forgotten the knowledge necessary to go back to Lodge.

These "slipped" Masons suddenly realize that they have sacrificed something great and rewarding for television programs, golf, fishing trips, movies or any of the thousands of other things trying to capture our attention and time these days. They just can't seem to find the time for Lodge — or is it that they just haven't tried?

After neglecting their Masonry, they discover that their Masonic knowledge has faded like a candle that flickers and goes out. They may feel they have learned all they need to know or all there is to know about Masonry, but they are wrong!

Every time you attend a Masonic meeting of any kind, you learn something, you rekindle the flame of Masonic Light which was lit when you were Raised and you spread that flame to light the way for others.

There are those of us who pay our dues to the Lodge and think, "Well, I'm a Mason for another year." Masonry lies in the heart, not in the pocketbook!

Think back to your obligations. How much of them are concerned with your paying your dues? How much of them are concerned with making yourself a better man and helping others do likewise? You have a serious obligation to your Lodge, your Brethren and, most of all, to yourself.

Once you have been Raised to the Sublime Degree, you are entitled to all of the knowledge that the Lodge can bestow; however, whether or not you get that knowledge and what you do with it is up to you. Knowledge is like a fire, for when you stop feeding it, it dies. The more knowledge you receive, the brighter your fire will burn. If we neglect our knowledge and fail to feed it, we slowly fade into darkness.

If you feel yourself slipping, go back to Lodge! Eagerly grasp new bits of knowledge whenever you can, while you can. You will be a better man and a better Mason.

Tis said, "There is nothing more fervent than charcoal, to which, when properly lighted, the most obdurate metal will yield."

In this article I have endeavered to rekindle a bit of flame within you for more Masonic Light. Yield to this desire — attend Lodge — your Officers will be pleased to see you.

Greetings Brethren: I wish to thank Bethel No. 128, Jobs Daughters for inviting our lodge to a Master Mason night that was held on Tuesday, September 20. It was a very enjoyable evening with refreshments afterward.

William O. Sanrock presented the Lodge with a gavel made from the Cedars of Lebanon. It was presented to Brother Sanrock when he started in the line of officers at Home Lodge No. 342. It is mounted in a box with a glass door. It will be hung upon the wall in the recreation room at lodge. It gives me great pleasure to accept this gift on behalf of the members and officers of Waynedale Lodge.

The schedule for the month of October is:. Stated Meeting 8:00 Wednesday, October 5; Entered Apprentice 7:30, October 12; Fellow Craft 7:30 October 19, and Master Mason on October 26 with dinner at 6:30.

On Thursday, October 20, we will meet with Three Rivers No. 733 for our annual Lodge of Instruction on the Entered Apprentice Degree. It will be held at the Masonic Temple downtown.

Hope to see you soon in lodge.

Greetings Brothers:

The work this fall has started very good. Five new Master Masons have been added to the fraternity. October promises to be a very busy month. We have four candidates for degree work. On the EA° we have a special program which you will not want to miss.

The Veterans Hospital visitation will be on Monday night, October 17, at 7:30 p.m. One of the tenets of a Masons profession is brotherly love. By joining with us in a visit to the VA Hospital, you will be showing your brotherly love.

Another Masonic belief is charity for all mankind. Your participation in the Ten for Ten program to underwrite the operating expenses for our Indiana Masonic Home Hospital affords the opportunity for Masonic charity.

Those of you who made a pledge for the Ten for Ten program will want to pay this year's pledge when you pay your dues. Those of you who have not participated in this program may want to sign up this year: this can be done when you pay your dues.

The final big event of the year is also coming up this month. October 28 will be our annual Homecoming Banquet. We look forward to seeing many brothers from distant places at this event. The calendar for October is as follows:

October 7, 7:30 p.m., EA°.
October 14, 6:30 p.m., Dinner.
October 17, 7:30 p.m., VA Hospital Visitation.
October 19, 7:30 p.m., Grand Lecture Visit.
October 21, 7:00 p.m., FC°.
October 28, 5:00 p.m., register, Homecoming Banquet, 6:30 p.m., dinner.

The month of September has been rather quiet and it looks like October will be more promising. I want to welcome Brother Jack List to Three Rivers Lodge. Brother List was raised to the Sublime Degree of Master Mason on Sept. 6, 1966. We had a good turnout for the first degree work of the fall season and I wish to thank all in attendance.

Brother Dean Harris haa been traveling abroad and he was kind enough to give us some highlights of his trip during our Sept. stated meeting. This was a very interesting talk as we learned how some foreign lodges compare and differ with our own.

Several of your Lodge Brothers enjoyed the annual pilgramage to the Masonic Home at Franklin, Ind. on Sunday, Sept. 18, 1966. This meeting was a special meeting in that a plaque denoting the 50th Anniversary of the Home was Dedicated. This is a trip that all Master Masons should make, if nothing more than to see what your annual donations to the Home accomplish. I have gone for several years now and I enjoy it every time I go.

To the members of the cast of "The Rose Upon the Altar", if you have not been contacted as yet please contact myself or one of the principal officers to get the exact date we will travel to Portland, Ind. Lodge to put the play on. We will get to see one of the newer lodges dedicated this year.

There are two dates I would like for all members to mark on their calendars and plan to attend these events. First is our Grand Lodge of Instruction which will be held Thursday, October 20, 1966. We will be host to Waynedale Lodge and the work will be on the Entered Apprentice Degree. The second date is December 3, 1966 which will be our last social event of the year. This will be a banquet honoring our Past Masters as well as presenting one of our members a fifty year award. The evening will start at 6:30 with a dinner, followed by the presentation and program. I believe we will have a program that will interest all. Please plan on being there and bring your wives.

As I write this article, I do not know if there will be degree work in October, however, if you are interested, attend the October stated meeting and find out. Also we will have another Masonic Enlightenment program put on by our Masonic Enlightenment Committee. These

tle sessions are always of interest.

During the summer months television has been advertising the new fall shows. Some of them look interesting, some otherwise. I am sure you all have your favorite T.V. show. This is all well and good, but there is one show not advertised on T.V., Radio or even in the newspapers. This show is held at 216 East Washington Street, Fort Wayne, Indiana. The main attraction is always on the second Tuesday of the month. The only cost to you is your annual dues and the time spent to come down. I can imagine you can always find time to see your favorite T.V. show when there are other things to do. Why can't you find time to see the show we put on at the Temple and see what your money is doing?

Fraternal Greetings Brothers, from the officers of Home Lodge. The month of October promises to be a merry Masonic month for Home Lodge. On October 1st and 2nd we journied to Peoria Heights, Illinois by bus for our Tri State Reunion and a good time was had by all. We renewed old friends and made some new ones. This was truly Masonic fellowship.

October 3rd is our date for Veterans Hospital Visitation. Let us all back Brother Porter in this worth while cause.

October 4th is our stated meeting, come down and help us to run the lodge so all can be proud of it.

October 15th all the Fort Wayne Masonic lodges have organized to give a dinner for Frank Hunt. This is a meal that will be long remembered. Master Masons and their ladies are invited to share this moment with our past master and brother Frank Hunt. He has, for ten years, been with the Masonic Service Association for Veterans Hospital Visitation for all the Fort Wayne Lodges. He has been a 50 year member of Home Lodge. Brothers come down and show Brother Frank how much we appreciate him and his good work. There is a $2.00 donation per person for this dinner. Our Past Master Harold O. Martin will give the invocation. Past Grand Master Orvis Dellinger will give a talk and Past Grand Master Clyde Flowers will make the presentation. Our Grand Master will not be able to attend since he has long ago made previous appointments.

October 18th we will have a Lodge for instructions with Wayne Lodge No. 25. Lodge will open at 7:30 p.m. on the Master Mason degree with P.G.M. Howard O. Hunter as Grand Lecturer. 100% attendance of the officers is required and we would like to see a lot of members there. This should be very enlighting to all who attend.

Besides all of these dates we hope to have degree work as usual. This is your Masonic calendar. Try to come and help us as we are trying to give you something for your benefit.

The dues cards are on their way to you and as you pay your yearly dues don't forget those who are not able to be with us. This is the time to remember the 10 for 10 program and help others. Let your Masonic charity include 10¢ per week for 10 years. Our lodge is standing very good on this program yet we can make a little more effort and put us way up on the list. Remember to pay your dues early and avoid any embarrassment.

While it's nice to travel and go places still it is always a treat to return Home. See you there.

Dear Brethren: We are now approaching the fall and winter season in our lodge. When this article reaches you, we will have initiated two more brothers into the good and glorious work of Freemasonry and we trust they will be true and faithful members.

We will also have degree work in October so come to lodge and join us in this fellowship. Here are a few dates to mark on your calendar:

October 15 all the lodges in Fort Wayne are having a banquet for Frank Hunt, a brother who has been appointed by our National headquarters in Washington, D.C. to take charge of our Veterans Administration Hospital Visitation. This is a worthwhile cause so lets all get behind it. You may obtain tickets from any officer. Your wives are also invited to attend with you.

We will have our annual Past Masters Night Monday, November 28. See you in Lodge.

Let not soft slumber close your eyes,
Before you've recollected thrice
The Train of action through the day.
Where have my feet chose out their way?
What have I learnt, where'er I've been,
From all I've heard, from all I've seen?

OCTOBER! The month of Discoveries — not only of our own U.S.A., Great Statesmen, Who's behind the Witches' Masks, BUT how rusty we've become during vacation!

Wasn't the September Potluck fun and good? I just hope, while avidly listening with both ears to the various receipes going back and forth across the tables, that someone doesn't have Mary's latest cupcake dough containing the latest ingredient which goes into John's favorite patching concrete for the driveway cracks!

Pull yourselves up tall and take a deep breath. If you thought September started off with a bang, wait 'till you get to the end of Octoberl You're gonna need every bit of that breath to get through.

Plans are being completed for our Supreme Inspection on October 13 at Kendallville, Indiana. Faith officers will have the Opening and Escorting; Mary Martha will have the Ceremonial and Miriam will have the Presentations and Closing. Table decorations, dinner and invitations are also being handled by the three Shrines respectively. Reservations for the Smorgasboard Dinner which will be served at 6 p.m. for $2.25 must be made by October 10 to Soj. Goldie McDonald, 115½ Orchard Street, Kendallville. The stated meeting will open at 7:30 p.m. Officers will practice at 1:30 p.m. October 9 in Kendallville.

State Association Day will be October 15 in Indianapolis. Pack your doughnuts and coffee, come join us, we're a goin' via BUS! Merchants beware — new fall outfits are primary in the A.M.! However, you must reserve your seat on the Bus with Soj. Vancha Collins, N.P. Money for the dinner at $3.75 must accompany each reservation and may be made with Soj. Tama Christopher, W.H.P. Dues cards may be secured from her also. Let's all help tn put Faith on Top again. Terre Haute bested us in the Spring. Soj. Maud Farlow, from Richmond, will be installed as President during the evening's meeting. I understand Faith will have a Sojourner to be installed also. But, sorry, I can't reveal the name till after the evening. Come be surprisedl (Tain't me, neither). Departure time of Bus is 7:30 a.m. from Sixth Street Station.

An invitation from Soj. Vancha Collins, N.P. is issued to any Sojourner to become a "Trailer" with her. They meet on the fourth Sunday of the month. For those who may not know what this term means: The N.P. and A.W.O.S. are organized as Study Clubs. Any interested Sojourner may accompany them, pay a small dues charge and become a "Trailer" or an Associate Member. Sometimes they're a pot luck. It's fun and educational and an excellent way to get acquainted with Sojourners from around the State.

The Sunshine Committee Reports Sojs. Emma Echelman, Sophie Jessie, Goldie Schieman in Parkview Hospital. Mary Ann Bender is now at home after eye surgery. Mary Borkenstein is at her own home now and is making good progress. The father of our King, Harold Kroeger, whose name is Fred Kroeger is in Parkview. The son of Soj. Vancha Collins, N.P., Randy, has a broken arm. Vcora Carrington is a shut-in and would appreciate being remembered.

Two of our Sojourners have asked they be remembered with a Fraternal Hello to all. One is Clara Koch who is well but doesn't get out mucb at night time; the other, from Muncie, is Ada Hendershot.

Friends Night in Faith is soming. This is always a most enjoyable Friendship Time, and if any officer wants an especial guest, better tell our Scribe and W.H.P. Be sure to join us in the "Center Ring" for best viewing and entertainment.

A special reminder from the W.H.P. — are your dues paid? October is the "Or Else" month. So don't be onel (An "Or-Elser", I mean!)

Also on October 26, there will be a stated meeting for the Chapter business. We would like to invite all Masons to our meetings so they can see some of our great work.

I would like to speak to my brothers of DeMolay for a moment — This term bas the potential of being the "Best" and if every DeMolay will "be active" we will see much success for the Fort Wayne Chapter. I want to personally cbarge each one of us to do our best for the good of the Order.

PERMANENT VALUES
(Masonic Service Asso.)

If we Masons are truly seekers of the Light, of all that will illuminate the universal meaning of brotherhood, we cannot rest on our pride of accomplishment. In the scientific and social revolution which is taking place, with all the fantastic changes to which we have to adjust, we must ask, "Are there any eternal verities?" "Are there any fundamental truths?" Are tbere any guideposts by which we can gauge the true stature of a man?"

Masonry has always asserted,—yes, there are such truths; they are the truths which are revealed to us in the mysteries of our Order. They are the lights by whicb we can plot our position and by wbich we can guide our course throughout our lives without losing our bearings in this dizzying keleidoscope through whicb we must live.

Cbarity, compassion, tolerance, love — these are tbe things we learn in Masonry. These are the things which have been revealed to all true initiates since "time immemorial," wherever men have associated tbemselves in fraternal groups "to seek after Light," "to find that which was lost." These are the things to which we can tie, which are fundamental, and which are eternal. These are the values which we have received from the Master Builders of all ages.

USEFUL TO ALL
(York Temple News)

Masonry is useful to all men; to the learned, because it affords them the opportunity of exercising tbeir talents eminently worthy of their intention; to the illiterate, because it offers tbem instructions; to the young, because it presents them with salutary and good examples; to the man of the world, whom it furnishea with noble and useful recreation; to the traveler, whom it enables to find friends and brothers in countries where he otberwise would be isolated and solitary; to the worthy man in misfortune, to whom it gives assistance; to tbe cbaritable man whom it enables to do more good, by uniting with those who are charitable to bimself; and to all who have a soul capable of enjoying the charms of friendship, founded upon morality and philanthropy.

O suns and skies and clouds of June,
And flowers of June together,
Ye canoot rival for one hour
October's bright blue weather.

When comrades seek sweet country haunts,
By twos and twos together,
And count like misers, hour by bour,
October's bright blue weather.

O suns aod skies and flowers of June,
Count all your boasts together,
Love loveth best of all tbe year
October's bright blue weather.

Fort Wayne Chapter launched into its fall season with a flurry of aoticipation for the exciting events which are being plaoned for our pleasure aod participation in the near future. Without a day's delay, activities began with the sideliner's potluck which was held on September 1st. The food was delicious, as always, and everyone had a grand time exchaoging news items, reliving wonderful vacations, and making plans for all the events which will keep us so busy during the weeks and months to come.

It seemed good to be back in Cbapter Room again for the opening meeting. Vacations are such fun, but when they're over, it's good to be back home. The cboir sang a tribute to the sideliners.

We were pleased to have Sister Virginia Miller, Deputy of District 14 and Jr. Past Matron of Huntington Floral Chapter sbare the evening with us. She is always a delightful guest and we are happy whenever she can find time to spend an evening with us.

There were many notes and remarks praising our hard-working visiting committee for their fine attention to the sick and shut-ins during the summer. We are truly grateful to these gals and we are convinced that Fort Wayne's Visiting Committee is just the finest that ever was.

Our Sister, Ida Jones, who lives at the Masonic Home in Franklin has asked us to seod her pieces of material which she can use in making rugs. Our Worthy Matron, Dorothy Finnell, or Helen Howard will receive the material and Brother Orvis Dellinger offered assistance in getting them taken to her.

The higblight of tbe evening was the presentation of a beautiful portrait of our own Brother Clayton Herrick, Grand Trustee and Jr. Past Grand Patron, Indiana Grand Cbapter, Order of the Eastern Star. The Past Matroos and Past Patrons presented the portrait to Clayton to be hung in tbe fourth floor hall wbere it will be a cherished reminder of the bonor he brought to our Chapter and to Fort Wayne as he served the Grand Cbapter.

The second meeting in September, on the 15th, was "Back to School Night" with a real "doll" dressed for school and carrying ber slate for readin', writin', and 'rithmetic standing in the East. A stack of books strapped together in traditional fashion and an apple for recess were cleverly displayed in the West. The tables where refreshments were served after Chapter were decorated with pencils, rulers, and otber devices of larnin'.

A group from Fort Wayne Chapter traveled to Huntington on September 17 to attend the rreption aod banquet which were held to honor Virginia Miller. The Worthy Matrons and Worthy Patrons of District 14 served as her escort.

Many Chapters all over the state are holding Friend's Night and planning special programs and tributes to welcome their visitors. Fort Wayne Chapter is no exception, and is planning an extra-special program for the meeting on October 6th. The Treasure Chest will be displayed in the East and a huge coffee pot will stand in the West to invite "Let's Have Another Cup of Coffee". Each officer will have a guest who will be introduced and honored that eveoing. When the meeting is over we will gather in tbe dining room wbere the crowd will be seated at small tables, cabaret style. The program there will be in charge of our wonderful choir. They have been working for weeks to make tbis year's program the fioest yet. They tell us it is really going to be something unusual, differeot, and 'way out! The setting will be a very modern coffee house and we probably will not be able to recognize any of tbe choir members because they are goiog to be costumed as we are not used to seeing them and the whole affair is going to be real kooky. They won't tell us any more, but we know from past experience that they will give us a grand performance.

The largest social event of the year is our annual card party. "Come to Our Circus" is the theme of the gala affair to be held on October 31st at 7:30 in the dining room of the Masonic Temple. Come one, come all. A donation of 75 cents will secure your tally and besides the card games there will be an old-fashioned bazaar with bome-made candy, baked goodies, and hand-made gift items you just must have! There will be actual drawings of fantastic freaks and ferocious, man-eating animals. There will be double-jointed peanuts and hot dogs galore. And the special surprise attraction of the evening will be a performance by the South Side High School Coocert Cboir under the direction of The Maestro, Mr. Lester Hostetler. This choir is recognized as one of the finest singing groups in the midwest aod we are truly privileged to have this fine group of young people and their talented director perform for us. You just can't afford to miss this one!

Scotland. He now lives a hundred and seventy-four miles from his Blue Lodge. Sister Mabel tells me that one does not find, at least in the area they visited, ton many Canadians who are Eastern Stars; however, when they really looked, they could find one now and then and these people were always interesting to be with and very charming. We are indeed fortunate to have a common tie that binds us together in brotherly love.

September 16 was our Master Mason's night. A short program was given, a gift presented to each Master Mason, and Brother LaVern Amstutz gave an interesting talk on Masonry. We especially pay tribute to these fine men who are always in search of truth, for truth is the unity of God and the immortality of the soul.

October 21 is our Friend's Night and we are planning an interesting program. We would like to see not only our own Chapter members but many of our friends from other chapters. Please make a special effort to come and share the evening with us. Remember:

"The more you give, the more you get,
The more you laugh, the less you fret,
The more you do Unselfishly.
The more you live Abundantly . . .
The more of everything you share,
The more you'll always have to spare.
The more you love, the more you'll find
That life is good and friends are kind . . .

Enriches us from day to day.

Life is a gift to be used every day,
Not to he smothered and hidden away;
It isn't a thing to he stored in the chest
Where you gather your keepsakes, and treasure your best;
It isn't a joy to he sipped now and then
And promptly he put hack in a dark place again.
Life is a gift that the humblest may hoast of
And one that the humblest may well make the most of.
Get out and live it each hour of the day,
Wear it and use it as much as you may;
Don't keep it in niches and corners and grooves,
You'll find that in service its heauty improves.

MASONIC COURAGE

(Masooic Monthly)

We cannot turo away from our world of today, of events and progress, and expect to find sanctuary in a world of makebelieve. We do live in a period tbat is botb exciting and terrifying.

It is importaot, then, that we have an attitude toward life that will support us in the midst of cold reality. It is vitally important tbat the Mason stand firm on tbe old, the tried and true principles of Justice, of Integrity, of Faitb aod a Trust at a time wben it is easier and simpler to adopt a fatalistic attitude, one of disgraceful defeat.

It is also a time when the Mason must resist tbe lure of expediency—tbe doing of thiogs wbicb call for the total abandonment of all that is old, the desertion of sacred truths, the retreat from fundamental teachings as recorded in tbe Holy Writings.

As Masoos we bave the spiritual, the mental and moral training wbich enables us to look the present in the face, to maintain our composure, and put to flight fears tbat are more dangerous than cooditioos whicb surround us.

It is not what science may bring into tbe future that is of supreme importance. It is what we as Masons will bring into tbe future wbicb will decide the destiny of our country. It is possible to have every material desire granted, and yet be destitute if we do not identify progress with the moral development of the individual.

The present calls for neither an outburst of optimism, nor the lament of pessimism, but rather for a firmer grasp of the things of the spirit, a oalm appraisal of conditioos, and a reoewed determination to use the tools of Masonry to restore both sanity and sanctity.

WHO ARE THE EDUCATED.

By LEONARD WENZ,
3855 Perry Street, Denver, Colo.
(In Square and Compass)

It is a fallacy too widely accepted that one can be educated without cbanging one's personality, ways of thinking, or general attitude toward life. One cannot run the wbole gamut from kindergarten to advanced degrees in college, act as a human blotter for all sorts of facts aod opinions and emerge from the ordeal with the inner, essential man uncbanged and yet be educated.

An observing person will note tbat maoy who laboriously work their way through college, showing a diploma for their efforts and some outward signs of culture, lack general culture and show no real marks of superiority. At the same time, an observing persoo will note that another witb an average education or less, appareotly knowing less but reading and thinking more, stands out as the more intelligent, the better balanced and the more really educated of the two. One can readily conclude that the wisdom of the world is oot always with the learned or so-called educated; often it is found in the perceptive common sense of the man in the street.

No one who bas a knowledge of tbe peasant life of such countries as India, China or Japan cao entertain such a notion. Literacy does not oeccessarily carry with it the ability to read. Norman Cousins, editor of the Saturday Review in one of his journeys to India tells of an interview with a farmer in a remote village of that country. He rclates that this farmer was one of the best conversationalists he had ever known, famous for his knowledge of Hindu pbilosophy and religion. Yet he could neither read nor write. Was he an educated man? Decidely "yes" in terms of his particular environment. That man is educated who puts to the best use what he does know in reference to the particular environment of which be is a part. This is a fundamental aspect of education.

It isn't illiteracy that is the greatest danger to a democracy, but it is the half literate, the people who can read but who do not thiok, who constitute the greatest danger. Thoreau expressed it well when he wrote, "A man's ignorance sometimes is not ooly useful but beautiful while his knowledge is sometimes worse tban useless besides being ugly. Which is tbe best man to deal with, be wbo knows nothing about a subject, and what is extremely rare, knows tbat he knows nothing, or be wbo really knows something about it, but he thinks he knows all? My desire for knowledge is intermittent . . . the highest we can attain to is not knowledge but sympatby with intelligence."

Solon, one of the wisest men of ancient Greece, compressed in one statement the fioal mark of an educated man: "I grow old learning still." It is another way of saying that education is a continuous learning process from the cradle to the grave. After all, the truly educated are the self-educated, a lifelong process that is never complete. We are accumulating knowledge at a prodigious rate. No one will ever know more than a very small fraction of the knowledge in existence today but he who would educate himself will want a sound knowledge of as mucb of it as possible.

An important part of this education will be to acquire the ability to discriminate and to cboose. Ooe will then critically assess all of bis facts and opinions, constantly learning new facts and getting new insights as long as he lives. This is the road to wisdom and understanding. "Get knowledge, but with all thy getting, get understanding, get wisdom." Common sense indicates that some kinds of knowledge are more essential than others. The citizen and his teacher must learn something about our planet, its bistory aod place in tbe universe; something about social, economic and political systems; something about letters and the fine arts.

He who would be educated, theo, has bis work laid out for bim oo life's trestleboard. The span of bis life will be too sbort to graduate from the "college of life." The aoswer to the question of who is educated must always be a relative one. "I grow old learning still."

LET US STAND FOR SOMETHING

by Herbert A. Ronin
(in Masonic Outlook)

The average American desires wbolesome tbings in life. He believes in virtue and the manly qualities of honesty and decency. He has innate within bim the desire to express, to give and to share his time, talent and substance for assisting those individuals who are truly io oeed. In recent years it bas become fashionable for too many persons to shirk opportunities aod tasks for the assistance to unfortunate persons and the general improvement of our society. There too frequeotly evolves the decision to let the government take care of these problems, or we find excuses to close our eyes and pretend that tbings are not as bad as they are. Moral and mental laziness have emerged from this course of inaction toward these problems in our communities and even in our immediate families. This ioeptness has seriously affected the personal moral responsibility of the individual. These conditions were apparent to the late Peter Marshall when be made this significant statement: "Let us stand for sometbing, lest we fall for anything!"

We need directive purpose in our striving and endeavors for successful living. We need to be both sensitive and responsive to the needs of others. We need the vision and then to strive to attain great goals in living. The doctrines and brotherhood of Masonry furnish guidance, inspiration and assurance for those wbo cooscientiously seek its truths and live in accordance with its precepts. The orgaoized and unified effort and work of the members of our craft produced wonderful accomplishments in its benevolences aod charities, wbicb would be utterly impossible if left to individual effort and action. The strong boods of brotherbood are strengtbened and become meaningful in this good work.

To the Honored Brethren, my sincere congratulations on attaining this milestone. To our Distinguished Guests, Most Worshipful Brothers Orvis A. Dellinger and Clyde E. Flowers, our most heartfelt Thanks for their presence and words of wisdom, which added greatly to the momentous occasion. As I am writing this little article, I can hear the rain outside. We haven't had any for quite a while so it is welcome, as far as I am concerned.

August and September have really flown by, and here we are into October already. It seema the time goes faster than it used to.

I bad a very pleasant surprise the latter part of the summer. Doctor Norman Long, one of our recent Past Masters stopped by our home for a few minutes, and as always, we had a very pleasant and delightful chat. As he was in a hurry to see some of the other Brothers, be didn't stay long.

He likes Missouri very much and enjoys his teaching there. Of course that is to be expected, as I am sure he could get along anywhere.

We had our Lodge of Instruction with Monroeville Sept. 20th. It was on the E.A. degree and as usual, we received quite a few suggestions and pointers on the degree work. We had a very enjoyable and informative meeting under the direction of Brother Howard Hunter.

We took life pretty easy during September, but will be back working in the quarries during October.

There are just a few more months remaining in my year as Master. It has been most enjoyable and it is hard to believe that it is almost over.

I hope to see many of our good Brothers in Lodge this Fall and Winter.

The month of October will be important to Olive Branch Lodge and to its members. Here are the events pending.

Prior to the end of September you will have received a letter on two subjects. One will explain that the house and land belonging to Charlie King, Olive Branch member, deceased, is to be auctioned on Frday evening, October 14. This is the corner lot on the North side of the street opposite the lodge building. If additional acreage can be obtained North of the King lot so that the site will be large enough for a new lodge building with parking, it is our intention to bid on this land.

Considering the unsuitability of our present quarters as well as the peculiar terms of ownership, we should have a future building site owned by the lodge. This subject has been discussed at the September meeting, and a final vote of the membership authorizing the purchase will be taken at the October 13 meeting. This is the time for action. We need your participation in this decision on October 13.

The same letter will enclose an invitation to a dinner, open to the public, at the Poe Methodist Church, 6:30 o'clock, October 22. This is to be a banquet in honor of Brother John McMahon, on hia 50th Masonic year. From past occasions you can be sure of an excellent dinner. You can also expect a wonderful evening of song by Pat Crawford, who starred in the recent Festival Music Theatre production of Rogers and Hammerstein's South Pacific, has sung with the Wayne King ensemble, entertained on both television and radio, and is currently featured at the Ivanhoe supper club. This can't miss heing a memorable occasion for Brother McMahon, Olive Branch Lodge, and all who attend. I will look forward to seeing you there.

THE WORD BROTHER

(Exchange)

Next to the word "mother" no word in our language has more meaning and music than the word "brother." It is from above, and it reaches into the deep places of the heart. It is religion, religion on its human side; and in it lies the hope of humanity. The bighest dream of the propbets is of a time wben man sball be brothers.

Whcn used Masonically the word brother has a depth and tenderness all its own, unique and beautiful beyond words. It tells of a tie, mystical but mighty which Masonry spins and weaves between man and man, which no one can define and few can resist. In time of sorrow, it is a tether of sympathy and a link of loyalty.

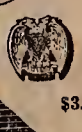
Of course, like all other words, it is common enough, and may be glibly used without regard to its real meaning. Like tbe word of God, it may be a coin worn smooth or a flower faded. But when its meaning is actually and fully felt, no other word is needed among us, except on occasions of high Masonic ceremony, when we add the word worshipful, or some other term of title or rank.

No other word has a finer import or a more ample echo, expressive of the highest relationship, in which dignity and devotion unite. If we are really brothers, all the rest may go hy the board, aave for the sake of ceremony. If we are not truly brotbers, all titles are empty and of no avail. For that reason, to omit the word brother, when speaking Masonically, is not a lack of courtesy, but shows a want of fineness of feeling.

WHAT THEN IS MASONRY?

The Empire State Mason

If Masonry could answer this qnestion, the answer would be — "I am rooted in the mist of antiquity and point to God and eternity. I am past, present and future. I belong to the ages. I circle the globe and stand at the crossroads of the world. I am steepd in tradition and traced in the pages of history. I have rites and words that have beauty and rhythm. I have knowledge, wisdom and aecrets locked in my bosom which I give to men who come to me desiring me in their hearts. I place upon my altars the Holy Writ and turn to Deity in prayer. I bold a Square and Compass in my hands and contemplate a line from earth to heaven. I speculate with all tools of operative Masons. I translate their use into moral values and spiritual buildings. I await all free men of lawful age and good report and solicit none. I admit them of their own free will and accord and teach them brotherhood and unity. I make builders of men who are willing, and give them my tools that they may work. I stoop to raise the fallen brother and cast out the unworthy. I walk in the way of charity and travel in peace and harmony. I render aid to the poor, the sick and the distressed. I answer the cry of the orphans and sustain the widow and the aged. I commit to the earth brethren who travel to that undiscovered country from whose bourne no traveler returns. I ponder at the moment on the ages of time as I stand at tbe door of eternity. I am a way of life that teaches immortality. I raise men from darkness to light." This is Masonry.



THE VALUE OF MAN

(The Kansas Mason)

A man's value to the world is in direct proportion to the unselfish service he renders. In the heart of every true Mason there is something —call it instinct, principle or wbat you may — that doesn't permit bim to be so well satisfied with those things be does for himself, as with those things he does for others. That is why all members of the Craft now living, or those wbo sball live, owe a debt of gratitude to those who devote their lives to the teachings of Masonry.

Masonry deals with the essential dignity of man as a creation by Deity. Its principles are the precepts of that Deity. Its purposes are to assist man in his efforts to build his life in harmony with those precepts, thus preparing his mind to be used as a living stone in that great spiritual Temple not made with hands. There can be no higher commissions or nobler undertaking; and those who have dedicated their lives to pursuit of the objectives stand upon a level of honor and dignity far above the highest peaks of fame or world honors. Fame and title worship must be left to lesser men.

WHO WAS JACQUES DEMOLAY?

Jacques DeMolay is the namesake of the Order of DeMolay, and was chosen as such by the original nine members of the Order.

Although it has been more than 650 years since he died as a martyr to truth and fidelity, the ideas for which be gave his life are being perpetuated today hy young men the world over who are members of the Order of DeMolay.

Frequently people ask the question, "Who is Jacques DeMolay?"

Modern historians believe he was born in Vitrey, Department of Haute Saone, Franee, in the year 1244. Little is known of his family or early boyhood, hut in 1265, at the age of 21, he became a member of the Order of Knights Templar, and ultimately the last Grand Master of the medieval Knights Templar.

The Knights Templar had participated fearlessly in numerous Crusades, and the name of the Order was a byword for heroism when, in 1298, DeMolay was elected Grand Master. It was an office that ranked with and oftentimes above great lords and princes of the era.

DeMolay assumed office at a time when the situation for Christianity in the East was in a precarious way. The infidel Saracens had defeated the Crusaders, and only the Knights Templar and the Hospitallers were left to comfront them.

The Templars, only a shadow of their former strength, settled on the island of Cyprus hoping for a new Crusade. But after 200 years, the crusading spirit had died away. There was no popular support for them in their war plans, in spite of the fact that the Templars were strongly entrenched in Europe and Britain with respected leaders and vast riches at their command.

It was the wealth and power of the Order that aroused the desires of powerful enemies and ultimately resulted in its downfall.

Philip the Fair, King of France, lusted for the immense power he would have if he could unite the Orders of Templars and Hospitallers with himself in titular control, set about to do so. Unsuccessful in his powerful grab, Philip realized that he must destroy the Orders to prevent any rise in power of the Papacy, since the Orders were accountable only to the Church.

Swiftly, on September 14, 1307, Philip acted. He issued secret writs for the arrest of all Templars. DeMolay and hundreds of others were seized and thrown into dungeons.

It was the beginning of seven years of cold, damp eells and inhuman tortures for DeMolay and his fellow knights. Philip forced the Pope, Clement, to endorse the condemnation of the Order, and all Templar property and wealth were transferred to other hands.

Despite the tortures of the rack and other repeated refinements of the Inquisition, over a seven year period, DeMolay could not be compelled to betray the other leaders of the Order nor to disclose where all its properties and funds could be found. Finally on March 18, 1314, a special commission, appointed by the Pope, met in Paris to determine the fate of DeMolay and three of his preceptors in the Order. Among the evidence the commissioners read was a forged confession purportedly signed by DeMolay some six years previously.

The adjudged sentence for the four knights was life imprisonment. Two of them accepted the sentence, but not DeMolay! He denied the old forged confession, and Guy of Auvergne stood with him.

According to the legal customs of the time, a retraction of confession was punishable by death. Philip did not even allow the commission adjournment to deliberate. He ordered the two prisoners burned at the stake that very evening.

As the fires were lighted, DeMolay made this statement, in part: "We die innocent. The decree which condemns us is an unjust decree, hut in Heaven there is an august tribunal to which the weak never appeal in vain—"

While the hells in the Cathedral of Notre Dame tolled at sunset on March 18, 1314, Jacques DeMolay and his companion were burned at the stake on a small island in the River Seine, fearless to the end.

Although the body of DeMolay became only a remnant of ashes on that historic day, the spirit and inspiration of the man, for whom the Order of DeMolay was named, remained to guide countless generations in the paths of truth, tolerance, courage and fidelity.

The New Age

COURTESY

Courtesy is commonly regarded merely as politeness, hut it actually goes far deeper than that. Politeness represents surface indications and may be misleading and deceptive, while courtesy emanates from the heart of an individual, and one of its first requirements is sincerity. No one can truly he courteous without being sincere. Hypocrisy and courtesy are the most deadly enemies of each other. A strong, manly character does not require that one shall have the same amount of affeetion for all individuals with whom one associates, or whose lives may touch his in one form or another, hut courtesy is required in all instances toward all people under all conditions.

There are certain conditions that arise in Lodge where our conduct is far from courteous, although we have not intended it to be so. For instance, two members talking when work is heing done; criticism of a Brother who is trying to learn the work.

Courtesy is a combination of parts of many qualities, among them being consideration, justiee, courage and self-respect. Consideration requires that we be concerned with other people and their happiness, it requires the pleasant acknowledgement of good service, and an understanding and sympathetic attitude toward those who render inefficient service; also a realisation that the individual who has been somewhat inefficient in the performanee may be deeply affected by emotions or troubles, or may merely he inexperienced.

Under such conditions we may each be able to help a Brother over a crisis which may be of great importance in his life, and a little encouragement, a kindly and helpful suggestion may well be the turning point in his career toward a large measure of efficiency and success. —"Masonic Record" (London).

THE GREAT LIGHT OF MASONRY

(Masonic Chronicler)

This book has influenced the imagination of the world and the history of the human race more than all other books combined. Nations live by it or die by quarreling with it. The sun never sets on its gleaming page. It goes to the castle of the king and the cottage of the peasant, alike to the home of the rich and the poor, learned and unlearned.

It colors the talk of the street and is woven into the web of universal literature. It talks to us in our solitude, consoles our grief, rebukes our baseness, and gives new ideals to our conscience. It is a pillow to the aching head, an inspiration to the strong, a source of strength to the weak, and a guiding light to all.

It blesses us at hirth, gives names to many, adds sanctity to the marriage ties, writes an inscription of hope on our tombs, and the hest of our uttered prayers are in its storied speech.

Generation after generation comes and goes, each with its separate ideals and needs, each with its own form of expression. The literature of yesterday is not the literature of today. Famous books go out of fashion and are read only hy scholars and antiquarians. However, this immortal book is everlasting. It talks in the speech and with the accents of each generation in turn.

The silver cord of the Bible is not loosed nor its golden bowl broken as centuries slip by like beads on the thread of time. The Bible is the master of the soul, wiser than reason, truer than conscienee, greater and more trustworthy than either reason or instinct.

How often this book has been torn to rags, refuted, destroyed! But as the anvil outlasts the hammers that smite it, so has this immortal book lived on while those who sought to destroy it are forgotten. Other hooks have their day and are forgotten. They die, their language becomes obsolete, the world's thought runs in new channels, they are left mere stranded wrecks on the shores of time, but this book belongs to all the centuries and outlives them all.

It has a lost paradise at the beginning, a paradise regained at the end, with a divine redeeming process running through time, linking both together.

ENGLISH FORMAL

London, England, has the greatest numher of lodges of any city in the world.

It is also a custom of long standing that Masonic Lodges in England have not more than 200 members. English lodges generally meet only five times during each year and these are very formal affairs.

Formal attire, including white gloves is mandatory. No smoking is permitted in the lodge room. No conversation of any kind, other than actual business, is allowed, and then only after requested by the Worshipful Master.

English lodges are attended hy visiting Masons by invitation and a formal dinner follows each lodge meeting. —Murat Magazine

AMONG MASONS

(Oregon Mason)

Our earnest desire to make Masonry a vital part of our life and to direct its influence toward the development of society, must be preceded by the thoughtful consideration of our ohligation toward all Masons.

That strength which emerges from a solid bond of understanding, respect and love among Masons is the force that must be evident before we can hope to make it an effective force outside of Masonry.

To have a just concern for the welfare of our hrothers, to express to our brothers an appeeciation of what they mean to us, to console in time of soerow, to rejoiee with our brothers in time of gladness, is to render ourselves deserving of the honor of being Master Masons.

We as Masons are bound by the most sacred ties. In this there can be no reservation or equivocation, and if there be any, we cannot hope to use Masonry for the accomplishment of those purposes which extend beyond the lodge room.

To withhold ourselves from our brothers, to be little in our thinking and in our attitude toward our hrothers, to envy their preferment, is to lose sight of those goals, which first require our willing acceptance of our duties and obligations toward our brothers.

Our persistent effort must be directed toward the practice of Masonry among Masons.

MY LODGE

I want my lodge to be a place where I can always find an ahundance of love, understaoding and kindness.

I want my lodge to be composed of well-informed hrothers, brothers who appreciate the privilege of heing Masons and who are ever willing to devote their time and talents to the welfare of the lodge and to the well-being of its members.

I want my lodge to be a place in which I can acquire Light and more Light; a place where the officers are ever aware of their responsibilities; who are proficient in the work hut who keep in mind that there is a great deal more to Masonry than the ritualistic ceremonies.

I want my lodge to have a system of instruction so that each of our members can grow in Masonic knowledge.

I want my lodge to have that atmosphere of reverence, and quiet dignity, which is in keeping with the Plan of Masonry.

I want my lodge to carefully investigate every petitioner for the degrees so that we may be quite sure that the material we accept will add strength to Masonry.

I want to think, act and walk in life so that I may be worthy of membership in my lodge, and to help make it the kind of lodge I want it to be.

Brethren: This is the month wherein we take special pleasure in pouring out our hearts to our God io thankfulness for untold blessings received.

His blessings have been more than we can number. We thank thee for seed time and harvest, for summer and winter, for food, clothing, shelter, health and strength, for childhood and for age, for friends and dear ones, for home and country, and as we enjoy these comforts, may we think of others and share with those in need, and stretch forth our hand to aid and help the distressed.

In my article of last month I endeavored to rekindle a bit of flame within you for more Masonic Light. A few brethren yielded to this desire. Your officers were pleased by your attendance — come again — and bring another brother with you.

On Sunday, Sept. 18, 1966 your master and tyler James Pollas Sr. and wives enjoyed the annual pilgrimage to the Masonic Home at Franklin. Ind. It was an ideal day. This year was a very special one, in that a plaque denoting the 50th anniversary of the Home was dedicated. We visited with Mrs. Carrie Thieme, the only one Wayne Lodge now has at the Home. We went through several of the buildings and enjoyed the days program very much.

On Tuesday, Oct. 18, 1966, we were hosts to Home Lodge when we exemplified the M.M. Degree in the Ionic room, for the Grand Lecturer, Howard O. Hunter. He gave us constructive criticism and advice, and was also complimentary. We made some mistakes, of course, but I have never attended a Lodge for Instruction that was perfect.

The officers and myself extend our best wishes to the Brethren who are ill, and pray for your speedy recovery.

On Nov. 3, 1966 is our stated meeting. And on Friday, Nov. 4, 1966 we will have a Fellowcraft party at P.M. Joseph McDowells home at 1926 Seddlemeyer Rd. Brother Joe, is our team captain and has been working diligently with the craft for improvement, and with showing results. You are invited — come one — come all.

Sorry Brethren, no degree work io November.

We have a faithful few upon whom we call as pallbearers. To them we are greatly indebted for taking their time to serve their lodge. Our list of those available has decreased until we are in danger of not having enough to call upon. We feel that there are those who are available for this duty, who would be glad to serve if called upon. If you are available and would like to serve, will you please call your Worshipful Master 748-1336, and give him your name and phone number? Please!

Our next visitation to Veterans Hospital is Nov. 28, 1966. Mark your calendar now — and be there.

Wayne Lodge recently honored Dr. Ivan A. Planck by his appointment as an Officer in the Lodge. He has been very active in the York Rite bodies, of which he is a Past Commander and a Past High Priest. The Officers are very pleased with his appointment and warmly welcome him. See you in Lodge.

Greetings Brothers:

As we enter the season of Thanksgiving, let each of us be mindful and give thanks to our Creator for the blessings which are ours. Each of us can find many many blessiogs for which we are thankful.

Each day a certain farmer would take the time to thank God for his blessings. This particular morning there had been a devastating storm during the night. The farmer walked through the place where the barn bad been and looked upon death and devastation in every direction. Not an animal had been spared, not a building remained standing. A dejected and downhearted farmer walked back to the house to have breakfast with his family. As was the custom in this house, each head was bowed as the farmer thanked God for sparing his life and the lives of each member of the family from this devastating storm.

November meetings are as follows:

November 4 Stated 7:30 p.m.

November 11 EA° 6:30 p.m. dinner.

November 18 FC° 7:00 p.m.

November 25 MM° 6:30 p.m. dinner.

This will be our first regular Master Mason Degree since September.

We could have as many as eight brothers to raise on this degree. Check the paper for opening time. Plan to attend and help with the degree work.

Our secretary would appreciate each paying his dues before January 1, 1967. Pay yours now, and also send along your pledge or contribution to our Masonic Home. Make these checks payable to Indiana Masonic Home. See you in Lodge.

We are starting the month of November which means that as Master of Three Rivers Lodge, I will have but one more article to write. The month of October was quiet for the lodge other than the stated meeting and the Grand Lodge of Instruction. We enjoyed a very informative session with the Grand Lecturer, Howard O. Hunter and Waynedale Lodge. I want to thank all who participated and attended. Our meeting was a success and I hope to receive a good report from Brother Hunter.

There were several other events that highlighted the month and enjoyed by those who attended. First, there was a good turnout for the banquet held in honor of Brother Frank Hunt. Frank has completed ten years of Masonic service and he was rewarded at the banquet with an award from the Masonic Service Association of the United States. Brother Frank has spent many hours at the Veteran's Hospital as well as the other hospitals in the area, cheering up the brethren who are confined.

The cast of "A Rose Upon the Altar" journied to Portland, Ind. and presented the play to Jay Lodge. We enjoyed an evening of fellowship with the members of Jay Lodge. There were other Lodges represented and they all received the play in the usual manner.

I want to remind you of our next Veteran's Hospital visitation on Monday evening, November 14, 1966 at 7:30 p.m. This will be our final visit of the 1966 calendar year. Please plan on attending this visitation and help bring cheer to some of the less fortunate brethren as well as the other men confined at the hospital.

Saturday evening, December 3, 1966, we will honor our Past Master with a banquet Also we will give one of our members a 50 year Award of Gold. Worshipful Brother Albert White has been selected by the Grand Lodge to represent them on this occasioo. Please get your tickets early for this event from any of the officers. This evening will be full of surprises for everyone. Iocidently, this event is open to your wives or girl friends so bring them along also.

Don't forget that we still hold stated meetings on the second Tuesday of the month at 7:30 p.m. December's stated meeting we will hold our annual election of officers. Come down and vote for the good of your Lodge.

Brethren: With the writing of this article, I suddenly am aware that my year is rapidly coming to a close. Next month at our stated meeting in December — December 7th, we will have our annual election. Please plan to attend this important meeting.

We certainly are indebted to Brother Bill Gingher for arranging and planning the 33° Scottish Rite presention of the second section of the Master Mason degree. I feel quite certain that everyone in attendance was thrilled to see the manner and quality of work performed by these Brothers. On behalf of the Lodge, I want to extend our sincerest thanks to each of these Brothers and in particular to Brother Bill Gingher for his individual efforts.

In October we raised Dr. William C. Ashman and Kenneth M. Tyriver. These new Brothers were extremely well prepared in their proficiencies and excellent candidates in general. Congratulations to these new Brothers.

I want the membership to be aware of the fine ritualistic work that is being performed by your officers. Maumee has always taken a great deal of pride in its ritualistic work, but it seems to me, that the quality during the last months has been exceptional and certainly deserves mention.

Brother Russell Wells has found it necessary to withdraw from the line. The press of work and additional schooling required in his new job were more than Brother Wells had anticipated and we are very sorry that he has had to come to this decision. In this regard, we have selected Brother Donald Webb to replace Brother Wells as our Chaplain.

In November, we will operate on the following schedule:

November 2, 1966 - Stated Meeting 7:30.

November 7, 1966 - V. A. Visitation 7:30.

November 9, 1966 - Entered Apprentice 7:00.

November 16, 1966 - Fellow Craft 7:00.

November 23, 1966 - Master Mason 7:00.

November 30, 1966 - Ladies' Night 6:30.

Ladies' Night will be November 30, 1966, at 6:30 p.m. Tickets may be obtained from any officer at $1.25 per couple. At this banquet Brother John McNaughton wil serve as Master of Ceremonies. We will have some formal entertainment and, in addition, we will honor our twenty-five (25) and fifty (50) year members. Please obtain your tickets NOW.

We welcome into South Gate our newest Master Mason, Bro. Roger L. Bryan may he enjoy his Masonic Fellowship with us.

On Oct. 8, 1966 we were saddened by the death of Bro. Carl A. Sbirk a Charter Member of South Gate, and to his family we offer our deepest sympathy.

South Gate was very much honored when Bro. Edward H. Purcell, and Bro. E. Ross Adair received the Honorary 33rd of Scottish Rite Masonry during the month of September in Boston, Mass. Congratulations.

Our congratulations to Bro. Louis H. Benion on his appointment to fill the vacancy of Bro. Robert L. Wirick who resigned.

My wife and I with two friends drove to Franklin, Indiana and visited the Masonic Home on Sept. 18, 1966 which was the Golden Anniversary of the opening of the Indiana Masonic Home. We arrived on the grounds around 9:45 a.m. and visited and talked with many of our guests. I had a long visit with Bro. Frederick Luethe a Charter Member of Muncie Lodge who asked me if I knew why a Blue Lodge was Blue. He then handed me an article which had been written by Bro. J. Burton Long of Sarasota, Florida which I would like to pass on to you.

Among the religious institutions of the Jews, what was the most important color? Why was it the color of the high priest's ephod, the color of the ribbon on his hrestplate and for the plate of the miter? The Hebrew word for Blue is "Tekelet" and the root of this word signifies "Perfection".

This color has always held a prominent place in the hearts of the people of the Gentile nations, both now and of antiquity. The Egyptians esteemed this color as sacred and the body of their principal god Amun was painted blue because of this exalted and heavenly nature. Jeremiah tells us that the ancient Babylonians clothed their idols in blue. The Chinese philosophy teaches that blue is the symbol of Diety.

The Hindus assert that Visbnu was represented by heavenly blue and indicates the wisdom that comes from God. Early Christians considered blue to be the emblem of immortality and the mark of perfection and hope of constancy.

Is it any wonder then, that Blue is so meaningful to a Master Mason? It is the color which embraces the whole world and should remind every brother of the genuine virtues in Masonry and of universal friendship and true benevolence.

Brother hold your head high when you say "Blue Lodge".

I would like for everyone to mark December 12th on their calendar, this will be our Annual Stated Meeting and the Election of Officers for next year. This is the most important Stated Meeting of the year and you should attend that night and vote for the Officers of your choice for 1967.

See you in Lodge.

is unrolled . . .
But every time it happens it is strange and fresh and new.
Never does the eye grow weary of the harvest view.

Such was the beautiful Ceremonial we witnessed at our Supreme Inspection in Kendallville, on Oct. 13, and we are very happy to welcome two (2) new Sojourners and the affiliation of a former member.

At State Association held in Indianapolis, Oct. 15th, Our Soj. Erma White was elected to the office of Third Vice-Pres. Congratulations, and we are very proud and happy to have this honor come to our Shrine.

Nov. 11, — Stated meeting with the men entertaining; why not have a good turn out and see what surprises are in store for us.

Nov. 25 — Stated meeting, and a Thanksgiving program, lets all be present.

Nov. 27 — The Orion (Past Officers Club) will meet with Sojourners Edna and Ned Biddle.

The Ways and Means have several projects, and one of the most important ones at this time is the sale of Cookies.

Illness in Shrine: Elsa Charles has had surgery, but is home now; Glenn Myers has pneumonia, improving at home; Shirley Bly has not been very good, and to these Soj. we wish a speedy recovery, and since we have not heard from Soj. Dale and Flo Widney, we hope they are much better. Also Soj. Florence Nahrwald has had a very bad cold and is much better.

Illness in Families: The daughter-in-law of Our Worthy High Priestess has been in the hospital for tests, and we hope with much success. The mother of Soj. Ann Eichman ran her hand through the wringer, it is coming along nicely, but will take some time. Husband of Soj. Frances Adams, surgery and improving, also son had surgery and improving.

To our Shut-ins we wish to say "Hello" — Edna Ledford, Rose Griewank, and Lloyd Leas, we think of you often and wish you were able to be with us in Shrine.

Our Soj. Hilda Campbell and her husband celebrated their 40th Wedding Anniversary with open house at their home on Sunday, Oct. 16, we say Congratulations and many more.

And with this closing thought, we would like to see you all in Shrine.

"May the road you take along life's way
Lean onward, upward, every day;
When you reach crossroads, like Pilgrims of old,
May you have vision to see, to behold
The road which leads to the evening star . . .
The road which leads to horizons afar.

The Master Painter has certainly been using his most artistic abilities with the fall leaves, hasn't he? It is a joy and a privilege to ride through the country side right now and see the many changing landscapes and colorings. In fact, I guess it was so interesting to three of our Sojourners that they plumb forgot to show up for practice! How about That?

Several Sojourners motored to Detroit October 8 for the reception honoring Supreme Nohle Prophetess, Dorothea Shaffer. It was quite a gala affair and the brilliance of all the pretty gowns of the Supreme Officers was most radiant. It's been quite some time since so many Supreme and Past Supreme Officers have been in evidence. There were 60 at the head table and over 750 Sojourners in attendance. Several dignitaries from the Grand Lodge of Michigan were in attendance as were the city officials of Dearborn and Detroit. Their remarks spoke well of our Order and of our Supreme Noble Prophetess and encouraged us all to continue our best efforts to secure new members. Only through new members, the exchange of ideas and a steadfast faith in the future may our Order continue to flourish. The reception was held in the new Coho Hall which is located in downtown Dctroit and will be the site of the 1968 Supreme Session. The Mayor also gave Dorothea "the key to the city".

An item of interest to many of you was the announcement of the marriage of Past Supreme Worthy High Priestess Zelma Kah to William Stamper on Octoher 9. We certainly wish them both many long years of happiness. He is a member of Rose Croix Shrine, San Jose, California.

'Tis the time of year when we should all pause and give thanks for our many hlessings. There are many who are less fortunate and we should lend a helping hand. Our Order's charity work is founded on just such an idea. The Material Objective Fund is used to help those in need. Remember they do not have to be members to be assisted. Our Shrine is entitled to five cases a year. Through our contributions of 52¢ each Sojourner per year, our Supreme Material Objective Board is able to function. Have you contributed and do you know of a deserving person who may need assistance?

Our Shrine was again honored on Indiana State Association Day held October 15 in Indianapolis. Sojourner Vancha Collins, Noble Prophetess, was installed as an Assistant Secretary; Hildur Manecke, PWHP, as a page and Lavon Reim, PWHP, as First Vice President. Arnett Bickel assisted as an Installing Officer. The other new state officers are Maud Farlow, Richmond, President; Ralph Hanna, Indianapolis, Sponsor; Robert Stanley, Anderson, Associate Sponsor; Irma White, Miriam, 2nd vice president; Virginia Wassell, Terre Haute, 3rd vice president. Congratulations to them, but we certainly will all have to put on our "thinking caps" and get busy since we're advanced a little sooner than expected. Judging from the conversations and the laughter one could hear on the bus, we should do this more often. Fun, huh? Delicious doughnuts and coffee!

The visit of our Supreme Worthy High Priestess, Margaret McWhertor, was quite profitable to all in this District. She was most gracious in her instructions and inspection of the work. Mary Martha Shrine of Kendallville rolled out the red carpet and made a most gracious host. Our officers were called on to do the work for several officers of the other two shrines due to illnesses. Four candidates were initiated. Faith may take pride in her officers. They did excellent work. Lenore Wolf, Secretary of the Supreme Material Objective Board, accompanied the SWHP.

Our Friend's Night was an enjoyable social evening also. Friends from Portland, Kendallville, Anderson, Wabash and Meriam were present. I'm sure our line officers gleaned much from the exchange of ideas with the various shrines represented. Even though we all work from the same ritual, it is interesting to see the different personal touches that each Sojourner gives his work. The Circus Theme carried out in decorations and the Scottish Rite Choir in the "Center Ring" left only cotton candy omitted to make the best entertainment ever. The Big Tent housed the refreshment center and fun and good times were for all who attended.

Worthy High Priestess, Tama Christopher, has asked all Sojeurners to note that petitions for the Christmas Ceremonial should be in by November 11. Tickets for the Banquet may be secured from the Social Chairmen, Delta Schmoe, Velma Freeze and Ann Enslen.

Did you see in the newspaper where another of our Sojourners received a most outstanding award? Paul Wolf received the life emeritus award of the American Association of Accountants. Congratulations, Paul. I understand too that he and his wife were surprised not only by the award, but by their family on the recent occasion of a surprise celebration in honor of their 40th wedding anniversary. I'm just happy they were able to surprise them for Florence has done so many nice things for our Shrine and has given of time and effort for many a year. Best Wishes!

Sunshine Committee reports Dorothy Wolever, Wanda McKinney, Marie Krider, and Blanche Watson all recuperating at home after trips to the hospital. Emma Eshelman remains in Parkview, as does Sophie Jesse. Sojourner Edith Sommers is in Lutheran. Illness in the families of Harold Kroeger whose father is in Parkview, Marjorie Wetzel whose step-father is in Lutheran, and the mothers of Florence Garrison and Lucille Branstrater. Deaths in families were the brother of Sojourner Velma Roush and the father of Justine Miller. Our Shrine was saddened by the passing of two of our members — Goldie Schieman and Mildred Landau. We extend our sympathy and sincere good wishes for better health.

And you hear the kyouck and gobble of the struttin' turkey-cock,
And the clackin' of the guineys, and the cluckin' of the hens,
And the rooster's hallylooyer as he tiptocs on the fence;
O' it's then's the times a feller is a feelin' at his best,
With the risin' sun to greet him from a night of peaceful rest,
As he leaves the house, bareheaded, and goes out to feed the stock,
When the frost is on the punkin and the fodder's in the shock.
They's something kindo' harty-like about the atmusfere
When the heat of summer's over and the coolin' fall is here—
Of course we miss the flowers, and the blossoms on the trees,
And the mumble of the hummin'-birds and buzzin' of the bees;
But the air's so appetizin'; and the landscape through the haze
Of a crisp and sunny morning of the airly autumn days
Is a pictur' that no painter has the colorin' to mock—
When the frost is on the punkin and the fodder's in the shock.

Well, October really caught us up in a whirl of activity and we are still reeling! There have been Friend's Night meetings everywhere and our officers and sideliners have had themselves a wonderful time visiting practically all over the state. 'For it's always fair weather when Eastern Stars get together!' It's interesting to observe how the various chapters conduct their meetings and there's great satisfaction in knowing that wherever we go we will be graciously welcomed. (They usually have such delightful refreshments, too).

The first meeting in October was our Friend's Night and did we have friends! There were groups from Markle, North Manchester's Ivy Chapter, Crescent of Bluffton, St. Mary's, and Huntington's Floral. The Syracuse officers, who were planning to attend in a body were disappointed to have several of their group ill with flu and unable to attend. We are very glad for those who were able to be here.

The Fort Wayne officers welcomed and introduced Worthy Matron Alys Stevens, and Worthy Patron Goldus Crumbaugh, both of North Manchester. The Associate Matron had as her guest Ruby Mowery of Star of the East and the Associate Patron welcomed Sheldon Leiter, also of Star of the East Chapter. The guest Secretary was Eugenia Wood of Trinity, and Treasurer Bedelia Foreman came from Bluffton to help us celebrate. Conductress Lois Hedges of Huntertown, and Associate Conductress Lou Ann Chapman of Roanoke were guest officers. Our Chaplain introduced Beatrice Gottschalk of St. Marys and the visiting Marshal was Helen Wyatt of Markle. The visiting organist was Helen Overholt from Floral Chapter. The guest Star Points were LaFern Bader, Columbia City, Donna Kay McSwain of Decatur, Beverly DeGroat, who came all the way from Bridgeport, Vancha Collins of Shiloh, and Mary York of Trinity. Warder and Sentinel guests Clela Brown of Leo and Roland Dorsey of Harlan, Soloist Ella Peckham of Monroeville and Prompter Delores Pfeiffer of New Haven completed the roster of guest officers.

The vouchers of the evening were little cups and saucers and the Chapter room was cleverly decorated to enhance the "Let's Have Another Cup of Coffee" theme. In the East there was a huge white granite coffee pot surrounded by the lovely coffee mugs (each decorated with a rose in Star colors) which our Worthy Matron, Dorothy Finnell, presented to all of the visiting presiding Matrons. The impressive cross which the Knauers made for Sister Dotty at installation time was suspended from the balcony, watching over the Charter which was draped in tribute to Sister Ellen Baker who was recently called from our midst to her Heavenly Home.

We were honored to welcome our distinguished visitors, Sallie Turner, Grand Trustee and Junior Past Grand Matron, Mary Lou Little, Masonic Home Board Representative, and P.G.M., and Clayton Herrick, Grand Trustee and Jr. Past Grand Patron. We were also pleased to have with us Maxine Mosher, Grand Associate Matron, Virginia Miller, Deputy of District 14 and fourteen of the Virginians. We also were proud to welcome our own Vera Hayden, Gr. Rep. to the state of Pennsylvania, and Helen Herrick, Gr. Rep. to the state of Texas, Irene Lyttle, Indiana Dinner Committee, and Helen Howard, Grand Chapter arrangements committee. There were other Grand Chapter appointees, husbands and wives of distinguished guests, presiding Matrons and Patrons, and many friends we were most pleased to greet.

At the conclusion of the meeting the choir entertained everyone with a special show in the Ballroom. The crowd was seated at small tables, cabaret style, and each table had its own coffee pot and plate of doughnuts. The setting was the very modern F. W. Coffee House. The white backdrop was draped with a large fishnet from which hung small guitars in gold. There was a two-tiered stage with pastel-painted drum stools and stacks of pillows to sit on. There were large cutout musical instruments and a pair of real gone hanging lamps which added their bizarre effect. The music and dialogue were cleverly arranged to give variety and 'zing. The performers were disguised so completely that we were baffled. The most popular garb seemed to be tight pants, turtle neck sweaters, berets, real gone colors, and long flowing hair! However, these Kooks sang some lovely songs. They led off with "Yesterday" and "We'll Go a Long Way Together" by the entire group, then the girl's sextet came forward with "It's Almost Like Being in Love". The Young Men sang "When I'm Not Near The Girl I Love" and then the entire group zigzagged down the aisle and between the tables (as if to defy us to identify them) singing "Seventy Six Trombones". Next, Paul Hayden soloed with "Get Me to the Church on Time" and Pat Walker followed with "I've Had a Love of My Own". Kill Knauer and Bob Mumaugh kept some lively dialogue going and announced that the throwbacks from the architects and retards would sing "Gonna Build a Mountain" and they did! Yeh, Yeh. They settled into a more serious mood for the beautiful "Upon My Lips a Song" and to conclude the performance the F.W. Coffee House Mods (and what have you) simmered down and waved goodbye to the nostalgic strains of "Goodnight, Dear Friends", a parody on "Good Night My Love" from the Music Man. They said they "had to flake off", and away they went'.

Carol Munk, our choir director, was chief engineer of the entire program, and she was ably assisted by her assistant director, Jo Cecil. Our wonderful organist, Lucile Mumaugh was also a very necessary factor in the success of the whole production. Others who make up this grand group of real troupers are Jerry Cook, Ethel Daub, Ruth Dunton, Betty English, Margaret English, Max Ensley, Twylla Hake, Paul Hayden, Eleanor Houser, Gladys Jeffries, Russell Jeffries, Richard Munk, Bea Proctor, Del Proctor, and Dorman Walker.

Next on the list of activities planned for our enjoyment this fall was the annual golf outing which was held on Saturday, October 15 at the Kendallville Country Club. Twenty-five members and guests made a day of it and had a hilarious time. The cheering section, far-removed from the line of battle, played some cards and chatted as they waited for the bogey men to return. There were prizes and a trophy for the golfers, and an excellent dinner of honeycomb chicken and baked swiss steak at 6:00 to add the finishing touch.

A sizeable group chartered a bus and journeyed to Muncie on October 18 when Muncie Chapter planned a

special "Fort Wayne" night in our honor. It's so nice to know tbat the hands of friendship reach out to us and we were proud as can be to be singled out for this significant tribute.

The officers surprised Louise Caldwell, our little Martha point with a stork shower recently. Louise was pleased, and it was great fun for all of us.

October 20 was a stated meeting and the degrees of our beautiful order were conferred upon Wanda Harz, Bonnie Fry, Camille Wilder, and Clyde Frankenburg. We welcome these new members to our circle of friendship. We feel that as Eastern Stars, we "have sometbing special" and we are happy to share it witb you. Come often and remember that if you "Give to the world the best that you have, the best will come back to you".

By the time this edition reaches your hands, the card party will be a thing of the past, a memorable night after many, many hours of work and planning by so many committees and individuals. Our Worthy Matron wishes to thank everyone who helped in any way to make it a success. Your efforts were truly appreciated. Thank you sincerely.

The first November meeting will be on the 3rd, and will honor the Star Pals and take note of Thanksgiving. It is good for us to pause now and then and remind ourselves how many of the good things of life we have. Truly, our Loving Father doth care for His Own.

The annual caravan to the Masonic Home at Franklin will be held on Sunday, November 6th. The friends we visit there really look forward to our visits and we must not disappoint them. Anyone who needs transportation for the trip may contact the Worthy Matron or Associate Matron. Eleanor Costello and a way will be provided for you to go.

The November 17th meeting will honor our Grand Representatives. We are so proud of them, and this will be the night to tell them so!

The Worthy Matron reminds us that dues are payable now and delinquent after Jan. 5tb so all take notice.

At Thanksgiving time we pause to observe:

Golden sheaves upon the hills, how the time of harvest thrills! Signs of work that is complete. Here is bread for men to eat.

Sheaves! They represent the Ruth point, the toil, the riches of the soil—

Man and beast bave spent tbeir power — in making of this hour.

That, with aid of sun and rain, there should be this field of grain-ploughed and sown and cut and bound, all their weary labours crowned.

Golden sheaves and smiling skies —man desires and God supplies. Every sheaf a prayer of praise — for the glory of the days.

And after the cold and dreary winter months, we know that the ancient truths bold good, that tbe great earth unmindful of dictators and of human affairs, unhurried and unchangingly keeps its appointed way, and that the age old miracle, GOD WILLING, will again come to pass,

Another spring, the lovely apple blossoms, the apples, another summer and another harvest.

Your Worthy Matron and Worthy Patron wish for you and your's a very happy Thanksgiving; may all the blessings of heaven and earth be your's.

Shilob Chapter bas mucb to be thankful for, when tbis reaches you, tbe Smorgashord will have been nearly forgotten — however — all the fine cooperation and helpful deeds that are so necessary for success will be remembered for a long time. Our General Chairman — Morea Fisher and general co-chairman Fanny Bickle and each person who helped, deserve a big, big thank you, as well as those who attended the affair. Our dinner music was provided by Sister Lucille Thompson and Sister Gladys Burry at the organ. Thank you sisters for the beautiful music.

Also, in retrospect, the pleasure of having our past Matrons and past Patrons at our October 13th meeting, which was set aside as a special night in their honor. The vouchers on this special occasion were white triangles with purple ribbons. The triangle represents the three greatest emblems of our existence, the open Holy Bible, the flag of the United States of America and the Christian flag. Shilob bas been fortunate in having these Sisters and Brothers to have served in the East. Sister Lucille Thompson, as president of the Past Matrons Club shared the East for this special night.

Later in the program a memorial service, under the direction of Sister Ethel Miller, was beld. This was a beautiful and fitting tribute to Past Matron Sister Hattie Ault, Past Patrons Brother Floid Brake and Brother Grant Michefelder.

Blue birds! Blue birds, everywhere Blue birds! This was the happy motif used for Shilob Chapter Friends Night. What a happy occasion, an extra night set aside for friends — Strangers are friends we baven't met—

So long as we love, we serve.
So long as we are loved by others
I would say we are indispensable
and no one is useless while he has friends.

Our Entertainment Committee was in charge of the entertainment for our friends night. From all the plans, all the rehearsals, all the efforts, we hope no Broadway Producer coaxes them to a permanent life of professional acting!

Our Novemher 10th stated meeting is one of happy anticipation. Mr. and Mrs. Claude Howard will be our special guests. Be sure to attend Chapter, as this will be a most informative meeting.

Be sure to mark November 29th on your calendar. It's Shiloh Card Party and Bazaar. Many plans are being made for this gala affair. All sorts of goodies are in the making—home made cookies, candy, yeast rolls and on and on. Also, lovely hand made items suitable for Cbristmas gifts. Cards, table prizes and refreshments—music and an evening of fellowship. Sister Betty Mann is in charge of a floral arrangement demonstration. (we know there is to be a bubbling fountain too) all tbis for 75 cents donation. Tickets available from any officer, committee member or at the door. See you there!

As we watch the beauty of autumn unfold, we are afforded moments to reflect upon the many blessings which are given us — our homes, our friends, the privilege of living in this fruitful land where we can worship without interference, and where we can make endless choices and form our own opinions and thoughts. Let us, on this coming Thanksgiving, count the many blessings our Heavenly Father bas bestowed upon us. And then, be mindful of tbe added ones eacb day of the year.

Among our ricbest treasures are our friends. We consider friends our "jewels" and this was our theme for Friends Night which was our October 21st meeting. A large chest which spilled out jewels was placed in the East and our programs were decorated with pretty candles which gave off points of beautiful lights. We were especially pleased to welcome the following guest officers: W.M. Mary Lou Blinn, New Haven Chapter; W.P. Joseph Schlatter, Huntertown Cbapter; A.M. Eleanor Costello, Fort Wayne Chapter; A.P. Dave Alberson, Geneva Chapter; Secy. Mildred Troutman, Crescent Chapter; Treas. Dorothy Dinius, Floral Chapter; Cond. Janice Hecht, Monroeville Cbapter; Assoc. Cond. Lou Ann Chapman, Roanoke Chapter; Chaplain Nova Preston, Warren Chapter; Marshal Delores Scbaeff, Mt. Etna Chapter; Org. Lucille Thompson, Sbilob Chapter; Adah, Norma Jean Mosshurg, Markle Chapter; Ruth, Marguerite Beehtold, Eel River Chapter; Esther, Hilda Wade, Churubusco Cbapter; Martha, Margaret Willett, Emerald Chapter; Electa, Miriam Zenier, Decatur Cbapter; Warder, Cena Marquardt, St. Marys Chapter; Sentinel, Ruby Murry, Star of the East Chapter; Prompter, Marjorie Nichols, Cardinal Chapter; and Soloist, Rose McGraw, Sbilob Chapter.

After our Friends Night meeting we had a smorgasbord of delicious foods, and we were entertained royally by the Jazz Cboir of Central High Scbool under the direction of Trinity's own Bill Wetzel.

The month of November promises to be a very busy month with many special dates to remember. Our Worthy Matron calls to your attention Nov. 6, Nettie Ransford Day at the Masonic Home; Nov. 12, W.G.P. Doyle Oursler's 33rd Reception; Nov. 19, Grand Warder Reception and Inspection; and Nov. 26, Bremen's 75th Anniversary.

Within our own Chapter we want to remember the Nov. 4th Stated meeting honoring our District Deputy Virginia Miller. The Job's Daughters of Waynedale Bethel will give the program. Nov. 16 is our Card Party and Bazaar, with entertainment by the Sweet Adelines. Donations for the Bazaar will he greatly appreciated by the Committee and gratefully accepted. A Closing Thought

Did you ever stop to think
What makes a day seem bright?
It isn't just the bright sunshine,
Though, of course, that helps all right.
It's not just meeting friends you like,
Exchanging news and jokes;
No sir, it's the little thoughtful things
You've done for other folks.

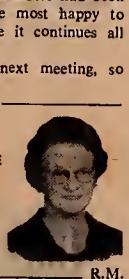
The most important meeting in the Truth Court No. 21 calendar for the year, that of our official inspection, by the Grand Royal Matron, H.L. Geraldine Fessendon and the Grand Royal Patron S.K. Knight Paul T. Ford has come and gone, but shall always remain sweet in our memory. H.L. Geraldine is a member of Friendship Court No. 22 of Hammond, Indiana and S.K. Paul is a member of Indianapolis Court No. 1, at Indianapolis, Indiana.

A delightful specialty dinner preceded the meeting, with prizes for the three best disbes in the diners opinion going to H.L. Della Weesner for her Chop Mein, H.L. Bertha Clear for her Turkey Marzette and H.L. Louise Wilkerson for ber banana cake.

It was really a pleasure for the officers to put on the work before one of the largest crowds of Grand Officers and members of the 1966 Truth Court year and to initiate Schuble Boggs into our beautiful order. If any of you were not able to attend this meeting it was indeed unfortunate for you, because you sure missed a wonderful meeting.



At our November meeting we will observe friends night, guests have been invited from all Courts in the state, and at this meeting we will have a nice class of four to initiate, so try not to miss this meeting.

Our ways and means co-chairman would like to remind you of our annual fish fry in December which will be open to the public and served in the K of P hall dining room from 4 to 7 p.m. on Dec. 14, 1966, more on this later this report comes from H.L. Mable Travis and H.L. Louise Wilkerson, and questions just call one of them.

For the second month in a row our sickness and distress chairman H.L. Mary Beamon reported that none of our court members had been reported ill, we are most happy to hear this, and hope it continues all winter.

See you all at next meeting, so until then adios.

Brethren, with deep regret, one of our beloved Brethren, Brother Ernest G. Young, Elkhart, Indiana was called from our midst on Thursday, Sept. 15th. to join the Celestial Lodge above. May the same tie which united us to our Brother continue to bind us to his afflicted and bereaved family. Brother Ed Taylor, who lives near Elkhart, called at the funeral home in Elkhart and paid the respects of the Lodge.

The Lodge has voted to present a Ladies Night to be held in early November. An invitation will be mailed to all members in the local area explaining the details. I sincerely hope that each of you can be in attendance and display to our Ladies the respect and esteem that is so justly due them.

"To relieve the distressed is a duty incumbent on all men, but particularly on Masons, who are linked together by an indissoluble chain of sincere affections." Our Most Worshipful Brother, Joseph L. Bridwell, Grand Master of Masons in Indiana, through the continuation of the Ten-for-Ten Program is giving each Master Mason in Indiana the opportunity to practice Masonic Charity to its fullest extent and display to the enemies of Masonry that the above statement is not empty words. You will soon be receiving your Dues Statement and a pledge card for the Ten-for-Ten Program. Give the matter considerable Masonic thought and contribute to the Program as liberally as you can without inconvenience to yourself. Make your check for dues and contribution to the Ten-for-Ten Program payable to Leo Lodge No. 224. Leo Lodge has established a fine record in the past for attaining the Honor Roll for the Masonic Home and I have no doubts that once again this year, the members will come forth and do justice for the Craft.

For the past month, our Lodge has not been too busy. We had our Lodge of Instruction with Churubusco on the M.M. Degree, Sept. 21. It was a very informative and enjoyable evening under the direction of Brother Howard Hunter. On Oct. 20, we had F.C. Degree.

We are planning to have a M.M. Degree some time in the latter part of Nov. This degree will be put on by all Past Masters; watch for the date. Cards will be sent out and the telephone committee will be busy contacting members. We would like to have the lodge packed for this Degree.

Brother Walter Kell is out of the hospital and is able to be up and around at home.

That's all for now; see you in Lodge.

Greetings Brethren, Another month has rolled around and we are about to enter the winter holiday season. It is just a few weeks until Thanksgiving and after that the happy Christmas season, especially for the children.

As you read this, you will be happy to know we had another successful month in October, having raised two brothers to the Sublime degree of a Master Mason and we expect to have degree work this month also.

November 2nd will be stated meeting night, and voting on at least one petition. Then Wednesday evening, on the 9th of November we will have the E.A. degree with our able J.W. Gwen Rinker in charge.

I might mention at this time that our Sec. P.M. Russell Smith has applied to Grand Lodge for permission to present a 50 year pin to Brother Henry Robison sometime the latter part of November, at which time we would like to have several Brothers to accompany us to Warren for the Ceremony, Providing permission is granted.

We are all looking forward to the annual Table Lodge meeting, to be held on Tuesday evening, December 27th, at which time we will have a delicious meal and a timely talk by Dr. Gerald H. Jones, 33. We should have a good turnout for this meeting.

I know everyone is busy with a lot of meetings, etc., but please keep the Lodge dates in mind and be present whenever possible. This applies to all members, but especially to the officers, who have been very faithful so far. Let's keep up the good work.

See you in Lodge!

It is surprising to note that the month is November and my year as Worshipful Master is fast coming to an end. I wish to thank all the officers and members of Olive Branch for their cheerful cooperation and dedication.

At the October meeting a motion was made and unanimously carried that the trustees be empowered to purchase at auction the King land, according to their judgement, and in the best interest of the lodge. I hope sincerely that this will prove to be the preliminary step in the eventual construction of a new lodge building.

By the time this is published I am certain we will have had a memorable evening and supper in honor of our 50 year member, John McMahon. As of this writing sixty reservations have been received.

There will also be a Past Master's night during December. Please watch for the notice in the December Square and Compass and plan to attend. Your attendanee will help to bonor, deservingly, these exemplary Masons.

Fall should see a renewed interest in the Fraternity. 1967, Indiana's sesquicentennial year, promises to be a great and important year for Mason's in Indiana. With interest and enthusiasm for the months ahead I give you my best wishes as well as fraternal regards.

WHAT IS CULTURE?

...AMOUS SR. DEMOLAYS

"DeMolays never fail as citizens, ... leaders or as men!" Tbis is a ...mmon slogan for DeMolay, and ...on examining tbe honor roll of ...nior DeMolays who bave filled ...minent positions in all walks of ..., it is easy to understand the ...th in this quotation.

Starting in the area of government, ...Molays who have served as gover...rs of their states include Edward ...n of Kansas, Harold W. Handley ... Indiana, George N. Craig of In...ana, J. Caleb Boggs of Delaware, ...orge Docking of Kansas, Charles ... Russell of Nevada, Victor E. An...son of Nebraska, Wesley Powell ... New Hampshire, Mark O. Hatfield ... Oregon, Donald G. Nutter of ...ontana, John M. Dalton of Missouri ...d George Nigh of Oklaboma.

Thomas Douglas, the First Chap...n of Winnipeg, Manitoba Chapter, ... the Premier of the Province of ...skatchewan, Canada.

Five Senior DeMolays have also ...come United States Senators. They ...clude: William F. Knowland of ...lifornia, Henry H. Jackson of ...shington, Allan Bible of Nevada, ...nston L. Prouty of Vermont, and ... Caleb Boggs of Delaware.

An estimated 150 DeMolays at one ...e or another, have served as Mem...rs of the U.S. House of Repre...tatives.

...dless other Senior DeMolays like Secretary of tbe Treasury Robert B. Anderson, Atomic Energy Commission Official Cbarter Heslip and Roy B. Snapp have filled various positions in government.

DeMolay has also had its share of senior members wbo have reached flag rank in the U.S. military establishments as Generals and Admirals.

In the entertainment field, DeMolays have been standouts. No other movie maker has won so many Oscars for the quality of bis product as Senior DeMolay Walt Disney.

Disney grew up in Kansas City as a high school lad, and was one of the early members of Mother Cbapter. Commenting on DeMolay, Disney said:

"I feel a great sense of obligation and gratitude toward DeMolay for the important part it has played in shaping my life. Its precepts bave been invaluable in making decisions, facing dilemmas and crises, holding on to the face and ideals, and meeting those tests whicb are borne when shared with others in a bond of confidence."

Senior DeMolays outstanding in the motion picture and television world include Wendell Corey, Bob Cummings, Robert Taylor, Buddy Rogers, Fred MacMurray and Van Johnson.

Bob Cummings said, "DeMolay cannot fail to do anything but good for anyone who has been exposed to it."

Outstanding in television and radio newsbroadcasting are Senior DeMolays John Cameron Swayze, Paul Harvey and Walter Cronkite. Then there's Elmer Lower, brother of the first DeMolay, Louis Lower, who is president of ABC News.

National patriotic organizations bave also had their share of Senior DeMolay presiding officers. Serving as National Commander of the American Legion bave been Senior DeMolays Donald R. Wilson, Preston J. Moore, George N. Craig and Charles L. Bacon.

Two Senior DeMolays have become National Commanders of the Veterans of Foreign Wars. They are Wayne E. Richards and Merton B. Tice.

In the dance band field, two of tbe great names of all times are tbose of Seniors DeMolays, Hal Kemp and Vaugbn Monroe.

In the field of invention, we find as one of the standouts, the Senior DeMolay who originated one of the world's most sensational military rifles, Melvin Maynard Johnson, Jr.

Prominent in the field of writing is Senior DeMolay John Steinbeck.

Senior DeMolays have also made a nicbe in the leadership of religious affairs, with Senior DeMolays Francis Eric Bloy and Ivol I. Curtis both serving as Episcopal Bishops.

The sports world has also bad its share of prominent Senior DeMolays like Bob Mathias, who was twice the Olympic decatblon champion; tennis champ Don Budge; and baseball greats Alvin Dark and Harman Killibrew.

Other organizations bave also had Senior DeMolay leaders, like the American Medical Association whose president this year was Senior DeMolay Dr. Donivan Ward of Dubuque, Iowa.

On and on the list could read, for it is endless. Innumerable testimonies have been made by these well known leaders stating tbey still practice the DeMolay principles wbich tbey were instilled with as young men. They furthermore say that no amount of money could compensate them for the amount of knowledge they acquired as a DeMolay member.

Every young man can get started on the success trail the same as they did—by joining DeMolay.

The New Age

IN 1831, WAYNE LODGE HAD ITS OWN TEMPLE

By Albert Thomas

After leaving in 1828 the temporary quarters in Tipton's rooms in the old fort building, the lodge was held in Washington hall, above Ewing's tavern, on the southwest corner of Barr and Columbia streets, the County seminary, the courtbouse, and finally in the year 1831 we find the lodge meeting in its own Masonic Temple, a small brick structure located at the northeast corner of Columbia and Harrison streets. This did not last long for in June, 1833, the lodge sold its property for $1,328 to the highest bidders, Joseph Holman, Richard L. Britton, Francis Comparet, Alex Coquillard and Hugh Hanna. The sale was made because the lodge had languished and failed to hold regular meetings for some time, because of the anti-Masonic wave which swept the country after the disappearance of William Morgan in 1826, many believing he had been murdered. Whatever the facts, Masonry was overwhelmed for a time by public sentiment, fanned to a flame by being carried into politics, and many lodges were closed and nearly all suspended active work.

We find but one meeting in 1840, the only one on record of Wayne Lodge from 1833 until July 4, 1849, and work resumed under Henry Rudisill as Master, in Kiser's hall. From Kiser's the Lodge moved to the MacDougal block, on the northwest corner of Berry and Calhoun streets, thence to the Seidel block, one-half square north, thence in 1886 to the Masonic Temple on tne northeast corner of Wayne and Clinton streets. Arrangements for the construction of this Temple were made in 1878, and the corner stone laid on September 16, 1879. After many very weird and intricate financial schemes, including several anointments of Biddle's "Satisfaction Bouquet," the opera house occupying the first floor was dedicated November 5, 1884, by a series of four grand operas given by the Abbott Opera troupe. Two years later the Lodge rooms on the upper floors were completed, but it was not ontil 1915 that the Masonic Lodges beeame tbe sole owners of the property, which they sold to the Mullholland Realty company, wbo rented the upper floors to the York Rite Masonic bodies of Fort Wayne until 1923, when the bodies accepted the invitation of the Fort Wayne Lodge of Perfection to hold their meetings in the Scottish Rite cathedral, until tbe new Masonic Temple located on East Washington boulevard, between the cathedral and the Y.M.C.A. building, could be completed.

As my term draws to a close, I look back over all the wonderful times we have had. My term has been a huge success, and I owe this to each individual girl who has worked so hard for my projects, attended my meetings, and helped in every way possible.

Throughout my term, tbere have been so many people who have shown me how mucb they care, but there are two people who bave worked so hard and have backed me in everything I bave done. These two people are my mother and father, Mr. and Mrs. Roop.

For the work done to make my projects so successful, I owe a great deal of thanks to my cbairmen and the mothers wbo bave formed the committees.

To my officers, I owe a big "thank you" because you were always behind me when I needed you. Also to the girls who made up the choir, "thank you".

When I look over my six years as a Job's Daughter, I think the one biggest thrill was when our drill team took second place at Grand Council, in Indianapolis. Girls, you have worked so hard and really are on your way in making a terrific team. One of my biggest hopes is that it will be continued and will grow so that someday it will take a first.

Another big thrill was our two car washes at whicb we made enough money to carry on support of our little Greek boy, Efstathios Provatidis.

For Thanksgiving the girls made little turkey baskets filled with cookies for the "Wayne Street Center". These children were overjoyed in these individual treats.

December, which is my last month as Honored Queen, will be loads of fun. The first meeting, December 7th, will be initiation. Also at this time, the winning team will be announced.

On December 16, we will have our slumber party, to whicb all members are invited. Of the two point teams, the winning team will be waited on by the losing team. The party will be held at my house, 7126 Rose Ann Parkway.

The second meeting, December 21, is Past Night, Retirement and a Christmas party. I bope to see a large attendance as has been true at my past meetings. At this meeting will be announced the winners of the two troll banks. It could be you!

On Friday, December 30, the DeMolay and Job's Daughters will bave their annual Christmas Dance, which will be held at the Scottisb Rite. Start making your plans to attend the dance so that the dance can be a huge success.

As I end my term as Honored Queen, I look back over all of the happiness and barmony we bave bad together. I thank each of you for the part of your life that you have shared witb me to make my term a success.

In closing I would like for us to bring to mind my motto: "Let the words of my mouth and the meditations of my heart be acceptable in Thy sight always."

Brethren as you read this you will realize it is my last message to you. This year has meant much to me in ways that words do not describe. It is with humility and honor that I write this last message. As I relinquish the gavel of authority to my suecessor, and descend the three steps in the East to be seated once again with my brethren, I am reminded to count my many blessings.

The past year has indeed heen a real joy to me, and I wish to express my most sincere appreciation for the great privilege of having served Wayne Lodge as Worshipful Master, an experience I shall remember and cherish as long as I live.

Any measure of success attained during the year was accomplished hy the combined efforts of the Past Masters, Officers and members of the various committees. Your assistance has been invaluable, your counsel wise, and no responsihility too large, your loyal support has been a constant source of comfort. My sincere thanks to all.

Again we approach Christmas, a season of goodwill, of generosity and brotherhood. It is a season of concern for the welfare of others, a season of the helping hand. And this is as it should he, since no satisfaction transcends that of making others happy. It should be an occasion to renew or strengtheo old friendships and to share with others the galns of the past year, both material and spiritual.

In these days of darkness and uncertainty, Masons everywhere should seek a means hy which men of every country and opinion may recognize each others value to society, kneel together in worship of Him whose name is Holy, even though each may pronounce it differently, and work together in the spirit of charity and brotherhood, that alone can meao freedom, peace and happiness.

It is with much pleasure, your Officers announce the success of our Annual Dinner Dance on Oct. 29. Many expressed the good time they had and will he looking forward to next year. Much of our thanks goes to our good cook, Mrs. Celia Stahler, whose excellent cooking does much for the inner man. We thank all who participated in this event.

Dues — Dues — Brothers, as you know your dues are payahle in advance — and are due — and should be paid hy the first of the year. Please get them in before this date, and save our secretary in sending notices to all those who are delinquent, this will reduce the cost to the Lodge aod at the same time provide you with a current good standing card. Let us be generous in our contributions to the Masonic Home and remember, in additioo to our regular gifts to the Home, support the Ten for Ten program of our Grand Master.

Brethren, hy the time you receive this issue — our stated meeting, on Dec. 1st, will have passed. It is this meeting when we elect our new Officers. To the Worshipful Master-Elect, and his corps of officers, I offer my congratulations and pledge my continued support. I wish for them an eventful, successful, and enjoyahle year.

There will he degree work in Decemher — Please note these dates— Dec. 8th E.A. 7 p.m.; Dec. 15th F.C. 7:30 p.m.; and Dec. 22nd, M.M. Open 5:30 - Dinner 6:30 p.m., and called to labor 7:30 p.m.

Public installation of Officers will he held January 2, 1967 at 3 p.m., Masonic Temple, in the Ionic Room. Please make note of this special event — hring your frieods and let them get a glimpse of Masonry at work. You will he proud to witness our own ritualistic team do the installation.

We had the honor and pleasure of raising Brother John Alhert Bleich to the Suhlime degree of a Master Mason on Octoher 27th. We coogratulate you and hope you will patronize our assemhlies and truly make Masonry a part of your life.

The Worshipful Master of a Lodge always expresses his thanks to the members aod officers for their loyal support hut many times he forgets the one person who unquestionahly makes the most sacrifices and gives him the most support. To my wife, Louella, I thank for her patience and understanding. Without her untiring efforts and support, I would oot have heen ahle to devote the time necessary to fulfill the duties as Master.

For all the sick and shut-io hretheren, I wish God grant you a speedy recovery.

To the Brethren and their families, I wish everyone a Happy Holiday Season and a Prosperous 1967.

As I go back to the place from which I came I should like to wish you something that is as nice as you are. What can it be?
I might wish you wealth;
I might wish you health;
Or, that good fortune would caress you.
But, wealth might hring sorrow,
And health could fail—tomorrow;
So, I'll simply say, "God hless you!"

My Brethren, this is the final article I will write. Next year, you will be hearing from a new Master. I hope that he will enjoy his year as Master as much as I have aod have the cooperatioo of the officers and Lodge members. I wish to thank all who have assisted and made my year a success.

Although we have not been too active this year with degree work, I am happy to say that the members we have taken in are certainly an asset to the Lodge. I have felt we are better off ioitiating a few good members who atteod regularly and participate in the work rather than initiating a lot who will only attend for the first three degrees and then forget about the Lodge except for paying their annual dues.

Our social events have all heeo successful and well attended. This makes for a good Lodge. By the time you read this article, we will have honored our Past Masters and Brother Henry Weber, who has 50 years of Masonic Service. A lodge cannot be successful without the support of its Past Masters. I hope I can give the support to our upcoming Masters that I have enjoyed.

December 13, 1966 will be the last stated meeting for the year. I urge all of you hrethren to attend and hear the annual husiness of our Lodge. We will have our anoual election of officers. Come down, support the man of your choice and put him in office. At this meeting you will find out the complete line of officers for 1967. Brethren: This will be my last article to appear in the Square and Compass before your officers for 1967 will take their respective stations aod places in the lodge. Your newly elected officers, I am sure, will do their best to serve you next year.

I wisb to take this opportunity to thank each and everyone of you for allowing me the privilege to serve as your Worshipful Master. It was an bonor and pleasure for me and it is one whicb I will always cherisb and will never forget. When I became a member of Sol D. Bayless, I bad no idea that one day I would be Master. I might add that it is you the members, who have selected besides your master, wardens, trustees and other elected posts, the kind of men which have made it easier for your officers to serve the lodge. To the Past Masters who have so faithfully attended our meetings and given us help when we needed it most, we extend to you a most hearty thanks. We bave other members who are not past masters but have given us help in degree work very faithfully. We are grateful for their help and hope they continue to give the new officers all the help they need.

We have raised thirteen new members this year and next year being our centennial, we hope to add many more.

Also your Grand Lodge will be celebrating its sesquicentennial and is now laying the ground work for a big year. We hope everyone in good standing will take part in making it a great year for Freemasonry in Indiana.

As we now approach the holiday season, I wish to take tbis opportunity to wish all a very Merry Christmas and a Happy and Prosperous New Year.

Thanks again to each and everyone for a most wortbwbile year.

Brethren:

Witb the writing of this article, I cannot help but reflect upon the last twelve months and only now do I realize tbe bigh honor and privilege you have permitted me to bave as "Master of Maumee Lodge". Beautiful phrases and a pyramid of adjectives could be written to express my personal feelings for the opportunity I have had to serve you; however, in the final analysis, it comes to a personal "thank you" to eacb and every one of you for this bigh honor.

I would be remiss if I did not also, singularly express my appreciation to the officers for their fine efforts in supporting me and my programs. In some instances, we tried to move into new areas and in each instance, the officers performed with instant action and cooperation. I sincerely hope that this will continue and that you will all support next year's officers in the same manner that you have supported me — tbey certainly deserve it.

To the Past Masters and various Committee Heads who have taken of their time to counsel witb me and to assume responsibility when requested, I also express the Lodge's appreciation. In the tradition of "Maumee Lodge", the craft bas been active and loyal — and a Master can ask for no more.

To Brother Jobn McNaughton, we extend congratulations for the fine job in serving as Master of Ceremonies at our Ladies Night Banquet. The entertainment, practical awards and general feeling of Brotherhood made this evening a bighlight of our year — and I hope, a delightful experience for our ladies.

Remember, Stated Meeting December 7, 1966, at 7:30 p.m. This is our annual election of officers and a very important event to your Lodge. Make sure you exercise your right to vote and, in turn, show your concern, as well as appreciation for next year'a officers.

Last month we raised Howard High to the sublime degree of a Master Mason. We have several candidates for December; however, due to their respective work schedules, they have requested that their work be postponed until January. This means that January will be a busy month and the full cooperation of the craft will be required.

May I wish each of you and your families a Merry Christmas and a Happy New Year.

December! Last but certainly not the least month of the year. Where HAS it gone? The year, I mean. Here 'tis, the time to be jolly, 'mid fir and holly, mid ribbons and bows, an' packages to be wrapped, "just so". The planning and baking of goodies galore — the house to clean and on we could go—!

All I can say is that at this writing Ole Mother Goose has certainly gotten around to her Christmas housecleaning sooner than I! She gave her feather beds a rigbt firm shaking and down came the beautiful snow, remember? But it surely put all in the Christmas mood — i.e. if you got over the aches and groans of shovelling out!

Parties are always such fun and birthday ones tbe best ever, but before you get too busy, may we inject a more somber tbought? Our Wortby High Priestess and Watchman of Shepherd extend, herewith, an especial invitation to YOU, each and every Sojourner, to come join the officers in their portrayal of the Christmas Ceremonial on December 9. The Banquet, with candidates as our guests, will be held at 6:00 p.m. in the IOOF Hall dining room. Those planning the affair and taking reservations are Delta Schmoe, Velma Freeze and Ann Enslen, Social Chairmen. Do come and help observe the birthday of One whose life, birth and death were given in the service of all mankind. We have a fine class to receive the degree. At this writing they number eleven. (I'd like to say as a past officer I congratulate all who brought in a petition. I was not so fortunate.)

Congratulations and best wishes were extended to Maud Farlow, Indiana State Association President, on Sunday, November 6 by some Fort Wayne Sojourners who motored to Richmond, Indiana for her reception. Sojourners from many Shrines belped to make ber day a memorable one in spite of tbe snowy days at tbat time. Her colors of red and white and the red rose were carried out in the decorations of the tea table.

Did you get any of tbe baked goods at the sale the Patrol had? My cookies didn't even last long enough for me to decide if I wanted the recipe or not! Just be ready to indulge when the repeat sale rolls around. Their new Advisor, Fannie Bickel, along witb their new officers —Della Allread, President; Pat Nehls, Vice-President; Betty Scott, Treasurer —are working hard for a successful year and appreciate your support. They now have fourteen members and would welcome more. Interested?

The Sunshine Committee reports Ezra Garringer in Bluffton Clinic. He is improving slowly, but no visitors yet. Esther Mossburg is in Parkview. Edith Sommers is in Lutheran, Moellering Unit and Marie Krider remains in St. Joseph Hospital. Mary Jane Rollins, Ruth Sbeehan and Margaret Snauffer are all home from visits to the bospital. Dorotby Wolever fell at home and sprained an ankle.

It was nice to have Marion Shroyer in attendance last meeting. Congratulations are in order for he was a successful candidate for re-election recently. We've missed him while bis business duties were more demanding.

Mary Ann Bender was out for the first time and we welcome her too. Aloha for a fun trip to the Paul Wolfs. They're spending their Holiday Season visiting our 50tb State. May they have a memorable trip and return safely to tell us all about it.

December 23 will be a Stated Meeting followed by a Candlelighting Ceremony and a caroling hour. Each and every member save the date and come spend it with us.

CALENDAR:

December 5: Both Social Committees will meet at the Y.M.C.A. Dinner at 6:30 p.m. 50¢ gift exchange.

December 6; Ways and Means committee will meet at the Shrine Club House, dinner at 6:30 p.m. One dollar gift exchange.

December 9: Ceremonial and Banquet.

December 19: Past High Priestess Club, Evelyn Hanes and Velma Freeze bostesses.

December 20: Sunshine Committee will meet with Harriet Schroeder. They will finish packing boxes for sbut-ins.

December 20: Patrol Christmas dinner party at 6:30 p.m. in the Lookout Room at Baer Field. One dollar gift exchange. A social hour will follow at Vancha Collin's home. No practice this month.

December 23: Stated meeting followed by a candle lighting ceremony and caroling.

May I remind you to—

Support the Ways and Means Committee? They have many items that will make your shopping easier.

Make your Banquet reservations by December 5 with any Social Chairman? As I said in the beginning, December! 'Tis here!

'Tis the Season to Deck The Halls,
To go shopping in the Malls.
But time, too, to remember
The meaning of December.

COME, Join US, and a Merry Christmas to all!

The card party is over but the memory lingers on! To each one who helped a little or a lot to make it so successful, our Worthy Matron sends a grateful thank you. There was an excellent crowd and everyone had a wonderful evening. The hazaar items were pleotiful and so attractive you just couldn't resist them. There were lovely gift items and such luscious goodies to huy! The decorations were just the cutest ever and the "Come to Our Circus" theme was so well-carried-out you could almost expect to see performing animals carrying on in a saw-dust ring! The pillars and posts were covered with drawings of Side Show attractions such as Phillipp, the Fire-Eater, Double-Ugly the Wild Man, and Claudia, The Snake Charmer. Other posts were decorated with halloons with faces hand-drawn hy the members of the decorating committee. Ah, Me, how clever these people are! There were large cardhoard cutouts of wild animals such as the lion, giraffe, horse, camel, zebra, elephant, and tiger, and a jolly old clown displayed across the front of the booth from which the hot dogs were served. The Past Patrons, io their snappy red vests dispensed bottles of pop from push-carts which they wheeled up and down the aisles.

The entertainmeot feature of the evening was the appearance of the grand South Side High School Concert Choir directed hy Mr. Lester Hostetler. He must have heen very proud of them. The young men io their white coats and fancy cummerhund, and the young ladies in their hright green formals looked elegant. Their music was hright and gay. They hegan with "Another Opening, Another Show" and then launched into the lively "Getting to Know You" as they wandered between the tahles shaking hands with the guests. They returned to their places to sing "Three Coins in a Fountain". The lovely "Love Is a Many Splendored Thing" and "All The Things You Are" came next. Your reporter must confess she was so enthralled with the music she forgot to record the names of several selections and then the pace cbanged a hit for "Can't Help Lovin' That Man", "Why Do I Love You" and "Old Man River". They sang the heautiful "What Now, My Love" theme song from the award-winning movie Dr. Zhivago, and ended the concert all too soon with a waving of hands aod the "It's Time to Say Goodhye" finale. We would certainly welcome a return visit from this fine group of young singers 'most any time.

November 3rd was the oight set aside to honor Star Pals and to pause a moment to voice our appreciation for the many hlessings a bountiful God bestows upon us with such lavish generosity. He doth open His Hand and satisfy the desires of every living thing.

The weather was not very cooperative, and we were all hut snowed in! However, it's amazing how loyal and true the members of Fort Wayne Chapter are. We had a fine meeting and were pleased that so many of our Star Pals were ahle to he with us to hear us say how grateful we are for their fine support and willingness to step in, sometimes at a moment's notice, in order that we may carry on in spite of upsets and emergencies which are so often unavoidable. It only goes to prove that 'Neither snow, nor rain, nor heat, nor gloom of night can stay these Eastern Stars from keeping their appointed trysts'.

The decorations for the evening carried out the Thanksgiving theme and there were large honeycomh paper turkeys and pumpkins in the East and West. The Star Pals were introduced and given a gift statuette of the "Praying Hands". The Worthy Matron remarked how much our hands can reveal about us. They cao give a clue to our occupation, and character. We offer our hand in friendship to those who are lonely, in aid to those who are in distress, and in supplication to God for hlessing and forgiveness.

Sister Dotty read a letter which was heart-warming and thought-provoking. The letter, from PFC Max Parrot, sent to his parents, Sister Helen and Brother Walter Parrot, was written while he was waiting for his orders to go to Viet Nam. His love for his parents, his home, and his country, his complete trust in God and his determination to do whatever he can, wherever he can to help in some small way of his own to further the hope of peace for all nations, were unfolded in its pages. As long as the welfare of our country is entrusted to meo like these I'm sure we oeed have no fear that our way of life will survive.

The scheduled visit to the Masonic Home on Novemher 6th was cancelled until some later date because of the heavy snow and hazardous driving conditions.

On November 17 Fort Wayne Chapter honored our own Grand Representatives, Sister Vera Hayden, Grand Representative to the Grand Chapter of Pennsylvania in Indiana, and Sister Helen Herrick, Grand Representative to the Grand Chapter of Texas in Indiana.

The hroken column and an outline of the state of Pennsylvaoia, and the crown and scepter and an outline of the state of Texas were displayed in the East. The Worthy Matron cited them as the queens of hospitality. They have great responsihility for they are the links that bind us together io fraternal love and good will and are our envoys in the grand jurisdictions which they represent. They scatter sunshine and loving kindness wherever they go and many others have grown to love them as we do. The Conductresses adorned each with a tiara and appropriate shoulder ribbons and escorted them to the West where each was met hy her husband. Brother Claytoo Herrick, Past Grand Patron, Indiana Grand Chapter, Order of the Eastern Star, presented Sister Helen with a bouquet of red roses and Brother Paul Hayden presented the roses to Sister Vera. Together they made their way to the East as the choir sang "Miss America". A net canopy labeled with the name of the states they represent was held hy the officers who served with each, and they passed heneath this canopy to approach their places in the East. Sister Helen Howard gave a brief history of the service record each has compiled in her many years of devotion to our Chapter.

Sister Vera, who first served as the Martha point in 1952, was elected to the office of Associate Conductress from that station and proceeded to become Worthy Matron in 1956 where she served with Brother Paul as her Worthy Patron. She has been the heloved Secretary of Fort Wayne Chapter since 1959 and in 1965 was appointed Grand Representative by Sister Peggy Scott.

Sister Helen was the Adah point in 1943, and hecame our Esther in 1948. From this station she was elected to Associate Conductress, and eventually to Worthy Matron of Fort Wayne Chapter where she served with Brother Clayton in 1952. In 1953 she brought honor to herself and to our Chapter when she was chosen Grand Chapter Page, and in 1960 became Deputy of District 14. Sister Sallie Turner appointed her Grand Representative in 1966.

Fort Wayne Chapter is truly hlessed and will surely continue to prosper as long as we have the devoted service, helpfulness, and good ambassadorship of people like these to carry on the work that must be dooe.

With Mr. Danny Weikel, Illustrious Potentate of the Shrine, making the necessary arrangements, it was our good fortune to have as our special entertainment the Shrine Chanters.

This fine group of singers is directed by Mr. Ted Taylor and Mr. Fred Taylor serves as their accompanist. Their program was varied and delightful and everyone enjoyed the performance very much. We send our sincere thanks to all of them.

How silently, how silently, The wondrous gift is given'.

So God imparts to human hearts The blessings of his heaven.

No ear may hear his coming, But in this world of sin,

Where meek souls will receive him, still The dear Christ enters in.

O holy Child of Bethlehem'. Descend to us, we pray;

Cast out our sin and enter in, Be born in us today.

We hear the Christmas angels The great glad tidings tell;

O come to us, abide with us, Our Lord Emmanuel!

On December 1st we honored our Chapter members and 25-year members. The decorations were in keeping with the approaching Christmas season and displayed the Holy Family in the shadow of the cross. The Star Points presented a flower to each of the Charter Members and they and the 25-year members were introduced. Each honored guest was given a redwood cross hand made by Brother Bill Knauer, and the choir sang "The Eyes of God" to them. How grateful we are for the years of devotion these veterans have given! We hope we can do as well with the next 25 years as they did with the 25 years just passed!

The Decemher 15th meeting promises to he "special". Mrs. Priscilla Gulliver will present slides and oarration entitled "Journey Into the Holy Land" and the choir will furnish special music. This will be our Christmas program and one we certainly won't want to miss.

As we prepare to take leave of this tired old year we would pause a moment to pay one last tribute to the group who are truly the gulding stars of our fine Chapter. The Past Matrons go ahout going good wherever and whenever they are needed- and that's quite often. They are always there to greet old friends, new frieods, distinguished guests, and strangers in our midst. Whether they are elbow-deep in some project, or dressed in their prettiest formal they are always doing what needs to be done. Our heart-felt thanks to you!

" . . . Behold, I hring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall he a sign unto you; Ye shall find the hahe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men."

St. Luke 2:10-14

What a blessing Christmas is: What it does for friendship! It is a beautiful faith. It is the trusting, the strong, faith of a child. It is the never-failing helief of humanity in the truly miraculous. But it is even more. It is a force against which the most powerful evils cannot stand for long, nor the most wicked of men ean overpower. Christmas has altered the world.

Today I ask for all mankind five things—
Five priceless gifts I pray this Christmas hrings:
Firm faith that gives to life a golden key—
High courage that goes forward dauntlessly—
And joy exceeding great that springs and wells
And gentle love that seeks for everyone
The noblest freedom that our race has won—
And peace that spreads ahroad its lovely light
Like candles in the window, warm and bright!
No better wish could any man cootrive,
No holy gifts more precious than these five;
So take them, friend, for these great gifts are free
And give them room heneath your Christmas tree!

—Vincent Godfrey Burns

Let us all be especially thankful at this holiday season for the blessing our Heavenly Father gives to us. I am reminded of my childhood — goiog to church on Christmas eve; the singing of carols outside a shut-in's door, the souod of laughter when the family arrived at Grandma's and Grandpa's; the smell of the turkey and pies in the oven, as we prepared for the most holy of days; the making of candy and the fun we had eating faster than the candy could he made; walkiog through the heavy snow with my hrother to get last minute articles we thought each other might like. These are truly memories and blessings and a heritage to pass on to generations to follow.

Mahel Rohinette, W.M.

Recipe for a Merry Christmas

Take the crisp cold of a December night, add two generous parts of snow, stir in air so clear it tinkles. Into a generous heart, mix the wonder of a little girl, the sparkle of a young boy's glance, the love of parents and set gently before the chimney side. Add the lightest touch of a reindeer's hooves, a sprig of holly, a scent of fir. Set the mixture to rise in the warmth of a dream of good will to men. It will he almost ready to serve when it hubhles with warmth and good feeliog. Bedeck with the light of a star set in the East, garnish with shining halls of gold, silver and red. Serve to the tune of an ancient carol in the middle of the family table. This recipe is sufficient for all the men and womeo you will ever meet.

Many of our friends could not come, and some, I'm told, came from Indiaoapolis, ate their supper and returned, fearing the outcome of the storm. However, those that stayed were treated to something special after the meeting. Lots of food and some very uoique decorations on the tables. Those were prepared by our Grand Rep. to Queensland, Wales, I am told. Hi Georgial

The end of this year is rapidly drawing to a close. With the month of December comes the Holiday's. May I take this opportunity to wish you all a "Happy Holiday".

My year as Commander is almost over — it seems ooly yesterday that I was installed — and many plans have not been realized. In all we have had a good year. My thanks to the officers who supported me — and to my many friends who helped make my problems seem smaller.

Our Annual Election of Officers will he held on Thursday, Dec. 15, 1966 with Installation to follow on Dec. 29, 1966.

The Installation will be a joint affair with the S.O.O.B. So plan to attend.

A wonderful dinner at 6:00 p.m. Then the performance of the Drill Corps at 7:00 p.m. on the full form opening. As of this time I do not have our score — hut I'm sure the Officers of Drill Corps will he one of the highest in the state. We were honored with the presence of our Right Eminent Grand Commander and his wife and P.G.C. David J. Miller and his wifc. The attendance was good, and in all we had a very wonderful day.

Once more as I close may I thank everyone who had cause to help these past years as I came through the Commandery Line.

Companions,

This is my final article to you as High Priest of your Chapter and I thank you all for the opportunity to serve you in that office.

I wish I could pass on to you facts and figures to show you that your Chapter has made great strides this past year, hut I can not. We have had a slow year. At this time, however, we are doing work on a candidate in our own Chapter room. This is fine, hut I have had to rely on the faithful Past High Priest to do this. I wish to thank these companions hut your Chapter needs new men to start through the line. Any Companion who would like to do this he at our annual meeting December 16 to let your new High Priest know your wishes.

Looking hack over the past eight years, wonderful scenes and experiences come before my eyes; the full Chapter rooms, the conferring of the beautiful degrees of the Chapter, leading my friends and brothers over the rough roads, the proudness of your Chapter when all the Elected Grand Chapter Officers conferred the RA Degree in our Chapter room on our own candidates.

Companions, you will never regret the time and work you put in as an officer of Thomas R. Marshall Chapter. I know you will be a hetter person from the experience.

December 2, Thomas R. will confer Past Masters and Most Excellent Masters Degrees on one candidate, then December 9, the Royal Arch, all starting at 7:30. Come see your Chapter at work.

Thank you again and oo hehalf of your officers I wish you a very happy holiday season.

Brethren: Behold, how swiftly the sand runs and how rapidly the year of 1966 is drawing to a close. This has been an extremely fruitful and rewarding year, one that I will always cherish. The success of 66 has depended greatly on my Officers, who have given so generously of their time and talents. For your splendid cooperation this year, my heartfelt thanks. To all the Brethren who answered the call of duty by serving on the various committees, a great big thank you for a job well done.

To the Worshipful Master-Elect, I offer my congratulations to you and your corps of Officers. I have no douht that your year will be most rewarding and successful.

The Ladies Night Banquet held Nov. 17, 1966 was a tremendous success. All those in attendance enjoyed an evening of fellowship and entertainment. With the interest displayed for this first hanquet, perhaps this event can hecome an annual affair, much the same as the Cbicken Barbecue.

Leo Chapter No. 278, Order of Eastern Star has invited a Masonic Home Amhassador, Robert H. Miller, to bring to the Cbapter and the Lodge the proud story of our Masonic Home. This program is scheduled for Dec. 14th with the Cbapter being opened to visitors at about 9:00 p.m. With our tremendous investment in the Masonic Home, plan now to attend, and see the fruits of your labors.

We will celebrate the Feast of St. John the Evangelist on December 27, 1966 at 6:30 p.m. with a Table Lodge on the E. A. degree. The Box of Fraternal Assistance will be passed and the proceeds used for a local project. Note your calendar for this important event and come join us for a rededication to those great principles of Freemasonry.

By Dec. 17th, our membership for the year will be increased five. A Lodge of Master Masons will be opeoed at 5:00 p.m. to hring further light to two Brethren. A banquet will follow at 6:00 p.m., and the exemplication of the degree will continue at 7:00 p.m. Let us fill the sidelines that night and demonstrate to the new Master Masons what Freemasonry really means.

To each member of this Golden-Hearted Lodge, a very joyous Holiday season and a sincere tbank-you for the privilege and honor of serving as your Worshipful Master during 1966.

Greetings, Brethren,

We are entering into the Holiday season — Thanksgiving already behind us, and Christmas in the near future.

The year of 1966 is almost history and the new year is practically upon us.

We will finish the year just about the way we started it, BUSY! and of course this is the way we like it to be.

At our stated meeting Dec. 7, we had a delicious meal served hy our ladies of the O.E.S. We had a good turnout for tbe meal and election of officers and we also had several petitions turned in and voted on a couple of candidates, so I am sure next year is going to be another good year. I don't see bow it could miss with our fine new group of officers and New Haven Lodge should make a good showing io 1967.

I want to congratulate our new Master Jean Winesberg, S.W. Gweo Rinker, J.W. Don Stark and all the other officers. I wish them the hest of everything in their new duties. I also wish to express my sincere appreciation to all my fellow officers for all the wonderful cooperation they have given me during my year. It has not heen the work or effort of any one person, but the working together of all that bas made things run smoothly, and bas made a ratber awesome task easy and enjoyable. So thanks everyone for your wonderful help! For being preseot regularly at the stated and called meetiogs, furnishing meals or refreshments at all meetings and doing fine ritualistic work on all the degrees, for a fine craft team and extraordinary Secretary and Treasurer. Thanks to all members for just being wonderful to me in every way!

A special thank you to all New Haven Lodge Past Masters for their wonderful support during the past year. I am glad to have been one of them.

I want to mention bow happy we are to have our secretary Russell Smith hack home after a session in the hospital. He was missed a great deal!

I'll see you in Lodge!

E. H. (Cap) KILBOURNE TRIBUTE TO DEMOLAY

First, I want to thank the Order DeMolay again through this good paper for the honor conferred upon me by giving its recent class my name. Although I only witnessed a part of the degree, I was amazed at that time by the excellent talent displayed by the officers while conferring this degree of DeMolay.

Of course, I, as have many others including Masons, known of the great work the DeMolayians are doing in the development of the minds and character and memories of young men and encouraging them to become good American citizens.

These young patriots deserve the encouragement and support of the Masonic and other American institutions where ever there is a DeMolay chapter and where there is none, to encourage the establishment of one.

Lest we forget the members of DeMolay today are of the kind and character who will he and should be the leaders and the stablizing force in our way of life tomorrow; it will be in their hands that the safety, responsibility, and preservation of our cherished freedoms will he left.

There never has been a period in our country's history when the U.S.A. has had so formidable and ruthless an enemy who is so determined to destroy us as the Communists; their aim is without a doubt worldwide revolution.

Mrs. Kilbourne and I have seen how they operate in Russia and have seen their hammer and sickle displayed in India and several other Asian and European countries. It will take the spread of the basic principles of Masonry and DeMolay and what it teaches to counteract the evil propaganda spread hy the Communists. America needs DeMolay and men of good strong character like its members and other young Americans with like character to spread their philosophy and patriotism far and wide. These young Americans can, I know, do just exactly that with the dynamic support of our fellow Americans and especially our brother Masons.

It is my fervent wish that every Masonic Lodge here and in other countries will lend its support to DeMolay. I further hope that when our DeMolayians become of eligible age they will advance to and through Masonry and therehy add strength to that great order. Masonry needs DeMolay and DeMolay needs Masonry, and our country and all other freedom loving people need the practice of their principles and philosophy of both.

Yes, I like DeMolay and all for which it stands; its influence for good which its ritual so strongly manifests. What I have said about the fruits of Masonry have come out of my experience in both rites in conferring the degrees, the education derived therefrom and my association with my brother Masons. There have been other instrumentalities of inspiration some but there are two that are outstanding; namely, the life the teachings and the sacrifices of Jesus Christ and the life and humanitarianism of Abraham Lincoln; to read the history of these two great lives and also of Masonry is indeed an education.

I have been fortunate and privileged to have worked in most all of the Masonic degrees in both rites also in the work of the Ancient Arabic Order Nohles of the Mystic Shrine—that great American institution, one of the Worlds greatest charities and founder of 17 hospitals for crippled children and 3 hospitals for burned children. These wonderful organizations have been a real inspiration and education to me; they have been like a good parent and teacher. Like DeMolay, they both are discoverers of the latent talent in its members, the development of which in my case and many others has created confidence and assurance in self and advanced men to a greater status in their vocational, social life and friendships.

I am satisfied that its teaching which if adopted and adhered to will make a happier life for those who become members and especially those who are so fortunate to become as active as its officers. I believe that they who have taken its teachings seriously will agree that their experience has opened the doors to their minds and hearts and has brought into their life an inspiration which has built up confidence in self, more strength of character and also faith in that great personality, "who as a young man worked in a carpenter shop until he was 30 and then for three years he was an itinerant preacher. He never wrote a hook, he never held an office. He never owned a home. He never had a family. He never went to college. He never put his foot inside a big city. He never traveled two hundred miles from where he was horn in an obscure village the child of a peasant woman. He never did one of the things that usually accompanies greatness. He had no credentials, but himself. While he was still a young man the tide of public opinion turned against him. His friends ran away. He was turned over to his enemies. He went through the mockery of a trial. He was nailed to a cross hetween two thieves. While he was dying, his executioners gambled for the only piece of property he had on earth, and that was his coat. When he was dead, he was laid in a borrowed grave through the pity of a friend. Nineteen centuries wide have come and gone, and today he is the central figure of the human race, and the leader of the column of progress." The author said, "I am far within the mark when I say that all the armies that ever marched, and all the navies that ever sailed, all the parliaments that ever sat and all the kings that ever reigned put together, have not affected the life of man upon this earth as has that ONE SOLITARY LIFE."

A CHRISTMAS MORN

On deserts dark, on storm-tossed seas,
From Bethlehem afar,
The light of truth, the hope of man,
Beamed from a hrilliant star.

The radiant sky, the angels' song,
That filled the early morn,
Brought joy and truth unto the world-
The Prince of Peace was horn!

No legend old, nor history past,
Reveals a gift so great,
As the Christ child in the Manger,
Who raised high, —man's estate.

Of God's redeeming love He told,
Along the shores of Galilee;
They must, who'd have eternal peace,
From guilt of wars be free.

Hope led the pilgrims to our shores;
Their faith transcended fear;
In reverence for their courage.
We shall keep our vigil here!

The Spirit of The Prince of Peace;
The guide of hand and quill,
That wrote the Declaration, which
Proclaimed our fathers' will.

That our freedom light shine ever hright,
His star of hope the sky adorn,
May faith and truth in the hearts of man
Bring signs of Peace on Christmas Morn.

Dedicated to the Order of DeMolay
Edgar H. Kilbourne, D. Hu S.

A TIMELESS PRAYER

Let me do my work each day, and if the darkened hours of despair overcome me, may I not forget the strength that comforted me in the desolation of other times. May I still remember the hright hours that found me walking over the silent hills of my childhood, or dreaming on the margin of the quiet river, when a light glowed within me and I promised my early God to have courage amid the tempest of the changing years. Spare me from the hitterness and sharp passions of unguarded moments. May I not forget that poverty and riches are of the spirit. Though the world know me not, may my thoughts and actions he such as shall keep me friendly with myself. Lift my eyes from the earth and let me not forget the uses of the stars. Forhid that I should judge others lest I condemn myself. Let me not follow the clamour of the world, hut walk humbly in my path. Give me a few friends who will love me for what I am, and keep hurning before my vagrant footsteps, the kindly light of hope. And though age and infirmity overtake me, and I come not in sight of the castle of my dreams, teach me to be thankful for life and for time's olden memories that are good and sweet, and may the evening twilight find me gentle still.

JUDGE KINDLY

(Exchange)

Don't expect perfection in a man just hecause he is a Mason. If you do, you will he disappointed. Masonry makes men better, hut no human agency makes them perfect. If he is a Mason, you have a right to presume he is a fairly good man, hut do not condemn Masonry even if a few Masons turn out bad. Even the great Teacher Himself had a Judas. The aim and purpose of Masonry is to receive none hut good men, keep them good, and make them hetter. Judge the Institution, not hy a few failures, hut by the average of its success. That average is high and it consequently gives standing to its members, hut it cannot he an infallihle guide.

The Fraternity may decide to do something which you, as an individual member, may oppose. But do not feel that you must condemn the action on that account. You may he right hut do not pull away. Even you are not infallihle, and the Institution has stood for so many years, you may feel assured that its average performance will he good.

SIX PRINCIPLES

(Masonic Bulletin)

1. To strive for a better understanding of the principles of Masonry as applied to the lodge room and to everyday life.

2. To promote harmony and concord among the members, to seek wise counsel, to aid the needy, to comfort and visit the sick and infirm.

3. To remember that a single rose for the living is hetter than a costly wreath at the grave.

4. To realize that we, as Masons, need the friendly atmosphere of the lodge; it promotes friendship, understanding and good will. Go to the lodge at least once each month.

5. To lahor for the benefit of mankind, to remember our vows, to uphold the traditions of Masonry, to speak truthfully, to live gracefully, to act courteously.

6. To remember that, above all else, charity is the chief virtue, for he whose heart is ruled by charity will be honored and remembered when earthly monuments have crumbled into dust.

To the many brethren who are ill, we wish you a speedy recovery.

"WONDERINGS OF A W.M."

Well, after 6 years I finally made it. I wonder what happens now? I wonder what the craft expects of the master and what the Worshipful Master should expect of the craft. I wonder what new things might come up and what reaction some of my ideas will have? I wonder what some lodges do to be successful, while some are not; why some lodge committees do not function effectively, while some do; why some meetings are long and some short and why its so hard to get new officers.

I wonder how to get the craft more interested in lodge and who cares enough to help — after all, how can a master run a lodge when only a few show up at meetings. I wonder, too, what criticism without solutions I'll get this year and how many times I will hear the phrases "We used to—" and "In the old days—".

How many new candidates we have this year will depend on the craft and how well we keep them active will depend on the officers. After all, one who asks to be a mason is looking for something — I wonder how we can help him find it?

To have a good year, all the committees must be busy. The fellow craft club must function, lodge dinners must be attended, our 10-10 program must be supported, dues must be paid, our St. John the Baptist and St. John the Evangelist programs must be effective. This makes me wonder if the members really want a lodge and what they will do to keep ours going. Finally, I wonder how many of our members read the Square and Compass.

The Public Installation for the 1967 Officers will be held on Saturday Evening, January 7, 1967 at 7:00 p.m. All officers and their "ladies" are asked to be at the Temple no later than 6:30 p.m. in order to have pictures taken and be ready to "open" promptly at 7:00 p.m.

Please note the following dates:

January 17th, Officers Meeting, 7:30 p.m.

Jan. 28th, Play "Rose Upon the Altar", Farmland, Ind.

Our first "social event" of the year will be the Annual Smorgasbord Round and Square Dance Saturday, February 18, 1967. We look forward to this event and our role as "Hosts" to the Corinthian Club. Make plans now to attend.

Looking forward to seeing "you-all in Lodge", I leave you with this poem:

God holds the key of all unknown,
and I am glad.
If other hands should hold the key,
or if He
Trusted it to me, I might be sad.

What if tomorrow's cares were here, without its rest?
I'd rather He unlock the day, and as the hours swing open
Say "Thy will be blest".

I can not read His future plan, but this I know:
I have the smiling of His face, and all the refuge of
His grace, while here below.

Enough; this covers all my want, and so I rest:
For what I can not He can see, and in His care
I sure shall be forever blest.

Brethren: I want to thank the members of Sol D. Bayless for the opportunity to serve them as Master for the year 1967. It is indeed an honor to sit in the East and I will do my best to serve the brethren at all times.

The coming year is a very important one in the history of Sol D. Bayless. During the year 1967 we will celebrate 100 years of Freemasonry at Sol D. Bayless and also 150 years of Freemasonry in the state of Indiana. The next year is really a milestone in the history of our lodge, and it is up to every member to see that this is an outstanding year for Masonry not only in our own lodge but in Fort Wayne and the state of Indiana.

Our programs next year are to follow the theme of "Rededication to Masonry". You no doubt by now received a letter explaining this more in detail and asking you to pledge one month next year in attendance at lodge. I am very happy to report the return of the pledge cards I endorsed has been excellent so if you have not returned yours, send it in at once and help us make our centennial year an outstanding one.

Our program for the next year is full and varied. We are planning for entertainment and lunch after each stated meeting. Since our stated meeting in January is a holiday, our programs will start with the stated meeting in February at which time we will have a travelogue of around the world followed by lunch. In March we will bave a program and film from the Naval Reserve, of our fleet in action. In April we plan on a program from the Komet hockey team. May we hope to show pictures of the 500 mile races, June we will plan a program for the fisherman. These programs will all follow our stated meetings each month and our stated meetings are going to be kept as short as possible.

In January we will also have as part of our entertainment program a program for non Masonic friends so we may show them what Masonic fellowship is really like. This will be in charge of our Secy. Art Slane. In February we will have an all Masonic fellowship night, where all fellow Masons will be invited to join in with us in celebrating 100 years of Masonry. This will be in charge of our J.W. Bob Warner. Next May we are planning ladies night for all the wives of Sol D. Bayless members. June will be high point of the year when we have our centennial dinner and have all of the state officers here with us and also at which time we will rededicate ocr Masonic temple.

In September we will start the fall season off with a Sol D. Bayless reunion and get together. During the month of October we will have our annual fish fry. November will be our regular Past Master night and next December we plan to try a family Christmas party.

So you see my brethren we are planning a full and interesting year for 1967 but none of this can come about unless we have your assistance. So why don't you now plan to rededicate yourself to Masonry and make next year a part of your program. The light is still tbere only waiting for your continued search and brethren my desire for all of you is that you shall find it.

If you would like to work on any of the committees next year please let me know before I start making appointments as I plan to do, and this is one year I will expect all those appointed to committees to serve and work.

We have a brother in Florida who is ill and would enjoy hearing from his friends at Sol D. Bayless so why not drop a card to Bryon Bishop at 1420 N.F. 17th Terrace, Fort Lauderdale, Florida.

With strength and grace of God and assistance of All the brethren I know our next year can and will be an outstanding one.

Happy, Happy, New Year!

Time to sit quietly and contemplate. We've celebrated a birthday of One whose teachings are far-reaching. Only 'mid the quietness of a heart can He enter in. Remember, too, He comes by invitation with a gentleness few acquire. Yet a strengtb of purpose marches forward. Whatever branch of Masonry we work with surely can profit and benefit more if we all put our shoulders togetber and start the wheel turning. Turn it toward new horizons; live and teach a better year. Turn the page of 1967 and begin to start to commence.

We're eagerly looking forward to our first meeting of the new year to welcome our new Sojourners of the December class. I hope some of them will have time to assist on committees for it's a privilege that affords both them and us a chance to cultivate fraternal fellowship.

And we're a gonna do just that, come January 13. You've heard, no doubt, of "Around The World In 80 Days", well-l-l-l'll let you in on a bit of a surprise! Our W.O.S., Sojourner Christopher, has opened his magic umbrella too, and with the assistance of the other men Sojourners is using it to bring you an hour of enchantment. Don't give me away, but I think they've enlisted the culinary abilities of Henri et George, or Col. Sanders or maybe those handsome King's Guards we all saw at the last meeting. I bet they all are most capable as "Back-Yard-Barbecuers". Think I'll go just to find out! Are You?

Then on the flip side along comes the Social Committees with their annual event—the home made noodle supper on January 27. It will be served for Sojourners and their friends beginning at 4 p.m. Your Christmas shopping will be over by then and you can stay for the Stated Meeting following 'Twould be an excellent time to bring those prospective candidates to meet your fellow Sojourners. Donations are $1.65 to the Social Committee.

A Bulletin has been received from Oklahoma which mentions the reception for Mildred Sheppard, S.W. Guide. 350 Sojourners were in attendance. She must be an understudy of our S.N.P. for it states she introduced all by name!

Incidentally they keep a record of all tbe miles travelled visiting other Shrines, multiply the results by the number of Sojourners participating, and come up with the staggering figure of 55,985 miles to date this year. How do you suppose Faith compares?

The Sunshine Committee reports Sojourners Marie Kreider, Esther Mossburg, and Charlotte Schell now at home after trips to the bospitals. Soj. Flora Dornte has bad a light stroke. Soj. Florence Dornte bas been ordered to bed for a rest. Remember her with cards, not phone calls. Edith Somers remains in the Moellering Unit, 105 of Lutheran Hospital. The husband of Wanda McKeoney died December 13 and the father of Florence Dornte died in December. May the new year bring better bealth to those who are ill and we do extend our sympathy to the families who have lost a loved one.

That State Association Dues Cards may be secured from the Noble Prophetess? To make dinner reservations for January 27 with any member of the Social Committee?

Well, I've done my best to fill up the new page of 1967 and bring the news to you. How's about you coming to the meetings and functions and supporting your Officers? Let's all make the same resolution — to attend Shrine more often — and see who gets the prize for not being the first to break it!

"REFLECTIONS"

Well, at last it is all over . . .
And the new year on its way . . .
The Christmas rush a memory now . .
Of a fond and happy day . . .
But wouldn't it be wonderful . . .
If we could keep the Christmas cheer
Around us in our lives . . .
Throughout each day this year . . .
If we could only keep in mind . . .
The reason for that day . . .
And thank God every single night . . .
For the love He sent our way . . .
Why should it be just once a year . . .
We feel the Christmas glow . . .
Why should it be just once a year . . .
We let the spirit show . . .
I do not know the reason . . .
These things could not come to be . .
Except perhaps two reasons . . .
And those are you and me!

We trust all has enjoyed a most wonderfel Holiday Season, with many Blessings bestowed upon them, and as we embark upon a New Year let us carry tbis true Spirit with us and attend the Sbrine meetings for the coming Month aod other meetings of ioterest as follows:

January 13—Advance Officers nite, please remember this.

January 22—Past Officers (Orion) Club, home of Soj. Florence Nahrwald, time to be announced later.

January 27—Stated meetiog, aod social hour following.

Ways & means date will be announced in Shrine.

The Cheer Committee reports the following illness:

IN SHRINE: Sojourners Delores McDaniel bome from hospital, Emma McDaniel baving mucb pain in right arm following surgery of some months ago. Soj. Ina Hull, and sister of Soj. Winifred Glassley in Whitley Co. Hospital. Soj. Fannie Fry had injured her foot, but much improved. Soj. Anna Robinson was confined with a bad foot & leg, but was able to be to Shrine, also Soj. Millard Harkless much better and able to attend Shrine. Soj. Glenn Myers not feeling very good.

IN FAMILIES: Husband of Nellie Stripe, not good, Husband of Virginia Frentz much improved. Son of Shirley Bly, pneumonia, Husband of Frances Adams still improving. Brother-in-law of Erma White, not good following heart attack. Husband of Kathryn McComb, not good at all.

SHUT-IN MEMBERS: Soj. Lloyd Leas, has his good days, but not able to be about much. Edna Ledford is confined to her home, Rose Griewank also not able to get out, and we do wish the very best for you and with this tbought — we send you well wishes —

We arc never alone, There is one who shares our every burden. One who cares, we are never alone. God has ordained that in every need, we are sustaincd.

And to all other Sojourners who have not enjoyed the best of health we wish a speedy recovery and good health in the future.

Please report any sickness to the Shrine, it is most important that we know.

DISTRESS: Our Worthy High Priestess and ber hesband were out of town one day in November, and when they returned they discovered their old home had been swept by fire. They had built a new home but had not been able to move their furnishings and clothing. Heavy damage to these articles has made it impossible to use them and they must be replaced. It sure was a nice shower we surprised our W.H.P. Pauline with following our Ceremonial in December. We were so happy to be able to do tbis, and it sure represented the real Love the Sojourners have for each other.

Let us all put forth extra e to belp your Shrine by assuming responsibility as a member, and wnat wonderful benefits you will Start the New Year right and a Shrine, and we leave you with thought —

It does not matter what you cro
What little you have gained or
To new adventure, new surpris
Each new made morning you a
God bas been good, none needs t
Who makes of each new, a New

Epipbany

Twelfth-Day, Epiphany (The 6th of nuary) is the 12th day from Christ- as. This was formerly a day of at festivity and the evening of the y was the occasion of observing ny curious customs. (In Ft. Wayne, burning of the Greens).

The word is from the Latin, epi- nia whicb meaos appearance or idence. For tbe Christian world ere are tbree outstanding things: (1) visit of the Wisemen from the st bearing gifts for tbe Christ ild; (2) the baptism of Jesus by hn in the Jordan and (3) tbe rriage feast at Cana in Galilee ere Jesus wrought his first miracle. This day is known by many names In English "Twelfth Day", "Little hristmas". In other countries it is lled "Three Kings' Day" or "Day the Kings". It is probable that om the custom of presents from wise men to the infant Jesus ose the custom of giviog gifts to ch other.

The Choir or Staraliers sang the ng of welcome for the District puty, Sister Virginia Miller, wbo de her official visit to Star of the st No. 514 on Nov. 22. They also ped to make tbe initiatory work re impressive with their re- onses in song. The Officers were mplimented for their excellence of work.

For this evening the "Praying nds" were in the East. Since this s the theme of the District Deputy vouchers were also the "Praying nds."

Sister Eva Lee gave a short bistory the Drill Team. She then presented Leo High School Sextette, direct- by Mrs. Nelson. Their program cluded both sacred and classical ngs. Refreshments were later served the mezzanine.

Our Worthy Matron, Marguerite Smith wearing beautiful red formal welcomed those attending Christmas Party on December 13. Otbers wearing red, green or white dresses and Christmas corsages made the right setting for gaiety to begin the Christmas Season. Vouchers were little Christmas wreaths.

The choir came into tbe dimly lighted Chapter room in processiooal form singing "O, Come All Ye Faithful". In the East was a lighted Shepherd scene undcr palm trees. This scene was made by a former Choir member, Alice Perkins, who now lives in Florida.

The Choir with the help of the men's cborus sang beautiful sacred Christmas songs. This program showed the year long devotion of the Staraliers to give such a fine program for the Cbapter.

At the end of the meeting all the "sideliners" were asked to stand by the Worthy Matron and be escorted to the West where each received a candy cane from the candy laden Christmas tree. Refreshments were served on the mezzanine.

The January 10 meeting will be Mason's night. Worthy Patron, Russell Coe, invited tbe Star members to bring their Masonic husbands to this meeting as their guests.

January 24 is called "Sound off for Committees".

Heigh ho, Everybody, this is the Happy New Year 1967! This is that bright new year we were all so anxious to welcome in! The holidays were filled with so many good times and such busy days we hardly realized the old year was slipping away so quickly. We have made some resolutions, set for ourselves some goals, and left time for lots of fun.

Before we get too deep into plans for the days abead, let's take a glance over our sboulder for one last fond look at the closing days of 1966. It was a good year! We did have a lot of fun, we got a lot of work done, and we wouldn't have missed it for anything!

On December 1st our officers conferred tbe degrees of our beautiful order on Sister Betty Clevenger, Sister Marcella Cunningham, and Brother Clyde Frankenburg. We welcome these new Sisters and Brotber into our family circle and hope they will come to each meeting and share with us tbe beauty of the ritual, the tasks me must do, and tbe good times and fellowship which make the Fort Wayne Chapter Family the grand group they are.

We have our sorrows too! On December 10th our Heavenly Father called our Sister Carrie Henschen to her Home. Sister Carrie was the oldest and one of the dearest members of Fort Wayne Chapter. Sbe had attained 91 years, and had earned the love and respect of all who knew her. She became a member of tbis Chapter wben it was instituted on the 6th day of May, 1918, and thus was a Charter Member. She served as the very first Electa, and tbis was just the beginning of many, many years of faithful and devoted service. She typified in ber life the lessons we are taught bere and in her quiet and warm-hearted way exemplified the passage "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven."

At the beginning of this year Sister Dorothy and Brother Forrest originated the Birtbday Fund. As we all know, this Fund was created as a special tribute to Brother Del Proctor who was serving as a member of the Knight Templar Eye Foundation Committee. The project was well-received and contributions for this fine cause have been very gratifying. The money which was collected in this way and the contribution wbicb Chapter made to tbe Fuod were presented to Brother Del at the Decemher 15th meeting and be will present the check to the Fouodation.

We shall all cherisb the memory of our lovely Cbristmas program. The Chapter Room was beautiful with "The Holy Family" in the East and the "Three Wise Men" in the West seeming to be led by the Eastern Star overhead. Mrs. Priscilla Golliver presented a group of colored slides and narration eotitled "Journey Into the Holy Laod".

The journey took us ioto the land of Israel and we saw the Dead Sea and the Jordan River. We saw the beautiful blue sea of Galilee where Jesus and his fishermen followers speot so many hours together. We walked toward the old city of Jerusalem, and paused for a better look at Bethlehem where, on that Holy Night so long ago our Saviour was born. We tried to imagioe how it must have looked that oight to the lowly shepherds alone in the fields with their flocks. No wonder the simple peasants were awed and filled with fright by tbe things they saw and heard that night! We could almost feel the presence of the lovely star which lighted the sky and led believers to his bumble bed. Today we are led by that same bright star and strive to be worthy of His Great Love. We are always thrilled by the story of the birth of the Holy Child who came to bring Peace and Light to all tbe world.

We send our sincere thanks to Mrs. Golliver for sharing her lovely pictures and narration with us.

Following the Chapter meeting, the Worthy Matron and Worthy Patron preceded everyone else to the Mezzanine where a beautiful candle-lighting ceremony was held. Standing at the entrance to the room, Sister Dotty and Brother Forrest each held a lighted candle. From their ligbted tapers they lighted the small candle of each member and guest as they came through the doorway. As Sister Carol Munk sang the lovely old hymn "If each one would light just one little candle, what a bright world this would be" the group moved two-by-two down the hall with candles glowing, the only light in the room. It was truly a beautiful and impressive ceremony, such a lovely way to express the warmth and friendliness of the seasoo, and a fittiog benediction to the year that was ending.

As we gaze into the future we see that January 5 will be the first meeting of the new year and that is the time chosen for the renewal of our obligation. Our Associate Matron and Associate Patron, Sister Eleanore and Brother Andy Costello, will kneel at the altar and renew by proxy, for all of us, the vows we all took when we received the degrees of the Order of the Eastern Star.

January 19th will be Men's Night with Brother Andy in charge. He is working hard on arrangements and assures me it will he a night to remember, but he absolutely refuses to say another word about the plans. We know there will he a show (and if we can judge by what they have dished out to us in years past), it will indeed be one to remember! The men will also serve us refreshments so gather 'round, and let's see what they are up to!

Illness in Cbapter: Arlene Hendricksen, Miriam Hardy, Bernice Bowman, Lena Crooks, LuWilda Doty, Edmonia Lobert, Edna Baals, Walter Parrott, Sandra Borton, Joann Parkison.

Illness in Families: Grandson of Mary Girardot, Husband of Mary Staples, Father of Rosamond Schooley, Mother of Rosamond Schooley.

Death in Cbapter: Sister Carrie Henschen.

Deaths in Families: Mother of Arlene Hendricksen, Mother of Edythe Gordon, Brother of Freida Matthias, Brother of Florence Braun, Brother of Warren Delp, Father of Alice Fraser.

To those who are ill, May God give you health; to those in sorrow, May God give you faith.

A thought for hte New Year:

To be glad for life, because it gives you the chance to love and to work and to play and to look up at the stars; to be satisfied with your possessions, but not contented with yourself until you have made the best of them; to despise nothing in the world except meanness; and to fear nothing except cowardice; to be governed by your admiration rather than by your disgusts; to covet nothing that is your neighbor's except his kindness of heart and gentleness of manner; to think seldom of your enemies; often of your friends and every day of Christ and to spend as much time as you can with body and with spirit in God's out-of-doors, these are little guide posts on the foot path of peace. Henry VanDyke.

What a blessing for each of us to have the year of 1967 to look forward to: A New Year, and a new opportunity to live each day to its fullest. To make new friends and with greater appreciation enjoy old friendships.

Our Prelude to Christmas bazaar and card party was indeed a pleasant evening for all who attended. A big, big thank you to each one who helped in any way. The "girls" really appreciated the "boys" who poured coffee and helped with the other chores of the evening. From the sound of the Oh's and Ah's, the hazaar hooths were most interesting. This took planning by each committee, but their measure of success made it worthwhile. Sister Gladys Burry presided at the organ, her beautiful music added much to our pleasure.

Mr. Shower, from the Cottage Flower Shop, gave an interesting demonstration on flower arrangements. Beautiful bouquets of white roses, red roses, white glads, carnations, and greens were given to our lucky guests. One way to make a lady smile: give her fresh flowers. Thanks again to each person who helped in any way to make the evening a success.

At our Dec. 8th stated meeting we were pleased to initiate into Shiloh Chapter Rita McCoy and Grover Scott. Congratulations to the Sister and Brother. This night was also a special occasion to honor all past star points. After a resume on the history of each star point, the past points were escorted west facing east, welcomed and presented a gift from the Chapter and thanked for their serving our Chapter in exemplifying our beautiful star points.

Our first stated meeting in January is Brother's Night. Associate Patron Brother Phil Holman is in charge of the arrangements for the evening. We are happy to have an opportunity to welcome all Shiloh Brothers. We don't know all the plans, but they always come up with something extra special; so mark your calendar and attend chapter on their special night.

New Year's Wishes

What shall I wish thee?
Treasures of earth?
Songs in the springtime.
Pleasures and mirth?
Flowers on thy pathway,
Skies ever clear?
Would this insure thee
A Happy New Year?
What shall I wish thee?
What can be found
Bringing thee sunshine
All the year 'round?
Where is the treasure,
Lasting and dear,
That shall ensure thec
A Happy New Year?
Faith that increaseth,
Walking in light;
Hope that aboundeth,
Happy and bright;
Love that is perfect,
Casting out fear;
These shall ensure thec
A Happy New Year.
Peace in the Saviour,
Rest at His feet,
Smile of His countenance
Radiant and sweet,
Joy in His presence!
This will ensure thee
A Happy New Year!

The Christmas meeting of Truth Court was a lovely one, if you were not there, again you missed a nice time.

All business was done with in a hurry so as to make way for the lovely Christmas program planned by H.L. Gerri, its Royal Matron, it was a musical program and reading of Christmas io other lands, and the members came in at designated places, singing the various Christmas carols.

Since the trains must go on, S.K. Oliver, the Royal Patron, did not get in in time to fill his station, but it afforded our Associate Patron, S.K. Ralph Weesner, a chance to fill the chair, and get a little prior experience for next year.

All the committee chairman reported they aod their committees have all had their Christmas parties and all had fun.

The Ways and Means committee reported there would be another one of our nice public card parties, after the Jan. 11, 1967 meeting, playing to start at 8 p.m. in the dining room of the K of P hall, a 50¢ donation will afford you a very enjoyable evening, so come and bring your friends.

Your Royal Matron, H.L. Gerri, and your Royal Patron, S.K. Oliver, and the officers wish for each of you a very Merry Christmas and a most happy and enjoyable New Year.

Until next month, adios, "Bertha".

With all the hustle and bustle of the Holiday's, we imagine you could care less about reading this column, so will make it brief. However, your Royal Matron and Royal Patron are saying a prayer for those who are ill and for those in sorrow, and to everyone everywhere, they extend their Best Wishes for a Healthy and Happy New Year.

My contribution is a Recipe for a Happy New Year:

Take twelve fine, full grown months; see that these are thoroughly free from all old memories of bitterness, rancor, hate and jealousy, cleanse them completely from every clinging spite; pick off all specks of pettiness and littleness; in short, see that these months are freed from the past—have them as fresh clean as when they first came the great storehouse of Time.

Cut these months into thirty thirty one equal parts. Do not tempt to make up the whole at one time (so many persons the entire lot in this way), but pare one day at a time as follo

Into each day put equal part faith, patience, courage and (some people omit this ingredient so spoil the flavor of the rest), fidelity, liberality, kindness, rest ing this out is like leaving the out of the salad—don't do it), pr meditation and one well sele resolution. Put in about a teasp ful of good spirits, a dash of fu pinch of folly, a sprinkling of and a heaping cup of good hu

Pour love into the whole and them with a vim. Cook thoro in a fervent heat; garnish with a smiles and a sprig of joy; then with quietness, unselfishness, cheerfulness.

See you at the Biddles Card P January 14th, 7:30 p.m.

As is tradition witb Leo Lodge we had our pot luck and oyster stew supper on January 3rd followed by a public installation of the officers for 1967. The following elected and appointed officers were installed in due form. Robert R. Morris, W.M.; Garl E. Miles, S.W.; Byron W. Fleming, J.W.; Harold B. Rediger, Treasurer; Alvan A. Greetings Brethren,

January is bere and tbe start of a new year. I want to wisb eacb of you a prosperous and happy year ahead.

The year 66 was fast in passing and in it we saw good times and sad times. The passing away of our Bretbren Cbarley King, Ralph Headford and William Ake were sad times. These members were longtime Masons, and will be long remembered.

Tbe purchase of ground for our Temple was the main objective of our Past Master Robert Mix. In this he was quite successful. The ground is bought. Now tbe Temple!

Our December 8th Past Master dinner was a success. Thanks go to Brothers Mervel Smith and Robert Mix for the great cooking job. There is a quotation that goes something like this, "The simplest meal sbared witb a friend is better than a huge banquet sbared with none."

By the time you read this, our newly elected officers will have been installed in a public installation Jan. 5, 1967. They are, Master Norman Marquardt; S.W. Mervel Smitb, and J.W., William Jesse.

With the belp of the loyal brethren, we pray we will be able to carry the fraternal work forward in the coming year.

WHO WAS HIRAM, KING OF TYRE?

Editor's Note — The following article was written by Bro. Lewis M. Parker, Past Grand Master of the Grand Lodge of New Jersey and one uf their Grand Instructors.

Our Masonic tradition tells us that our Craft had three original Grand Masters. The first of these, Solomon the King of Israel, figures prominently in our Masonic story and is still known as a great personage thirty centuries after his time. The third of this trio is the center and source of our deepest teaching and to him all Masons are bound by a unique tie. But the second of our Grand Masters has only a passing reference in our Ritual and outside of a Masonic Lodge is known only to a few specialists in history. Hiram of Tyre was a monarch who ruled over a powerful kingdom at the peak of its greatness. He and his people deserve to be known better by the Masonic fraternity.

The Kingdom of Tyre, or Phoenica, as it was more generally known, was located on the eastern shores of the Mediterranean north of Palestine. Its principal city was the seaport of Tyre, which because of its geographical location became a converging point on the great trade routes. Tyre became one of the foremost commercial centers of the ancient world and grew rich and powerful.

Phoenicia has two just claims to high achievement.

In the first place, the Phoenicians were among the first known sailors of the world. It is said they were the first to navigate upon the open sea and to chart their course by means of the stars. Thus to the men of Tyre goes the distinction of being the fathers of modern navigation. They must indeed have been an alert and venturesome race. It is known that Phoenician sailors traveled all over the Mediterranean — sailed through the Straits of Gibraltar, down the coast of Africa, up the coast of Spain and even as far as England. If we wish to romanticize history a little we can see in our minds eye a sea captain of Hiram of Tyre sailing through the Pillars of Hercules and gazing out upon a vast ocean— not knowing that 3000 miles beyond his sight lay a land where 3000 years later the name of his royal master would be perpetuated in Masonic Lodges.

As the Phoenicians went about the Mediterranean they founded colonies in various places, the most famous of which was Carthage on the northern coast of Africa. Carthage flourished, and as the parent Tyre began to decline, Carthage carried on the Phoenician tradition. It came into conflict with the rising power of Rome, and after years of furious struggles known as the Punic Wars, Rome was triumphant and Carthage was destroyed. But Carthage almost prevailed — her general, Hannibal, one of the greatest military commanders of all time, took an army across northern Africa, through Spain and Southern France, over the Alps and down to the very gates of Rome before he was stopped. It is interesting to speculate that if Carthage had conquered Rome, our civilization. which so largely bears the imprint of the Romans, might instead have been influenced by the people of Hiram of Tyre.

In the second place, the Phoenicians may claim to a high place in the history of mankind because they were the inventors of one of the first known alphabets. We take the alphabet so much for granted that it is hard for us to conceive of the time when it did not exist. Hiram's people were certainly possessed of intellectual curiosity and skill to formulate a way whereby the thoughts of men could be transmitted through other than oral means. The Phoenician alphebet influenced the Greek, and the Greek the Roman. In reading these lines you are bearing a certain mute testimony to the genius of the people over whom our second Grand Master once ruled.

Solomon's name and fame are still remembered today while that of his neighbor to the north has been largely forgotten. Solomon was fortunate in having adequate chroniclers (himself included which Hiram lacked. Solomon did not equal Hiram in wealth and in worldly power, but he did surpass him in the greater and more enduring values of wisdom and of the spirit.

King Hiram of Tyre has been saved from complete oblivion in the dusty tombs of history and is remembered by Freemasons because he gave freely of his resources to help, aid and assist a neighbor in a great and important undertaking.

YOUNG MASON MEDITATES

Scottish Rite Herald

Masonry promises me nothing except the opportunity for mental and spiritual growth and the opportunity to be serviceable to God and Man.

I came of my own free will and accord as all men in all ages have done. I was received as all others have been received in the ages past.

I learned that Masonry is interested in the character of man, in man as a thinking, feeling being.

I learned the real meaning of Charity, and that one's integrity of mind and soul is his most precious possession. All that I had learned before was enhanced by the manner in which Masonry teaches sublime lessons.

About me I see brothers, some young in Masonry, others who have been Masons for many years. Toward all I feel a bond of friendship and fellowship which is indescribable. To have the confidence of such a group of brothers and to know that you are joined to them by immutable bonds as you are to every Mason in the world, is indeed a priceless privilege.

All this I learned; and I learned as well that to maintain and perpetuate all that I have received, I must give my best to Masonry and to society.

There is much more to learn and re-learn. But this I know—I shall always be grateful to those who taught me patiently and brought me from darkness to Light.

FORT WAYNE BLUE LODGE NEWS

SUMMIT CITY LODGE 170 F. & A. M.
Stated Meeting
First Friday

The month of February has proved to be a busy one for the Officers and Members of Summit City Lodge. At the Stated Meeting held on January 6, 1967, petitions for Degrees were received from four applicants, and two petitions to affiliate by transfer were received. This number of petitions required extensive effort on the part of investigating committees, and made possible Degree work on each Friday night of the month, following the Stated Meeting on February 3rd.

At the Stated Meeting, a report was received from the Worshipful Master, Senior Warden and Junior Warden on the Founders' Day Meeting held in Indianapolis on January 14th. All three of these Officers attended the Meeting on behalf of Summit City Lodge, and each returned with new ideas and new inspiration for the Lodge. Of particular interest to these Officers were the reports of the activities of other lodges in the State which have been experimenting with new methods of making their meetings more attractive to members, so as to increase attendance. Also of interest was the report on the Indiana Masonic Home and the success of the effort now being made to enhance support of the Home on an every member basis. We are particularly gratified at the response which Members of Summit City Lodge have made to the request for increased support of the Home under the "ten-for-ten" program.

At the Stated Meetings held during January and February, reports were received on the progress being made to formulate a Fourth of July Sesquicentennial Program sponsored jointly by all Lodges in the County. Several officers and former officers of Summit City Lodge are taking an active part in formulating this program, and it is believed that early publicity will help insure a good attendance at Franke Park for the program to be held on July 4, 1967.

Plans for the Annual Ladies Night Banquet to be held on March 31, 1967, are also well into the final stage. Contacts have been established with a number of possible speakers for this event, and a speaker will be selected and announced at least a month in advance of the Banquet date.

Craftsmen: "You only get out of it what you put in" is a phrase I believe is wrongly used, especially in a Masonic lodge. If we examine this phrase, it immediately limits what a person can receive, when actually there is no limit, since he draws on the past as well as the present. A new member immediately receives knowledge, wisdom, and understanding from older members and new doors are opened to him for self development.

This phrase also assumes that a person is willing to become a part of the organization in all ways by "putting in" time, effort and money. The lodge then assumes the same when it accepts his petition. Yet, as evidenced, there are very few who take part or make any effort to add to the knowledge for a future member. The phrase defeats itself in our modern World by allowing the individual the right to determine what he wishes to add to the common stock of knowledge and understanding. It seems nowadays people are unwilling to do or add anything more than is absolutely necessary. If this trend continues, there will be nothing for the future.

Perhaps a better phrase to use is "What are you going to do for the lodge this year?" This implies that in order to retain membership, the person must do something.

Don't forget 1967 dues are past due. If you haven't done so, please send them to our Secretary, Bernard Smith. Also, include your contribution for the 10-10 Program, a very worthwhile cause.

Please note the following dates:

February 2—Stated Meeting 7:30 p.m.

9—Fellow Craft Degree 7:30 p.m.

16—Master Mason Degree Dinner 5:30 p.m.

17—F.C. Party at 7:00 p.m. J. McDowell, Seddlemeyer Road.

23—We will have a special program - announced at stated meeting.

March 2—Stated Meeting 7:30 p.m.

23—Past Master and Ladies Night Dinner 6:30 p.m.

On the sick list: Ernest Byers, St. Joe Hospital; Charles Moore and Bud Strong, Lutheran Hospital.

We wish a speedy recovery to those who are ill.

There will be a By-Law change introduced at our February Stated Meeting. It concerns article 6, section 3 which covers assessments for late dues. This will be voted on in our March Stated Meeting. Better come and see what it's about.

For those of you who wish short meetings, I assure you they will be as short as possible. Give me a try and see.

Greetings Brothers of Home Lodge. There will be two more Master Masons added to our fold, when you read this. This is progress in our ancient art.

We have had our officers organizational meeting which was well attended, and the program was set forth. We are going to have a good craft this year, and do some traveling, so come down and join in this great and good work. That the world at large may be convinced of our character and standing in the community may be enhanced by the practice of the teachings, which we receive where the world is not admitted.

Brothers the wife of our Good Past Master, Brother Frank Hunt, passed on to that Great Beyond this past month. Her passing will be a blow to the craft, because of her understanding and patience with Bro. Hunt in the worth while work he is doing in the Veterans hospital visitation program of all the Fort Wayne lodges. Bro. Hunt you have our deepest and heartfelt sympathy in your loss, and in closing let me quote a prayer, that I found in paper, quote:

(A Prayer a day for the across the sea who have fought died this very day, to make this a better place for you and me

So, Brothers won't you come and be one among us in our for the betterment of mankind.

Brethren: Now that all our officers are installed we can get down to the business of our centennial year. First of all I would like to thank all those who attended our installation. We had one of the finest turn outs that we have bad for some years.

I am still receiving pledge cards from some of our members designating the month they plan to attend lodge next year. If you have not returned your card, please do so now.

Along with our plans for the next year, we will have had our first function — a non-masonic friends night — by the time you read this. I hopc I will be able to report a good turn out. We have two programs for February. Our first will be a special program following the stated meeting. We will have a film presented by the Coca-Cola Company entitled "Play Ball with the Yanks". Refreshments will be served later. At our February 20th Fellow Craft we are planning a Masonic Fellowship night. Dinner will be served at 6:30, and the Fellow Craft Degree will be given at 7:30. All officers and members of the brother lodges are invited to join with us for dinner and later to assist us in the work. Plan to be with us for this evening of fellowship.

As I have continued my search for more light through the portals of Scottish Rite, York Rite and other affilliated bodies, I am often disturbed by the attitude of some of the brethren toward their Blue Lodge. We have many devoted and sincere brothers in these bodies who will never miss a meeting, yet do not find time for one or two nights of the year to attend their Blue Lodge. We must always keep in mind that the Blue Lodge is the basir fouodation of all Masonry. Bretbren — your Blue Lodge needs you now.

We have several brotbers in the hospital. Brotbers Russell Newton, Mel Warner and Ercil Stewart are at the Lutherao Hospital. Brother Joseph Hayes is at the Parkview Hospital, and brothers Frank Krick and Frank Smitley are at home. I know those at the hospital would welcome a visit and those at home a visit or a card.

We want to keep io touch with our brothers wbo are ill or in need. If the Master or one of the officers are notified we will be glad to call on them.

We hope to see you soon at the "Temple".

Newbury class, April 4, at the Scottish Rite, and the Byard H. Smith class, May 20, at the Masonic temple. In order to make both of these classes a success you, the members, will have to go out and put a special effort into getting new members. The chapter also has plans for two R.D. Degree Ceremonies. The first on Feb. 25 and the second toward the end of May.

Each year in order to have a bigger and better DeMolay Week we need more of you to work on the committee. Those of you wbo are interested in working on this project may call either Denny Vao Houten, 426-6845, or Steve Duncan, 440-3074.

Roses are red,
Violets are blue,
Sojourners are sweet.
How true! How true!

Corny? I know it! But it ought to be good for a chuckle like the comic Valentines on the tiny candy hearts which say "Be Mine, O You Kid, Drop Dead" etc. Remember the pretty folding kind all trimmed with for-get-me-nots, cupids and lace? They were fun, weren't they? They say the Holidays are over, but here's February with a whole bushel of 'em. One hardly knows which to pay tribute to from that surly old Mr. Ground Hog on the second (who almost always sees his shadow and thereby causes six more weeks of winter, drat him!) to the most honored hero of the cherry tree episode.

'Tis a short, busy month. There are taxes, reports, bargain sales, Sweetheart parties, birthday observances and Mardi Gras. It just does NOT seem possible that Lent is so soon to start. At this writing, in the midst of winter, it's somewhat hard to think of Spring and all its promises of new life. Yet with Ash Wednesday we have the greatest promise of all, don't we? Everlasting life, if one possesses a simple faith.

The Program Book says February 10 has been set aside as Sweetheart Night. So you who had faith in each other and future years together are extended an invitation to attend by Sojourners Tama and Chris, W.H.P. and W.O.S. respectively. You might even get one of those comic Valentines!

The Bargain Sales mentioned are by the Ways and Means Committee. All committees are working toward a culmination of a year's efforts in behalf of Faith. It would be most gratifying to the Worthy High Priestess, I'm sure, if on Recognition Night, you all turned out en masse.

Speaking of "en masse", was it not an enjoyable evening all those handsome men gave us in January? Our hats are off to them for a most enjoyable hour. The food was done to a turn. Make it again go mister!

We have one couple who has returned from a southern isle. Life among the sheltering palms has evidently impregnated to the extent that they think manna grows free for nuttin' — even on the Western Pacific Chief! And I give you fair warning right now — Sojourners, get out your dancing shoes for I'm sure hula lessons are coming up.

The Sunshine Committee reports Mary Ann Bender fell and has a badly injured shouder. She's at home and welcomes calls. Our Worthy High Priestess and Florence Ashley have both had falls, but bruises and stiffness are gradually improving. Florence Dornte is improved. The daughter of Sojourners Bernice and Omer Brock has been reported ill. The son of Verna Smith broke an ankle. Dorothy Haney has a fractured arm. The husband of Margaret Bimer who is also the son-in-law of Clara Koch is at home after leg surgery. The husband of Mertie Cowans has an injured shoulder. Soj. Thelma Noble is now home after surgery. The brother of Sojourner Mae Husted, PWHP, died in January. He lived in Wisconsin. The grandson of Crystal Moorman was killed in an accident. The brother of Hildur Manecke, PWHP, died in Dayton. The sister of Sojourner Dorothea DeForest died at her residence in Florida. The son of Marjorie and Ralph Wetzel has left for his military training. Sojourner Fannie Hemrick called and asked to be remembered to all. And wasn't it nice to see Mary Borkenstein out to a meeting? We hope she may improve in health so that she can make it a regular occurrence. Best wishes for a speedy recovery are extended to those ill, and sympathy extended to those in sorrow.

Any items for the Sunshine Committee are to be reported to Co-Chairman Pat Nehls or the Worthy High Priestess for the remainder of the year. Our Chairman Florence Ashley is trying to get moved and will not have time to make any calls.

Committee Chairmen: please report your March activities to me before February 12.

'Tis a short month, it's true,
But we hope to see you
Down town at the Hall
Where there's fun for all.

Believe in the future though dark be the sky
Stand up to the storm and the clouds will roll by
Believe in yourself and your power to plod on . . .
When first inspirations have faded and gone.
Believe in tomorrow and never despair
Hold on to your faith when a cross you must bear,
Believe in God's work and let that be your guide . . .
live by it, walk by it, turn not aside.
Believe life is good and it won't let you down,
when tempted to doubf it to fret and to frown.
Believe in the best though it's hidden from view . . .
for this is the faith that will carry you through.

The month of February reminds us of the loyalty, belief and faith in the future of the Country and has been passed on to all of us by the two of our Countries Great Men and Forefathers who have birthday's to celebrate this month. May we Sojourners have this faith and belief in our White Shrine and give it your full support. The following dates give you the events of the month:

Our Worthy Matron, Marguerite
mith shared the above thoughts at
e first meeting of the new year.
One of the highlights of the year
the Mason's Night, January 10.
ur Worthy Patron, Russell Coe was
fine Master of Ceremonies for the
mateur Hour Program. He was able
reveal many bidden talents.
The East was decorated with the
asonic Emblem surrounded by
ms. In the West was a comfortable
ne of a table, lamp, chair, a man's
be and the evening paper. The
ir was empty as that man had left
"comfortable setting" and attend-
the Mason's Night of Star of the

Vouchers were little brown derby
s.
Russell Coe, Master of Ceremonies
pointed Vincent Westfall as Fore-
an of the Judges. He was directed
lead ALL the men to the Judge's
ion so they could give proper
ention to the coming Amateur
ur.

With everyone in their places the Master of Ceremonies introduced the first number. Herdis Helmuth came forth carrying a violin and to everyone's surprise, he played some beautiful selections including "My Wild Irish Rose."

Leslie Sliver gave an amusing reading on "Back Seat Driving".

The next was Norman LaRue and two of his sons playing musical selections. Norm played the guitar and the boys played the organ and drums.

Sheldon Leiter surprised everyone by playing some organ selections.

Emory Tucker gave a reading taking us from amusing to serious thoughts.

After this much of the program the Master of Ceremonies asked the judges for a decision. The foreman opened an envelope reading the decision that the contestants be heard at Carnegie Hall.

At this point the judges had a request that they be heard. All the men were directed to come to the East to sing. Their unrebearsed chorus sang "Let me call you Sweetheart" and "Good Night Ladies". Following their songs each gave self-introductions.

Everyone was then invited to the mezzanine where the tables were decorated with Masonic emblems and the men were ready to serve "sloppy-joes" and chips and coffee.

January 24 "Sound off for Committees" the Chapter officers entertain and serve refreshments in honor of all members of all committees.

February 14 will be Election night. For this we need all the members and all their help so an interesting election can be held and give the newly eleeted officers a good send off.

Can it really he February already? Does Mr. Groundhog really decide whether we shall have more winter weather or an early spring? Well, we'll not mind the snows and wintry winds for we have many things to do before springtime!

The first meeting of the New Year was held on January 5th and it was the time chosen for us to renew our obligation and review the lessons we learn here. Each of the Star Points read from a scroll the Scripture passage which tells the story of the particular heroine she represents. The Worthy Matron and Worthy Patron added their verses, also reading from scrolls. Our Associate Matron and Patron, Sister Eleanor and Brother Andy Costello were led by our Conductresses to the altar where they knelt and, in unison with the entire group, repeated the vows we all took when we first received the degrees of the Order of the Eastern Star. The choir sang the very appropriate "This is My Creed" to close the ceremony.

Resolutions were read for Sister Edna Baals who was called Home on December 24th, and the Charter was draped in tribute to her memory. Sister Carol Munk sang "In the Presence of God".

We all sang "Happy Anniversary" to our Worthy Matron and Worthy Patron as they marcbed out. It was their thirty-third wedding anniversary. Congratulations, Dotty and Forrest!

Several activities outside of the Chapter Room deserve our mention. First, we are pleased to know that our Worthy Matron, accompanied by various members of the Visiting Committee visited every one of our shut-in members (numbering about 20 in all) and took to them a remembrance from Chapter during the Christmas week. Gifts were also mailed to our out-of-town shut-ins. The Officers and the Starlight Guild each adopted a special guest with whom to share the goodwill of the boliday season.

On Sunday, January 8, Kathryn Marie Caldwell, tiny daughter of Sister Louise and Brother Bob Caldwell (Louise is our Martha, and Bob is our Warder) was baptized in a beautiful ceremony at Plymouth Congregational Church. The bright-eyed little cherub was a real sweetie in a lovely gown hand-made especially for her by her maternal grandmother, Mrs. Misegades.

The Virginians, the group comprised of the presiding Matrons and Patrons of District 14, under the leadership of Sister Virginia Miller, held a potluck dinner and election of officers on Saturday, January 7th. Mabel Robinette of Trinity Chapter was elected President, Mary Lou Blinn is Vice-President, and Louise Barnhart will serve as Secretary-Treasurer. Thirty six Matrons and Patrons, including our own, were present.

Our Proficiency Committee reports they had an excellent group present for the meeting held Sunday January 8th at the home of Sister Irene Lyttle. Irene is Proficiency Chairman and is assisted by Sister Tessie Wise and Brother Bob Mumaugh. They are to be commended for the way they carry on this very important work.

A group from Fort Wayne Chapter journeyed to Churubusco January 11th to attend the last official inspection of a District 14 Chapter by Sister Norma Hamilton, Worthy Grand Matron, Indiana Grand Chapter, Order of the Eastern Star. It was a joint inspection of Churubusco and Huntertown Chapters and the capacity crowd included, besides the Worthy Grand Matron, Doyle Oursler, Worthy Grand Patron, Clayton Herrick, Grand Trustee and Jr. Past Grand Patron; The Grand Organist, Grand Adah, Grand Esther, Grand Ruth, and Grand Electa; Helen Herrick, Grand Representative; Deputy Virginia Miller, and many other distinguished guests.

January 19th was Men's Night and our men really treated us to an evening we won't soon forget! We appreciate our men and the kinship they give us with the Masonic Lodge. "Hand in hand our orders go along life's road
Each lending aid to weary friends who falter 'neath their load
Both giving help to pilgrims weak when traveling near and far
One by the compasses led straight, the other following the Star".

When the Chapter meeting was finished the men took over. Before long we could sense an excitement and feeling of expectancy in the air. Rumors were circulating that there was to be a wedding! We had been prepared for almost anything — but this! No one seemed to know who the happy pair could be! There was a loud commotion at the back of the room and a large group of hunters swarmed in. They were carrying rifles and clubs and it seemed they all were searching for one they called "The Varmint". We didn't know just what he had done but for his sake we hoped they wouldn't find him. So we were all very much surprised when they grabbed that fine upstandin' young man, Duane McQueen, shouting "He done it" and "You're gonna marry her right here and now". Young Duane's mother, Florrie Finnell hovered over him protectively, trying to ward off the jabs and pushes he was getting from the rest of the crowd. She protested loudly that he was a "good" boy, and smart — almost to the fourth grade and only 17 years old—. Duane shouted "I ain't done nuthin' " and "I ain't gonna marry her". We somehow got the impression that there was some reluctance on the part of the intended groom to step up and claim his lady fair. The lovely Bride, Andrea Costello, appeared in a gown and veil of white. She wore rather mannish-looking black oxfords and carried the last rose of summer. As she started toward the front the strains of the Lohengrin Wedding March sounded — off key — Oh, Lucy, you too? The Mother of the Bride was wearing a fashionable frock and a gleam in her eye which left no doubt in our minds that she intended to see that this wedding was conducted properly and promptly. The Bride klomped down the aisle preceded by her attendants, the diminutive Gay Impton, carrying the ring, and that darling, Darla Walker, in a becoming frock of blue, strewing flowers along the way. The handsome Duane was still shouting his innocence of any wrong-doing and avowing his intention to remain free and single, but the men were still holding him at bay with those mean-lookin' rifles and Parson Mumaugh, in his long black coat began the ceremony. The organ was playing the soft and lovely "Fuedin', Fussin', and Fightin' " but we noticed the entire group seemed to be lacking the sweet sentiment which is usually so dominant on such a happy occasion.

It was obvious the shy and lovely Andrea was going to ignore the protests of the varmint and marry him anyway. The preacher asked if there was anyone objecting to the proceedings and Duane looked like he'd like to try for a get-away. Just then one of the citizens burst into the room shouting "Stop, Stop! There's been a big mistake." He was dragging a squirming struggling critter to the front of the room. He was that city slicker, Clayton Herrick, who had been hanging around town for a

spell. He was from Fort Wayne and nobody liked his big city ways. He frantically tried to escape, and offered to leave town, and said "It was all a joke". Well, they showed him this was no joke! He was married to Andrea so fast he hardly knew what had happened. It all worked out for the best — they found him in time to prevent grave injustice, and to save Andrea from marrying the wrong varmint. When the wedding was over, the Mendelssohn recessional sounded, and the happy Bride, with the help of her father, dragged the City Slicker away. A celebration was being planned and the guests dispersed to gather up the vittles. With such a beginning, no doubt they will live happily ever after!

TAKE TIME TO LIVE

Take time to live, my friends—
Take time to work—it is the price of success,
Take time to think—it is the source of power,
Take time to play—it is the secret of perennial youth,
Take time to read—it is the fountain of wisdom,
Take time to worship—it is the highway of reverence.
Take time to be friendly—it is the road to happiness,
Take time not to criticize—it is the way to understanding,
Take time not to judge—you may be judged,
Take time to dream—it is hitching your wagon to a star,
Take time to love and be loved—it is the privilege of the gods,
Take time to look around—it is too short of a day to be selfish,
Take time to laugh—it is the music of the soul,
Take time to live, my friend.

In the month of December, we had the privilege of making a new friend — Sister Gladys Cook from Andrew Chapter number 41 of Grand Island, Nebraska, while she was a visitor in our city. Our Worthy Matron and Sister Gladys attended Fort Wayne Chapter. On this evening, they had a special Christmas program and Sister Dorothy Finnell and officers and members extended a very cordial and sisterly welcome to their guests. We were indeed happy to have shared part of Sister Glady's vacation and to send her home with pleasant memories of Fort Wayne and Eastern Star friends.

On January 12th, Shiloh Chapter observed Brothers Night — we were indeed honored to have many of our Master Masons present. Our Associate Patron, Brother Phil Holman was in charge of refreshments and entertainment. Audrey Waldron of Markle, Indiana, gave a most delightful program.

The Points Party was held in the hallroom of the Masonic Temple January 18th at 7:30 p.m. Upon entering the hallroom, one's eye was caught by the backdrop of blue, representing the sky, with the theme of the party "Out of This World 1966 and 1967" in gold letters. The theme was a favorite expression of the Worthy Matron's when she was over joyed about a situation. The decorations consisted of stars, satellites, moon and sun hanging from the ceiling. The moon and Sun representing the Past Matrons and Past Patrons. Every star represented a point and a committee. Each satellite an appointed officer and committee. The Worthy Matron was escorted into the hallroom in a space ship named Ethna I, made out of a wheelchair covered with hiscayne and designed into the likeness of a Gemini space craft. All appointed Officers were attired in white coveralls similar to those worn at the Cape. The Worthy Matrons corsage was of yellow roses and lilies of the valley, with a touch of blue added to carry out her color theme for the year. The centerpiece and candles on the guest table were carried out in the same motif.

The guests seated at the table were Worthy Matron, Ethna Hasty and her husband, Oscar, brother and family, Mr. and Mrs. Fred Hayner and son, Ethel Miller, Past Matron and fraternal mom, Dan Schiehel, Past Patron and fraternal pop, Hazel Reithmiller, Past Matron and fraternal grandmother, John Crouch, Worthy Patron, and his mother, Mrs. Helen Crouch.

The entertainment was given by Mrs. Helen Howard of Fort Wayne Chapter. She gave a portrayal of the story of Ruth. She is well known for her portrayal of the heroines of the Bible throughout the State. A dessert of yellow sponge cake with lemon filling topped with coconut was served — along with coffee and tea. Cards were enjoyed; prizes being beautiful handkerchiefs; favors were nylon scrub mitts. The officers and committees, presented the Worthy Matron and Worthy Patron with a monetary gift. It was a most unique party and one that will be remembered by the Worthy Matron along with many happy occasions during her year.

Both of our February stated meetings are most important. The first meeting is election of officers — It is your privilege and responsibility to attend an election of officers, plus the importance of supporting those you choose to carry on the work of Shiloh Chapter. Our second meeting in February is Recognition of Committees. All our eleven committees, telephone committee, our conductress, Jeanette Stonebraker, and associate conductress, Kay Vonderau, who served on a special project for the Eye Foundation, have been most successful. Many hours of work and planning go into the making of a successful years work. Our chapter and your Worthy Matron are indeed grateful for each members co-operation. Do plan to attend chapter on this night we give recognition to these sisters.

"Bene volt, nisi qui bene facit." These words, written more than 2,000 years ago by Plautus, a Roman playwright, say "He means well" is useless unless he does well. This quotation given to me by Sister Mahel (and frankly, I did a little research on it) is a lesson on "intention" which merits some thought. We would do well to remember:

Today is here. I will start with a smile and resolve to be agreeable. I will not criticize. I refuse to waste my valuable time.

Today I refuse to spend time worrying about what might happen—it usually doesn't. I am going to spend time making things happen.

Today I will stop saying, "If I had time. . ." I know I will never "find time" for anything. If I want time, I must make it.

Today I will act toward people as though this might be my last day on earth. I will not wait for tomorrow. Tomorrow never comes.

Our Chapter year is drawing to a close and we remind you of the many year-end parties being planned and the forthcoming election and installation of officers.

By the time you receive this issue, members who served on all committees this year will only recently have attended, on January 31, the "Points" party honoring the Worthy Matron and Worthy Patron. This was truly a fitting climax to a successful and fine year for Trinity Chapter.

A group of our members went to Churubusco on January 11 to attend the last inspection in the district and to honor our Worthy Grand Matron and Worthy Grand Patron. The Worthy Matrons and Worthy Patrons were in the escort. Sister Norma and Brother Doyle were conducted, in a covered wagon, around the chapter room and greeted at each ranch by the Worthy Matron and Worthy Patron (wearing western hats) of each chapter. Each extended to them their best wishes and congratulations for a job well done and expressed their gratitude for having had the privilege of serving under the direction of Sister Norma and Brother Doyle. A cross was then formed and the participants sang "May the Good Lord Bless and Keep You." Sister Mahel presented a toy chuck wagon and a miniature hat with monetary gifts to Sister Norma and Brother Doyle, respectively, on behalf of Virginia Miller's Virginians.

The District Worthy Matrons and Worthy Patrons (the Virginians) met January 7, at the Aboite School for a pot luck and get-together, at which time new officers for the year were elected. Sister Mahel was elected their new president.

We thought you might be interested in knowing that $161.00 was sent to the Grand Secretary for the 10 for 10 program at the Masonic Home. This money came from the projects you have been working. There is still money to be in before we read our Com reports in March. Our Worthy M sincerely thanks all of you who part in her project.

We were so happy to hav many past Esthers at our Janua meeting. They were presented escorted to the East where the cers honored them in verse and

During the year Sister Mabel given a series of talks on the me behind our beautiful Order. The hers have heard why we use Circle, the numbers, the square, Altar, and the beautiful story Esther. We truly hope you have an insight into the Biblical ground of our Eastern Star, and hope that you will continue to s for the truth and, having found hide it in your heart so that souls may be enriched that we become our brother's keeper.

Fort Wayne Commandery is settling down to the routine business for the year. All the committees are functioning and are setting their sights for the year. Tbe main goal for the year is to have a more active Commandery. This should not be too hard for we are bosting the Annual Conclave for the Grand Commandery here in Fort Wayne in May, and we will need the help of all the Sir Knights to make this event a success.

A goal of 10% of tbe Commandery members has been set by the Grand Encampment for Life Sponsors in the Eye Foundation. This Sponsorship requires a donation of $30.00, and releases your Commandery of the $1.00 assessment which is required each year on a per capita basis. Your Commander, Recorder, James DeMond, or Curt Heston will accept these donations, and the Committee will help you if you wish to extend the payments over a period of time.

It is not too early to think about making a boy between the ages of 8 to 15 happy tbis Summer with a week at Camp Crosley on Lake Tippecanoe. The cost of sending a boy to camp is around $27.00, and if any of you saw the happy faces on the boys at our Annual Inspection banquet, you know this is a very worthwhile cause.

Our Ritual Committee is working hard to make our Orders more impressive. The casts are now being set up, so come and take part in these beautiful Orders.

Maynard Cope is recovering from an illness. Richard L. Peden's mother-in-law died. To the ill we wish a speedy recovery, and to the bereaved we extend our beartfelt sympathy. If any of the Sir Knights know of deaths or illness in our Commandery, please contact me or the Recorder.

The main event to look forward to now is the Drill Corps' Sweetheart Ball to be held Saturday, February 11th. This is an annual event and is getting bigger and better every year, so plan to attend and have a good time.

As you know, the Fort Wayne Commandery Drill Corps has entered in Drill competition at all State and Triennial Conclaves for a good many years. As our Drill Team is entered in the State (in Ft. Wayne) and the Triennial (in Detroit in August) drill practice is being held every Tuesday at 7:30 p.m. All you Sir Knights young and not so young join tbe Drill Corps and become a member of one of the finest Drill Teams in the nation.

Louis J. Koch, Jr.

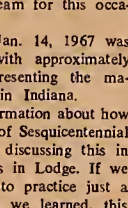
Greetings Brethren, As we go tbrough life there are some tbings that stand out in our minds and hearts above others. Tbe installation ceremony is, and always will be, one of these, for me. Thank you, Robert Mix, Donald Chaffin, Murl Lybarger, as tbe installing team for this occasion.



Founders day, Jan. 14, 1967 was a great success with approximately 1200 present, representing the majority of Lodges in Indiana.

We received information about how we can be a part of Sesquicentennial Year. We will be discussing this in the coming months in Lodge. If we are able to put into practice just a part of the things we learned, this will be a great Jubilee Year.

Olive Branch Lodge will be presenting two awards of gold in Maroh. The brothers, Roy W. Emerick and James F. Harkless will be honored with a banquet March 11, at the Poe Methodist Church in Poe, Indiana.

See You in Lodge.

Brethren: The first month as your new Master has been very rewarding. On January 4 the new officers were installed by our own Past Masters. The fifth of January the New Haven chapter o fEastern Star had a program honoring Masons, after which refreshments were served and a very good time was had by all. Thank you ladies.

January 11 was a very full evening. The new officers, having three candidates for the E.A. degree, put the degree on in a very proficient manner. Brothers Don Stark, J.W. and Gwen Rinker, S.W. were presiding.

The fourteenth of January your Master and Wardens attended Founder's Day at Indianapolis. A report of this event will be given at our stated meeting.

The ballot being clear we will have an E.A. degree February 2 and a F.C. degree February 15.

Now, my Bretbren, take note. On February 22 we may have two M.M. degrees. This is George Washington's birthday, the first president of the United States and a Master Mason.

Brethren, I leave you with this thought as I am reminded of our late President's words — It's not wbat the Lodge can do for you but by your own endeavor what you can do for yourself.

See you in Lodge.

I am sorry I don't have tbe dates finalized as yet but you can expect the following; Past Masters Night, Cbicken Barbecue, hotb St. Jobns Celebrations, Ladies Night wbich will probahly include the presentation of Twenty Five Year Awards. In addition to the above there is to be a county wide celebration for July 4th. It is hoped that our Lodge will participate to the fullest extent.

Have all of you paid your dues for 1967 along with your check for the Ten for Ten? The Ten for Ten is sucb a worth-while project I know Leo will do their share. Leo has always given the Masonic Home their support and I am sure that we will again this year.

You probably noticed in the Masters letter mailed before tbe end of 1966 that tbe Building Program is progressing real well.

Our sincere sympathy goes to the widow and family of brother Harry Bender who took his place in that House not made by hands Eternal in the Heavens. Brotber Bender was past Master of our Lodge having served in that capacity on two different occasions. He was always willing and ready to support the Lodge in any way he could and would go out of his way to give us help.

Brother Herman Conrad, at last report, was feeling much better and looking forward to leaving Irene Byron. Best of wishes to Brotber Herman from tbe entire Lodge.

See you in Lodge.

We are now living in a new year of light. Further light being a Mason's desire, we are in search of it throughout tbe year of 1967 and the coming years. The year of 67 will be a memorable one, since it is tbe start of our Sesquicentennial celebration of the Grand Lodge of Indiana. There will be events tbrough-out the year for every Mason to participate in. We, the members of Ossian Lodge, hope to help make this a successful anniversary.

The Worshipful Master, Jr. Warden and the Secretary of Ossian Lodge attended the annual Founders Day Conference in Indianapolis. The two main topics of business were the Ten for Ten program, and the Sesquicentennial celebrations of the Grand Lodge of Indiana. The day was enjoyed by all attending.

The thougbt for the month. If you wisb to be perfect, follow the advice you give to others.

Brothers, I would again at this time like to thank you all for the honor of serving as your Master this year.

Past Masters, Joe Campbell, John Lare, and Russ Ramer did an excellent job as my installing officers, January 7th, 1967. We had a fine turn out and the side lines were full.

I would like to take this opportunity to congratulate Rodney Lansaw for his successful year and for tbe privilege of scrving under him.

We held Table Lodge on December 27th as planned. We had very good attendance. Dinner was served by the O.E.S. The Rev. Brother Herschel McCord was tbe speaker, and gave a very inspiring talk on Masonry.

Your Master, Secretary, Senior Warden, Junior Warden, and Past Master, John Lare attended the Founders Day Conference at tbe Murat Shrine Temple in Indianapolis, January 14th.

February 7th at 7:30 p.m., Ralph Gardner will sbow movies of his trips abroad at Huntertown Lodge. Brothers remember this date and be sure to attend.

Brothers, may I suggest that every Brother contribute as liberally as possible to the Indiana Masonic Home, as they need our support. Also, Brothers, make a special effort to reach our Brothers wbo are not attending Lodge regularly.

EASTER SERVICES

Fort Wayne Commandery No. 4, Knights Templar, extends to all Master Masons, their families, and guests (Masonic affiliation not required) a very cordial invitation to attend its annual Easter Sunrise Service and Breakfast.

This impressive observance will be held Sunday, March 26, 1967 in the Fort Wayne Scottish Rite Auditoruim, 311 West Berry Street.

A beautiful organ prelude will be given by Bro. John Conser starting at 6:40 a.m. The Religious service will start promptly at 7:00 a.m. It is suggested that you plan to arrive early so as to enjoy the prelude and also to help avoid any seating delay which could result from the usual large attendance.

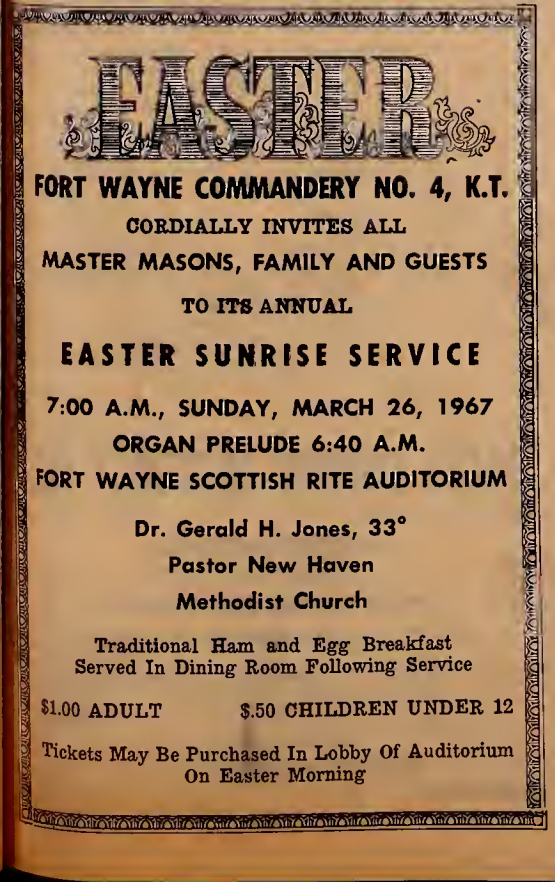
Our guest speaker is Dr. Gerald H. Jones 33°, pastor of the New Haven Methodist Church. Right Eminent Grand Commander Sir Knight Harold R. Hoolihan will also assist in our service. We will also be privileged to have the Fort Wayne Scottish Rite Choir in attendance.

Immediately following the religious observance, our traditional "Ham and Egg" breakfast will be served to all present. Tickets may be obtained Easter Morning in the lobby of the auditorium.

The "Senior Citizens" of the Allen County Home will again be the guests of Fort Wayne Commandery No. 4 Band and Drill Corps, and being personally served by the ladies of the Social Order of the Beauceant.

It has been planned so that both the religious service and breakfast will be completed in time to allow all to attend the church of their choice.

HIS BRETHREN MOURN



The nation was shocked on Friday evening, January 27, to learn that America's first three Apollo moonshot Astronauts had died in a flash fire which engulfed their space capsule while they were making a launch pad test at Cape Kennedy, Florida. President Johnson expressed the grief of the people: "Three valiant young men have given their lives in the Nation's service. We mourn this great loss; our hearts go out to their families."

Killed instantly were the Command pilot of the first scheduled Apollo spaceflight, Brother and Air Force Lt. Col. Virgil (Gus) Grissom; Lt. Col. Edward H. White, II, the first American to walk in space when he flew on the Gemini IV mission with James McDivitt in 1965; and Lt. Cmdr. Roger B. Chaffee, a "rookie" Astronaut preparing for his first space flight.

Masons are deeply grieved by the loss of one of their most distinguished Brethren. "Gus" Grissom was a member of Mitchell Lodge No. 228, Mitchell, Indiana, having been made a Master Mason there on May 19, 1949. On September 14, 1963, he was the popular exemplar for the degrees at an all-day York Rite Festival at Orlando, Florida, when he became a Knight Templar.

The back-up crew for the first Apollo space flight, which will probably take up the unfinished work of Virgil Grissom and his men, is captained by Astronaut Walter Schirra, Jr. In his crew is Brother Donn F. Eisele, a member of Luther B. Turner Lodge No. 732, Columbus, Ohio.

PURPOSE AND MISSION OF MASONRY

By Vice Adm. Homer N. Wallin, Ret.

It is well for us to reflect that in our Colonial days there was only a handful of Masons in the Colonies—but they were leaders of the people, and they shaped the public thinking in the direction which opposes tyrranny and dictatorship — and which brought forth the Declaration of Independence and the Constitution of the United States.

The great majority of our Colonial leaders were Masons—men of high moral and spiritual standards, and they were activists. They were missionaries among the people. They were disciples of the true religion. They were Soldiers of Freedom!

Well might we ask ourselves: "Is our Masonic heritage declining? Are we confronted with a stalemated contest against the evils which have surrounded us? Have we lost our enlightened vision,—our vim and vigor for righteous causes?"

Whatever the answers may be, some may complain that there are so few of us—only four million in a widespread population of two hundred million. But do you know that there were only three thousand Masons in all the Colonies? And those few were the leaven in the loaf that won our freedom, and set up a wonderful and then unknown system of free self-government that revolutionized the thinking of the world on the subject of government and individual liberty.

Now consider this: Compared to the Masons who gave us our heritage we who now falter in defending it and perpetuating it are sixteen times as numerous In proportion to total population.

As we profess to be true Masons, let us also prove so to be by practice and example—and thus help to restore in the eyes of the public that fine image of Masonry which was a shining light of leadership in bygone days — and is so much needed in our country today.

That is an important part of the purpose and mission of Masonry!

If You Won't — Who Will?

Brother Masons:

A man once said to me, "I'm tempted to find a small cottage retreat, curl up and watch TV, and let the rest of the World go by". If he succeeded to "get away from it all", why shouldn't everybody? If everybody took this attitude, a terrible catastrophe would result. A question more appropriate to ask today is — "If I won't, who will?" If I don't go to lodge, who will? If I don't fulfill my obligations to home, religion, work, society, and tbe lodge —who will? No one else can make up for what I fail to do.

A two-year old child was trapped in a 20-foot well, too small for a man to descend — as he screamed for help, a slim 13-year old lad pushed forward and slid down the shaft on a rope. After 2 unsuccessful attempts they both made it to the surface. The older boy modestly refused all praise with the rejoinder: "That was my brother down there, I knew I had to get him out". If we, as Masons, do not help our lodge, our brothers, our society — who will?

Our lodge has been active and looks like we will have work through to May at least. We welcome our first Master Mason of 1967, brother Ernest Cornet, who received his M.M. degree on a cold and wintry night in January. Thanks too, for the assistance from some brave souls from Dana who helped put on the degree.

Dates to remember:
March 2, Stated Meeting 7:30 p.m.
March 9, E.A. Degree 7:00 p.m.
March 16, F.C. Degree 7:30 p.m.
March 23, Past Masters and Ladies Night Dinner 6:30 p.m.
March 30, M.M. Degree 5:30 p.m.
April 6, Stated Meeting 7:30 p.m.

We had 3 petitions at our last stated meeting, so we should be busy.

A by-law change was introduced during the February stated meeting as was announced in last months Square and Compass. It will be voted on in March. We have purchased new jewels for tbe officers and are looking at samples for new aprons. Come down and see them.

Don't forget — dues are over due.

During the month of March, 1967, Summit City Lodge will honor the ladies of its members, and also the widows of its deceased members, at the annual Ladies Night Banqoet which will be held at the Temple beginning at 6:30 p.m. on Friday, March 31, 1967. We expect to bave between four and five hundred persons in attendance, and this banquet will no doubt be the most prominent social event which tbe Lodge will sponsor during 1967.

Principal speaker for the banquet will be Dr. Herbert E. Smith, Assistant Dean of Students and Director of Student Activities at Indiana University, Bloomington, Indiana. Dr. Smith is a prominent Mason, and those of us who heard him on one of the panels at the Founders' Day meeting held in Indianapolis, on January 17, 1967, know that he is an excellent speaker. Dr. Smith has the ability to present a topic in a manner which stimulates serious thought to the thinking mind, and which is at the same time humorous and entertaining. He has a vast background of knowledge concerning various student movements which are prevalent on some college campuses in America today, and we have asked him to give some consideration to this subject in his address, and to methods which might be employed to interest young persons of today in Masonically oriented activities, in lieu of some of the other activities which have captured the imagination of modern American youth.

In keeping with a tradition initiated last year by Past Master Lee Harter, we are inviting the widows of our deceased brothers to be with us on Ladies Night. We have a fairly complete list of the names and addresses of widows who reside in the Fort Wayne area, but are soliciting the assistance of all Members who may know of the whereabouts of widows who would be in a position to attend the banquet, but who could not be reached last year because of our inability to contact them. If you know of any such widow, kindly report her name and address to the Secretary of the Lodge.

There will also be musical entertainment at the banquet.

We are hoping to see all local members and their ladies, and many of the widows of our deceased members, at the Ladies Night Banquet on March 31st. Don't forget this important occasion!

of illness in the lodge that you may know of.

It is a great satisfaction to the Lodge to witness the participation of new members in the work of the Lodge. During January and February degree work, Brothers Merle Auginbaugh and Frank Thompson jumped right in and took active parts. This is the kind of spirit that makes a Lodge stay alive and gives those who participate a greater sense of being properly essential to its conduct of the business at hand. We fervently hope that more good men may be likewise embued with more desire to serve.

South Gate enjoyed a fine meal and fellowship hour on February 20 as invited guests of Sol D. Bayless Lodge. Their gracious hospitality was deeply appreciated by all.

During February, Brother Allen G. Lentz became eligible and was presented the Award of Gold from the Grand Lodge in recognition of his 50 years in Masonry. Our happy congratulations are extended, and we wish him long life and happiness.

Don't forget, Brothers — Dues are Ducl

Monday evening, Feb. 6 most of Fort Wayne was snow bound, but I was very pleased with the turn out for our Feb. stated meeting. Although the weather was not exactly on our side, we had one of the largest turn outs for a stated meetiag we have had for some time. Our Masonic business was handled quickly and efficiently after which we met on the first floor of the temple where the brethren were served a very nice lunch and we had the pleasure of seeing a film furnished by the Coca Cola Co., who also furnished us with Cokes, entitled "Winning With the Yanks," and was well received by all those present even though some may have not been Yankee fans. For those of you who were not present, you missed a fine evening of Masonic fellowship.

Following our March stated meeting we are going to have members of the Komet Hockey team with us and they will show films of the teams and answer any questions you may have.

For those brethren who can never find time to join in the fellowship of their lodge I urge you to make a special effort to join with us at one of our functions this sesquicentennial year. When you do not attend any of your lodge functions my brethren you are really cheating yourself of some of the most memorable hours you could ever have. Masonry has much to offer you. In fact none of us can ever begin to repay Masonry for all the benefits we derive from it. Masonry in itself is unselfish waiting only for those who seek it. And as we continue our search for truly great light in Masonry it seems to continue to elude us but as we continue Masonic light becomes brighter and brighter as it guides thru the trial and tribulations center we finally end our quest and in that undiscovered country from whose borne no traveler returns we finally find that for which we have been searching.

Hope to see you again soon in Lodge.

We now have the date July 1st confirmed by our Grand Deputy for rededication of our temple and also our centennial dinner. We are planning on serving between 600 and 700 at dinner so get your reservations in early. Mark July Ist on your calendar and plan to be with us.

Feb. 20th at 6 p.m. we are having a beans, ham and corn break supper and we have invited our brethren from the other lodges to join with us and then join us in the Fellow Craft degree. Also in February on the 27th we will confer the Master Mason degree. Dinner will be served at 6 p.m. with the degree work to follow. Lets have a good turn out.

Saturday, March the 11th we will have our annual smorgasbord and square dance, also round dancing. Dinner will be served from 5:00 to 7 p.m., with the square and round dancing to be from 8 to 11 p.m. The cost is $2.00 per person and this is for Masons and their non Masonic friends so lets have a real good turn out.

Brethren:

Please reserve the 4th of July on your agenda for a Masonic Outing at Franke Park. This county wide celebration will be one of the Highlights of the Jubilee Year. The details will be announced in future articles. At present several of your brothers are serving on Committees. Brother Shirley Scholer is serving as State Vice Chairman, Brotber Phil Gutman as Co-Chairman of the Event and Brother William Hanes as Program Co-Chairman and Brother Wayne Doehrman as Food Co-Chairman. So I am asking you to set aside this date to celebrate with your Brothers on this Independence Day during Indiana's Sesquicentennial Masonic Year.

The month of March will be a very busy one at Maumee and your officers will appreciate all the assistance the Craft can offer. Because of the number of Candidates it will be necessary to open early, especially on the EA°. Our Schedule for March is as follows:

March 1—Stated Meeting 7:30 p.m.
March 8—Entered Apprentice Degree, Open 3:45 p.m. Dinner 6:30 p.m.

Brethren:

Have you been to lodge yet this year? The officers of Waynedale Lodge extend a special invitation to each of you to be with us on Wednesday nights for an evening of fellowship. The attendance has been good, so why not come and renew old acquaintances.

Our Masonic Education Committee (John Conahan, Mac Fehman and Shockley Lockridge) have had some very enlightening and inspiring talks at our stated meetings. They are certainly worth listening to!

Past Master Stuart Trainer is heading our Fellow Craft Club and is getting quite a team together. If you are interested, contact Stu or any other officers. We will be happy to have you participating with us.

Our long awaited dreams for a new Masonic Lodge Building is becoming a reality. Hear a report on the project at our Stated Meeting. May this Sesquicentennial year also be a big year for Waynedale Lodge! Plan to attend lodge and show your interest in the building program. We need everyone's help and support.

We will vote on one new petition at our Stated meeting, and if favorable, we will have degree work the following three weeks. You will be informed as to the time by a letter from the secretary.

I'm boping to see you in lodge.

"I have placed my hand in God's".

Truly, our Worthy High Priestess and Watchman of Shepherds have done just that. Their year's motto has guided them throughout all their endeavors in behalf of Faith.

When one peruses the year's program book, that fact is brought forth in thoughts of reminiscing. We've had many, many joys to share, new members to meet, fun at the sing-alongs, team work on all the projects; some sorrows, it's true, at the parting of beloved Sojourners and friends, but a year of "togetherness" and advancement. A year of new friendships and memories to treasure.

Sojourners Tama and Chris, Worthy High Priestess and Watchman of Shepherds, respectively, wish to convey their thank-yous to all of you. For your help, your cooperation and suggestions, they're truly grateful. It has been a joy and a privilege to serve you this year. To their officers and committees who turned in such fine reports last week, they wish to say, "thank You". Many of the Sojourners have, too, expressed their appreciation of their efforts, and I'll take this way to pass it on to them.

One of the disappointments this year was no home-made Beef and Noodle Supper on January 27. Yours truly always looks forward to those "like Mom made"! But the sleet and snow was just too, too much.

However, come February things were a lookin' up and we had a Sweetheart Party. Our Worthy High Priestess honored the couples in attendance that night. The Legend of The Red Rose, our flower of the year, was read to ten couples. Included were the Worthy Chaplain and Third Wiseman from Coldwater Shrine.

Since the Social Committee knew they were a-comin', they baked 'em a cake. It was too had we didn't know that the day before (February 9) had heen the wedding anniversary of our Worthy High Priestess and Watchman of Shepherds. We could really have whipped up a whopper for them! Best we can do now is to say — "Belated Happy Anniversary!"

To add to the growing list of "firsts" in the Shrine, we now have our first Life Member of the Material Objective, Delta Schmoe. She was escorted East and presented her membership card. I always thought it would he nice if our Shrine were to present these as awards from time to time. The money is used in the Endowment Fund of our Material Objective which is the Charity Project of the Order. What finer could be desired?

Well, hy gorrah, as the Irish say, I'd hetter move along!

Annual Meeting time! Sharpen up your wits and your pencils so you can vote for your favorite. We need some candidates and hope you come forth with some suggestions.

Then we'll soon have the installation of a new corps of officers. Sojourner Zelma Kab Stamper, Past Supreme Worthy High Priestess of Kettering, Ohio, will be the Installing Officer. A Cordial invitation is extended to all Masonic friends to attend.

The word's out — State Association Day is a comin'. Save your sheckels and join us in Richmond, Indiana come April 8. More later.

The Sunshine Committee reports that Sojourner Denton Manecke is in St. Joseph Hospital. He is the husband of Hildur Manecke, PWHP and the father of Soj. Phyllis Hartman. Soj. Lucille Stritmatter also is in St. Joseph hospital. Soj. Thelma Tuttle is in Elmhurst Hospital, Angola, Indiana. Soj. Frances Studeman of Garrett has been reported ill at home. The mother of Marjorie Wetzel, PWHP has returned home from the hospital. A hahy girl to Francis Clifton who is a granddaughter to Nina Cheney. Soj. Rosamond Schooley's father died February 9. Word has also heen received that Soj. Joseph Patty, husband of Past Supreme Worthy High Priestess Helen Patty, was buried January 16. The mother of Supreme Worthy High Priestess Margaret McWhertor died in late January. We extend Sympatby to those hereaved and wish better health for those ill. And to the parents of our first bahy this year, Congratulations!

Fort Wayne Chapter held its election of officers on February 2nd and we are proud to announce the election of the following officers to serve for the 1967-1968 year — those grand Costellos, Eleanor and Andy, will be our new Worthy Matron and Worthy Patron, and we wish for them good luck, good health, good friends, and God's blessing as they serve together. Our petite Conductress, Marjorie Rodemeyer, has been elected to preside in the West as Associate Matron with Brotber Boh Waldo as the Associate Patron. Our wonderful Secretary, Vera Hayden, was re-elected as was our faithful Treasurer, Heleo Helms. Our lovely Conductress, Sister Louise Biedenweg, will advance to the Conductress station, and our charming Chaplain, Marguerite Arnos was elected to serve as the Associate Conductress.

The February 16th meeting was a special one for Fort Wayne Chapter. At that meeting all of the past and present star points were honored, with a special tribute to the Electa station, from which our Worthy Matron progressed to the East. The Treasure Chest, emblem of our Worthy Matron, was displayed in the East, and her Scripture verse and a large red heart decorated the West. We were extremely pleased to welcome a grand group from Muncie Chapter and the choir sang "We've Come a Long Way Together" to them. The visiting Matron and Patron, Sister Kathryne and Brother Fred Swanger were escorted to the East to join Sister Dotty and Brother Forrest. We feel that truly "Our cup runneth over" to be privileged to have such a warm and wonderful friendship with the Muncie Chapter. Another guest we were particularly happy to have with us was Sister Sallie Turner, Past Orand Matron, and Past Grand Electa.

With the Worthy Patron presiding, our Worthy Matron assumed the Electa station while our Electa, Sister Miriam Hardy was escorted to the East. Each of the Star Points repeated an appropriate Scripture verse and Sister Miriam related the story of the history of Electa. It is a story of unfaltering faith and love, and one we have not all been familiar with. To climax the presentation tbe choir sang a very lovely song "Miracle of Love". All of the past Star Points were escorted to the West and presented a gift. At the close of the meeting refreshmeots were served at tables beautifully decorated with tall red tapers, Valentine bearts, and huge tissue roses.

The All-Committee party giveo to fete our Worthy Matron and Worthy Patron was a truly memorable eveot. To all those who worked so hard to make it such a success we send our congratulations and a special 'Thank You'. Our fine Conductress, Sister Marjorie, was in cbarge of arraogements and we send to her a personal oote of appreciatioo. The decorating committee lent their talents to make everything look so pretty, and our fahulous kitchen brigade made sure the dinner was all taken care of.

The backdrop bebind tbe head tahle was decorated with a huge glittering red rose and silver cup and the words "Faith and Love". The floral centerpiece was composed of pink and red flowers and the tables were so pretty with Electa cups and open Bibles noting the Worthy Matron's favorite verse, "All things, whatsoever ye shall ask in prayer, helieving, ye shall receive". Sister Dotty was given a corsage of white flowers centered with a single red rose and Brother Forrest wore a red rose boutonniere. Sister Celia Stabler, the Finnell's Mom (by adoption) wore a pink carnation corsage.

Tbe program of the evening had for its theme "The Rose and the Cup". Each committee chairman responded with a verse which expressed our appreciation to that wonderful pair who have led us this year. We have all felt the warmth and friendliness which they have extended to Chapter members and friends this year, and we were all pleased to be able to present to them our tribute of love and join in the sentiment expressed by Sister Carol Munk as she sang to them the Electa Song "His Love".

Sharing with us in honoring Dot and Forrie were their special guests, daughter Joan, and her husband, Ron Coil, and their children Douglas and Dawn; daughter Jane and haby son from Lansing, Michigan; Dot's sister Maudie and husband Paul Stoops of North Manchester; Heleo and Clayton Herrick, Mary and Bill Knauer; Eleanor and Mickey Houser; and Celia Stabler.

As this wonderful year draws to a close our Worthy Matron and Worthy Patron send this message for us to tuck into our treasure chest of memories.

"How short is the road from yesterday to today when one is busy and happy! In just a few days our year together will have slipped away. It is with humble hearts we say 'Thank You' for the many kindnesses and courtesies you have given us. You've made this a year we will never forget. We are sincerely grateful for being able to serve our Chapter, for—

True happiness lies only in service,
Service that is honest and true—
That gives of its best to each other.
We bave tried to give this to you."

To My Chapter:

One short year ago, Sister Sonoma Woodruff installed me as Worthy Matron of our fine Chapter. This honor and privilege has been a rich experience for me. The many happy occasions will be cherished memories.

The list of kind and loyal Sisters and Brothers is a long one. Mere words could not express my deep appreciation to each one who helped to make my year in the East so very rewarding.

To my Worthy Patron, Brother John, my sincere thanks for sharing the responsibility of our chapter this past year. You have been loyal, kind and understanding at all times. My task was much easier because of you. And to Sister Jerry, I owe to you a deep debt of gratitude for the countless unselfish acts of kindness.

To my fraternal "Mom", Sister Ethel Miller, my grateful thanks for your precious friendship and year after year of inspiration and understanding.

To my fraternal "grand Mom," Sister Florence Obetz, your sincere interest and kind words of encouragement have meant much to me.

To each Officer: You have given me courage, and bave performed your duties to our Chapter with dignity and loyalty. I am so proud and pleased to have worked with each of you this year.

To my general family, Sister Morea, Fanny, Pat and Charlotte, eacb committee chairman, co-chairman, secretary and every committee member, you have done much to add to the success of this year. Thank you for your loyalty, and assistance on all our plans and projects.

To the Past Matrons and Past Patrons, many, many thanks for your words of encouragement in my moments of doubt. Never did I ask for advice without finding a cheerful and friendly answer. As I lay my gavel down, I shall be happy to be a Past Matron of Shiloh Chapter.

It is witb fond regard that I recall a year of close association with each presiding Matron and Patron of Fort Wayne and New Haven Chapters. Our travels, one with the other, has been one of complete accord, cheerful and harmonious.

To Sister Jesse and Brother Phil; every good wish for you and "your family". May happiness and success be yours as you assume the duties and responsibilities of Our Chapter.

It would take a thousand years for me to try to show,
My gratitude to you, my friends,
And then you'd never know,
All year, some way I've hoped
you'd see in all I've had to do,
That I have tried my best to be—
Worthy of friends like you.
And now my year is ended—
The task that was mine is done,
My thanks to those who have helped me,
My love to everyone—
Your Worthy Matron.
Ethna Hasty.

The year is drawing to a close and with it will be many happy memories of our year in the East. To all members of our Chapter we want to thank you for the trust and faith you had in us in allowing us to serve your Chapter — a privilege we shall treasure always.

We have tried to serve you to the best of our abilities, helping you as we went through the year to Search for Eternal Truth, our motto for the year. Your faithfulness and thoughtfulness and the many acts of kindness in helping to make this year a successful one is most rewarding. Without your help, the many tasks before us would have been impossible.

The Worthy Patron and I sincerely thank you for the privilege given to us to serve you, and we thank you for making this a year with truly lovely memories.

It has been a wonderful experience to work with each of tbe other four Chapters. We have had many happy times and we hope we have made lasting friendships. We are far richer hy having known all of you.

Thank you to our officers for their beautiful work and for the loyalty they have shown us. They are truly the best.

To all our Chairmen, Co-chairmen, and Committee members, who worked so faithfully, we thank you for your help and the hard work you have given in the past year. If it were not for you, our tasks would have been even greater. You have helped to accomplish the things we were striving for and made our work lighter. We hold a special place in our hearts for each of you.

As we relinquish our duties to Sister Esther and Brother Mark, we know that they will enjoy and appreciate the same cooperation and support, and the loyalty aod kindness you have given to us.

Thank you all and God hless each of you.

Fraternally, Mabel and Bill

Sister Mabel and Brother Bill, we thank you for the fine way in which you have conducted our Chapter this year. We have indeed been proud of you and have enjoyed being a part of your year.

The newly elected officers for the year 1967-68 are as follows: Worthy Matroo, Esther Sipe; Worthy Patron, Mark Sherwin; Associate Matron, Beth Smith; Associate Patron, Claude Hoover; Secretary, Eugenia Wood; Treasurer, Dorothy Wbite; Conductress, Ann Willen; and, Associate Cooductress, Mae Ernst. We extend to them congratulations and blessiogs for a successful year. Installation Practice will be March 15 at 7:30 in the Commandery room. Installation will be March 18 at 7:30 in the Commandery room on the fifth floor of the Masooic Temple.

Our Points Party was held oo January 31. The theme was "circus" and the tables were decorated with animals while balloons were hanging and flying in the air. The Worthy Matron and Worthy Patron entered the room through an aisle on either side of which were topiary trees of laveodar, white, and green. On a fence along the aisle were hung signs saying, "Don't feed the animals anytbing but love" and "Stay off the grass." The head table held the motto "I am my brother's keeper" which was the theme of the Worthy Matroo this year. A large tiger was caged in a wire milk cootainer. The mooetary gifts presented to the Worthy Matron and Worthy Patron were blown up inside a halloon. It was their problem to get it out.

Brother Bill Wetzel and bis higb school jazz choir gave the program aloog with one of the teachers from Central, who performed magic.

Truly it was a circus enjoyed by all. Sister Mabel will treasure the memory of her officers' efforts and kindness io making it ao evening she shall never forget.

February 17 was an eveniog to honor Past Matrons and Patrons. The tables were colorfully decorated with wbite tapers and colored flowers in styrofoam centered with cotton to hold their favorite perfume. The evening was spent with a dinner held in the ballroom, then a program to highlight the evening. The program depicted a wedding scene. A young girl was married and as she came in dressed in her wedding gown, sbe had a train, a real train, pinned to her dress. When tbey said she had a bun in her hair, that is just what tbey meant. The program gave many laughs and was one they shall not forget soon.

The Year End parties of the various committees have been under way. Sewing and Decorating held their party at Ellisville Restaurant on Feb. 20. The Officers' Party was at the West Creighton Ave. Christian Church on Feb. 27, and Ways and Means' was on Feb. 28 at Hall's Smorgasbord. Social will hold their party March 7, with the place being announced later.

3517 Smith St. ____ 745-5630
Roger W. Shafer _____ Sec'y
1301 E. Berry St. ____ 436-6201

The Commandery is fast getting into the swing of things for the year. The tempo is picking up. On February 11th was the Sweetbeart Ball sponsored by the Drill Corps. This was a gala event. Tbe decorations were beautiful, the food delicious, and the orchestra did a fine job. I wish to extend my and the Commandery's personal thanks to Fraocis Studler and bis fine committees for a wonderful evening.

The Orders of the Commandery will be portrayed in March. The Order of Red Cross will be oo Thursday, March 2nd; The Order of Malta on Tuesday, March 7th; and the Order of The Temple on Thursday, March 9th. The casts are excellent and there will be Organ music with all the Orders. The starting time will be 7:30 p.m.

Skeleton committees have been formed for the State Conclave in May. These are far from complete, but are bere published tn give you a chance to look them over and volunteer your services. At a later date we will have to do some drafting. These Committees will be posted on the bulletin board on the fifth floor and will be kept up to date. This is the list to date: Traffic and Safety, Maynard Cope, A. Paul Staight, Arthur Sbull, Jr., Norman Larue, and Homer Ricbart. Transportation, James Johnson and Myron Millhorn. Housing, Harold Hamrick, Albert Ungerer, and James DeMond. Parade and Drill, Harry Haller and Bernard Smith. Reception, All Fort Wayne Commandery Line Officers and James DeMond.

The Eye Foundation Committee on orders from the Grand Encampment are making every effort to make our Commandery have its quota of 10% as Life Sponsors by May 12th. We need about 40 members. The cost of a Life Sponsorship is $30.00 and if you see one of the committee they will be glad to sign you up and even space tbe $30.00 on a payment plan.

Here is a little more information to pass on to you about the Educational Foundation. Loans are made to college Juniors, seniors and graduate students to help them complete their education. These loans are to be paid back after graduation at a low rate of interest.

Sending boys to Camp Crosley in the Summer has always been a rewarding experience to the Commandery, and all those whose gifts have made this possible. There will be a very active campaign which will begin in about a month nr two.

Remember Sir Knights this is your Commandery and your officers this year have pledged themselves to make this one of the most active in the State and we need all of your help. Mark March 2nd, 7th, and 9th the evenings the Orders will be conferred on your calendars and honor us with your presence. Also the next big event will be the Easter Service and breakfasl on Easter Sunday, March 26th, starting at 7:30 a.m.

I would like for all of you to know that our Annual Sweetheart Ball was a wonderful evening of pleasure, and will long bc remembered by those who attended. Thanks to all of those who spent many many hours in preparation for it. If you helped or attended you will know what I mean.

By the way, we want all of you to feel that you too can be a part of our annual Sweetheart Ball. Please keep this io mind for next year. Our Ball is for all Brother Masons and their friends, and is not restricted to just Knights Templars. We as your host will provide an evening that you will not want to miss. Remember the date next year will be February 10.

As your ticket chairman, I want to pass on our thanks to those who gave donations, and we wish all of those who were and are ill and could not attend our Ball a quick recovery.

Brethren: As the new year gets under way, we are planning our work and expecting to have a fruitful year. We now have two meetings behind us and both were well attended. This was most gratifying.

February 7th, Brother Ralph Gardner showed movies of his trip abroad which were very interesting.

Much remains to be done in connection with the Sesquicentennial celebration July 4th, 1967, but we are having meetings each month and working out the problems. We will be hearing a great deal more about the activities being planned by the committee.

We have a new member by affiliation to our Lodge, Brother Raymond Hyde.

Hope to see many of you in Lodge this month.

Brethren, The Sesquicentennial Year. If you don't know what this means, it has been too long since you have attended lodge. Your Master, Wardens and brothers will welcome you.

Two brothers were passed to the degree of a Fellowcraft February 15. On Washington's birthday, February 22, lodge opened at five after which the brethren enjoyed the evening meal at six. Two brothers were then raised to the degree of a Master Mason.

March 8 there will be degree work, the ballot being clear. March 22 will once again be Master Masons night. Why not plan to attend and enjoy an evening of fellowship?

We mourn the loss of Brother John H. Young, one of the charter members of New Haven Lodge. He was taken from our midst February 2 after 39 years of Masonic fellowship.

Brethren, watch the Allen County Times for lodge activities and when your telephone rings, say, "Yes, it will be a pleasure to come to my lodge."

I leave you with this thought — The sand of time is swiftly flowing thru the hour glass — return to lodge and meet new friends.

Brethren: On January 14th your Master and Wardens attended the Founders Day Conference at the Murat Shrine Temple in Indianapolis. The trip was made by bus with officers from several of the Lodges in the area. I am sure that all in attendance were greatly enlightened by the program presented by our Grand Lodge.

It has been said many many times that it is the Masters duty to set the craft to work and give them good and wholesome instruction for their labors. With this thought in mind I have requested that the officers of Leo Lodge meet each Thursday night for the purpose of getting help with any portion of their work that is giving them trouble. This is one way to promote fellowship and at the same time improve on the ritualistic portion of our degrees. I have been a little disappointed at the response so far but feel that as the year progresses the attendance will improve.

I wish to express the sincere sympathy of the Lodge to the family of Brother Park Sebert who passed on to his place in the Heaven. It is indeed a heart felt loss.

Best wishes and speedy relief to other members who are either oppressed or depressed.

May we see you in Lodge next meeting night?

Harvey Ault, being the Minuteman for our County during the Jubilee year gave a stimulating talk in regards to what we can do to help celebrate during this outstanding year for Masons.

Grand Lodge asks each and every Mason of this state to display on your person the Square and Compass emblem, to help celebrate our Sesquicentennial year, starting June 24, 1967.

Following our meeting, pie and coffee were served in the dining room, the fellowship hour was enjoyed by all.

Brethren, I am sorry to report that we have started our year with saddened hearts at the death of two of our brethren who have gone on to join our Supreme Architect in that house not built with hands.

Our beloved Brother, Ralph Grodrian passed away on Jan. 22, 1967. Brother Grodrian was born on Nov. 17, 1898, was raised to the sublime degree in Areana Lodge No. 272 at Crestline, Ohio. He remained a Mason in good standing for 38 years.

He was also a member of the St. Louis Consistory, Scottish Rite and the Shrine.

Brother Grodrian transferred to Harlan Lodge No. 296 on Sept. 6, 1960.

Memorial services were held on Jan. 24, 1967 at Oetting Funeral Home. Services were conducted by Brother Clifford Gorrell who was assisted by Bros. Roland Dorsey, W.M., Elmer Strautman, S.W., and Max Kees, acting chaplain.

Also called away in death was our beloved Brother Carl Roberts on Jan. 24, 1967.

Born on July 21, 1897, Brother Carl was raised to the Sublime degree on Oct. 16, 1945 at Harlan Lodge No. 296. Brother Carl was also a member of the Scottish Rite and Order of the Eastern Star.

Brother Carl served in various offices for 14 years. He was our Worshipful Master in 1953 and a member in good standing for 21 years.

Memorial services were held Jan. 25, 1967 at Oettings Funeral Home, Harlan, by Brother Clifford Gorrell, assisted by Brothers Roland Dorsey, W.M., Elmer Strautman, S.W., and Max Kees acting chaplain.

The Lodge extends its deepest sympathy to the families of these Brothers.

At this time we have no candidates for degree work, but are quite busy making plans for our 150th Jubilee year of Masonry in Indiana, and the Sesquicentennial celebration by Allen County Lodges at Franke Park on July 4th.

Brethren, the officers of Harlan Lodge hope to make this a successful year, but we do need your attendance, so please make a special effort to attend meetings and bring a Brother with you.

See you in Lodge.

7,000 ALLEN COUNTY MASONS PLAN FOURTH OF JULY PICNIC

An old-fashioned Fourth of July picnic replete with band music, patriotic ceremonies, entertainment, family basket lunches, and an outstanding orator will be held in Franke Park by more than 7,000 members of the fourteen Lodges of Free & Accepted Masons in Allen County. The local and statewide special observance of Independence Day will constitute an important event of the year-long Sesquicentennial Celebration of the Grand Lodge F&A.M. of Indiana, which was founded January 12, 1818 at Madison. The third Jubilee Year of the Grand Lodge will start June 24 with observance by all Indiana Lodges of the Feast of St. John the Baptist, a patron saint of the fraternity, and will conclude with the Grand Lodge annual meeting in May, 1968.

"Member sof tbe Masonic order have played an important part in the history of Fort Wayne as well as of Indiana and the entire nation", stated James C. Bowser, publicity co-chairman for the Allen County Masonic Sesquicentennial Committee. "Anthony Wayne, who established the fort here in 1794, was a devoted Mason. He is considered the finest general on the staff of George Washington, himself our country's first great Mason and master of a Lodge. Referring to the men who pledged their lives, their fortunes, and their sacred honor on July 4, 1776 — and they were deadly serious about it — John Hancock, Ben Franklin, and many other signers of the Declaration of Independence were active and dedicated Masons."

"Here in Indiana, the growth of Masonry bas paralleled tbe growth of our state", Mr. Bowser said. "The first Masonic Lodge in Indiana Territory was chartered by the Grand Lodge of Kentucky at Vincennes in 1809. Today there are 550 Indiana lodges with more than 180,000 members."

Arrangements for the July 4th picnic are being completed by tbe county Masonic Sesquicentennial Committee, comprised of present and past officers of Lodges. Lee J. Harter is county coordinator and Shirley L. Scholer is state vice-chairman for the Grand Lodge. Pbillip E. Gutman and Paul E. Dunn are co-chairman for the picnic. Other committee members are: Program: William O. Hanes and Robert J. Bogenschustz; Finance: Robert H. Stute and Robert H. Wichey; Entertainment: Rodney Lansaw and H. Stuart Trainer; Food: Wayne A. Doehrman and Roy Peters, Jr.; Publicity, Mr. Bowser and Lawrence Baker. All Masonic bodies in the county, including the Scottish Rite, York Rite, Mizpah Shrine, Eastern Star, Job's Daughters, and Order of DeMolay will cooperate with the Blue Lodges.

The fourteen Allen County Masonic Lodges and the years they were chartered are: (city) Wayne No. 25, 1849; Summit City No. 170, 1855; Sol D. Bayless No. 359, 1867; Home No. 342. 1870; Maumee No. 725, 1926; Southgate No. 731, 1948; Three Rivers No. 733, 1949; (county) Leo No. 224, 1859; Olive Branch No. 248, Poe, 1859; Monroeville No. 293, 1863; Harlan No. 296, 1864; Huntertown No. 689, 1913; Waynedale No. 739, 1955; and New Haven No. 740, 1957.

WHY MASONRY LIVES

Trestleboard (Minnesota)

The basis for all our thinking about this beloved institution called Masonry is one important fact that a Masonic Lodge is erected to God. This is the foundation of all our work in Masonry. Through the various phases of Masonry runs a spiritual thought which men have recognized since the beginning of our history, and wbich has found a beautiful expression in our ritual and in the moral system of our philosophy.

There have beeo in history, many other organizations with secrets, beautiful rituals and fine ideas. However, none of them have survived through the centuries the way Masonry has survived.

The abiding strength that has caused our ancient and honorable Craft to persist throughout the centuries, and still continue to be a firm foundation upon wbich to erect our own spiritual temples is that it is erected to God.

Masons are endeavoring to build in their own lives and in the community about them, a house not made with hands which shall be eternal in the heavens. In all of our thinking about Masonry, this must be our first thought.

CHECK YOURSELF

(York Temple News)

Any man can spoil himself; he can allow himself to grow so sensitive that he lives in constant pain. He can nurse his grudges until they are an intolerable burden. He can think himself insulted until he is apt to be. He can believe the world is against bim until it is. He can imagine troubles until they become real. He can hold so many suspicions that no one believes him. He can look so askance at his friends until they are no longer friends. He can think himself so important that no one else does. He can have such a good opinion of himself that no one else enjoys his presence. He can become so wrapped up in himself that he becomes very small.

PRESERVE THE LANDMARKS

By DWIGHT L. SMITH

Every Freemason who loves beauty and symmetry and proportion and who recognizes the value of his heritage should never cease to thank God that Americans do not have the running of things in England and Greece and Italy — for if they did, Stonehenge would have been bulldozed out of the way years ago to make room for a drive-in movie theater; the Parthenon would have been wrecked for a high-rise apartment bulding, tbe Roman Coliseum for an expressway cloverleaf.

If the program of the Grand Lodge Sesquicentennial Commission to mark sites of historical significance in the early years of Freemasonry has accomplished nothing more, it has demonstrated the startling fact that our historical landmarks are disappearing all too rapidly, and that within the next decade much of Indiana worth seeing will be gone for good—plowed under by bulldozers, replaced by highway interchanges or shopping centers or used car lots of incredible ugliness.

Citizens of Indiana who are interested in preserving landmarks that give us the inspiration of a link with a glorious past had better be looking around in their own communities to see what comes next in the widespread program of destruction. It may be too late in many places. In others there is yet time.

Several years ago the city of Madison set a notable example with the organization and incorporation of Historic Madison. Here and tbere a few other towns are making efforts on a smaller scale to accomplish the same worthy objective.

Encouraged by the example of the Sesquicentennial Commission, a few Lodges are taking action to preserve a bit of our tie with an earlier age. In Shelby County, the five Lodges joined in a movement to erect a boulder on the site of the old inn wherein the county's first Lodge of Freemasons held its meetings in the early eighteen-twenties. At LaPorte some years ago a stone was placed to mark the site of a pond known as Soapy's Ocean where, in a striking outdoor setting, the first Masonic meeting in northwestern Indiana was held. Warren Lodge No. 15 at Connersville which acquired and has preserved Elmhurst, one of Indiana's great architectual landmarks, is giving consideration to the installation of an hinstorical marker to tell the story of the "White House of Indiana."

In all directions, destruction of landmarks which bave both historical significance and architectural beauty is proceeding at a frightening pace. Once those gems of another day are gone they are gone forever, for such masterpieces of the builder's art can not he duplicated in an all-too-casual age.

The goal, of course, is not to block superhighways or parking lots, but to make sure that progress does not obliterate valuable ties to a glorious past. Preservation always should be selective, choosing buildings or areas to save that which have historical or architectural significance to the community and nation.

The time to act is before the bulldozers tbreaten.

—The Indiana Freemason

LEADERS, CRITICS

It is a curious thing, hut true, that every man and woman who lifts bis or her heart above the level of the crowd becomes a target for adverse criticism as well as praise. The fact appears in every group action from national affairs down to the smallest sewing circle. The efforts of it will be found in the political arena, in professional, educational, scientific, religious, fraternal and commercial organizations. In all of these, people crave leadership, and yet some are always ready to criticize and condemn that leadership when it appears.

Leadership is a vital necessity and one of its penalities is prominence. The fact that in some isolated cases ambition for power or prominence dominates an individual does not nullify the greater fact that the majority endure the prominence in order to get something beneficial accomplished. Nor does it alter the fact that in most cases leadership and prominence involve sacrifice and interference with the leader's regular schedule of living.

Perbaps it is the certainty that sacrifice will he required and interference suffered that makes the finding of real leaders so difficult. But to that should be added the equal certainty tbey will he criticized, whoever they are. Great leaders, of course, anticipate criticism and are prepared to discount it. But even they at times are troubled by the frequent injustices and thoughtlessness of faultfinding.

It was Disraeli, one of England's greatest prime ministers, who said: "It is much easier to criticize tban to be correct." At another time when he was being much annoyed he said: "You know who the critics are?—the men who have failed." And again, when disturbed by grumblings he said: "Little things affect little minds." Another great leader of his time who also was often abused said: "Of all the cants which are canted in this canting world, though the cant of hypocrits may be the worst, the cant of criticism is the most tormenting."

FOR TRUTH AND FREEDOM

By JOSEPH FORT NEWTON

Some day, when the cloud of predjudice has been dispelled by the searchlight of Truth, the world will honor Masonry for its heroic service to freedom of thought and the liberty of faith.

No part of its ministry has been more noble, no principle of its teaching has been more precious than its age-long and unwavering demand for the right and duty of every soul to see that light by which no man was ever injured, and that Truth which makes him free.

Down through the ages, often where human conscience was dragged as a slave at the wbeel of the ecclesiastical cbariot—always and everywhere Masonry has stood for the right of the soul to know the Truth, and to look up unhidden from the lap of the earth unto the face of Him in whose great hand it stands.

Not freedom from Faith, but freedom of Faith, has heen its watchword, on the ground that despotism is the mother of anarchy, so bigoted dogmatism is the prolific source of skepticism.

PEACE IS MORE THAN A WORD

(The Journal of Freemasonry)

The word peace has been printed hillions of times, uttered in hillions of prayers, spoken millions of times over the radio and voiced tbousands of times by every member of the human race in all languages of earth. And still we have wars.

It is high time to consider that peace is more than a word. It is more than a spot of ink on a piece of paper, or a sound on our lips.

Peace is everything that makes life worth living.

Peace is God on both sides of the table in a conference.

Peace is goodwill in action.

Peace is world-wide neighborliness.

Peace is cooperation and teamwork; it is pulling with people instead of pushing them around.

Peace is sanity and common sense in human relations.

Peace is open-mindedness. It is willingness to listen as well as to talk. It is looking at hoth sides of a situation objectively.

Peace is patience. It means keeping our tempers, rising ahove petty irritations, taking the long look. It means keeping our shirts on and giving time a chance to work its magic.

Peace is baving the courage and the humility to admit mistakes and take the blame wheo we are wrong.

Peace is tact and tact has been defined as the ability to pull the stinger of a bee without getting stung.

Peace is vision. It is being big enough to give up small individual advantages for the universal advantage of a warless world.

Peace is using the Golden Rule as a measuring stick in solving world problems.

Peace is the open hand instead of the clenched fist. It is tolerance and understanding toward men of every class, color and creed.

Peace is a thing of the heart a radiant belief in the potential goodness and greatness of men. It is dynamic confidence that war can be aholished forever.

Peace is a thing of the heart as well as the bead.

FORGET HIS FAULTS

If you would increase your happiness and prolong your life, forget your brother's faults. Forget the slander you have heard, forget the temptations, forget the fault-finding, and give more thought to the cause that provoked it. Forget the peculiarities of your friends, and only remember the good points that make you fond of them. Forget all personal quarrels you may have heard by accident, and which, if repeated, would seem a thousand times worse than they really are. Obliterate everything disagreeable from yesterday; start out with a clean sheet for today, and write upon it, for sweet memory's sake, only the things which are lovely and loveable.

Brother to Brother:

I feel very discouraged, downhearted and full of sorrow. In my first 3 articles I hoped to stimulate some new interest in our lodge to improve attendance. So far there has been no improvement in attendance or participation. We still have our Past Masters and a few brothers who do an excellent joh in helping, thank God for this, hut no new faces. If this trend continues the net result can only he to close the doors.

We have had candidates each month and will continue thru May. We welcome Robert Huffman who was mde a Master Mason in February. We have several candidates for March and one for April.

Dates to Remember:
April 6, Stated Meeting.
April 13, E.A. degree, 7:00 p.m.
April 20, F.C. degree, 7:30 p.m.
April 24, Special Fellowcraft party.
April 27, M.M. degree 5:30, dinner at 6:30.
May 4, Stated Mceting.

We have purchased new jewels for the lodge and are presently looking at new aprons. Come see them at our April stated meeting.

Our Monitor tells us:

The ways of virtue are beautiful. Knowledge is attained by degrees. Wisdom dwells with contemplation; there we must seek her. Let us then apply ourselves with becoming zeal to the practice of the excellent principles inculcated by our order. Let us ever remember that the great objects of our association are the restraint of improper desires and passions, the cultivation of an active benevolence, and the promotion of a correct knowledge of the duties we owe to God, our neighhor and ourselves. Let us be united, and practice with assiduity the sacred tenets of our order. Let all private animosities, if any unhappily exist, give place to affection and hrotherly love.

Summit City's annual Ladies Night Banquet, which was held on March 31st, is now an event of the past. We feel that this was one of the most successful events sponsored in recent years, as the banquet was well-attended hy our members and their ladies, as well as hy the widows of our deceased members. An excellent and inspiring address was given hy Dr. Herbert E. Smitb of Indiana University, whose humor, intellect and candid observations provided entertainment and interesting food for thought for all of those who heard him.

I would like to take this opportunity to express my appreciation for the efforts of the many members and friends of Summit City Lodge who worked to make the hanquet a success. An event of this magnitude cannot succeed without the cooperation of a loyal group of members who are willing to make some measure of personal sacrifice. The many favorahle comments received from those in attendance and particularly the expressions of gratitude coming from the widows of our deceased members who were with us on Ladies Night, leave no douht in my mind hut what our efforts were well-spent.

The next event which the members of Summit City are looking forward to is the visitation to the Bluffton Lodge which will prohably take place in May. Originally, we had thought that this visit would take place in January or February, hut the new Temple at Bluffton is not yet completed. We understand that degree work will he conferred for the henefit of eleven new Master Masons on the date that we will make our visitation, and the Fellowcraft Club and Officers of Summit City will have the pleasure of raising the evening candidate.

We are all looking forward to this visit, and feel particularly honored that our brothers in Bluffton selected our Lodge to assist them at the first meeting to be held in their new Temple.

Brethren: As the spring season approaches — let us all remember that there is work within the Lodge, as well as outside. If you have not heen attending Lodge — the Officer's invite you to "renew your acquaintances" and see what is happening. At the March Stated Meeting Worshipful Brother Delhert Dennis had a very interesting and educational Masonic Enlightment Program — for which those of us who were in attendance were grateful. New Haven Lodge No. 740 F.&A.M. has invited the members and cast of tbe play "Rose Upon the Altar" to their "Lodge Room" for presentation of the play on Wednesday, April 5th. All Masonic Brethren (whether or not you have seen the play) are invited to attend. A special issue — rather special issues — of the Indiana Freemason will he in puhlication beginning in June 1967 and running thru May 1968 commemorating the Indiana Sesquicentennial year. Subscription for the 12 issues is only $2.00. Your name, address, zip code number and check or money order should be mailed to: The Indiana Freemason, Box 58, Franklin, Indiana 46131.

The calendar for April is as follows:

April 4th, MM degree, Open 5:30 p.m. Dinner 6:30 p.m.

April 5th, Masonic Play "Rose Upon the Altar" at New Haven Lodge No. 740 F.&A.M., 7:30 p.m.

April 11tb, Stated Meeting 7:30 p.m.

April 24th, Veterans Hospltal Visitation, 7:30 p.m.

Plans are under way to honor our Past Masters, and a tentative date has been set for Tuesday, June 6th—lets reserve this date and pay tribute to those who have served us so well through the beginning and succeeding years. Continue with your prayers for our Lodge, our brethren — those who are ailing and hereaved — and for ourselves that we may do those things that are right and pleasing to the Supreme Ruler of the Universe.

Brethren: Another month has gone by. We are a month older and I hope a month wiser.

We bave two sick brothers, Bro. Art Jenne, who is in the Lutheran Hospital extended care unit, and Brother George Marks, who is in the St. Joe Hospital. Both of these Brothers have had heart attacks, hut are on the road to recovery which will be a long slow process and they can sure use some cheering up to speed their recovery. So Brothers give a little of your time and go see these brothers.

We had V. A. Hospital visitation on March 13 which was well attended and the Brothers out there are always glad to see us come and look forward to these visits. Our next visitation will be on May 1, 1967. Come out and help us cbeer the brothers up and speed them on their way to recovery.

Brothers, we still have our 10 for 10 program going which is for the construction of new facilities at the Masonic home so give to this worthy cause where so little does so much for the worthy recipients of our charity.

Brothers as a reminder that our dues are due and payahle as of Jan. 1 and if not paid hy March 1 there is an additional charge of $2.00 for delinquency whlch is to cover the additional cost of malling and bookkeeping. For varification of this statement, see you by-laws and Masonic Directory printed Sept. 1, 1961, article No. 6, Dues.

Our Brother Moe Mitzman who underwent surgery is back in our fold and coming along fine. Congratulations Moe.

We hope many of you will be able to attend and make a big Master Mason night with full form and lots of good support. There is opportunity for everyone to participate in any capacity that you would enjoy doing.

Please don't overlook your dues. Brothers, as we must hegin the unpleasant duty of sending warning notices this month to delinquent members. Make the work load of our Secretary, Franklin Bryan, a little easier by sending your check in now.

It doesn't seem possible that the first quarter of this year is about over. The world of nature is slowly awakening from the long sleep of winter and once again we will be able to view the handiwork of the Creator of all things. Masons should ever he aware of the glories of the Grand Architect of the Universe.

I am most happy to report that our attendance at all of our meetings is on the increase. We had one hundred and fifty three brethren present for our ham and bean dinner in February. We have been averaging about fifty members at our regular meetings. Those of you who have not joined with us yet this year we are still looking for you.

Saturday evening, May 6 will be the night we honor the wives and widows of Sol D. Bayless. Keep this evening open as we are planning something a little special.

We are planning an outstanding evening for our Master Mason degree in April. At this time your officers are planning a sausage and sauerkraut dinner to be served at the temple at 6:30 with the second section to follow at 7:30 so come join with us.

June the 24th will be St. John the Evangelist day. The members of Sol D. Bayless "or any other lodge" are invited to attend the 11:00 a.m. service at the First Presbyterian Church. Lets have a good turn out this year.

The weekend to remember is the weekend of July 1st. Saturday, July 1st we rededicate the Masonic Temple in the afternoon and then in the evening we will have our 100th birthday dinner. At the time we will have all of the Grand line officers with us. Then on Monday, July 3 we will have our July stated meeting and July the 4th will be the district wide Masonic picnic at Franke Park.

As we continue our search for more light in Masonry, may we be ever mindful of those early lessons we were taught when we first entered the portals of Free Masonry. One of the most important of these is charity. The dictionary defines charity as Christian love, or relief to the unfortunate and needy. Also being kindly and lenient in judging others. We must first of all remember before we can expect all these things from others we must show Christian love to others. We must also go out of our way to help the unfortunate and needy and most of all we must judge as we would want to be judged. When we can do these things my brothers then the light of Free Masonry will truly shine much brighter. May we always be charitable in our thoughts, actions and deeds, ever remembering our faith may be lost in sight, our hope ends in fruition hut charity extends beyond the grave, through the boundless realms of eternity.

Wherever you go and whatever you do may the strength and wisdom of God be with you ever and may you continue to grow in Masonry.

Brethren: What is being done by Masons of today?

I have pride in our glorious past just as you must have. I am proud, just as you are proud, to be a member of a Fraternity that has thousands whose names have been emblazoned on the pages of our nation's history. But we should not be content to live upon the honors won by Masons of another day.

Today Masons are to be found in the highest national, state, county and city government offices as well as many other responsible positions. They carry out their responsihilities and their duties in accordance with obligations they assumed within the Mystic Circle — the same obligations by which you and I are bound.

There is no limit to the work that there is for Masons to do, and we are not living up to the traditions of the past if we are not giving something in time and effort to civic and social affairs. Why not take a more active part in these affairs now?

We have a very fine Masonic Education Committee that is giving inspiring and interesting short talks at our Stated Meetings. Plan to attend and hear them. We will also have a report on the building progress.

I would like to give special thanks to the officers and the members doing work in the lodge for their fine ritualistic work. What a great job they are doing at your lodge!

This month's calendar will be as follows: April 5, Stated meeting, 8:00 p.m.; April 12, Entered Apprentice, 7:30 p.m.; April 19, Fellow Craft, 7:30 p.m.; April 26, Master Mason, 5:00 Open, 6:00 dinner, 7:00 second session.

If you haven't paid your dues, they are past-due. Please send them in immediately. Help support the 10-for-10 Program.

See you in lodge.

Let us put into this coming year
God's Love and Good each day;
That this may be a year of
Peace on Earth in His own way.

We are entering this new year with newly elected and appointed officers. A year full of hopes, of optimism and of promise. Our hopes and aims are one — let us pray that our rewards may be the same.

Installation was held at the I.O.O.F. Hall on March 24th at 8:00 p.m. The installing officer was Sojourner Zelma Stamper, P.S.W.H.P. from Kettering, Ohio. She was assisted by Sojourner Pat Manecke, P.W.H.P. as installing Herald; Sojourner Evelyn Hanes, P.W.H.P. as installing Chaplain; Sojourner Lela Smith, P.W.H.P. as installing Scribe; Sojourner Joyce Diggins, P.W.H.P. as installing Organist; Sojourner Fanny Bickel, P.W.H.P. as installing Guardian; and Color Bearer William Stamper, from Kettering, Ohio. The soloist was Marilyn Miller, daughter of our Watchman of Shepherds. The decorations were carried out in red and pink. Sojourner Vancha was escorted by her son, Randy, around the cross and was presented a rose by each of the cross officers. The soloist sang "Let There Be Peace on Earth". The W.H.P. was presented with a gavel by her son. Sojourner Richard was escorted by his wife, Doretha, around the cross and his daughter sang "Gentle Hands" to our Watchman of Shepherds. As the Chaplain was escorted to her station, she was presented a Bible by our Watchman of Shepherds as a reminder of her important trust. Sojourner Tama and Clarence Christopher, Jr.; past officers were presented for the Bible signing ceremony. They were presented copper bookmarkers for their own Bibles as a remembrance of the ceremony. They also were presented the past officers jewels from the Shrine.

Installation was closed with this thought:

This is the year that my dreams have come true;
I've learned that God and I are just one not two.
For His is the purpose; His is the plan;
I've followed in doing the best that I can.
This is a wonderful year to live;
A wonderful year to give and to give.
A year in which to love, help and pray;
Knowing that God will lead the way.
So thanks to God for all my dreams come true,
For the understanding we are one, not two.
For the love of people, for His great power,
For this wonderful year, this day, this hour.

The officers and guests who were at the installation enjoyed refreshments in the dining room of the Hall. The serving table was complimented with a center piece of red roses in the shape of a heart containing the Cross and Staff made of white mums. Punch and dainty cookies were served to the guests.

Faith Shrine Rummage Sale will be April 1st. Contact Sojourner Gwen Shroyer, Cleo Munson, Fannie Bickel or the W.H.P. if you have rummage.

Greetings Sojourners: As we come to the close of another year, there are mingled feelings in my heart, those of gratitude for the honor that was conferred upon me a year ago, and humility as I think of the responsibility that was mine. At this time many of our members are looking ahead to college in the fall. This is also a time when DeMolay has a great setback in its membership and attendance. Both of these events can be linked very closely together. The chapter would like to remind you who will be leaving high school and attending school in this area that it is still your responsibility to support the chapter in any way you can.

Also at this time we begin to think about the upcoming Conclave at Ball State Uni. Again this year Ft. Wayne Chapter will have a large quota to fill. Any member interested in going to the state conclave is asked to see the Chapter 'Dad' at a meeting in the very near future. This year the cost for the conclave will be 25 dollars.

Several dates should be set aside for the coming month. The Mother-Son Banquet to be held on May 17, at 6:30 at the Masonic Temple. In addition to this both the Initiation and DeMolay Degrees will be given on Saturday afternoon, May 20.

Along with the ending of the year in June will come the presentation of awards. Because these awards must be ordered in advance it will be necessary for the Merit Books to be turned in to the Awards Advisor later than April 19 for you to receive your awards on the 24th of May.

The Mother's Circle will be guests of the Eckrich Meat Packing Co. on April 17, 1967. The hostess will be Mrs. Gene Auer and Mrs. William Turner.

Sisters and Brothers:

As our new year begins, we consider it an honor and a privilege to serve as your Worthy Matron and Worthy Patron. We fully realize it will be a great responsibility and will take a lot of thought and prayer, but we are looking forward to serving this wonderful Chapter to the very best of our ability.

We shall ask God for divine guidance, and you for your love and cooperation. Let us work together so that the light of our Star may send out its brilliant radiance and make our Chapter a place of Unity and Peace.

Eleanor and Andy Costello

Installation was held Saturday, March 25 in the Commandery Room with the following officers assuming the obligation: Worthy Matron, Eleanor Costello; Worthy Patron, Andrew Costello; Associate Matron, Marjorie Rodemeycr; Associate Patron, Robert Waldo; Secretary, Vera Hayden; Treasurer, Helen Helms; Conductress, Louise Biedenweg; Associate Conductress, Marguerite Arnos; Chaplain, Evelyn Lewis; Marshall, Dorothy Finnell; Organist, Lucile Mumaugh; Adah, Marjorie Isley; Ruth, Margaret English; Esther, Ethel Daub; Martha, Virginia Curtis; Electa, Elsie Brown; Warder, Charles Lewis and Sentinel, Max Ensley. Patricia Walker will serve as prompter and William Knauer as march director.

The Commandery Room was beautifully decorated in the theme for the year, "Our need for daily spiritual guidance." The backdrop in the East revealed a painting of Christ and an open bible resting on a billowy cloud, symbolic of how His word came down from the Heavens. In front of the podium the Worthy Matron's emblem of the open Holy Bible within the Star was surrounded by fern. Beauty vases in back of each point station contained white roses centered with the bells of Ireland, the flowers chosen for the year. On a bed of moss green satin in the West was the Heart of Gold with a white rose.

Clayton L. Herrick, Past Grand Patron, was the Installing Grand Officer. Assisting him were Installing Grand Marshall, Patricia Walker, past matron and Installing Grand Chaplain, Helen Howard, past matron. William Wetzel served as Installing Grand Organist. Past matron, Bea Proctor gave the obligation to the new officers. Prayer was offered by the pastor of the New Haven Methodist Church — the church of our Worthy Matron and Patron — Dr. Gerald H. Jones, 33°.

The Worthy Matron was escorted East thru an aisle formed by appointive officers who served when she was Chaplain and her chosen appointive officers. The escort formed an arch by holding wands entwined with white roses from which gold hearts were suspended. Frank Bidlack, past patron, accompanied by his wife, Joyce, sang "Thru the Years". Her escorts were her two sons, Arthur and Drew, and they were met by Arthur's wife, Susan, who presented a floral tribute.

Worthy Patron Andrew Costello was escorted by sons, Arthur and Drew, thru an aisle of past patrons wearing their red vests. Sister Carol Munk sang "May Each Day" to Brother Andy before be assumed his station in the East.

Marshall Dorothy Finnell was escorted to her station thru an aisle formed by her appointive officers and those who served with her when she was an Electa point. Her grandchildren, Dawn and Douglas Coil, welcomed her with flowers.

Sister Eleanor's "Fraternal Mom", Sister Pat Walker, presided during the bible signing ceremony at the altar.

The newly installed matron and patron were presented the presiding Worthy Matron and Worthy Patron jewels by retiring officers. Dorothy and Forrest Finnell.

The Worthy Matron has chosen for her year the motto "Keep close to God and His teachings and follow His Star. The stars have always been God's messengers to bring Truth, Love, Unity and Peace to mankind." Her scripture guidance is Psalm's 5:3 — "In the morning will I direct my prayer unto Thee, and will look up." The Psalmist found courage to begin each day through the act of linking his life to God. He believed that the greatest need of the day was spiritual guidance. Her daily prayer for us all will be, "As we lift our eyes and hearts in grateful thanks to Our Heavenly Father, may we bave the courage of truth, the blessings of love, the optimism of unity, and the hope of peace."

Following the installation, a reception was held in the dining room which was decorated in the colors chosen by the Worthy Matron, moss green and gold with a touch of white. The refreshment table was centered with flowers and crystal holders held white tapers. Moss green streamers from the centerpiece revealed the Worthy Matron's watchwords, Truth, Love, Unity and Peace. Gold pedestals holding white bibles alternated with candles in star holders down the serving tables. The backdrop was centered with a large Heart of Gold surrounded by three-dimensional gold and silver stars. Inside the Heart were the other emblems of the open Holy Bible within the Star. The revolving colored lights picked up the glitter of the stars for a perfect climax to a glittering evening.

Before we look ahead to the new month, let's recall the last two stated meetings. New members and affiliates were honored at the March 2 meeting when the choir sang a parody to "The Old Gray Mare" as they formed a semi-circle in the West. They were presented a remembrance from chapter. We were pleased to have Bethel No. 128 of Waynedale present some of their drills, songs and ritualistic work of Job's Daughters. The East was decorated in their honor with a Job's Queen. The charter was in the West as we paid tribute to Arizona Schaefer who has passed thru the door to her eternal home.

Mary Knauer, Sister Dorothy's "Fraternal Mom", presented her with a past matron's ring from chapter. Brother Forrest received his ring at the March 16 meeting, which honored the retiring officers. At this meeting Eleanor and Andy were escorted to stations throughout the room in search for the key to the treasure chest, the Finnell's emblem symbolic of all they hold dear. At each station a clue in verse was given and they were presented ribbons in the colors of the star points. Brother Forrest had the key which unlocked the chest to reveal a beautiful white OES bible, which he and Dotty presented to Eleanor and Andy as a gift of love and good wishes for the coming year.

To our outgoing officers, we are grateful for your loyalty and leadership thru another successful year for our chapter. We begin our year where you pause in your labors—striving for the same measure of success.

At our first meeting on April 6 a reception for new officers will be held. A stated meeting will be held on April 20.

The following committees will meet at the home of the Worthy Matron during the month: Program, April 4; Visiting, April 10; Decorating, April 12, and Nonpareil, April 18. Social and Officers will also meet with ber on dates to be announced. Sister Eleanor will be assisted by Marjorie Rodemeyer. Past Matron's will meet April 11 with Helen Herrick. Choir will meet April 13 and Starlight Guild April 27 at a place to be announced.

The Growth and Glory Session of Indiana Grand Chapter will be held at the Murat Temple in Indianapolis April 23 thru 26. We've been planning and looking forward to the installation of Maxine Mosier as Worthy Grand Matron and hope to see Fort Wayne Chapter well rep-

From Address hy W. W. Johnson
P.G.M., New York

The future welfare of mankind depends upon whether individual men and women of principle and character will he left in this world. If so, they will leaven the lump; if not, the world will become a useless elod of earth.

By contrihuting to the huilding of moral principles and sterling character in individual men, Masonry is demonstrating its greatest glory and fulfilling its greatest destiny. If Masonry is loyal and bolds fast to its true purpose it can do much to shape the future course of the world.

Whether or not we are Masons is not demonstrated by what we say ahout ourselves or hy mouthing Masonie ritual and precepts. It is demonstrated by what our individual lives and conduct say about us.

At this time I would like to thank the Ritual Committees and their casts for a joh well done on the Orders portrayed last month. Also thanks, to our Organist SK Popp for the fine music which made the Orders a lot more impressive.

Plans for the State Conclave are well under way. The programs are being sent out. Here is a hrief summary of the program; Fort Wayne Commandery will open and turn the Commandery over to the Grand Officers Friday morning. There will he lunch, supper and Religious service at the Masonic Temple on Friday. Saturday morning will he Grand Commandery Election aod installation followed hy lunch, a parade, and Drill Competition at the Memorial Coliseum. In the evening will he the banquet and awards at the Scottish Rite. The ladies of the Beauceant will have Coffee hours for all at the Masonic Temple hoth Friday and Saturday mornings. A luncheon at Wolf & Dessauer's Friday afternoon along with other entertainment is planned to keep the visiting ladies pleasantly occupied while the men are at the business conclaves. Present plans are that there will he ample transportation for all.

My thanks to SK James DeMond for the following information on the Eye Foundation: Our major Templar philanthropy, "The Eye Foundation" has instituted a Permanent Endowment Fund financed hy receipts from Life Sponsorships at $30.00 each.

Only the ioterest from this fund may be used to finance corrective eye surgery, not the principal. The demand for such treatment has increased steadily with our growing population.

The $30.00 donation is tax deductible to you and eliminates the $1.00 per member assessment levied on our Commandery. Our ME Grand Master Wilhur E. Bruecker has directed every Commandery to acquire at least 10% participation this year, so please give this worthy project due consideration and sign up now! A budget plan can be worked out with our Recorder. Let's do our best to be at our quota by Conclave time — May 12th.

We extend our sympathy to the bereaved, and wish a speedy recovery to SK John Kayser and all Sir Knights who are ill. It was nice to see SK Gray Wagner up and about.

At preseot we need drivers for cars and elevator operators at the Temple Friday and Saturday. Anyone who can help in these johs or in any other cootact SK James Johnston or myself.

Drill Corps News

If you just happened to be in the area of the Temple and you hear the shuffling of feet or the echo of a voice resembling that of a 1st Sgt. it's our Drill Corp Commandant SK Harry Haller working on his troops in preparation for the State and Triennial Drill Competition. The Drill Corps has just received the Drills for the two Conclaves which are the same. Any of you Sir Knights that want to share the pleasures with us please feel more than welcome to join our Drill Corps. This is also a direct Invitation for any of our Blue Lodge Brothers to think about York Rite Masonry. It's not only spiritually fine culture with all its pageantry, beauty, and good companionship, but also offers many, many opportunities to participate with others. Let's face it — We need you aod you need us. As Drill Corps President I speak io hehalf of our fine Corps. Our motto is: "By you — For you — and With you." Take advantage of this opportunity, join our ranks; you will be happy that you did and so will we. We extend to you our welcome to visit our heautiful facilities on the 5th floor. We assure you that our room is one of the finest.

Our Drill Corps has heen hlessed to have one of Fort Waynes finest organists SK Arthur Popp to provide any kind of music desired. I know that you will agree when you hear those mellow tones in the background. Congratulations Arthur! You certainly do a fine joh.

At this time I would like to salute one of our Past Commanders Gray Wagner. It's nice to have you back. As Gray has heen on the sick list for some time we are happy for your recovery along with the many others who have been ill. Of course Gray is still grounded for awhile, hut who knows, maybe the next time when you are out getting a hit of fresh air, and you hear that familiar sound of a Comanche airplane, it will probably he Gray getting in a little stick time. Better still drop out and see him. He's a great lover of antique cars and he has some heauties, for example, a 1907 Brush, a 1911 Hupmohile, a 1932 Chrysler Phaeton, a 1953 Packard Carrihean, and a 1953 T.F. MG Sport Roadster. Maybe one of you could be a lucky driver of one in a parade. Anyway drop out and say Hello at 7337 Leo Rd. Gray says you are always welcome.

So much for this month — Until we meet again,

Your Drill Corps President, Harold Hamrick.

There are several signs of nature and events to tell us spring is in the air. Easter has come and gone. We hope you had a very happy Easter day. It is a wonderful feeling to know we Americans can attend the church services of our choice on such a day. May we pray to God that we always retain this privilege.

On February 20 the Grand Lecturer held a lodge of instruction for inspection at Fort Wayne for all chapters in this area. We are going to be inspected on the Mark Master Degree. We hope if you are called upon for assistance you can help in this effort. This degree is under the leadership of Bob Gahman who has heen working hard to line up his cast for inspection and degree work. Watch for the announcement of the April date for inspection.

Our stated meeting dinners have been atteoded very well this year, but there is always room and food for more of our Companions and lodge brothers. At the March meeting oyster stew was enjoyed by all. We would like to thank each and every Companion and their ladies who have given their time and efforts to make our dinners a success.

It looks like the coming month might be busy for us as we sbould have a candidate start his work in April. A post card reminder will be sent for this meeting also.

The Grand Master of Masons in the State of Indiana has issued a Proclamation to request and urge all Master Masons within the Jurisdiction of the Grand Lodge of Indiana to wear the Square and Compass, tbe universal emblem of a Master Mason, daily during tbe Jubilee Year starting June 24, 1967. Lets not let our Grand Master down but instead start wearing ours at once as a testimonial of respect and esteem for tbe Ancient Craft Lodge.

When I hear of the things that have been accomplished by Masonry in these years, I feel yet again humble but very proud, that I too can be a part of this great work.

The Tijuana Brass Group and the Trumpet Treo from New Haven High School entertained to the enjoyment of all.

A big thanks goes to them and all the people that helped make the banquet and program the success that it was.

Perhaps the most fabulous character ever to color the pages of Western history was Kit Carson, who in the words of H. L. Haywood "towered above everybody in the west for fifty years," in American history belongs not in the same world with the ordinary "Indian fighters" but in a world along with Franklin, Washington, Zebulon Pike, and Andrew Jackson.

Christopher Carson, described in a biography by Mervin B. Hogan as a natural gentleman, diplomat and greatest of all American guides, was born in the same State and year as Lincoln—Kentucky, 1809. When he was a year old his parents moved to Missouri, where an aging Daniel Boone cast longing eyes toward the Rockies he was too old to explore. Boone had led white settlement to the Mississippi; Carson was to pick up where Boone had left off, and hold open for the first wagon trains the door to the mighty West.

Carson received the degrees of Masonry in Montezuma Lodge No. 1 (then No. 109, Grand Lodge of Missouri) at Santa Fe, New Mexico —the Entered Apprentice on March 29, Fellow-Craft June 17, and Master Mason December 26, 1854. He demitted from Montezuma Lodge April 30, 1860, and became Junior Warden of Bent Lodge No. 204 (Missouri Warrant) at Taos, New Mexico. Bent Lodge surrendered its charter about 1865, and Carson reaffiliated with Montezuma Lodge, retaining his membership there until his death on May 24, 1868.

In Carson's day some of the Kansas and Missouri volunteers in the war with Mexico carried blank warrants from their Grand Lodges. It was through authority of such a warrant that Montezuma Lodge was constituted.

Kit was not yet ten when his father was killed by a falling tree. His mother apprenticed him to a saddle-maker when he was 15, but he ran away to join a caravan setting out on the Santa Fe Trail, earning his way as he went. The hard-bitten mountain men in the caravan accepted with amused tolerance the sawed-off, erect, skinny, freckled youngster, silent and dignified, who carried an old flintlock that was longer than he was. The saddler advertised for his missing apprentice, hut no one collected the one-cent reward he offered.

Carson quit the expedition at Bent's Fort, a large trading post at the foot of the Rockies. Remaining there to work, he became the close friend of young Charles Bent, who was to become his brother-in-law, a Mason, and first Territorial Governor of New Mexico. Carson became one of the "mountainy men" who trapped beaver in the Rockies. But it was in Indians, not beaver, that Kit was interested. He studied them, lived with them, learned their languages, became their trusted friend, and as age crept upon him was to become, at Taos, the greatest Indian superintendent the country bas ever had.

After ten years of trapping, Carson knew the Rockies from Montana to Mexico. He had learned the half-breed's French, Mexican Spanish, Arapabo, Apache, Blackfeet, Commanche, and Ute, as well as tbe sign language. He could read sign and identify hoofmarks on his own borse and those of many another well-known westerner, of red men, bad men, mountain men, and from a moccasin print could tell the tribe of its wearer.

Having his own fur business for a while, Kit selected from tbe best trappers of tbe time a group that became known as the "Carson Men." In a disorganized society they formed a nucleus of rough-and-ready law and were noted for their honesty and courage. They were formidable as a fighting unit, and after defeating an attack by 200 Blackfeet, Carson became known to the Indians as "Little Chief."

The following spring Little Chief rode down from the Wyoming mountains to a camp where a teen-age Arapaho girl, Waa-nibe (Singing Grass), was performing the spoon dance for a group of mountain men. Kit rescued ber from one of the men who sought to force his attentions upon her. That night he entered her tepee and sat down beside her, whereupon her father ceremoniously laid his blanket across their shoulders. Kit called his bride Alice, and treated her as no squaw had ever heen treated before. She was loaded witb gifts, taken where he went, mounted on a fine horse — presently with a papoose on her back. He named their child Adeline. Returning from a buffalo hunt in 1839, be found Singing Grass dying.

But she had lived not in vain. From Alice Singing Grass, Carson had learned to respect the red brother and understand what was honor to an Indian. She had taught him pity for the wilderness princes who defended their lands against the march of civilization. He never provoked an Indian attack, never let his men fire on squaws, never cheated an Indian. The cruelty of other whites disgusted him. He was the greatest Indian diplomatist in our history, and through his understanding of the Indians be saved more lives and won more territory than in all his battles with them.

After Waa-nibe's deatb Kit took his daughter to nuns in Missouri. On his way back he met young Lt. John Cbarles Fremont, then a green tenderfoot, whose assignment was to explore the passes of the Rocky Mountains. He bired Carson as guide, and tbus began an enduring friendsbip. Fremont's reports made Carson famous in the East, and Carson carried Fremont to fame by showing him the way through the Rockies and opening the Overland Trail for the Forty-niners.

Kit guided Fremont on his three greatest expeditions and led his guns to Sutter's Fort before General Phil Kearney, officially appointed to take California, had ever left Texas. Carson galloped east with news of the victory for the White House. But in New Mexico he met Kearney, poking along with his infantry. Kearney gave the dispatches to another messenger and ordered Carson to guide him. Before Carson left, Kearney advanced into a Mexican trap—beaten surrounded, cut off from water. Although messengers failed to get through to the American garrison at San Diego, Kit volunteered to make another attempt. Through two nights be crawled on his belly, among rattlesnakes and cactus, losing his shoes. Barefooted in the cruelest of deserts, be continued until he reached the garrison. This time he was allowed the honor due him and carried the news to Washington. There President Polk handed him a commission in the Army, but Kearney's jealous intrigues caused Congress to refuse confirmation. For his two years' service with Fremont, Carson was not allowed one cent of pay. Later, however, he served in the Federal Army in tbe Civil War and attained the rank of brevet brigadier general.

The first Forty-niner victims of the Apaches on the Santa Fe Trail were in the party of a merchant going west to trade. One boy escaped, reaching Taos with tbe story of the attack, and Major Grier immediately took off with a rescue party. In the group was a mild-mannered, undersized ranger wbo avoided profanity and seldom spoke. Those who mistook his mildness for effeminacy did not always live to regret their misjudgment. This wiry little man unraveled the scattered trails of the Apaches, and sbowed Major Grier the Indian camp before its sentinels spied them. But the major delayed, the rescuers were discovered, and the redskins left so rapidly the soldiers didn't fire a shot. All the Indians left was the body of the merchant's wife.

In her baggage the remorseful major found a dime thriller about a fellow named Kit Carson. Upon being sbown this chronicle of his exploits (eastern version), Carson sbook his head and commented: "They laid it on pretty thick!"

Even while be lived, Carson was a legend. Yet many of his most famous escapades were true. An Apache bullet DID pass through bis bair. A bad man's rifle WAS fired so close the powder burned Kit's cheek. He DID dash through a hail of missiles wben ambushed by 50 Commanches. Men said his life was charmed, but bis magic was largely a knowledge of Indian ways.

Eventually settlers moved in, and Kit settled down. He went into ranching and became one of the West's earliest cowboys. He bred borses and mules. He drove 6,500 sheep from New Mexico to California, where they were readily sold. The old Indian fighter was showing the way to prosperity through the industry of peace.

Aged early by hardship, Carson found bimself in failing health. Yet he stood by his Indian friends and went all the way to Washington with a delegation of Ute chiefs. He became ill at Fort Lyon, Colorado, on his way back, and a doctor was summoned. The doctor shook his bead; Mr. Carson might live some time—on a milksop diet.

But this was not for an old frontiersman. Kit gave him a look from those mild blue eyes, then called his servant. "Cook me some fust rate doin's," he said. "Buffalo steak, strong coffee, and a pipe of tobacco is what I need." Hemorrbage followed this mountain-man's meal. "I'm gone!" Kit exulted. "Doctor, compadre, adios!"

Greetings: Its all in how you look at it I guess.

When the other fellow takes a long time to do something, he's slow. But when I take a long time to do something, I'm thorough.

When the other fellow doesn't do it, he's too lazy. But when I don't do it, I'm too busy.

When the other fellow goes ahead and does something without being told, he's overstepping his bounds. But when I go ahead and do something without being told, that's initiative!

When the other fellow states his side of a question strongly, he's bullheaded. But when I state a side of a question strongly, I'm being firm.

When the other fellow overlooks a few of the rules of etiquette, he's rude. But when I skip a few of the rules, I'm original.

When the other fellow does something that pleases the boss, he's polishing the brass. But when I do something that pleases the boss, that's cooperation.

When the other fellow gets ahead, he sure had the lucky breaks. But when I manage to get ahead, Man! Hard work did that!

Funny, isn't it — or is it?

With the onset of warmer weather and the summer months being just around the corner, there is always a certain inclination to forego the weekly Friday night Lodge meeting in favor of more pleasurable delights, such as a drive-in movie, an evening at home in the yard, or some other seasonable activity which offers an advantage over the musty halls of the Temple.

I would like to take this opportunity, however, to remind all of the Bretbren that the month of May promises to be one of the busiest ever for Summit City Lodge, with five candidates to be initiated on the second Friday and possibly two more holdovers for the Fellowcraft and Master Mason Degrees on the third and fourth Fridays. This means that we can use all the help that we can get, particularly at the meetings during which we will be conferring the Entered Apprentice and Master Mason Degrees. If there are any of you who have an interest in a particular candidate and would like to participate in the ritualistic work this month, please let me know as soon as possible as I bave already had several requests for parts on particular candidates, and relative to the order in which candidates will be taken for degree work. We will endeavor to accommodate everyone as best we can. However, please get your bid in soon if you have a preference, as we want to arrange the work this month so that all who desire to participate may have an opportunity to do so, if possible.

Don't give up on the Bluffton visit. I've contacted Brother George W. Miller, Worshipful Master of the Bluffton Lodge, and have asked him to give us a definite date. I'm confident that the Brethren of the Bluffton Lodge still want us to belp them dedicate their new Temple by raising one of their new Master Masons in full form. Our Fellowcraft Club has worked hard to be in top form for this occasion, and I aim to see that its Members are not disappointed.

Incidentally, a more or less "official count" of those in attendance at our Ladies' Night banquet has disclosed that in excess of 525 persons were present, making this the most successful Ladies' Night, attendance-wise, in the history of tbe Lodge. Thanks, again, to everyone — speaker, entertainers, kitchen help, ticket committee, Fellowcraft Club and members — who helped to make the Banquet a success.

I'll see you at the May meetings. Perhaps a busy May in a hot Lodge Room will help condition us for what will no doubt be an even stuffier siege in June.

But cheer up, brothers, as you can rest assured that a long, cool recess lies ahead for all, with no inconvenient assemblages in dusty gravel pits, quarries, bollows or the like, either planned or contemplated.

Brethren: Grand Master Joseph L. Bridwell has proclaimed a general and simultaneous observance of the Feast of St. John the Baptist by all Lodges in the State of Indiana to be held on Sunday, June 25, 1967 in order that our Jubilee Year may begin witb reverence. In conformance with this proclomation — I cordially invite "All" members of Three Rivers Lodge to observe the Feast of St. John by attending services at the First Church of God — located at the corner of Wildwood and Piqua Avenues — on Sunday, June 25th at 10:30 a.m.

Past Master Delbert Dennis urged each and every Member of Three Rivers Lodge to become Master Masons — rather than just Members of the Fraternity — by their actions, wearing of the emblem, and attending Lodge — in the Masonic Enlightment program presented at the April Stated Meeting.

Plans are progressing for the Past Masters night to be held on Tuesday, June 6, 1967 at 6:30 p.m. A special program is being arranged — and in addition several members will be honored by receiving their 25 year pins — so circle this date and plan to attend. We owe it to our Past Masters to honor them — and the best way of doing this is by your attendance — so we will see "you-all" there.

Past Master Hoyt Q. Campbell urged all members to attend tbe St. John the Baptist observance by joining with the Master in attending his Church (referred to in the first paragraph).

Dates to be remembered are as follows:

Brotbers another month has rolled around. We are a month older and I hope wiser. The grass is green and the birds are here and busy building their nests in preparation for the coming of their prospective families. We should take a hint from these, God's children of nature, and be preparing for our own Masonic future by helping a weary brother in distress and sickness, by visiting them and endeavoring to cheer them up in time of trouble and help them on the road to recovery. This means so much to them and gives them hope, which is the staff of our spiritual life here on earth. We never know when we will need this solace in our own time of need.

We had two Brothers who passed on to that spiritual house not made with hands, eternal in the heavens. Bro. Russel Arroson of R. R. 1, Coldwater, Mich. and Bro. George R. Marks of Fort Wayne. The family of these brothers have our deepest and heartfelt sympathy.

Brothers we have a July 4 celebration coming up which will be held at Franke Park in Fort Wayne. Festivities will start shortly after 12 noon and continue until around 5:30 p.m. All Lodges in this area are participating along with all affil- orders including the DeMolay Jobs Daughters. There will b speaker and other activities for yo and old alike. Come one, come and have a good time with us.

One of our Brothers has been on the sick list recently. Brother E. L. Bumgardner at 7530 Wayne Trace. He would appreciate seeing or hearing from you.

The Lodge will have degree work again for Monday, May Ist, and very probably for the balance of the month and first of June. Come on down and support the work.

Remember to wear your square and compass jewelry and on your coat lapel during this Jubilee Year, regardless of other organizations you may belong to. Show the world that you are first and above all a Master Mason!

Have you paid your dues? If not—you are delinquent, and are urged to attend to it now.

There were two young men who decided they wanted to enlighten themselves and seek additional education. In due time they selected one of the nations outstanding universities for their studies. The one young man became quite enthralled with his studies and continued to apply himself and benefit from that which he had already learned. He also continued to study and seek more light in his chosen field and as a result he continued to grow and prosper not only in his chosen field but with others he came in contact with. He was also quite proud of the fact he had worked and studied at this particular university. The second young man after a year or so of studies felt he was well informed enough and discontinued his studies. He was quite ready and willing though to tell evcryone that he had studied at the university but he always failed to mention that he had not carried his task to completion. He had soon become weary of the search for more light.

Are you still studying, searching and growing in your Masonic teachings or have you become weary of the search and have become a Masonic dropout? Are you content to say "Oh yes I am a Mason but I couldn't get in lodge because I haven't been there in 10 years." Why not continue that search for more light. The day you were raised to the sublime degree of a Master Mason was not the end of your Masonic search for light but just the beginning. Are you still standing there in your 3rd degree waiting or are you seeking that which was lost. Brethren don't short change yourself. Don't waste the price of a years dues just so you can carry a dues card. You are not fair to yourself or your Lodge. Take part in the activities of your lodge. It has much to give and also only when you are giving of yourself can you be truly happy.

Take an active part in Masonry. Don't stand on the side lines and let it pass you by.

We are busy with the plans for Centennial dinner to be held July the Ist at the Temple. There will also be a rededication of the temple at which time we expect the officers of all the bodies using the temple to be present. This is your temple so let us help rededicate it and then join with us at dinner.

Since my last article we have lost two brothers who have at last found that for which they searched. We held funeral services for Brother Bernard English and Brother Ralph K. Rowe. Our deepest sympathies to the families of our departed Brothers.

We are plcased to announce that Brothers Lynn K. Hardford and Robert P. Holman were raised to the sublime degree of a Master Mason nnd James R. Edelman was raised as a courtesy to Pleasant Ridge Lodge No. 282 F. & A.M., Cincinnati, Ohio.

Our attendance at stated meetings has improved but we still have room for a few more on the side lines. We have some fine entertainment planned to follow our stated meetings so come on down.

Saturday, May 6, 6:30 p.m. will be our annual Ladies nite at which time we will honor our Masonic wives and widows. Our speaker for Ladies nite will be the Rt. Rev. Msgr. Joseph Crowley, pastor of St. Joseph Catholic Church. Tickets are $3.00 per couple and may be obtained from any of the officers or at the office of the Temple.

An outstanding group sponsored by the Masonic Lodge is the Order of DeMolay. These are men who work with and under the guidance of selected Masonic leaders. They deserve your support. If you have never attended a DeMolay meeting I know you will find a warm and welcome greeting and just your presence will mean much to these young men. Our future Masons.

Brethren: What is meant by Freemasonry? During ancient times, Masons frequently were free from local laws. In some cases they were free from taxes, and were free to travel from country to country following their trade.

In modern days, however, some seem to think this means free from attending lodge, free from calling on sick, free from Masonic obligations, free from giving aid to your lodge and officers, frce from taking any part in the work, free from any responsibility and free with criticism.

Let us be the kind who do not want for free time in which to attend lodge. We are free to do as we wish about these things, but no one can be a Freemason in the true and fullest sense of the word unless he purchases that Freemasonry with his time and energy.

We raised two brothers to the sublime degree last month and have three petitions to vote on for this month. Our calendar this month is: Stated meeting, May 3, 8:00 p.m.; Entered Apprentice, May 10, 5:00 p.m.; Fellow Craft, May 17, 7:30 p.m.; Master Mason, May 24, 5:00 p.m. open, 6:00 p.m., dinner and 7:00 second section; Fellowship, May 31, 7:00 p.m.

On the 25th of June, we will celebrate the anniversary of St. John the Baptist. Plan to attend church with your Lodge in a body.

We are planning our Ladies Night banquet on the 27th of this month at 6:30 p.m. to be held at the Calvary E.U.B. Church, 6301 Winchester Road.

Hope to see you at Lodge.

Don't forget your petitions — we hope to have a large class on June 20th for our first ceremonial. How about trying for twenty petitions in our first class? Quite a challenge—isn't it? This will be the night we honor our Past Officers with a Shrine Birthday Party.

I would like to dedicate this tribute to My Mother and to wish all "Mothers" a very happy "Mothers Day".

Mothers

With gentle hands God made the flowers,
Fashioning them with care,
He brushed the sky with pink and gold,
Leaving a sunset there;
Beautified the earth with trees,
These works and countless others,
But for His greatest masterpiece,
God created Mothers.

Ruby Mowery, W.M.

At our April 11th meeting the Worthy Matron's Emblem, "The Open Bible within a large star", was in the East. In the West was a basket of wheat tied with a yellow ribbon. The roses at each Star Point were filled with pink roses. The officers in their beautiful pink gowns made a lovely picture.

The organist played "Prayer Perfect" as Sister Ruby was escorted to the East. Her greetings of "Welcome, Welcome" were enjoyed by all the members.

Our own Sister Sonoma Woodruff, a member of the Knights Templar Eye Foundation Committee of General Grand Chapter and Past Grand Matron of Indiana Grand Chapter, was presented at the Altar and greeted by the Worthy Matron and by a song from the choir, then escorted to the East and given Grand Honors. It is wonderful to have Sister Sonoma back in Indiana and at our chapter meeting.

Officers and sideliners all joined our Worthy Patron in an Obligation ceremony.

Our Worthy Patron, Brother Sheldon Leiter, also complimented the officers on their fine work and again expressed his desire for more members to be present at our chapter meetings. We, as members, should accept his challenge and fill the sideliner seats. The officers will be greatful for our presence and thereby encourage them in their work.

As the officers retired they formed a Cross with the Altar in the center and the choir sang, "The Old Rugged Cross."

This being officers' reception night they formed a reception line in the lounge and were greeted by the members, after which we all retired to the mezzanine for refreshments and a Social Hour.

When Irish eyes are smiling,
Sure it's like a morn in Spring,
In the lilt of Irish laughter,
You can hear the angels sing.
When Irish hearts are happy,
All the world seems bright and gay,
And when Irish eyes are smiling,
Sure they steal your heart away.

Two joyous moments to share — Worthy Matron Eleanor Costello had just taken her place in the East, after being installed, when the choir surprised her with this song. As the saying goes, she "broke up." Before she had time to fully recover, her youngest son, Drew, approached the East, addressed her as "Worthy Mother" — the audience joined Sister Eleanor in breaking up — and presented a gavel from her family.

Irish eyes were again smiling on April 6 when Sister Eleanor beheld the heart-warming number of sideliners as she and her officers took their stations for the first time in our own chapter room. In the opening march the officers formed a bible within a star, which is Sister Eleanor's emblem, and Carol Munk beautifully sang. The scripture guidance in the West was painted by Clara Bradley.

Sister Eleanor's fraternal "Mom", Patricia Walker, was invited to share the East and under her direction the Marshal, Dorothy Finnell, conducted the new officers to form a semi-circle in the West. The choir greeted them with a bit of Irish song. The Costello's fraternal "Pop", Frank Bidlack, was unable to attend so Past Patron Del Proctor expressed our good wishes to this corps of officers.

Sister Mary Knauer conducted a delightful ceremony initiating Dorothy Finnell into the Past Matron's Club. Sister Vera escorted Dottie first to the Electa station where she received from Eythel Smiley a tired-looking red rose (from her own dress); to Associate Conductress Irene Lyttle who presented her an iron worn from many hours of pressing satins; then to the Conductress station where Carol Munk gave her a well-worn pair of slippers symbolic of the many hours spent in traversing the chapter room; Helen Howard at the Associate Matron station returned Dottie's missing "little black book"; Mary Knauer gave her a gavel, and Marshal Pat Walker had the privilege of presenting the traditional purple past matron's candle, which Sister Esther Schaberg makes for each new Inductee. It wouldn't take Sherlock Holmes to detect that Brother Forrie had connived with the past matrons in making these treasures available!

Brother Andy read the committee appointments, the chairman of which are: Registration, Marion Ehle; Social, Pat McKinney assisted by Sara Louge; Decorating, Helen McClintock with Helen Sneed assisting; Visiting, Arlen Baumgartner assisted by Thelma Carter; Resolutions, Gladys Gruenwald; Choir, Jo Cecil with Carol Munk assisting; Program, JoAnn Vining; Examining, Marjorie Rodemeyer; Proficiency, Dorothy Finnell; Audit, Marion Goff; Budget, Bea Proctor; Relief, Helen Howard; Masonic Home Contact, Orvis Dellinger; Publicity, Beth Jacobs and Reception, Pat Walker and all Past Matrons and Patrons.

Our charter was draped in loving memory of Past Grand Matron Alice Kennedy, and our own Sisters Irene Williams, Lavinia Goodyear and Past Matron Flora Dornte.

Members ill: Sister Clara and Brother Herschel Bolyard, Sisters Bernice Parrot, Ruth Uebelhoer, Blanche Burton, Gladys Longfellow, Grace Johnston, Mary Stauffer and Laura Gebert and Brother Max Ensley. Illness in families: son of Jean and Guy Impton. Deaths in families: mother of Elsie Brown; grandmothers of Sondra Watters and Marilyn Martin; brothers of Carrie Burton, Emma Dunton, Estella Bill; sisters of Blanche Eastes, Clara Cooper and Brother Edward Uebelhoer.

The Bonnie Lassies (and Lads), as our officers will undoubtedly be known this year, formed a heart in the closing march. The very lovely voice of Sister Pat added impressively to the closing ceremony.

Following chapter the officers formed a receiving line on the mezzanine, where a reception in their honor was planned by the worthy matrons who were assisted by the Social Committee.

A stated meeting was held on April 20, at which time it was announced that the Costellos and Marjorie Rodemeyer would be our delegates to Grand Chapter.

The Murat Temple, Indianapolis, was the site of Grand Chapter April 24, 25 and 26th. Members of District No. 14 joined in the escort of Sister Maxine Mosier when she was installed Worthy Grand Matron on Wednesday.

A six o'clock dinner April 29 preceded the first inspection in the state by our Worthy Grand Matron. Fort Wayne Chapter served as host and had the opening and closing, while Star of the East gave the initiatory work. Again we are grateful to Deputy Virginia Miller for her labors in helping us prepare for this inspection. We were pleased and honored to have so many of the Grand Family with us, as well as the deputies from throughout the state. The M & M's, as the presiding matrons and patrons are known this year, were well represented, and the matrons of District No. 14 looked lovely in their red lace dresses.

A tribute to mothers will highlight the May 4th meeting and the sideliners will be the honored guests at the May 18th chapter meeting.

They huried Christopher Carson in the hleak plains cemetery of old Fort Lyon, with full military honors. But Kit had hlessed with new security more ground than any churchyard could hold—eight hundred thousand square miles of it, where the western winds go whispering about him through the pinon and the sage and the mesquite.

Brethren: Our Past Masters night which was beld on April 28th was well attended and the evening of fellowship will he remembered for some time. Our Wardens were in charge of the food and entertainment and they did their usual fine joh.

We have now started a worthy Brother on his way to Masonic Light and have set aside May 11th for his Fellowcraft Degree. I think each of us can look back to the time we were taking our work and remember that good feeling we had when a good number of our friends and brothers took the time from their husy schedule to see us through these special nights of our lives. There is notbing more pleasing to the officers and the faithful hrothers than to see the side lines well filled with hrothers lending their support. These are special nights and I feel that every member owes the Fraternity and his Lodge a debt of gratitude that can only be paid by his attendance at some of these meetings. I know that it is impossihle for each of us to attend every meeting hut I think with a little effort our Lodge Hall could be hulging at the sides.

At this writing three of our brotbers are in the hospital, a card or a visit would mean so much to them and yet would take so little time. Brother Herman Conrad is in Irene Byron and Brothers Byron Fleming and Richard Knisley are at Parkview.

See you in Lodge May 11.

There are still three very important dates for members of Ft. Wayne Chapter to note on their calendar. On May 3, we will he holding our elections for officers to serve during the fall term. The officers to be elected are Master Councilor, Junior Councilor, and Senior Councilor. It is important that those who intend to run for an office make their decision soon. It should also he noted that those members running for the office of Master Councilor he prepared to give their ohligations in open chapter the night of their nomination. The second date coming up is the Mother-Son Banquet on May 17. It is a vital part of our chapters activities and therefor every member should help support this event. And third, hut far from least important, is the Byard Smith Class to he held on the 20th of May. At this time both degrees will be given. Each member and officer should hring in at least one petition for this very special class.

The officers would like to thank all of the Scottish Rite Masons who supported our chapter hy attending the Initiatory Degree that was held at the Scottish Rite on April 4. We would like to remind everyone that attended that meeting of the fact that they are welcome to attend any of the other DeMolay meetings to he held this term.

And one last reminder that all merit hooks are due into the chapter hy the 1st of May.

Mothers Circle will meet on May 15th at the home of Mrs. George Duncan, 4008 Mound Pass at 7:30 p.m.

The Day of the "Degree Peddler"

Traveling Lecturers, or "degree peddlers," as the worst of them were called, gave Freemasonry one of its many difficult and unpleasant periods, beginning in the early eighteen-twenties and continuing off and on for nearly eighty years.

To understand "degree peddlers," it is necessary to understand the time in which they operated. Brother H. L. Haywood, in his Famous Masons and Masonic Presidents, gives one of the best descriptions of the time.

In the years before American Grand Lodges became independent, he points out, Lodges in the colonies had been chartered hy two Grand Lodges in England, the Grand Lodge of Ireland, the Grand Lodge of Scotland and some bodies in France. Versions of the ritualistic work therefore were almost as numerous as the Lodges. The situation became even more complicated after the American States became independent, for on all hands there were rugged individualists who wanted nothing that smacked ever so slightly of England. The thought of a uniform ritual was offensive to many. They wanted variety—with a little "classic" of their own invention injected now and then.

Grand Lodges were unable to impose a standard uniform ritual. That kind of suggestion would have been shouted down in short order. The next alternative, then, was the approval of Brethren well versed in some form of ritualistic work as Traveling Lecturers. They, says Haywood, more than any other agency, paved the way for uniform work which Grand Lodges ultimately adopted.

Lodges in Indiana were availing themselves of the services of Traveling Lecturers, with or without Grand Lodge sanction, at an early date. The minutes of Wehh Lodge No. 24, Richmond, record that in September, 1824, it engaged Brother Michael McLaughlin of Ohio to deliver a course of lectures covering a period of ten days, at $5 per day.

In the eighteen-fifties when Grand Lodge was unahle to agree on a system of instruction and had not the financial resources to pay the salary of a Grand Lecturer, there were numerous instances in which Lodges arranged for their own schools of instruction. Switzerland Lodge No. 122, Vevay, in January, 1851, the first year of its existence, hired a lecturer for one week at $20 and expenses. In 1855 Bluffton Lodge No. 145 invited "Brother Collins" to deliver a course of lectures for which the Brethren raised $25 in donations and gave Brother Collins a vote of thanks. In 1857 North Eastern Lodge No. 210 at Fremont gave its lecturer, "Brother Eminger," $15 and a vote of thanks.

As tht Fraternity began to recover from the effects of the anti-Masonic era, Grand Lodge leadership continued to grope ahout for some method of ritualistic instruction. Lecturers, Grand Visitors, District Agents, or whatever their title might he, were expensive for a Grand Lodge whose total receipts in a year's time were less than $500. Worse than that, no one could he certain as to what constituted the official work!

Dr. Philip Mason, Grand Master for nine years, thought the old practice of having Grand Visitors should he revived, hnt nothing came of it. Again and again, attempts were made annually to provide for a salaried Grand Lecturer, but without success. Jn desperation, the Worshipful Master of Williamsport Lodge No. 38 in 1857 introduced a resolution to have the Grand Master appoint some well-informed Brother to instruct the Masters at the annual meeting, that the Masters in turn might "set the Craft to work"—but that was laid on the table.

Truly, there was confusion in the temple. It was many a year before order was hrought out of chaos.

"ALMIGHTY GOD, who has given us this good land for our heritage; we humbly beseech Thee that we may always prove ourselves a people mindful of Thy favor and glad to do Thy will. Bless our land with honourable industry, sound learning, and pure manners.

"Save us from violence, discord, and confusion; from pride and arrogance, and from every evil way. Defend our liberties, and fashion into one united people the multitudes brought hither out of many kindreds and tongues.

"Endow with the spirit of wisdom those to whom in Thy Name we entrust the authority of government, that there may he justice and peace at home, and that through ohedience to Thy law, we may show forth Thy praise among the nations of the earth.

Dear Sir and Worshipful Brother,

I am indebted to one of your sick Brothers for one of the most rewarding and pleasurahle experiences in my whole life and in my Masonic career starting in July, 1912, when Ossian Lodge No. 297 raised me.

Brother Frank Baptist told me of a hrother and his illness of, I believe, over two years and suggested J call. Brother Frank is a fellow-worker with me and does an excellent joh visiting veterans discharged from Ft. Wayne Veterans Hospital to their homes and elsewhere. J also visit with my Summit City Lodge No. 170 patients at the hospital.

This hrother and his wife were a joy to talk to, despite his two operations, the last a year ago last fall. They were hoth delighted to have callers.. He would be happy to see you and other Brothers from Wayne Lodge, Worshipful Master.

He had wanted to do his best for his Lodge and hrethren, he said earnestly. He was preparing for that when his illness struck him and confined him at home. Your heart would have leaped at the smile on his face and the earnestness in his voice when he told of his love for and delight in Freemasonry and in Wayne Lodge No. 25.

I am indehted deeply to Brother Baptist for seating me before this festival of joy and inspiration. I write primarly to report his desire for calls from hrethren of his Lodge. I feel sure that anyone visiting him and others sick and unfortunate will count that day for himself hlessed for the spiritual values of it—values which make Freemasonry the great, "ancient and honorahle fraternity" it is.

Fraternally and sincerely yours,
Howard C. Smith

Our newest Master Mason is John Sinks, who was brought to light in April. Congratulations and welcome to Wayne Lodge.

In the April issue of Indiana Free Mason, Most Worshipful Grand Master Bridwell asks several questions which could be most embarrassing to many masons. How would you answer these questions if he asked you

(1) Why did you knock at our door?
(2) What did you ultimately find?
(3) Wherein rests the measure of failure for some?
(4) If your lodge has not failed you, why do you fail your lodge?

A scattered, infrequent Church attendance would be grossly inadequate and unacceptahle to our God, and in the same light, a scattered, infrequent Lodge attendance and a lack of interest is equally inadequate and unacceptahle to our Lodge. If you don't attend, who will?

We hope You can answer the questions by saying, "that you might be made wiser, hetter and consequently happier."

Don't forget the special program to help celehrate the Juhilee Year. July 4th at Franke Park.

Perhaps the most gratifying part of Masonry lies in seeing the tenets of Brotherly Love, Relief and Truth translated from theory into practice. This we were privilcged to see during the month of May, 1967, with the appointment of a Member of Summit City Lodge, Brother Howard C. Smith, to the position of Field Agent of the Masonic Service Association, succeeding Brother Frank Hunt, a Member of Home Lodge, who is retiring after fifteen years of dedicated service.

Approximately fifteen Brothers of Summit City Lodge have signed a written pledge guaranteeing their support to Brother Smith in the discharge of his responsihilities as Field Agent. This has already improved our attendance at Veterans' Administration Hospital Visitations, as we have heen ahle to form two teams of ahout ten men each, headed hy Brothers Maxwell and Alkire, to alternately handle the visitations. On our first visitation under the new program, eleven members turned out —considerahly more than we have had for any single visitation in a number of months — and this enahled those present to divide themselves into groups of two or three and cover hoth wings of the third and fourth floors. For the most part, we were well-received hy the veterans, and nearly all of those with whom we talked requested that our Members visit them again.

One does not appreciate the hlessings of good health fully until coming into contact with those less fortunate; nor does one realize the importance of friendly companionship in the lives of human heings until he has exposed himself to those who have heen separated for weeks or months from family and friends. I'm extremely proud of Brother Smith for accepting this important appointment which the Masonic Service Association has seen fit to honor him (and us) with. I'm equally proud of the Members of Summit City Lodge for the outstanding manner in which they have demonstrated their support to Brother Smith.

As we look to the future, let us all prayerfully hope that the renewed interest which has appeared this year in membership, attendance and Masonic service will continue; and let us all look to the unselfish efforts of men such as Brother Smith, as examples of what Masonry can accomplish when its tenets are practiced as well as avowed.

Brethren: Miss Sharon Farrar — Honored Queen of Joh's Daughter's Bethel No. 8 is to he congratulated for heing such a cordial hostess to the Master Mason Night held on Wednesday, May 3, 1967 in the Masonic Temple. Each Master Mason in attendance was escorted into the Lodge Hall with one of the Officers, and it was my privilege to have been escorted hy Miss Wanda Miller — Lihrarian. In addition to the very well conducted meeting, each Master Mason was presented with an extremely useful gift and delicious refreshments. To "cap-off" a wonderful meeting — the DeMolay then presented their beautiful and awe inspiring "Flower Talk" — if you have never heard this presentation you are really missing a wonderful part of DeMolay work. The DeMolay Chaplain, Franchone Smithson was eloquent in his delivery. I personally want to say "Thank-You Sharon" for inviting me, and to all the Officers of Joh's Daughters and to the DeMolay's for such an interesting and enlightening evening — the time was well spent.

The officer's of Three Rivers have planned a very interesting program for the "Past Master's Night" Dinner to be held in the Masonic Lodge Ball Room on Tuesday Evening June 6, 1967 with a Steak Dinner to he served at 6:30 p.m. It is hoped that a "large" number will be present to honor our Past Masters who have served us so well. Also, several of our number will receive awards for attaining 25 years as members of our honored fraternity.

I would personally like to invite all members of Three Rivers Lodge to ohserve St. John the Baptist Day hy worshipping together at the First Church of God, Piqua and Wildwood Aves. at 10:30 a.m. on Sunday, June 25th.

The calendar for June is as follows:

Tuesday, June 6—Past Master's Night, Dinner at 6:30 p.m.

Tuesday, June 13—Stated Meeting, 7:30 p.m.

Tuesday, June 20—Entered Apprentice Degree, 7:00 p.m.

Sunday, June 25—Morning Worship, 10:30 a.m.

Tuesday, June 27—Fellow Craft Degree, 7:00 p.m.

Wednesday, July 5—Master Mason Degree, Open 5:30 p.m. Dinner 6:30 p.m.

Please "Note" the Change of our Master Mason Degree from Tuesday to Wednesday — this change was necessary due to the 4th being on our regular "Master Mason" Night. Hoping to see "you-all" in Lodge.

co-workers from Dana Corp. came to observe and help in conferring the degree. It was a very good Lodge night because everyone showed a real brotherly interest in the proceedings.

South Gate has several members who have brought honor to the Lodge and distinguished themselves in other Masonic bodies during the past year and the present year. Past Masters Charles Cook and Robert Marshall served last year in the East of their York Rite bodies, and Past Masters John Inches and Donald Smith are working in the officer line this year. Past Master Edward Purcell 33° is serving this year as Thrice Potent Master of the Lodge of Perfection of the Scottish Rite, and Brother Richard Phillips is Commander in Chief of the Consistory. Congratulations to all of these good men who continue to labor for the betterment of man.

South Gate has received an invitation to observe St. John the Baptist day at Forest Park Methodist Church, located at Forest and Kentucky Aves. We will attend and sit in a body at the 9:45 service. The date is June 25th, and we hope we can have a large attendance of the Brothers as we honor our patron saint and demonstrate to the rest of the community that Masonry and the church both derive their strength from the inexhaustible source above.

Plan now to attend the 4th of July Sesquicentennial of Masonry program to be held at Franke Park at the Outdoor Theater. Pack a picnic basket and come to hear a fine program featuring our Brother E. Ross Adair 33° of South Gate, who will deliver the principal address. On the local scene this will be the high point of the year's observance of 150 years of Masonry in Indiana.

The Lodge has degree work on June 5th on the Master Mason degree, so come if you can and welcome a new brother into our fellowship.

How swiftly the sands of time run, the race will soon be won. This year is slipping away and before we know it, it will soon be half gone. Those things we were going to do tomorrow and still undone because tomorrow never comes. The brother we were going to call on in the hospital tomorrow is still waiting. Those other little things we were going to do tomorrow are still undone. Remember the time you told a brother Mason "Next time I will go to lodge with you." Well brother we are still waiting to welcome you so why not make next month now.

One of the basic facts of life is that we never get anything until we have put forth some effort whereby we have somehow given of ourselves in some way. Regardless of what we might receive we must first of all give. The good Lord has given many of us the special privilege of looking after his children. This is the most wonderful gift we might ever receive but we must also give in return of our love our time and of our life. In marriage we are given the love and devotion of those we have chosen, but we too must also give in return for these joys and blessing we have received. In our vocations we are given our weekly pay but first we must give of our talents. So it is my brethren with Masonry. To receive anything from it we must first put something into our Masonry. Remember the thrill and enjoyment you had when you took those first three degrees and finally you were raised to the sublime degree of a Master Mason. Could it be that you were giving of your time and yourself? Do you still enjoy your Masonic meeting, your degree work and your Masonic fellowship. If not it could be because you have given nothing to Masonry for some time. If you have never gotten anything out of Masonry my brother it is only because that first you have put nothing into it.

Your Masonic lodge needs you but also my brothers you need your Masonic lodge. Let us not say I am a Mason but say I am an active Mason, working in my lodge and I love it.

Why did you first knock at the door of your Lodge? Was it idle coursosity? No I don't think so, you were interested in joining with others, giving of yourself and efforts in brotherly love and friendship. Masonry does not ask much, but my brethren it can give so much to you. Why not try giving just a little to Masonry and see what wonderful things you may get in return.

Saturday, July 1st will be the highlight of our centennial celebration. We will have a rededication of the temple, in the late afternoon by our Most Worshipful Grand Master of F. & A.M. in Indiana. This to be followed by our centennial dinner in the evening.

We are planning centennial souvenirs for those attending the dinner. We want to make sure that every Sol D. Bayless member who wants tickets receive them so we are making reservations for our own members first. Please make your reservations as soon as you receive your ticket order card. There will only be two tickets to a member, one (1) for himself and one (1) for his lady. Your tickets will be mailed to you between June 1st and June 15th. June 15th will be the deadline for all reesrvations.

There will be no charge for this dinner as this is Sol D. Bayless No. 359 F. & A.M. way of celebrating 100 years of Masonry. Now is the time to truly "Rededicate yourself to Masonry."

On June 25th the members of Sol D. Bayless will celebrate St. John the Baptist Day, attending in a body the 11:00 a.m. service at the First Presbyterian Church.

Brethren wherever you go and whatever you may do may the good Lord be with you and be your guide.

This will be an afternoon affair with a mid-afternoon address by Congressman E. Ross Adair highlighting the event. There will be entertainment by the various masonic bodies. Plan now to attend with your family and guests on July 4th. A fine way to celebrate the 4th with a picnic and Patriotic Celebration at the Park.

Brethren: This month we celebrate the Feast of St. John the Baptist and the starting of the Sesquicentennial year of Free Masonry in Indiana. It is also the year we hope to start our new Masonic Temple. Our building program is progressing steadily and there is good hopes of starting to build in the near future.

We have been invited to attend the Wayncdale Methodist Church as a body on June 25 at the 10:45 service to observe the Feast of St. John. I sincerely bope all our members will attend church somewhere with a group of Brothers.

We would like to extend our thanks to Brother James Toy for an enlightening talk at our Ladies Night Banquet, and to the ladies of Calvary Evangelical United Brethren Church for a very fine meal. A very enjoyable time was had by all.

On the 16th and 17th of last month, the Worshipful Master, Senior Warden, and Secretary journeyed to Indianapolis to attend Grand Lodge and the installation of our new Grand Master.

Have you made plans for attending the 4th of July celebration at Franke Park? It is just a month away so plan now to come for a picnic, entertainment and fellowship with your family and friends.

I would like to take this opportunity to thank each and every member for their support of the Masonic Home and the "Ten-for-Ten" program.

We will have degree work for two candidates this month. Stated meeting will be June 7, 8:00; Entered Apprentice, June 14, 7:30; Fellow Craft, June 21, 7:30; and Master Mason, June 28, 6:00, dinner at 6:30.

Four hundred and sixty-three — what a wonderful attendance at our inspection April 29, and what a marvelous tribute to Worthy Grand Matron Maxine Moser at her first inspection. Preceding the meeting a dinner was served to approximately 300. The dining room was decorated in Maxine's chosen colors — red, white and blue. Dinner favors were minature cups — in keeping with Maxine's elevation from the Grand Electa station — filled with M & M candies — a clever allusion to this years' presiding matrons and patrons who are known as the M & M's (for Moser and Moore).

This meeting was our introduction to our new District Deputy, Sharon Sprowl of Mt. Etna Chapter. We look forward to her return.

In a tribute to Mothers, members of DeMolay, under the direction of Mike Westfall, M.C., presented their "Flower Talk" May 4. We were enthralled with the beautiful delivery of their chaplain, and wish to compliment each of them on their ritualistic work. We extend our thanks to these fine young men. Worthy Matron Eleanor Costello presented a floral remembrance to the oldest mother—Fannie Grim, a young 89—and the youngest mother—our Adah, Marjorie Isley.

We's heard Brother Clayton say, "Eastern Star is on the march," when he has delightedly beheld a room full of members. And as it should be. In this light, the officers honored the sideliners May 18, and each sideliner was presented a Star letter opener in memory of the evening.

This night was also the first initiation for these officers and they are to be complimented on their fine work. We are happy to welcome these new members and hope to see them often in chapter.

Reports from Grand Chapter were given by delegates Eleanor and Andy Costello, and Marjorie Rodemeyer reported on their visit to the Masonic Home.

It was announced that Patricia Walker will serve as Star Lite magazine chairman. Subscriptions are $2 for a 10-issue year. Tessie Wise is serving as chairman of the International Temple Fund. If you've not donated your once-in-a-lifetime dollar, Sister Tessie will be happy to receive it. This money is used for maintaining the International Temple in Washington, D.C.

The triennial assembly of General Grand Chapter will be held in Washington, D.C., November 3 thru 10.

A rugged cross stood in the East at our June 1st meeting as we paid our respect to twelve members called to their eternal home. Helen Howard movingly gave a reading, "I am the Cross". Seven past chaplains formed a cross and placed flowers in the East in memory of those who have died this past year.

June 15 will be "Hats Off to Dads" night, and our last meeting before going dark. Sept. 7 we'll meet again for a potluck supper and a stated meeting, at which time we will renew our obligation.

Members ill: Sisters Isabel Masel, Emma Smith, Dorothy Finnell, Jeanette Morris nnd Patricia McKinney.

Illness in families: Son of Jean and Duane McQueen, husband of Helen Walden, father of Dorman Walker, son of Jane Blankenship, mother of Louella Goller and sister of Jerry Cook.

Deaths in families: Mother of Fern Kenline, uncle of Lucile Mumaugh and Jean Impton, husband of Bessie Bishop and sister of Maude Dalzell.

New grandparents: Louella Goller, Ruth Dunton, Clayton Dunton and Helen and James Hatfield. Emma Dunton is a new great-grandmother.

Birthdays of shutins: Mabel Fells June 14, Dessie Fretz June 20, Ida Jones June 30, Hazel Fries Aug. 2, and Bertha Sutton Aug. 18.

June committee meetings scheduled are:

6—Program with Jo Ann Vining.

8—Choir will have a picnic at Eleanor Costello's home.

12—Visiting at the Temple.

13—Past Matron's with Gladys Gifford and Selma Rodemeyer.

14—Decorating at the Temple.

20—Nonpariel at Flora Brown's home.

27—Officers at the home of Mildred Waldo.

Social will oot have a June meeting.

To each of you from our Worthy Matron, this Irish blessing:

Good luck to you all—wherever you are,
May St. Patrick himself be your guiding star.
May your friends he true and your health be sound,
And may the devil not know where you can be found.
Good luck to you all—wherever you may be,
This is my most earnest prayer, from me to thee.

Have a wonderful, fun-full summer.

LOOK UP

I saw a little muddy stream
That turned to fairest hlue,
Because its surface caught the gleam
Of heaven's azure blue.

And so this life, whate'er it be,
Might turn to heaven fair,
If we would lift our eyes and see
The beauty everywhere.

It seems that April showers and May flowers are hurrying us along; leaving the traces of Grand Chapter; reports by our Worthy Matron and Worthy Patron and Sister Ethna Hasty; the first inspection of our Worthy Grand Matron, sister Maxine Mosier of District No. 14 and Reception in her honor at Geneva are all behind us.

Sister Morea Fisher and her Ways and Means Committee are fairly beaming at the success of their first project the May Breakfast and Rummage Sale; and looking forward to the evening card party on Monday evening, June 5th on the Mezzanine at the Masonic Temple at 7:30; there will be no tickets distributed, just come, enjoy the evening and pay at the door; this is our Jolly Good Time Party and the usual silent auction will do its bit to make it worthwhile.

On June 8th, we will pay our tribute to the Flag of our Country, presented by Sister Verna Bloom; and there will be initiation of candidates. Day Ways and Means Committee will entertain after Chapter.

The Worthy Matron will continue through June entertaining the evening committees in her home, as well as the Day Ways and Means Committee on their regular meeting days.

We were given special honor in our May 11th meeting, as Sister Eva Magner was escorted in the West and because flowers say how much we love you, she had a beautiful corsage presented to her. Sister Eva has now been a member of Shiloh Chapter 64 years as she was initiated on May 14th, 1903.

On June 22nd, we will have the pleasure of having with us Sister Sonoma Woodruff, Past Grand Matron of Indiana Grand Chapter Order of the Eastern Star, and member of the Knight Templar Eye Foundation Committee of General Grand Chapter. She will make the presentation of the Award of Gold to Sister Susannah Witte of St. Petersburg, Florida.

The next meeting on June 14th will be tbe Official Inspection of our Grand Lecturer, H.L. Irene Jones. A good turnout will be an inspiration to all, so try to be there and help.

A tbirst can be quenched by just water to drink,
A Court can be judged by each member within.

Be the example tbat draws others to join!

One higblight that I will always remember was the SK that volunteered his services for Friday and Saturday. I told him that elevator operators were needed. He learned to run the manual one and every time I used tbis elevator on the two days hc was operating it with a big smile and cheerful greeting for all. This SK knows who he is and I give him a great big thank-you.

Now is the time to thank all of you who took part in this Conclave. As you all know the General Chairman for the Conclave was PGC SK Sam Geake assisted by SK John Lombard. The results show that they did a grand job. Cooperating and working with them was our own Commandery whicb in my opinion did a remarkable job. This was done with the able assistance of my two co-chairmen PC SK Jim Johnston and PC SK Myron Millhorn. Thanks for a job well done and at this time I must keep my promise to the now PGC SK Harold R. Hoolihan who insisted that I convey his thanks to PC SK Jim Johnston and I quote "He did the job of six men and for him nothing was impossible" unquote. Of course these men could not have done a good job had it not been for the chairman and their Committees. So we now take this opportunity to thank these men and all the men who did such a fine job for them. Francis Studler and his Decorating Committee; Doyle White and Curt Heston, Finance Committee; Doc Planck, Publicity; Dale Redding, Banquet and Meals; Harold Hamrick, Housing Committee; Joe Fuzy, Parade Committee; Schuble Boggs, Religious; Sheldon Leiter, House; Dave McComb, First Aid; Art Rodemeyer, Registration & Tickets; Virgil Holzworth, Ticket takers. Jim Johnston, Myron Millhorn, and Jim Farrar, Reception Transportation. These men will convey my thanks as well as theirs to all the men who helped them. I wish to extend my thanks to all the Commanderies in the Third Battalion who helped us. Our Commandery thanks its Auxilliary the Social Order Of The Beauceant No. 139, Mrs. Harry Haller President, for their assistance to Bea Hoolthan, Katherine Geake, Gertrude Lombard, and my wife, Bea Koch, in seeing that the visiting ladies had a wonderful time. From some of the comments the ladies were well-pleased and delighted with their stay in Ft. Wayne. Thanks ladies for a job well done.

We goofed some, and we had our pleasing moments, and in closing this phase I must say for Fort Wayne Commandery No. 4 that it was one of our richest and most wonderful experiences, and I am proud of our Commandery and the Social Order of the Beauceant No. 139.

To the sick we wish a speedy recovery and to the bereaved we extend our heartfelt sympathy.

As the Summer is upon us I take this opportunity to wish you all a very pleasant and safe Summer. Come to tbe meeting tbe 3rd Thursday in June and I will convey these wishes personally. To those tbat can't make it I look forward to seeing you the 3rd Thursday in September.

Companions: This will be my last writing to you until this fall.

Your Deputy Master Lawrence Miller and I have just returned from Grand Council. We had a very enjoyable trip to Evansville. The highlight of the trip was when I received my Thrice Illustrious Master Degree. I wish to thank all of you companions for making this possible.

We had a very good Grand Council meeting. We felt the most important information was that the downward trend has stopped and we are now showing a slight gain in membership. Peace and harmony was reported in all the councils.

Have an enjoyable summer. I am looking forward to seeing you in the fall when we hope to start working again.

Although the weather this past month has not been too bright, there have been some shining spots for tbe Royal Arch Chapter and York Rite Masonry. On April 24th the District II York Rite Association of Indiana met in Fort Wayne. At this time there were several dates in the fall which were set up and these will be announced when plans are final. April 28th and 29th your Grand Chapter meeting was held in Evansville, Indiana. These meetings were attended by your High Priest, King, Scribe, and Secretary. I think these Grand Chapter sessions were very beneficial to your officers and each one has profited by their attendance. It is our desire to use this added knowledge and inspiration for the good of the chapter. During the month of May we had another District III meeting to move ahead with our fall plans.

The stated meeting was held on May 18th and again a very good meal was served by Dr. Planck and his very able and loyal workers. Fort Wayne Chapter is very fortunate to have a group such as this and our ladies to prepare and serve these meals. I would like to extend our thanks to them at this time for a job very well done. We will be looking forward to having Companion Planck back with us in the fall. Have a wonderful vacation Doc. To all the companions of Fort Wayne Chapter, we will be looking forward to seeing you at our June 15th stated meeting.

Hello and Good-bye. Well girls, my term will soon be over and I will be retiring my most distinguished position as Honored Queen of that wonderful Bethel No. 8. I will regretfully step down off of my pedestal and remove the crown of jewels from my head and the velvet robe from my shoulders and I will joyously watch the new Honored Queen graciously take my place as many Honored Queens have witnessed in the past.

Before I retire from office there are still a few tbings that must be completed such as Grand Council. Girls, I urge all of you to sign up for Grand Council. I guarantee you will be getting your moneys worth and at the same time you will be having a wonderful vacation and you will be meeting many people and making them your friends. Also, at Grand Council you won't want to miss seeing our Drill Team compete in the contest! Last year we received a second place trophy, this year we are bound to run away with a beautiful first place trophy!

Also I would like to thank all of tbe Master Masons and Mom's that attended my meeting May 3rd. It was truly a wonderful sight to see our Bethel room filled to the brim with so many people. This same evening, the DeMolay presented their Flower Talk in a very impressive manner. Tears filled many of the people's eyes as they thought of the many Mothers that have sons fighting over in Viet Nam and of the many orphans that are not blessed with the security and love of a "Mother". Speaking for the people that witnessed this Flower Talk, we would like the DeMolay to know that we sincerely thank you from the bottom of our bearts.

Girls, the little Greek boy, Stathios, that we are foster parents of, along with myself would like to thank all of you for generously contributing and participating in his project, "The Return of J D Eight".

Well this finished my last order of business as Honored Queen and I will be retiring my office on June 21st. I would like to sincerely wish the best of everything to the new Honored Queen and her corps of officers. I would like to say that it has been a pleasure and a great bonor to have worked with all of you. I couldn't have ever hoped for a better group of girls to work with. My officers were exceptionally wonderful in the work they performed not only as officers but as my sturdy right hand. And the choir, I must say that I was pleasantly surprised to see so many girls become members of the cboir and participate in my many activities.

There are so many "thank yous" that I want to make, but I just don't know where to start or finisb. On my list, marked witb a star of importance, are my parents who have certainly gone through a lot to see that everything went smoothly and to see that I was happy. I don't see how any girl could possible be unhappy when she had two of the most thoughtful and understanding parents as mine. Thank you Mom and Dad for putting up with me and for giving me so much of your help.

Next comes my Guardian Council which has been the backbone of Bethel No. 8 and which has been a wonderful inspiration for all tbe girls. Some of the council will be retiring, as will I, and a new council will step in and continue the rigorous and rewarding work of the preceding councils.

I would like to thank all of my various committees that have worked diligently for me and their Bethel. There are many thanks that probably should be expressed but I feel that I should stop here. I hope that no one has been left out because in my heart I have made a place for everyone of you and I have made a mental note so that all the people connected with Bethel No. 8 will always be at the top of my list.

Before I close, I would like to leave a little thought with all of you:

"My calendar of events is now complete,
My term comes to a close
The memories in my heart, I will always keep
To let the people know
That I will long remember Bethel No. 8
It will be marked with the highest of worthy rates
Because you girls have worked as a functioning team
And God gave me strength to reign as your Honored Queen."

Good-bye and May God Bless You All!

Brethren: As I write this, I am getting ready for Grand Lodge. This Grand Lodge will enlighten us on the coming Sesquicentennial Year. What we learn at Grand Lodge will he discussed at coming meetings.

Brother Shockley Lockridge, Sec'y of Waynedale Lodge, gave a very interesting and informative talk on individual Lodge participation in the coming Sesquicentennial Year.

Brethren, we as members of Olive Branch, are trying to take a step ahead, hy applying to Grand Lodge for concurrent jurisdiction with Fort Wayne and surrounding Lodges. In this way, we feel we can have a closer working relationship with our neighboring Lodges. Hope to see you in Lodge.

Greetings Brethren, The hrothers of New Haven Lodge received a rather pleasant surprice the tenth of May when we attended Lodge and found a whole row of niee orange plush seats in the lodge. This sure helps to beautify our Lodge. A hig thanks goes to our S.D. Harold Eddy for obtaining them and setting them up. With comfort like this the hrothers can really relax and enjoy the degree work.

The tenth of May we had two E.A. degrees. May 16 and 17 your Master and S.W. attended Grand Lodge, the proceedings of which will be made known June 7 at the stated meeting.

May 17 the F.C. degree was put on by Gwen Rinker, S.W. who was rather tired after attending Grand Lodge all day and then conducting the F.C. degree that evening. Thank you for a joh well done, Brother Rinker.

May 24 found New Haven Lodge with a Master Mason degree which was put on in full form.

June 7 will be our stated meeting night and June 21 we will have a F.C. degree.

Brethren, June 25 is St. John the Baptist which will he celebrated at New Haven Methodist Church. Masons and their families should be there about 10:20. June 28 there will be a M.M. degree.

Brethren: How the time does fly. Here it is the first of June already and it looks like a lot of activity for Leo Lodge.

We have scheduled a Master Mason Degree for the early part of June. You will he sent a reminder.

June 24th will find our annual Chicken Barhecue at Cedarville Park. Serving will be from 4:30 to 8:00 p.m. The O.E.S. No. 278 and Leo Lodge No. 224 are again combining their forces for this event. Our Bethel of Job's Daughters will also lend their fine support, as in the past. The tickets will be $1.50 for adults and 75¢ for children. The entire membership of all three organizations is hereby solicited for help in this endeavor. Since the proceeds are to be placed in the Temple Building Fund I am sure each one will want to do their fair share of the work. I would request that the members contact their respective officers to volunteer their services.

June 25th the Lodge has been extended an invitation to attend services at the Leo Methodist Church in honor of the Feast of St. John the Baptist. It is expected to attend the 10:30 a.m. service. Be sure to plan your attendance now.

Leo Chapter of O.E.S. has invited the Lodge to a Master Mason's Night to be held on Wednesday, June 28th. This promises to be a very interesting and exciting meeting so plan now to attend. I don't know what the ladies have up their sleeve but I sure wouldn't want to miss it.

Have yon noticed anything different about our Temple? Brother Paul Dunn, Past Master, directed the actlvities of several Brothers in painting the wood trim a nice bright white. Thanks so much Brothers for your help.

Don't forget the Fourth of July Celebration at Franke Park. This promises to be a big day and a grand kick-off for the Sesquicentennial Year.

Please remember our ailing Brothers.

The month of June is the start of our Jubilee Year for Masons of Indiana. On June 24, some members of our Lodge are planning to attend the Feast of St. John the Baptist, this being the start of this eleven months event, which will take place at Clowes Memorial Hall, Indianapolis. With the planting season in progress wouldn't this be a fitting time to remember now thy Creator, while limbs are strong and desire ardent while life pulses redly and the world is all before us.

It does not seem possible that the year is almost half gone and there is still much to be accomplished. Plans are now complete for our St. John's Day Banquet, which will be held on June 24th. To each of the Brethren who may be called upon to serve in any capacity, it is my fervent desire that you lend your support. On June 25th, we will celebrate St. John the Baptist Day by accepting an invitation from the Huntertown Methodist Church to attend Worship Services as a group. I am looking forward to seeing each of you June 25th.

Your Master and Past Master Rodney Lansaw will attend Grand Lodge in Indianapolis on May 16th and 17th. A full report on the session will be presented at the June Stated Meeting.

Your Master had the privilege of being initiated as a member of the Huntertown Chapter of the Eastern Star May 9th. The initiatory work was very impressive and rewarding.

Since this will be the last article until September, we want to take this opportunity to wish everyone a safe and happy vacation this summer.

See you in Lodge.

MASONIC ACTIVITIES IN VIETNAM

From Brother Arthur W. Kerr in Saigon we learn that Masonic activity has been increasing in South Vietnam. Organized in 1956 to foster Masonic principles, the Hiram Club of Saigon meets the first Monday of every month at the Club Hippique (Riding Club), 116 Nguyen Du Street. Masonic visitors are cordially welcome. The Club has held a dinner meeting every month since 1956.

Hiram Club members assist and, when possible, accompany candidates to Manila for the conferral of degrees. About fifty petitions to a Manila lodge are "in process" most of the time.

In December, 1966, the Grand Lodge of the Philippines issued a Dispensation for Saigon Lodge U.D. to undertake Masonic labors in the South Vietnam capital. So far the government has refused permission for the lodge to work. No explanation has been given. The Hiram Club is active in promoting this Masonic project. Its members are Filipinos, Indians, and Americans, representing lodges from all over the world.

There is also a very popular Saigon Oasis Shrine Club in Saigon which meets every third Monday at the Club Hippique. This group was organized in 1958 and each year plans a "safari" to Manila with a large number of potential nobles.

Merchantile Leader

Chicago, May 2 — Congratulations to The Tribune and Joanne Knoch for the J. C. Penney vignette on the occasion of his visit to the national leadership conference of the Distributive Education Clubs of America. Miss Knoch's pleasanly professional words were well chosen and interesting, the Horatio Alger reference refreshing, and the focusing of attention upon a business leader who stresses golden rule principles, reassuring.

James Cash Penney is a Knight Templar who received 50-year membership recognition last June in New York City during the 150th anniversary observance of the grand encampment of Knights Templar of the United States. He received this recognition from Wilber M. Brucker, former governor of Michigan, former secretary of the army during the Eisenhower administration, and now grand master of some 400,000 Knights Templar.

When Penney and Brucker faced each other across the head table for this presentation, it was obvious to the 1,600 templar masons in attendance that they were looking upon two men who strikingly represented the best aspects of American leadership.

The Grand encampment of Knights Templar is based on the same principles of service and integrity exemplified by James Cash Penney and Wilber M. Brucker, principles which we hope never will be considered too old fashioned for use by the youth of today and the adults of tomorrow. As J. C. Penney said, "The opportunities open to them have never been greater."

Masonic Wedgwood Plates Available

Of special significance during the celebration of the 150th anniversary of the Grand Lodge of Indiana is a specially designed Wedgwood plate featuring the Schofield House at Madison, Indiana in which the Grand Lodge was founded on January 12, 1818.

The Josiah Wedgwood Company of England designed and produced the 10-inch memorial plate for the Grand Lodge Sesquicentennial Commission.

For more than two centuries, the name Wedgwood has been synonymous with the world's finest china and pottery. The blue floral border on the plate blends harmoniously with the center, on which is illustrated the famous Alan Price sketch of the Schofield House.

Destined to become a collector's item, the plates are now available at $4.90 each, plus 10¢ Indiana sales tax. Checks or money orders in the amount of $5.00 for each plate ordered should be addressed and made payable to The Indiana Freemason, Box 58, Franklin, Indiana 46131. The purchase price includes postage, insurance and handling.

HOW MAY I KNOW?

Elbert Bede in "Oregon Freemason."

There is a common answer to the question. "How may I know you to be a Mason?" — although those who do not keep themselves familiar with the Craft Lodge ritual may besitate in attempting to give it. Possibly something may be added to that common answer.

I know you to be a Mason by some of the signs you display; by your interest in Freemasonry attested by frequent attendance whenever possible at your lodge and other Masonic bodies of which you may be a member; by your willingness or even eagerness to take part in the work and business of your lodge or other bodies; by your efforts to become an informed Freemason.

I know you are a Mason because of the kind of words you have for a brother who has erred or is troubled; because of the word of cheer you carry into the sick room; because of the word you speak to guide a brother's feet away from the paths he should not follow and into ways in keeping with the teachings of Freemasonry.

I know you are a Mason because you are temperate in all things; because you have the fortitude to uphold the right and denounce the evil; because you have the prudence whereby to properly direct your life at all times; because of the justice which characterizes your dealings with all men.

Of Landmarks and Cuspidors

By DWIGHT L. SMITH

When the brass cuspidors were carried out of the hall of Beaverdam Lodge in Mud Creek, Indiana, and stored in the woodhouse, it is safe to say that more than one Brother looked askance that the ancient landmarks were being thus tampered with. I recall an arrangement of "Solemn Strikes the Fun'ral Chime" used many years ago in some of our smaller Lodges. It was a tune so melancholy that it was more of a wail than a melody. Although incredibly depressing, the Brethren liked it, and they accepted Pleyel's Hymn grudgingly. So it was when the wall chart was exchanged for a stereopticon . . . when the green cracked window blinds were discarded and draperies installed . . . when the pot-bellied coal stove was moved out and an oil-burning heater moved in.

There is something about the thought of ancient landmarks in Freemasonry that captures the imagination. We are enjoined to preserve them and never suffer them to be infringed. The young Junior Deacon in Kipling's delightful poem boasted that his Lodge in India "knew the Ancient Landmarks, an' we kep' 'em to a hair."

So far, so good. Then some brash young Mason is sure to ask what the ancient landmarks are. And there the trouble begins.

The Grand Lodge of England, which should know a thing or two about the ancient landmarks, has never "adopted" landmarks or in any way attempted to define them other than to make casual references to certain practices. No Grand Lodge of Freemasons outside the United States has ever become concerned about what the landmarks are, or how many there may be. Grand Lodges in the U.S.A. a little more than a century ago literally ran races to see how many ancient landmarks they could "adopt" officially. Some lists became so long and all-inclusive that it was hardly safe to take aim at the brass cuspidor for fear an ancient landmark would be removed. And the hilarious thing about the various lists of "official" landmarks is that so many are in complete disagreement with each other.

There is a tendeney among Masons (even in 1967) to get all excited over the thought of dispensing with outworn, moss-covered habits and customs that have grown up in our Lodges. "The ancient landmarks are being removed," someone is sure to say. There must be no "innovations" in the body of Masonry—not one. Everything must remain just as it is right now.

No changes in Freemasonry? It is like telling a little boy there is no Santa Claus to remind the Brethren that Freemasonry has changed, and does change, and will continue to change. "There is nothing permanent except change." Freemasonry never has been static and can not be so if it is to fulfill its mission in a changing world.

The great Masonic author A. S. MacBride in his book Speculative Masonry lists 16 "innovations" which took place in Freemasonry in England on or about the time of the formation of the Mother Grand Lodge in 1717. These included such practices as altering the names of Lodge officers and adding new ones; adopting new tokens and passwords; introducing a new form and mode of obligation; advancing an Apprentice without proof of skill, and many others.

Brother R. F. Gould, premier Masonic historian, reminds us that between 1723 and 1738 it is an established fact that Freemasonry changed from a two-degree to a three-degree system. As early as 1723 three striking "innovations" had been introduced, among which was the abandonment of an established religion in Freemasonry and the acceptance of "that religion in which all men agree."

No changes in Freemasonry? What about the admission into Lodges of men who did not follow the trade of an operative mason? What about the adjustments that had to be made because of the anti-Masonic period in the United States, and those that came as a result of the total abstinence agitation of the Nineteenth Century? What about the innovation when American Lodges began to grow large and impersonal—a condition diametrically opposed to the early concept? And what about the proliferation of Masonically related organizations with the consequent shift of emphasis away from the parent Lodge?

No changes? Remember when Masonic benevolence was quiet and personal and there was no such thing as institutional care of the aged and needy? Remember when the Doctrine of the Perfect Youth forbade the admission of any young man who was not physically perfect in all his parts? Remember when the sponsorship of youth organizations was an activity in which no Lodge would think of engaging?

Yes, and although I am not a veteran Mason by any means, I can think of a sizeable number of much needed improvements that have been made in our ritual within my memory. If the "Indiana Work" is one of the ancient landmarks, than the poor old landmarks have taken quite a beating just in my time—not to mention what happened before that.

All too often we fall into the error of identifying as landmarks certain practices that may have been helpful a century ago but long since ceased to serve us well. Such practices are habits and nothing more. Many of them rank in the same category as the cuspidor and the pot-bellied stove —worthy of sentiment but no longer useful.

Before we permit our temperatures to soar above normal over the thought of infringements of the ancient landmarks, we should ponder on this point; No one knows for sure what the ancient landmarks really are. We can be reasonably certain of only seven — and not one of the old boresome, time-consuming habits we have added from time to time is included among the seven.

The words of a Masonic writer of more than a century ago have always delighted me. "Nobody knows what they (the landmarks) comprise or omit," he says. "They are of no earthly authority, because everything is a landmark when an opponent desires to silence you, but nothing is a landmark if it stands in his way!"

Brethren: I trust that you all have enjoyed a pleasant and restful vacation hy now and, as we look ahead to the coming of fall, we anticipate renewing our labors with zest and enthusiasm.

Our sesquicentennial observation on the 4th of July at Franke Park went off well as planned, although the size of the crowd was very disappointing. The re-dedication of the Temple hy all the lodges preceding Sol D. Bayless' Centennial Dinner was very impressive. The ceremony of re-dedication was performed by the Most Worshipful Grand Master, John Bloxsome, and the other members of the Grand Lodge officer line. By our attendance at the ceremony, we fulfilled our ohligation to re-dedicate the Temple during this Jubilee year.

We should have work in September, so watch your newspaper calendar of Masonic meetings. Wben you see a meeting announced, make a special effort to come down town and lend your support.

Sunday, September 17th, is Pilgrimage Day when we visit the Masonic Home to spend a day with our less fortunate hrothers, widows, and orphans. It would be most encouraging to the residents of the home to show them that we care enough about them to give some of our time. as well as our money, to add to their pleasure and well being.

Keep your calendar open Saturday night, September 23, as this is South Gate's Ladies Night for Masons and their Ladies. A nice dinner and program is planned, and you will receive more news hy mail.

If any of you are interested in talking to the Worshipful Master ahout an appointment to the line of officers, or know of somcone wbo is, hut has not come forward, please contact me as soon as possihle. The press of husiness, school, etc. bas caused some of our officers to bave to drop out, and we need replacements.

Dwight M. Myers _____ Sec'y
Masonic Temple, Fort Wayne

With the lazy-dazy-bazy days of summer rapidly drawing to a close, Members of Summit City Lodge can begin to look forward to an active fall schedule. As things now appear, there will be at least five candidates to initiate at the first degree meeting on Septemher 8th, with indications that October will be even husier. We will he visited by the Grand Lecturer during the second week of October, to be instructed in the Master Mason degree and will celebrate our Annual Homecoming Banquet on the fourth Friday, Octoher 27th.

While our schedule slackened considerahly during the summer months, we did accumulate a number of petitions during June, July and August, and there were two affiliations by transfer during the same period. On Sunday, August 27th, and in keeping with Sesquicentennial Program of the Grand Lodge, we celebrated Memorial Tributes Day at the graves of two deceased memhers of Summit City Lodge, Brother William Geake, P.G.M., and Brother William C. Geake, P.G.M., at Lindenwood Cemetery. A hrief memorial service following the outline prescribed by the Grand Lodge was conducted, after which Masonic Floral Emhlems were placed on the graves of each of these two distinguished brothers. Considering the weatber and the time of year, the memorial service was well-attended hy memhers of Summit City Lodge, and we were privileged to have with us several members of other Fort Wayne Lodges, and Brotber Orvas Dellinger, P.G.M., who acted as official Grand Lodge representative.

The possihility of Summit City Lodge making an out-of-town visitation to another lodge this year is beginning to look increasingly dim. It does not appear that we will be attending the new Bluffton Lodge as a hody, as we have not yet received an official invitation, and our busy fall schedule, with the visit hy the Grand Lecturer, Homecoming Banquet, and the anticipated five or six candidates each month, will be more than enough to keep us occupied until after the first of next year.

I'm sorry for this disappointment, hut feel that the Master and other officers of Summit City Lodge have done all that can reasonahly be expected to secure an invitation to make possible the visitation about which we have been talking since the first of this year. However, let's not forget that the most important work which we have to do is to be done at home; and the fall of 1967 promises that this we shall have in ahundance.

Regards, and we'll look forward to seeing you at the next stated meeting on September 1st.

Quoting from a line in a well known Masonic Play "Just a word of Welcome to a hrother I see so seldom". Not to infer that the hrethren have not been attending Lodge, but due to the "summer dark" it really seems a long time since we have been together. It is hoped that all of the brethren will once again faithfully serve Three Rivers Lodge beginning with our Stated Meeting Sept. 12, 1967 and continuing the rest of the year. Senior Warden Les Sills did an excellent joh in conducting the August husiness meeting, and it is very, very pleasing to know that the Lodge will he in such good hands next year. Thanks again Les. I would like to welcome our newest Master Masons — Jack Waikel and Forrest Castator. Three Rivers will be quite a husy place on Tuesday Evenings for the remainder of the year. Please "Circle" Saturday, October 21st as this is the night that we will honor our "ladies". Congratulations to the many members who will receive one.

Dr. Norman Vincent Peale was the principle speaker at Indianapolis when the Jubilee Year was officially opened. His excellent sermon was enjoyed by all. He told us three thoughts of victorious living in meeting day to day challenges:

(1) The "in spite" of principle. "The in spite of principle is to say, Bring on all that the book can throw at us, and in spite of that, we will live; in spite of all opposition, we will carry on; in spite of what seems to be the decay of morality in our time, we will continue to fight for the good."

(2) The "relentless pressure" principle. When death is fighting with life, the issue of which shall triumph depends upon whether we Masonic Brethren keep the faith and apply the relentless pressure principle that shall guarantee not a return to the past, but an achievement of the glorious future built upon the idealism of the past with a knowledge of the present.

(3) The "as if" principle. If we are dissatisfied with what we see today all around us, let's tell ourselves we are dissatisfied, and let's get terribly dissatisfied — so dissatisfied that we'll ask ourselves, What do we want to be? Picture those old ideals of freedom and morality and justice and brotherhood — and then let's start living as if we were that way. The law that applies to an individual life that seeks the change from one thing to something better will also operate in the life of the corporate society.

The summer is swiftly passing and we will soon be back to our labors. I am very happy to report that we will start off the fall with 3 candidates and it looks like we will have 2 or 3 in October so come on down and help us start these candidates in their search for further light.

Those of you who were unable to attend our re-dedication and centennial dinner missed one of the outstanding programs of the year. For those who have never had the pleasure of re-dedication I am sure it is something they will long remember. The dinner and entertainment was excellent and Grand Master Bloxsome talk was quite inspiring. I am sure that the more than 600 brethren and their wives in attendance had an evening they will long remember.

The first six months have been very wonderful months for your master. The many pleasures and blessings I have received from Masonry have truly made this a Masonic year for myself and I am quite sure the rest of the officers feel the same.

The officers and their wives met for a pot luck last month and also to plan our program for the remainder of the year. We plan to continue with a little lunch and entertainment after each stated meeting. We have also planned a Masonic reunion for Sol D. Bayless members in October. With past master's night in November and a family Christmas party in December.

The officers and myself are still looking for many of you in lodge. Our attendance is on the upgrade but we do need each and every one of you on the sideline. As I have said before do not short change yourself in Masonry take a part in it and see how much more it can mean to you in your everyday life. Won't each and everyone of the brethren of Sol D. Bayless help us make the rest of the year an outstanding one. We are counting on you.

Wherever you might go and whatever you might do may the good Lord guide and bless you.

See you in lodge.

Welcome back,

Waynedale Lodge is about to begin another fall season, a season I know will he an enlightening & entertaining one for us all. I hope to see many of you at our meetings, especially those of you who were unable to be with us the first of this year.

We have a great deal to look forward to during the rest of the year. I hope that all of the Brethren will find it within the length of your cabletows to join with us often in the pleasures of Freemasonry throughout the coming season.

The building committee has met with Hugh Stinson, a most capable architect, who is in the process of preparing a set of blueprints for our new lodge hall. I will have more to report on this at our stated meetings.

Brethren, it is with profound sorrow that I announce that the Supreme Architect of the Universe has called Brother Al Rossetter to his heavenly workshop. Brother Rossetter was a charter member of Waynedale Lodge and a valued member. We extend our deepest sympathy to his widow and family.

I wish to thank Brother Belbutoski and all the brothers for participating in the services for Brother Rossetter.

We have a petition to vote on at our stated meeting. If petitioner is accepted, our calendar will he: September 6, 8:00 p.m., stated meeting; September 13, 7:30 p.m., Entered Apprentice; September 20. 7:30, Fellowcraft; September 27, 6:30 supper, 7:30, Master Mason.

It is time for the Fort Wayne Chapter Order of DeMolay to embark on another adventurous year of service and growth. As of June 15th of this our chapter has been overtaken by a new edition of DeMolays, filled with enthusiasm.

The men installed to lead Fort Wayne Chapter to new heights during the fall term are: Jim Steeg, Master Councilor; Denny VanHouten, Senior Councilor; Bob Turner, Junior Councilor; Randy Siemer, Treasurer; Dave Gregg, Scribe; Steve Crook, Senior Deacon; Doug Perry, Junior Deacon; Denny Jackson, Senior Steward; Dave Zurbrugg, Junior Steward; Jim Castor, Chaplain; Martin Procise, Sentinel; Chuck Miller, Standard Bearer; Rick Roe, Marshal; Joe Reed, Almoner; and Jim Duncan, Ron Haver, Duncan Whyte, Larry Eister, John Kinast, Stan Parrish, and Doug Knauer, Preceptors. Our chapter can exist only with the help of officers, but the main load must be borne by the members.

A few important dates in the 1967 fall schedule of interest to all DeMolays in the area should be stressed.

All meetings will be held on the second and fourth Wednesdays, with the first meeting on September 13th. The first meeting will be the traditional obligation night. We will feature initiatory degrees on September 27th, November 8th, and the important DeMolay day on December ninth. This class will be named in honor of Dale W. McMillen, Sr.

On October seventh the annual DeMolay bayride will take place. This year the hayride promises to be bigger and better than ever. Randy Siemer has the hall already moving, now the chapter must do the rest. Featured on October 23rd will he parents' night at the Shrine. The traditionally successful fish fry will he held on Friday, November 17th.

The December 13th meeting will he for the election of officers. I am sure that this meeting will he crowded since it is the election of the chapter sweetheart, December 20th will he the stated meeting for awards.

The one day that DeMolays never forget to remember will occur on December 28th. This is the date set for the annual formal Christmas dance given by the Scottish Rite. Also, the crowning of the chapter sweetheart is featured. I am sure that this event will finish a most outstanding year for DeMolay in Fort Wayne.

At a special election of the advisory council Clayton Herrick was elected chairman, with Dr. Vincent Westfall as vice chairman.

The summer is over — welcome back to Shrine. Our hope is that you all enjoyed your vacation — and are nicely tanned, rested up and ready to enter into the activities for the remainder of the year. We need each of you to make the Chapter Room filled to capacity.

"A great door and effectual is opened unto me, and there are many adversaries." 1 Cor. 16:9.

The adversaries are always there beside the open door. That's life. We are continually coming to doors of opportunity standing open, inviting us to enter; but always there are adversaries at hand to dispute our entrance. Shall we go in? Or shall we stay out? That's the test. How will we meet it?

Life never offers an opportunity that carries no risk, no obstacles to overcome. You can find as many excuses for not doing a thing as the reasons you see for doing it — Let's hope you find many reasons to attend Shrine meetings and to support the officers — as you find time in watching your favorite TV programs.

September the 8th is "Back to Shrine Night" — we will honor the sideliners. It will be in the form of a potluck dinner — each bringing a covered dish and table service. Time 6 p.m.

Friend's Night will be September 22nd. Let us all come and greet our friends with a warm handshake. Mrs. Raymond Harrison will give a "Chalk Talk" following the meeting — refreshments will also be served at the end of the meeting. Oh! and for heavens sake — don't forget October 14th — Remember it's the Bus Trip to Indianapolis — and let's have a big representation — so we can witness the installation of Soj. Lavon Reim — as our State President. I'm sure she will appreciate seeing a goodly crowd on this special day for her. Make your reservations with N.P. Pat Nehls. The more the merrier!

Hi! Well here it is, the beginning of school already and the beginning of another term for Jobs. A lot of things will be going on this year and we start ours at our first meeting, Past Honored Queens Night September 6. with a pot luck at 5:30.

The next thing on the summer agenda was a car wash on August 12. The girls that worked hard but still had fun. A big thanks goes to them.

As I already said our first meeting is September 6, but the biggest thing in Sept. will be our inspection on the 9th. This is Saturday at 9:00 in the morning. The time is a little out of the usual but there is a good reason for it. Our G- Guardian this year is a wor- woman and so she can con- working she has arranged to most of her inspections on S- days. Guess we couldn't gripe having to give up one Saturdays dom when we looked at her sche-

We're going to try and ha- lot of fun this year, but there's to be some work too. There'll another car wash, a paper drive start saving your papers), Fri- Sunday (when we try to get DeMolay to go with us this y- a campout for a Winter Playday, Halloween and Christmas church Sunday, initiations, re- meetings and a few things that be mentioned yet for lack of co- approval. So at the beginning of a school year, and our new term Jobs, let's all get off on the foot and start things rolling.

Hope to see you at the meeting.

While we were ahsent one from the other, we hope you enjoyed a wonderful, fun-fun summer. Now let's have more fun and fellowship hy getting together for a potluck supper on Septemher 7 at 6:30 on the mezzanine. Meat, rolls, hutter and coffee will he furnished hy the Social Committee. You hring a covered dish and your table service, and a memher who hasn't been to chapter recently.

Chapter will resume at 8:00 p.m. in the Colonial Room and while the Star Points kneel at the altar, we will repeat in unison with Brother Andy our ohligation, which is a time of renewal to the vows we each assumed when hecoming members of the Order of the Eastern Star.

This is a time, too, to pledge ourselves to better attendance at all chapter meetings, to support the grand officers we've chosen. Nowadays it seems everyone is marching and participating in "(in" groups, let's keep Eastern Star on the march hy heing in the "In Chapter Group."

On September 21 the officers will honor their Star Pals, those faithful friends who stand hy to help whenever the need arises.

Although June seems a long time ago, we do want to mention that Robert Caldwell was installed as Warder at our June 1st meeting. Past Grand Patron Clayton Herrick was the installing officer, assisted hy Pat Walker as Marshall. We appreciate Boh again accepting this office and relieving Charles Lewis who was unable to assume the station.

At our second meeting in June, Sister Eleanor read a humorous article which set the theme for the evening, "Hats Off To Dad's". The vouchers were miniature hand-made hats which, after the choir sang a salute to all Dads, the ladies took off and tipped to the Dads. Special recognition was given to Shirley Scholer who was the Dad married longest to the same woman; to the youngest Dad, Boh Caldwell, and to the grandfather with the most grandchildren, Boh Waldo.

It has become necessary to change the date of our annual Card Party. Start now to line up a tahle or two for October 23.

Boh Waldo has been working to secure a place for our annual golf outing and hopes to have a report for us soon.

Our very special Visiting Committee works hard not just ten months of the year hut all year long as evidenced hy this report which covers the period from May 18 thru July 24. We hope that all who were ill have regained their strength and that God's love has helped all in distress.

Memhers ill: Mary Fletter, Lucile Miller, Mary Knauer, Reathel Blue, Neva Bushong, Celia Stabler, Wanda Harz, Myrtle Hornherger, Velma Timherlake, Frances Arnold. Bertha Irons, Emma Talmadge, Edith Uehelhoer, Mahel Poorman, Lola Kelsey and Brothers Max Poorman, Ray Jacot and Erba Price.

"Silver Lace"

In the misty mornings of the sweet Septemher days
When the world is shrouded with a gray autumnal haze.
Walk along your garden path hefore the sun hreaks through,
See the cohwehs fairy-spun, hespangled with the dew.
Silver Lace — like hridal veils upon the lawn outspread;
Lovely patterns finely woven worked with silver thread.
A common little spider has performed this miracle —
Could a human hand create a thing so beautiful.

Vacation time is over though it seems that only yesterday everyone was making plans for summer traveling here and there; Now, that we are home again, we are looking forward to a husy month ahead. Like the lowly spider let us perform a few miracles — hring up our attendance and remember those less fortunate than we are and work for our various projects.

The officers will entertain our Past Matrons at a dinner party and evening of fun at the Masonic Temple at 6:00 with Sister Ethel Miller, president of The Past Matron's Club as honor guest.

The Fall season hegins with the members enjoying the Opening at a Potluck Dinner to be served on the Mezzanine at 6:15. This will he in charge of our Social Chairman, Louise McCoy and Fanny Bickel, Co-Chairmen. Meat, rolls and coffee will he furnished. Come out and help in renewing friendships and getting started on our fall activities. This is the night for renewing our Ohligation with Harmony as the theme for the evening.

September 28th will be a special occasion as Friend's Night always hrings out the unusual — as we greet our Friends from the various Chapters. Showers of Blessings will present our guest officers as the real shower of friendship, a treasure to be held in trust.

October 6th, we will again present for our members and the public, our Smorgashord Dinner. This is a real go-getter to be served on the main floor of the Masonic Temple from 5:00 to 7:00 p.m. Donation $1.85 adults and children $1.25. We have a wonderful group of cooks who go all out for this dinner featuring home made pies, a variety of meat and salads and other hot dishes. Come out and support them. If I'd live to be a hundred
The years would be too few
To do the kindly things for folks
That I would like to do.
But I hope that I'll be able,
In a friendly sort of way,
To let them know I love them.
And that none will ever say
That I ever caused them heartaches,
Or grief when I was here,
Because I never meant to—
I count friends much too dear.

Mrs. Helen Hattendorf

Now that our beautiful summer is practically gone, we are looking forward to Cbapter and renewing all of our wonderful friendships as we work together for the good of our Chapter. Don't forget "Back to Chapter Potluck" on the mezzanine of the Temple on September 1st. Let's have a real big "turn out".

A GOOD CREED

If any little word of ours
Can make one life tbe brighter;
If any little song of ours
Can make one beart the lighter;
God belp us speak that little word,
And take our bit of singing
And drop it in some lonely vale
To set tbe echoes ringing.
If any little love of ours
Can make one life the sweeter;
If any little care of ours
Can make one step the fleeter;
If any little help may case
The burden of another;
God give us love and care and strength
To help along each other.
If any little thought of ours
Can make one life the stronger;
If any cbeery smile of ours
Can make its brightness longer;
Then let us speak that tbought today,
With tender eyes aglowing,
So God may grant some weary one
Shall reap from our glad sowing.

A really profitable evening was the August meeting of Truth Court. Practice for initiation and the Official Visit of our Grand Royal Matron and Patron was tbe main order of business, and our Assistant Grand Lecturer, H.L. Bertha Clear, really put us through our paces. After the meeting an enjoyable Social Hour was held in the dining room.

We were honored by the presence of visitors from the State of Washington, H.L. Bea Larson, Grand Musician, and S.K. Louis, a Past Royal Patron. The Larsons are sister and brotber-in-law of S.K. Glenn and H.L. Virginia Rosevear, members of our Court.

Sickness and Distress reported: H.L. Lucy Sbedron, in the Lutheran Hospital; H.L. Judy Campion, now at home in Indianapolis; H.L. Bessie Carmer, and H.L. Nellie Moore, better. H.L. Virginia Whipple is a new grandmother.

Coming Events: September 13th will be the Official Visit of our Grand Royal Matron, H.L. Gladys Hawhee, and Grand Royal Patron, S.K. Harold Garrott. We will again have our Annual Specialty Dinner with prizes for the best dishes in various categories. This is the time to make that "Special Gourmet" dish. Also bring in copies of some of your most favorite recipes for H.L. Della Weesner. This is for a project to be used at a later date, so get them in by Sept. 13th.

October 9th will be Friends Night, so be thinking about any Special Friend you may like to invite, so that our Secretary will have time to send out invitations.

Make an extra effort to get to Court each month. It is only worth while when you are able to contribute your presence. If you do not take part in the meetings of your Court, you derive no benefit from them. Come, ask someone else to come with you, and present a petition to someone you would like to have join with you in this association.

I sincerely hope that all the Sir Knights and familiea had a very happy and safe Summer. Now that September has rolled around, we reluctantly nudge ourselves to get back in the harness for Fall and Winter.

The Commandery has an interesting program lined up for this Fall and Winter along with our other projects. On October 20th (Friday) we are planning a Ladies Night. The tentative plans are for a supper and entertainment. Then on November 9th (Saturday) we will have our Annual Inspection. We will be putting on the Orders prior to this date, and I will put these dates in the Next Square and Compass.

Remember Sir Knights we are striving for an active Commandery. Along these lines let us remember our Eye Foundation. I saw in the current issue of the "Knights Templar Magazine" that an amendment is to be introduced at the Triennial raising the Life Sponsorship donation to forty dollars instead of thirty. We are assessed $1.00 per member unless one is a Life Sponsor, and if the amendment goes through it will be $1.00 per member. So please Sir Knights give this worthy cause a lot of thought and if at all possible become a Life Sponsor and help yourself, your Commandery, and the people that this project helps. The Donation is deductible. If you wish to become a Life Sponsor or wish more information see Jim Deweed, Curt Heston, or myself.

Our effort to send boys to Camp Hedley this year was a huge success. I wish to personally convey my thanks to all who made this possible. Each body of the York Rite sent a boy. You will hear more about this project at a later date.

With the College terms not too far away, if any of you know any Juniors or Seniors who may need some cash to continue their studies, contact Doc. Ivan Planck or Bob Marshall to see about a loan from the Templar Educational Foundation.

The Drill Corps suffered quite a blow when our Commandant S.K. Harry Haller was confined to the Hospital. He is on the mend and told me that if it was at all possible he would be at the Stated meeting in September. In the meantime the Drill Corps has been going along under the capable direction of SK Jim Johnston.

I would like to have an Officers meeting on Thursday, September 14th at 7:30 p.m. I will try to contact each of you but if for some reason I don't or can't, please make every effort to be there. Thanks in advance.

To the sick and shut-in we wish a speedy recovery, and to the bereaved we extend our heartfelt sympathy and condolences.

Hello, companions. Short summer, wasn't it? But we trust that everybody enjoyed it while it lasted. By now everybody should be pretty well rested up from his vacation, the poison ivy, mosquito hites, sunburn and backaches nearly gone and everything about back to normal.

And now, all of the companions are no douht well-rested and anxious to resume work in the chapter. Right, companions? Right! That's fine. We can look forward to a husy Fall of planned activities, both work and recreation.

But first, let us pause for a moment in respect for three companions who passed away during the summer. A prayer and our deepest sympathy to the families of Companions Howard Howie, Don E. White and Bert Pontoni. These companions will long be remembered.

Increasing interest in the annual Quarry Festival at Bloomington drew a bus load of companions and their ladies from this district August 26. A number of others drove their own cars. The ladiea enjoyed the "Gala Variety Show" put on by students at Indiana University. About a thousand companions saw their candidates receive the Mark Master Degree from a proficient, colorful-costumed cast of about 75 in a near-hy stone quarry. Very impressive. Our chapter was well represented.

We will have a family picnic at the home of Companion and Mrs. Art Popp Sunday, September 17 from around 3:00 p.m. until late in the evening. Barhecued chicken, tossed salad and coffee will be furnished. Please hring silverware. We have invited as our guests, companions of Fort Wayne and Garrett chapters and their families. Our chapters have worked together closely this year. There will be games and entertainment. A two or three hole golf course will be set up — about 100-150 yards at most — so bring your putter and a couple of your favorite irons if you have them. We would like to know how many plan to attend so that we might prepare accordingly. Just call 745-3830 and let us know that you intend to come.

Companion Popp lives exactly six miles north on S. R. 1. Take State Road 421 to S.R. 1. Turn left on S.R. 1 and watch for our sign on the left side of the road.

On Thursday, September 28 at 7:00 p.m. Columbia City chapter number 55 will be hosts of a banquet for all companions and their prospective candidates. All companions are urged to attend this banquet and make a special effort to bring a prospective candidate along. Cost, $2.00 for the companion, nothing for his guests. Send your reservations to Charles W. Betten, Jr., High Priest, R. R. 1, South Whitley 46724. Our Grand High Priest, David W. Widmoyer, will be the speaker.

Greeting Companions! We are now upon the threshold of our Masonic Activity for fall. While some of us are still thinking of vacations yet to come and others of the good vacation they have had this summer, it is now time to make plans for the remainder of the year.

In the month of June your chapter conferred the Royal Arch Degrees upon Companion Donald J. Marks. We wish to welcome him into the activities of the Fort Wayne Chapter.

September activities will begin on the 21st of the month with the first fall stated meeting and again dinner will be served at 6:15. Then on the 28th of September the York Rite Association District III will have a promotional dinner at which all Blue Lodge brothers who are prospective candidates are invited to attend. The Indiana Grand High Priest will be the featured speaker for this event. The particulars in a nut shell: Date, September 28th, Place, Columbia City, Ind. Time, 7:00 p.m. and Price, $2.00 for the dinner. Reservations due by September 26th and turn them in to any of your officers. Please lets all work to make this a success.

October will also find the Chapter busy. On the 28th of the month an all degree day will be held at Bluffton, Indiana Masonic Temple. Included in this day will be a dinner that evening. This is another event promoted hy our York Rite Association District III. I am sure everyone will want to take part in this work.

All members of Fort Wayne Chapter have been invited to attend Thomas R. Marshall Chapter's picnic to be held at Companion Arthur Popp's home on September 17th in the afternoon. The invitation has been extended to Fort Wayne Chapter by High Priest Maynard Cope and Companion Popp.

In parting may I request that we all put our shoulders to the wheel to make this year of 1967 a success for our chapter.

MASONRY AND PRAYER

By Robert C. Hill, P.M.
(In Oklahoma Mason)

Belief in the Supreme Architect of the Universe is a prerequisite to Masonic membership. Consequently the Masonic ritual is replete with prayers of reverence, gratitude and supplication to Him who is the Creator and Ruler of all. Masonry, it has been truly said, is not a religion hut a religious Institution.

From his first appearance in the Lodge until he is raised as a Master Mason the candidate is impressed with the frequency with which Divine blessing is invoked. In each of the degrees prayers are offered or Scriptural quotations are recited. The candidate cannot but be influenced hy the reverence of the language of the obligations and the sanctity of the degree work.

Masonic communications are always opened and closed with supplication to the Deity to bless the Brethren in their effort to serve God and mankind. The opening prayer says in part:

"Thou hast promised that where two or three are gathered together in Thy name, Thou wilt be in their midst and bless them."

The closing ceremonies include this benediction:

"Supreme Architect of the Universe, as we are now about to separate, accept our humble praises and the gratitude of our hearts for the many hlessings. Thy bountiful goodness has conferred upon us. May the blessings of Heaven rest upon us and all regular Masons. May brotherly love prevail and every moral and social virtue cement us."

The religious atmosphere of Masonic meetings, the repetition of quotations from Holy Writ and the petitions for Divine aid should make every Mason "wiser, better and consequently happier."

. Masons, whatever their ecclesiastical affiliations, must be convinced of the efficiency of prayer offered in sincerity and humility. In times of grief or uncertainty, communion with the Almighty is a source of deep consolation and strength. Persons in all walks of life testify to the solace of prayer, the comfort it gives and the assurance that one is never alone, wherever he may be. Masonry sets an example that all members of the craft might well follow in their daily lives. As it has been said:

"Seven days without prayer make one weak."

THE MISSION

(Exchange)

Freemasonry is a system of thought, philosophy and action that has been handed down to us from the remotest past, the oldest and most venerable of all human associations.

We know that Masonry does not exist to combat any particular evil; to solve any special problem; to advance any particular cult; or to propagate any precise dogma in the outer world. It is not for special fellowship, although that forms a part of it. It is not constituted for the exercise of benevolence only, although that occupies no insignificant place, both in its precepts and its practice. It teaches no philosophic school, yet a profound philosophy permeates its system of symbolism. It instructs in no special art, yet in it all arts are honoured. It has no religious creed, yet religion forms its foundation and crowns its pinnacles. It is the evolution and growth of centuries and has received contributions from many diverse races and people.

The mission of Masonry is the building of the ideal Temple and he is the true Mason who works true to the plan of that temple. He has to bulld himself and therehy contribute to the building of humanity. How to live ls a problem each of us must solve.

MASONIC SOIL EROSION

In the Masonic Tidings,
June, '64, Wisconsin

The Masonic future of most new members is largely determined during the first year of membership. That is when they are putting down roots. If the soil is hadly eroded, stony, and sterile, those roots will not go deep and the plant will soon wither.

Over the years there seems to have developed a widely accepted idea that once the degrees have been conferred responsibility for the newly obligated Brother has been fulfilled. Therein the new member is flatly told that if he gets nothing out of Masonry the fault is his own.

What further devastation is done when the new Brother is told or discovers that the Lodge has nothing more to give him, that whatever else he gets is his own responsibility?

When we admit all the Lodge can do for a new member is give him the three degrees which will enable him to visit the Lodges, and that whatever else he gets he will have to dig out for himself, we make the monstrous confession our Lodge soil is so badly eroded that no real spiritual growth can be expected from it. And until we get that soil thoroughly re-fertilized with Masonic truth and practice we can expect to lose members as fast or faster than we make them. Amen."

July the 4th all masons, families, and friends were invited to attend the Allen County Masonic Fourth of July Picnic at Franke Park. The attendance was not what we expected, hut we all enjoyed ourselves.

Our regular Stated meetings were held during July and August. September the 20th we will travel to Churuhusco for Lodge of Inspection. This is not just for the offiecrs, any brethren are welcome to come.

With the coming of fall and cooler weather, we hope all Brothers will he rested and ready for a pleasant period of fellowship, and worthwhile work — which they will find when they attend their respective lodges.

Summer is almost gone and Winter is coming on, and we of Ossian are looking forward for the annual events through out the remainder of this year. Octoher 31st is the date set for The Lodge For Instruction, which will he held at Bluffton tbis year.

We want to welcome two new members to our membersbip roll. They are Fred Sbutt and Rev. Robert LaFollette. We also lost a brotber who made his home at Franklin for the past ten years. Laying his working tools down to rest and taking his place in that House not made by hands Eternal in the Heavens, our sympathy goes to the family and friends of Hugh Deam.

It gives me great pleasure to report to our members, how we stand in the Ten for Ten program. During Grand Lodge session the standings were released and Ossian was in the top ten of all Lodges in the state of Indiana, as perecntage of membership. It is a wonderful feeling to think how this program works, and to think we of Ossian Lodge are doing our part to help these people some way at the Franklin Home. This Ten for Ten Program still continues, so don't let us down for next year, we do bope to have a bigger percentage. Let's try and make it a Hundred Percent.

Brethren,

New Haven Lodge was dark during July and August, as you know, hut I will always say we closed with a bang. June 28 we had five brothers for the M.M. degrec. The five were taken through the first section at five o'clock, after wbich we had a wonderful meal prepared under the ahle direction of our J.W., Don Stark. Two of the hrothers were then asked to return June 30 for the second section. Three of the hrothers were then taken through the second degree. July 30 we bad two hrothers for the second section and all five for the work lectures. I think by this method the officers as well as the hrethren were not so tired and the officers were ahle to perform their duties in a most proficient manner.

July 4th was the Masonic Old Time Picnic and a good time was had by all. An execllent talk was given by Indiana Congressman E. Ross Adair. Our Bethel of Joh's Daughters served snow cones and haked goods and we thank them for a joh well done. A combo, the Playmates. provided musical entertainment for the young and young at heart.

Sept. 19 tbe officers of New Haven Lodge and Monroeville Lodge will have a Lodge of Inspection at Monroeville at 7:30 p.m. If you have never heen to a lodge of this form why not try to attend.

See you in lodge.

TO BE PATRIOTIC
(Masonic Messenger)

The cry is heard throughout the land — the right to dissent — the right to protest.

There is always the right, of course, to protest, hut there is also the responsibility of the citizen of America, one who enjoys the privileges and blessings of America, to support his country in time of war.

There is also the right to draw a distinction between honest dissent and disloyalty to one's country.

There is a great deal of confusion. War is not a foreign policy. War is a fact, a condition that exists.

Let us not forget the right which is also our highest duty, the right to love our country, to appreciate the sacrifices that have been made in the past, and the debt that we owe to those who are now fighting and dying for us and for our freedom in Viet Nam.

If we dissent, let it he against any philosophy whicb gives aid and comfort to America's enemies, and against any philosophy that continues to dwell on foreign policy when our country is at war.

The Mason will insist upon the right that is his, to stand up for America and to he a patriotic citizen.

PERMANENT VALUES
(Masonic Service Association)

If we Masons are truly seekers of the Light, of all that will illuminate the universal meaning of hrotherhood, we cannot rest on our pride of accomplishment. In tbe scientific and social revolution whicb is taking place, with all the fantastic changes to which we have to adjust, we must ask, "Are there any eternal verities?" "Are there any fundamental truths?" "Are there any guideposts hy wbich we can gauge the true stature of a man?"

Masonry has always asserted, — yes, there are such truths; they are the truths which are revealed to us in the mysteries of our Order. They are the lights hy which we can plot our position and by which we can guide our course throughout our lives without losing our bearings in this dizzying kaleidoscopc through which we must live.

Charity, compassion, toleranec, love — these are the things we learn in Masonry. Tbese are the things which have been revealed to all true initiates since "time immemorial," wherever men have associated themselves in fraternal groups "to seek after Light," "to find that which was lost." These are the things to which we can tie, which are fundamental, and which are etcrnal. These are the values wbich we have received from the Master Builder of all ages.

Grand Lodge of Pennsylvania Presents Washington Statue At Valley Forge

More than 15,000 Masons, their families and friends gathered in Valley Forge Park, Pennsylvania, on Saturday, September 9, 1967, to witness the dedication ceremonies when the Grand Lodge of Pennsylvania presented to the Freedoms Foundation of Valley Forge a magnificent bronze statue of General George Washington at prayer during his encampment there in 1777-1778.

The statue is the work of Sculptor Donald DeLue, who fashioned the statue of Washington as Worshipful Master which the Masons of Louisiana erected in the Civic Center of New Orleans in 1960. The new Washington at Prayer statue was specially commissioned by the Grand Lodge of Pennsylvania; the sculptor himself took part in the dedication ceremonies at Valley Forge.

Right Worshipful Grand Master Robert E. Deyoe and his Grand Lodge officers unveiled the statue and presented it to the Freedoms Foundation to adorn the Congressional Medal of Honor Grove on the Foundation's property.

A challenging address for the occasion was delivered by Brother Wilbur M. Brucker of Detroit, Michigan, Immediate Past Grand Master of the Grand Encampment, K.T., and former Secretary of the Army in President Eisenhower's administration. The festive occasion was blessed by beautiful weather.

"They Don't Make 'em Like That Any More!"

The September 1967 issue of the Iowa Grand Lodge Bulletin carries this "Go and do thou likewise" illustration:

"One item of interest brought out in the history of the lodge at Auburn was the fact that Judge Early, of Sac City, walked to Auburn, a distance of 18 miles, to help organize the lodge in that town. The same Judge Early on another occasion walked to Jefferson, a distance of almost 60 miles, to attend a lodge meeting." Besides unusual devotion, that Brother must have had good feet!

Charity - Masonic Jewel

There is a little poem attributed to an unknown poet which goes, "I sought my soul, but my soul I could not see. I sought my God, but my God eluded me. I sought my brother —and I found all three." Reflection on the thought bere expressed leads to consideration of that cornerstone of Freemasonry, Charity, which has been described as the brigbtest jewel in the Masonic crown, and is the topmost round of the mystic ladder to which Masonic lodges are always dedicated.

It is unfortunate that the word "charity" has come to be known almost exclusively as liberality to the poor. While a Mason is expected, to the extent of his ability, to lend pecuniary assistance to all those in need, charity has a more noble and more extensive meaning. Originally it meant the purest love for God and man (as in I Cor. XIII), which is its Masonic as well as it Christian application.

Guided by this definition of Charity, the true Freemason will "suffer long and be kind." He will be slow to anger and easy to forgive. He will stay his falling brother by gentle admonition and warn him with kindness of approaching danger. He will not open his ears to slanders, and will close his lips against all reproach. He will write a brother's vices in water and his virtues in enduring hrass. This Is the charity that regards all men as brothers and is swift of foot and ready of hand in the cause of a common humanity. Such a practice of charity would illustrate the teachings of Masonry.

Brethren: From the stated meeting in September to this time South Gate has found itself busy again as the fall season picked up momentum. On September 23rd our annual Ladies Nite was held in the Temple with good food and entertainment. We only wished that more of you could have attended as it was a real nice affair.

Also on September 17th several members made the trip to the Masonic Home at Franklin to spend a few hours with our less fortunate brothers, widows and orphans. It is a magnificent home and hospital, and when one sees the results of this charity as reflected in the lives of those who receive it, the giving to support it seems so much, much easier.

The September meeting found some petitions on the secretary's desk and we should have candidates for October and November. We are also going to have our Lodge of Instruction on Wednesday, October 11th with Summit City. Plan to come to as many of these meetings as possible and check the paper for time and date. The October stated meeting will deal with an important resolution and your presence to vote is urgently desired.

November 4th is our annual Family Night dinner which we all look forward to so clear your calendar well in advance and make sure you can come.

We will be responsible for obligating the candidates, and will raise at least one candidate in full form toward the latter part of the afternoon. We will also be responsible for the charge and lectures. I have contacted the members of our lodge who are to give the charge and lectures, and would say that most arrangements are now complete. Dinner will be served at 6:00 p.m., and it is anticipated that lodge will resume at 7:00 p.m. and probably close around 8:00 p.m.

We will need to advise the Bluffton Lodge as to the number of Sommit City members who will be in attendance. For this reason, I urge all of you who plan to make this visitation to give your names to one of the officers so that we will have a fair idea not later than Friday night, October 6th, as to how many Summit City members to expect.

This visitation comes just two weeks after we will confer the Master Mason Degree on five of our own candidates on September 22nd, and less than one week before the Grand Lecturer's visit to our Lodge of Instruction on October 11th. We should, therefore, be in top form for the Bluffton visit, and I'm sure that the opportunity of presenting the work of the Master Mason Degree in three successive meetings should give us ample opportunity to eliminate any rough spots in the ritual and lectures.

I hope that we will be able to demonstrate to the members of Bluffton Lodge, by a good turnout and superb degree work, that the members of Summit City Lodge are genuinely interested in their lodge, their new Temple, and in its dedication. I believe that it is an honor for us to have been selected as the first lodge to make a visitation to the new Bluffton Temple, and we should make every effort to insure that our performance is equal to the honor that has been bestowed.

In the last issue of the Square and Compass, I announced in my column that the members of Summit City Lodge would probably not be making the visitation to Bluffton Lodge, about which we have been talking, this year. Very shortly after my column had gone to press, we received an invitation from the secretary of the Bluffton Lodge inviting us to attend that lodge on Saturday, October 7th, beginning at 12:30 p.m., to assist in conferring the Master Mason Degree on four candidates. I have considered this invitation with the officers, members of the Fellowcraft Club, and their advisor, and it now appears that this date is satisfactory to most of us and that the visitation will be made at that time.

Insofar as our participation in the degree work at Bluffton will be concerned, it is my understanding that lodge will open at 12:30 p.m. with degree work to begin about 1:00 p.m.

Please consider this as your very own Personal Invitation to attend our Annual Ladies Night Dinner on Saturday, October 21, 1967 at 6:30 p.m. in the Ball Room of the Masonic Temple. A very interesting program has been arranged, the usual delicious food prepared by the finest "chefs", and best of all it is "FREE" (Three Rivers Members and their Ladies only). See "you-all" on the 21st.

It was again a pleasure to attend the Master Mason - Eastern Star Night sponsored by Job's Daughters Bethel 8 on September 20th in the Egyptian Room. My personal thanks to Honored Queen Cathy Frederick for the invitation, and an evening well spent. It is extremely gratifying to have young girls like Cathy and the Job's Daughters — keep up the excellent work.

Our Lodge is "buzzing" with activity now that the "fall season" is under way, and if you have not been to Lodge on Tuesday do so immediately and see what you have been missing. As the letter "Q" is no good without "U", so is your Lodge. Beginning in October, the "Officers will move up a Station", this will be your opportunity to support them in their new "adventures". We will be busy with degree work for the remainder of the year. Our calendar for October and November will be:

October 3rd MM degree — Open 5:30 p.m. Dinner at 6:30 p.m.

October 10th — Stated Meeting 7:30 p.m.

October 12th — Grand Lodge Inspection — Waynedale Lodge 7:30 p.m.

October 17th — Entered Apprentice Degree, 7:00 p.m.

October 21st Ladies Night — Dinner at 6:30 p.m. (Three Rivers Members and Ladies "FREE").

October 24th FellowCraft Degree, 7:00 p.m.

November 7th Master Mason Degree, Open 5:30 p.m. Dinner 6:30 p.m.

Well Brothers here we are well into our fall and winter activities. We will have a rather full schedule for the rest of the year.

In the past two or three months brothers P.M. Irv Burelison and Paul Scharpenberg have had surgery and are back to work or will be soon. Best of luck to both of them and a complete and speedy recovery to both.

We have coming up on October 24, 1967 a 25 year award of silver for those who are eligible to receive it of which there are about thirty-five brothers. A good meal will be provided by our Jr. Warden Bro. Gill Plummer. We don't know what it will be, but you can rest assured it will be good. Our Sr. Warden is in charge of the program which will also be interesting and informative. There will also be Master Mason degree conferred on this night. We will open at 5:30 p.m. with dinner at 6:30 p.m. Presentation of awards and talk to follow.

When you read this article we will have returned from our annual outing at St. Louis and will have had a good time at relatively small cost to us.

Brothers, we still have 2 brothers in the hospital as I reported month. A visit from you will immensely.

Brothers our Ten for Ten prog is still in progress and as this is the best cause in Masonry your purse strings and give as g ously as possible without incon ience to yourself.

to us. We have cheapened Masonry some by making our initiation fee less than most of our appendant bodies. Giving the impression to the new members that Masonry is but a stepping stone in place of the corner stone. How many times have we made it easy for a candidate to wisk thru his work just so he could make that next class. I remember a couple of years ago a lodge had degree work early so a candidate could make the next class. This man is an outstanding person in the community but in his eye we had taken away the importance of his Blue Lodge Masonry. This man has told me he has not been back to lodge since he was raised. We can not blame our Brother for his lack of interest. We can only blame ourselves because it was the Blue Lodge that first gave him the impression that it was only a stepping stone and not the corner stone. Bro. Smith also discusses our methods of selecting our line officers and we could be quite concerned with leadership as well as with our ritual work. We often find a Brother is a fine leader and can lead the lodge forward. We may also find a Brother is an excellent ritualist so lets do not keep an outstanding leader from reaching the East because he is unable to do first class degree work. Many other fine points which will give us all food for thought are found in this outstanding booklet. Why not write to the Indiana Freemason, Franklin, Indiana and get your copy. I believe the cost is only 35¢ but it will he one of the best investments you could make. I am sure you will agree with Bro. Smith that there is nothing wrong with Masonry but Masonry itself and since you and I represent Masonry this puts blame for any problems right at our door steps. Lets once again make the Blue Lodge the corner stone and not the stepping stone.

It doesn't seem possible my year as master is almost three fourths over. I hope I have been able to instill just a little masonic pride in many of our members.

Starting with our stated meeting in October we will once again have a light lunch and entertainment after each stated meeting. We are trying to keep our stated meeting short so that we might have time for Masonic fellowship. So come and join us.

We are having degree work during September and it looks as though we will have degree work in October also. On Friday, October 13 will be an annual lodge of instruction so come and join us.

Your officers have planned several more outstanding programs for the remainder of the year. Still to come is a Masonic reunion nite in October, Past Masters nite in November and a family nite Christmas party in December. We will be looking for you.

Lets continue to invest in Masonry and watch the interest and dividends we get in return. The more we invest the more is returned to us. Brethren the returns are wonderful.

Where ever you might go and what ever you might do may the good Lord guide and protect you.

Brethren: Again our chapter has been draped in black with the departing of illustrious Brother Charles E. Lewis, 33°, a charter member and founder of our lodge, who has heen called upon by the Supreme Architect of the Universe to that undiscovered country eternal in the heavens. The members of Waynedale Lodge and I extend our sympathy to Mrs. Lewis and the family.

The plans for our new lodge hall have been approved hy the building committee and very enthusiastically supported by the members of the lodge. The plans have now been sent to the supervisory board of Grand Lodge for final approval.

Remember October 121 Right Worshipful Brother Howard O. Hunter and Three Rivers Lodge will be our guests for "A Lodge of Instruction" on the Master Mason degree at 7:30 in our lodge hall.

We will be voting on a petition at our stated meeting October 4 and will have degree work October 11, Entered Apprentice, 7:30; October 18, Fellow Craft, 7:30; and Octoher 21, Master Mason, 6:30, supper and open lodge at 7:30.

In closing, I leave this thought with you. Masonry should be a way of life, a theory of life and a philosophy of life. It manifests itself in our daily contacts with our fellow men. It is not what the tongue proclaims, but what the heart contains. A true mason is one who interprets the symbols of masonry in his daily life.

FORT WAYNE CHAPTER
Order of DeMolay
Stated Meetings

Here it is time for the meetings and activities of Fort Wayne Chapter Order of DeMolay to begin. The officers have already put forth much effort to prepare for a most successful year. The officers have started the molding of the chapter now it is time for tht chapter member to carry on.

Following the installation of officers on the twelfth of June seven boys and "Dad" Arick got ready to take a journey to Muncie. Tbe purpose of this journey was to attend the Indiana DeMolay conclave. The boys who attended conclave this year were: Dennis VanHouten, Rick Roe, Bob Turner, Randy Siemer, Jim Steeg, Martin Procise and Dave Zurbrugg. I am sure that these boys had fun and profited from their experience at conclave. We shall return!

The next event on the summer schedule was the Masonic Fourth of July picnic. At this picnic DeMolays sold popcorn and peanuts. Larry Strange, Dave Gregg, Jim Steeg, Randy Siemer, and Terry Isley participated. It was quite an event and one that will be remembered for a long time by these boys.

August 11, 12 and 13 was next on the schedule. The event was the Shrine Horse Show. Fort Wayne Chapter was in charge of all the concessions. The boys who found time to work were: Joe Reed, Stan Parish, Randy Siemer, Jim Steele, Dave Zurbrugg, Greg Parish, Dave Gregg, Steve Crook and Bill Zurbrugg. We would like to thank the parents of some of the boys for supervising the event, as well as the Shrine for giving us the opportunity this year and for the next four years.

At the first meeting this fall two boys, Joe Reed and Dennis Jackson, were installed as officers. Also, Jim Steeg was appointed as representative to the state council.

This year Fort Wayne Chapter is initiating a new procedure. We are going to collect fines for various action, either funny or serious from the members. The money from these fines will be put in the Almoner's Fund to he used as gifts to different charities. So, as advice to all members: Bring your pennies and nickels to the meetings.

An important reminder for the upcoming weeks. Parent's night at the Shrine is coming up on Monday, October 23rd. This is an opportunity for the DeMolays to show the Shrine how much we appreciate their help. We disappointed them last year since the date they had set for this event was the day of the DeMolay Degree. Let's show our true appreciation.

How many tickets have you sold for the upcoming hayride? Let's try to make this a tremendous event. I feel that our general chairman, Randy Siemer, has done an outstanding job in getting this event organized. How about helping Randy in making this a success? Contact Joe Reed at 483-7488 for tickets.

Remember that the fish fry and the Christmas formal are still to follow.

DeMolay Mothers,

I would like to extend an invitation to all mothers to attend our meetings and get acquainted.

On Oct. 16th at 7:45 we will meet in the Towne House Retirement Home, 2209 St. Joe Center Road.

Hil Well, here it is the beginning of October and we already have a month of school and various other activities behind us. Even though many things have passed, we still have many things to look forward to. The first thing we have in October will be initiation. This will be our first meeting Oct. 4th. Our next meeting will be Oct. 18. This will be Royalty Night when the Honored Queens, Sr. and Jr. Princesses from the surrounding bethels come to our meeting. Following the meeting there will be a Halloween party and we bope that everyone will come. The work project for the month will be the paper drive October 21. Start saving your papers now and if you get such a big stack that you want to get rid of them before then, just give me a call or bring them to my house.

The girls aren't the only ones that have meetings to go to. Be sure and tell your moms that mothers club will be meeting October 9th. This will be at Mrs. Irene White's house, 5536 Woodlea. Her co-bostess will be Mrs. Wilda Crippen.

I might as well explain now about the teams we're going to have this year since this is about the only chance that I get to tell many of you about what we're doing. This term we're going to have two teams competing against each other with the winner determined by the total points scored from each team. You don't know what team you're on and when you find out, you might see that your best friend is on the [illegible] team and you can have her as [illegible] personal slave. You get points coming to meetings, singing in choir, working on the projects bringing in petitions. You've a few ways, most of them easy get points, so let's see you girls the next meeting.

Autumn's here;
The air is mellow,
The trees are turning
Red and yellow;
All the world
Is bathed in gold—
What a lovely vision
To behold!

Another lovely vision was our chapter room on September 7, following a bountiful pitch-in dinner, when many sideliners reverently joined the officers in a lovely obligation ceremony. The vision which sparked Sister Eleanor's smile was the floral arrangements in the dining room and in the East of her chosen Bells of Ireland from the garden of Elaine Yager Patberg.

The officers honored their Star Pals at the September 21 meeting. The pals were escorted to the West where they joined the officers, were introduced and presented a gift.

October is an exciting and especially busy month for our officers and for our chapter. Many of our officers will be invited guests of neighboring chapters at their Friends Night. Our officers would enjoy having you attend with them and you, in turn, would enjoy the fellowship and work of other Star chapters.

On the 5th we will pay tribute to our past matrons and past patrons—"they who have held the torch". The meeting will be preceded by a 6:30 dinner in the dining room, and, as usual, Sister Vera will be taking reservations. Reservations should be in by October 2.

Saturday, October 7 Social is trying a new approach (for us) to our annual rummage sale — a garage sale at the home of Louise and Bob Caldwell, 2025 Drexel Ave. Rummage may be delivered to that address after 7:00 p.m. October 6 or call Pat McKinney or Sara Logue if you need items picked up.

Muncie Chapter has proclaimed October 17 as "Fort Wayne Night" and have invited us to be with them. This has always been a fun night and many warm friendships have resulted from our visits. We're hoping for a huge turnout so we can charter a bus and go en masse. Call your intentions in to Marjorie Rodemeyer or Eleanor Costello. If we don't have a bus load, cars will be shared so that anyone desiring to go will have transportation. We'll be inviting Muncie to visit us in February so let's set an example they'll strive to beat.

A stated meeting will be held October 19 and we hope to see you there.

Our annual card party Oct. 23rd at 7:30 p.m. will have as its theme "Wig Ways to Fashion" presented by Grace Whonsetler. The bazaar will feature handwork and kitchen goodies — your contribution may be delivered to the Worthy Matron or Sara Logue, or bring them the night of the party. Officers and Social Committee have tickets — donation 75¢.

Bob Waldo reported he was unable to complete arrangements for a golf outing, but promised he would be announcing another event in the next few weeks.

We have an especially beautiful closing this year and it is thrilling to hear the lovely voice of Patricia Walker singing this song:

If you know the Lord,
You know what He can do.
His truth and love,
Will set you free.
Let him take your hand,
He'll take the cross you bear.
Just as He did — on Calvary.
Take time to pray every day,
He'll wash your sins away.
You'll be born again.
If you know the Lord,
He'll always comfort you.
I know these things,
All things He can do.

May her song and the faith which she conveys be a comfort to those—

Members Ill: Elaine Yager Patberg, Genevieve Sheets, Marjorie Rodemeyer, Bessie Douglas, Mary Wineland, Ruhye Baumgartner, Letha Worley, Cynthia Nicholson, Freda Burton, Fern Leeth, Harry Schlacter, Mae Husted, Mildred (Reggie) Eller and Bernice Bowman.

Illness in Families: Husbands of Lola Kelsey, Elizabeth Beach and Ann Scott, Father of Jean Doenges, daughter of Ursie Zeis, sister of Margaret Green and brother of Gertrude Campbell.

Deaths in Chapter: Charles Lewis.

Deaths in Families: Mothers of Duane McQueen and Mildred Eller, Fathers of Helen Parrot and Clayton Dunton, husbands of Evelyn Lewis and Emma Dunton, sister of Glennys Schwartz, grandson of Cora Hickman, granddaughter of Celia Stabler and grandchild of Fay Rolley.

Our Worthy Grand Matron Maxine Moser suffered a broken knee in an automobile accident this summer. Our prayers go with her.

Estella Jacobs will celebrate her birthday October 15. Your cards, calls and visits will brighten her day.

Calendar of October committee meetings:

Summer pulls her shrouds closer and walks slowly over the edge of the world as Autumn stretches herself lavishly across the earth; scarlet trees scrawled against the sky; chilled winds cruising along the ground . . . red and gold leaves mingled on the walk, a deserted tennis court . . . turned up coat collars . . . a pyramid of burning leaves . . . ripe apples hanging in the orchard . . . weiners roasting on sticks . . . chrysanthemums restless in the sun . . . a feathered migration heading south, pumpkin pies cooling in the kitchen . . . corn stalks rustling hoarsely in the field . . . cold raindrops on the sidewalk . . . dark, unhurried shadows on the brown grass . . . a preview of winter blowing against my back.

We are suddenly aware that summer is gone, the fall busy season is here with its many obligations and the Chapter is now in full swing. The Friendship Club entertained the Officers, husbands and wives at a potluck Dinner September 23rd at Vonderau's Recreation Room; a good mixer and get acquainted party.

Friend's Night is just over, with our Stated Meeting on September 28th. This is a most enjoyable evening, with our friends from over the District, and the room radiant in the formal dress of the various chapters represented. Showers of Blessings, the theme of the evening, all Reaping Real friendships gives us the feeling we should have Friend's Night more often.

We are looking forward to October 6th, and the Smorgasbord Dinner on the first floor of the Masonic Temple when the Committees will again sponsor a dinner we can always be proud of. Three kinds of meat, hot dishes, salads and relishes plus home baked pies. Serving from 5:00 to 7:00 p.m. and donations, Adults $1.85, children $1.25. We derive much of our financial assistance from this dinner and we invite the public as well as our members to come out and enjoy it.

Our first Chapter meeting in October is on the 12th when it will be a real pleasure to honor our Past Matrons and Patrons who have served our Chapter in many ways and their leadership merits the honor they receive. Sister Ethel Miller, President of the Past Matron's Club will be presented from the East and welcomed as their representative. Sister Lucille Thompson and Brother Ben Thompson the Worthy Matron's Fraternal Mom and Pop will also be presented. Without such loyal people our Chapter would not run so smoothly and we are grateful for their assistance and support.

October 20th will be our Fall Rummage Sale and look around at home and see if you can find something to help us out. Call Morea Fisher, 426-7231 or Jessie Holman, 422-6766 for pick ups. The sale will be set up at 6:00 o'clock on the evening of the 19th, if you wish bring your rummage to 1125 Maumee; there is a place to park in the rear.

You are reminded that it is dues paying time again. Dues are delinquent in Indiana after December 31st. If all who can will pay their dues before November which is the time when dues notices must be sent, it will save the Chapter mailing a notice to you. Why not come to Chapter October 12th, October 26th or November 9th, and pick up your dues

Sherlock Holmes

Readers of the famous Sherlock Holmes stories by Artbur Conan Doyle bave remarked upon Masonic references in several of them and have wondered whetber tbeir anthor was a Freemason. The three stories most quoted are "The Adventure of the Norwood Builder" (Masonic watcb cbarm), "Tbe Red-beaded League" (Arc and Compass breast pin) and "The Adventure of the Retired Colourman" (Masonic tie-pin). Conan Doyle was initiated in Phoenix Lodge No. 275, S.C., in Portsmouth, England, 1887.

This Unfinished World

The wisdom of God is sbown in that he left the world unfinished that we might have the interest and delight in taking tbe Raw Material and putting the world together. He left tbe oil in the tap rock, the aluminum in the clay, the paper in the pulp, the electricity in the clouds. He left tbe forest unfelled, the mountains unsurveyed, the canals undug, the tunnels unbored. He left the fields unplowed and unplanted. He left the music unwritten, the poetry undreamed, and the dramas unplayed. He left inventions unapplied and cities unbnilt. Ha left mind and character unperfected, that we might really be the children of God — created in His own image, witb latent powers to take the Raw Materials and put the old world togetber.

Drill Corps News

Would you believe? Summer for 1967 is now history and most of us have enjoyed our vacations. Well we do hope that each of you had a pleasant one, so once again back to work. But first of all lets just reminisce over some of our high lights in the news.

Just a word about our annual Knights Templar Drill Corps picnic held on Sept. 10th at the home of Mrs. Dan Niebel. A big hearty thanks to you Alice. We want you to know from the bottom of our heart we really did appreciate your efforts in making our picnic a success. I know this also goes for those Sir Knights and families who were unable to attend. So Alice we salute you as our Drill Corps true friend for this month. Thank you so mucb we all had a wonderful time.

As most of you Sir Knights know, our Drill Team did not attend the National Triennial Conclave this summer at Detroit due to several reasons, some beyond our control.

No. 1 Our Commandant, Sir Knight Harry Haller became ill and was hospitalized for some time. We are happy to know he is recovering and we are looking forward to his presence once again.

No. 2 The Shrine also had tbeir convention the same week in Winnipeg, Canada. So some of our ranks also belong to their sharp foot patrol. Its kinda bard to be two places at once, even for a Mason.

No. 3 We even invited other Commanderies to assist us, but time ran out.

Sir Knights if you really would like to join our ranks and march in an active group, now is the time. We will assist in providing you a Cpt. Uniform. Or if any of you Blue Lodge brothers are considering further light in Masonry. Don't forget it's not too late to join our York Rite bodies. And you too can join our Drill Corp. We have a place for every member. We travel every year to state convention, and every 3rd year to a national convention. Here is your golden opportunity to join in on the fun.

Our hat's off to our two neighboring Commanderies Van Wert, Ohio and Knightstown, Indiana. Both teams won 1st place trophies this year in Detroit. Just think, here we are in the middle of the National Drill Team Champions of the Class A and B Divisions. Van Wert has now won the B Division for the 3rd straight National Convention. Not bad, but remember their bard work paid off. Nice going Sir Knights.

As you read through the Square and Compass I am sure the Calendar of Events ahead will keep you busy. So I will see many of you soon in the Temple. For all of you brothers or families who are ill, we wish you a quick recovery.

Best wishes, your Drill Corps President, Harold Hamrick.

On Saturday, October 28, Bluffton Chapter No. 95, Royal Arch Masons will have an all-degree day beginning at 1:00 p.m. (Royal Arch Degree excepted). The dinner will be $2.00 per person. This is one of the events promoted by York Rite Association District III. Any candidates we now have or will have will receive their degree work at this time.. Please let your High Priest know if you plan to attend this event so that he can forward the reservations. Our own chapter will confer the Royal Arch Degree at a date soon following this affair.

In the heart of every Master Mason is the dream of someday completing his work in Masonry. It is hoped, therefore, that any Master Mason who sincerely desires to complete his Masonic work will take advantage of the all-degree day at Bluffton and get his petition into Thomas Marshall Chapter before the October 20 stated meeting. For general information call the High Priest or simply talk to one of your York Rite friends.

Companion Harry Haller's many friends will be happy to know that he is progressing very satisfactorily and is able to be out of doors part of each day and get around a little more.

Our Scribe, Companion Art Shull, is also back to work after a touchy spinal disc operation in the Spring. But he must still get around with care.

By the time this article goes to press the chapter will have had its first fall stated meeting. The officers of Fort Wayne Chapter bope everyone had an enjoyable summer. Your High Priest regrets that he was not with you for The September meeting. My wife and I were vacationing at the Canadian Expo. I will see you at our October Stated meeting.

Those of you who were unable to attend the Quarry Festival missed some very good work. Again Lloyd Young came through with a very superb job. There should be a lot of credit given to the cast who performed so well under some very trying circumstances. Before the degree got under way we had rain and again after the introduction of our distinguished guests there was a downpour. However, all of us who braved the rain were rewarded with a very fine performance.

On September 28th there will be a promotional dinner at Columbia City Masonic Temple. Be sure to contact your officers for a reservation. Invite all your Blue Lodge Brothers to hear our Grand High Priest speak to us. The dinner is $2.00 each and reservations must be in hy the 26th. This will be a kick off for all degree day to be held at Bluffton on October 28th. Lets all bring in our petitions and make this year a success.

Again I urge you all to attend our stated meeting and enjoy the fine dinner that is prepared by D. Planck and his workers. If you have not attended a stated meeting dinner please plan to do so. The time is 6:15, Stated meeting night. See you then.

Faith, Hope and Charity

By Elbert Bede

Every Freemason has heard the denominations for the three principal rounds of Jacob's Ladder: Faith, Hope and Charity, but few of us have given to these the time and thought that may give them greater meaning even than that suggested by our ritual.

Faith in God, we must have, of course. That is required of us as Freemasons, but isn't it also important to have faith that the great Truths which are Freemasonry will ultimately prevail over error and sin; isn't it also important to have faith in our fellows; isn't it also important to have faith in ourselves?

Hope doesn't always end in fruition, and it may be well that it does not. Fruition for all our hopes might not bring new hopes and goals which stir us to mental and physical activity. And let not all hope concern ourselves. Let us unselfishly hope for welfare and prosperity of others, and do something to bring about the fruition of such hope.

Charity, denominated the greatest of the rungs of Jacob's Ladder, may be at the same time the most misunderstood and least understood. A large portion of members of the Craft, and certainly the greater number of the profane, think our charity is confined to our material contributions to homes for aged Brethren, and contributions for the education of children of a deceased Brother. If material gifts are the sole claim we may advance, possibly we should not speak too loudly about being a charitable institution, and we should not be vocal about it even if we could be described as charitable in the distribution of wordly goods.

Maybe we may develop something of interest by asking, "What is meant by the suggestion that our charity extends beyond the grave, through the boundless realms of eternity?" Gifts of silver and gold and of other material things do not qualify for this description, but there is a charity greater than such gifts. We may bave charity for a Brother's shortcomings, and other Brethren may have charity for ours. We may whisper in a Brother's ear good counsel that will keep him from evil ways. We may speak praisingly of a Brother's good points and minimize the others. Such may be the kind of charity the Ancient Brother had in mind when he spoke of it as extending beyond the grave through the boundless realms of eternity, for the kind words spoken of us while we are here, and the kind words we speak of others, will continue to be spoken after we have crossed the river.

Don't Be Sorry For Yourself

Last summer, on the Channel Island of Jersey, on a cliff overlooking the harbor, I came upon a worn, moss-covered bench. A century ago, when Victor Hugo was in exile, ill, persecuted by his beloved France, it was here that he climbed every evening and, gazing into the sunset, gave himself up to profound meditation, at the end of which he would rise and, selecting a pebble of varying size—sometimes small, at other times large—he would cast it, with satisfaction into the water beneath. This behavior did not escape a little girl, who asked:

"Monsieur Hugo, why do you come here to throw these stones?"

The great writer was silent; then he smiled gravely.

"Not stones, my child, I am throwing self-pity into the sea."

In this symbolic act there is a powerful lesson for the world of today. So many of us, despite our manifold advantages, have developed to an inordinate degree the capacity for being sorry for ourselves. We are forever alert to find cause for personal grievance in the working of social, economic or political systems. We dwell on the difficulties and dangers, the tensions and complexities of modern life.

How damaging such thinking may be is found in the words of Seneca "In thoughts of self-commiseration," be declares, "a man will discover no advantage but will rather incline towards deterioration and softening of himself, and witb this there will come upon him a growing indifference to his fellow men." In essence, the basis of self-pity is selfishness. People who are sorry for themselves can never be truly sorry for others.

— A. J. Cronin

Why Masonry Survives

The basis for all our thinking about this beloved institution called Masonry is the one important fact that a Masonic Lodge is erected to God. This is the foundation of all our work in Masonry. Through all the various phases of Masonry runs a spiritual thought which men have recognized since the beginning of history, and which has found beautiful expression in our ritual and in the moral system of our philosopby.

There have been in history many other organizations — organizations with secrets, beautiful rituals and fine ideas. However, none of them have survived through the centuries the way Masonry has survived.

The ahiding strength that has caused our ancient and honorable Craft to persist throughout the centuries, and still continues to be a firm foundation upon which to erect our own spiritual temples is that it is erected to God.

Masons are endeavoring to build in their own lives and in the community about them, a house not made with hands which shall be eternal in the heavens. In all our thinking about Masonry, this must be our first thought. — Exchange

Brethren: The trees are beginning to turn to the bright fall colors and is emblematical of tbe rich experience we bave in our mature life. But we also know that soon the leaves will begin to fall and should remind us that our lives are drawing to a close. If Masonry does nothing else, it should prepare us for that time wben we will meet our Creator face to face. Seeing the uncertainty of life, we should not forget that preparation which it is wisdom to make and weakness to defer.

The Message

(Masonic Tidings)

We readily admit that the Message of Masonry cannot be stated in a few words. Nor can a single interpretation he expressed whicb will he acceptable to all Masons.

However, it seems that throughout the many paths of Masonry in its ritual, in the leetures, and in the symbols of Masonry, there is a fundamental message directed to the heart and mind of every brother.

That message is, that as Masons we must strive to become wbat we are capable of being, tbat the struggle of life never ceases, and that our chief task is to keep watch over our own conduct. In the language of Symbolism, we are taught that we cannot grow strong in the practice of anything less than our best, and that we fail at the beginning if we fail to establisb the highest standards.

There is one supreme victory for the Mason. It is the satisfaction which eacb must feel wben he has taken tbe message of Masonry to his heart, when he banishes all the evil from his life, when he is free of guile and jealousy, and when be recognizes in his brothers, men wbo are striving as he is to faithfully discharge tbeir obligations to God, to country, and to humanity.

Interpretation

Silent as the forgotten past are the Symbols of Freemasonry, yet we well may believe that all of Freemasonry is to be found in those inarticulate symbols.

We have rituals for our various degrees. Any Brother may carry the so-called secrets of the ritual with him. Even some of "the profane" claim to be conversant with the seerets of our rituals.

It may be doubted, however, that any of the real secrets of Freemasonry are to be found in the seeret rituals wbich only Freemasons are presumed able to read. It is becoming more and more the belief of students of Freemasonry that the real secrets are to be found only in the Symbols that have been described and interpreted in many volumes which Freemasons and the profane alike may read.

More than that, eacb Freemason and eacb non-Mason may interpret the Symbols for bimself, and wbo can really say wbetber bis explanation is correet, or that it is a complete interpretation? The silent Symbol gives no word of approval or disapproval. The real secrets contained in any Symbol are what any individual finds them to be for himself.

Highlights of History

Establishing Ritualistic Instruction

In an earlier and simpler day it was the duty of the Master, as now, to "set the Craft to work and give them good and wholesome instruction for their labors." The first third of the Nineteenth Century in America saw the publication of various Masonic Monitors by private Masons, such as Webb, Barney and Cross. Each contained the editor's favorite version of the work. Obviously, the temptation to insert a phrase or sentence of his own into the ritual was more than many editors could resist.

With the advent of the "degree peddler" who made a living by "peddling" a version of his own from Lodge to Lodge and teaching it for a fee, an intolerable situation was created. At length, Lodges were forced to acknowledge that the evil could be removed in but one way: they must agree to surrender to Grand Lodge what they believed to have been their ancient right to choose a version of the work for themselves.

Indiana's instruction problems were compounded to a certain extent by a few Lodges working in the German language. In all there have been six:

Concordia Lodge No. 178, Indianapolis, chartered in 1855, never seemed to generate much interest, and in 1865 its charter had to be arrested because of unhappy internal dissensions.

Teutonia Lodge No. 178, Indianapolis, was organized just two months after the demise of Concordia Lodge, but interest declined until, in 1871, it was forced to surrender its charter.

Germania Lodge No. 301, South Bend, was set to work in 1864 and continued to work in German until it surrendered its charter in 1909.

Pythagoras Lodge No. 355, New Albany, received its charter in 1867 and conferred the degrees in German exclusively until 1895.

Humboldt Lodge No. 42, Terre Haute, chartered in 1870, worked in both German and English, depending upon the preference of the candidate, until 1911, when it conferred its last degree in German.

Lessing Lodge No. 464, Evansville, chartered in 1873, "to work in the German language," fulfilled its original purpose for 42 years; then for two years was bilingual. The last degree conferred in German was in 1916.

In Indiana it took more than eighty years to get a uniform ritual whereby the Master of one Lodge might give good and wholesome instruction that would bear some faint resemblance to the good and wholesome instruction given in another Lodge. Once the standard work was agreed upon the question arose, Who shall instruct the instructor? It required only a year to arrive at the only logical solution — a single, full-time, paid official representing the Grand Master, with authority to visit the Lodges, to instruct, correct, admonish, commend.

In 1904 Captain William E. English, Grand Master, appointed a five-man Committee on Inspection which included such Brethren as Thomas W. Slick of South Bend Lodge No. 294, later Judge of the United States District Court for Northern Indiana, and Emmett F. Branch of Martinsville Lodge No. 74, later Governor of Indiana. This committee came to Grand Lodge with a specific plan which received prompt and hearty endorsement. It provided for the appointment of a Grand Inspector to visit each county in the State at least once a year and conduct schools of instruction for all Lodges within the county. Salary of the new official was set at $50 per month, with traveling expenses not to exceed $3 per day.

Grand Lodge had long had an officer known as the Grand Lecturer, but his function was just what the title implies: a speaker, or lecturer, whose services were made available to Lodges upon request. When Grand Master George E. Grimes in 1905 appointed the first official charged with instruction he was known as Grand Inspector. Then, in 1918, the title was changed by Grand Master Thomas B. Bohon to Grand Instructor. All the while a Grand Lecturer was appointed annually to serve in his traditional role. In 1923 Dr. Charles A. Lippincott, Grand Master, combined the two offices under the title Grand Lecturer and Instructor. Grand Master Charles C. LaFollette in 1928 made the title simply Grand Lecturer, and so it has remained.

IT WORKS

A mechanic was called in to repair the mechanism of a giant telescope. During the noon hour the chief astronomer came upon the man reading the Bible. "What good do you expect from that?" he asked. "The Bible is out of date; why, you don't even know who wrote it." The mechanic was puzzled for a moment, then he looked up. "Don't you make considerable use of the multiplication table in your calculations?" "Yes, of course," returned the other.

"Do you know who wrote it?"

"Why no, I guess I don't."

"Then," said the mechanic, "how can you trust the multiplication table?" "We trust it because—well, because it works," the astronomer finished testily.

"Well, I trust the Bible for the same reason—it just works."

What Does a Grand Master Do?

By JOHN L. BLOXSOME

Grand Master of Masons in Indiana

The question posed in the title for this article is one which I am often asked. It is impossible to answer it in a short statement; therefore, I am setting forth in this issue of The Indiana Freemason some of my experiences as Grand Master for a period of about four months.

A Grand Master is expected to be an author, a public speaker (both prepared and impromptu talks), a ritualist, a decision-maker and judge, a traveler, a letter writer, a leader, a sympathetic listener to the troubles and problems of others, a representative of the Grand Lodge at many Masonic and Masonic-related meetings, a good board and committee member, a Master Mason who has a wardrobe of formal, semi-formal, and business clothing, a patient and understanding man, and a person who can keep a sense of humor through all his trials and tribulations.

Obviously, no Grand Master can be all these persons, but every Grand Master I have known in Indiana has tried. Some of us are better in some areas than in others, but we all have our weaknesses, too.

The most time-consuming duties of a Grand Master are the preparation of speeches for many different types of occasions, the handling of the tremendous amount of correspondence which must be answered, and the traveling necessary for the attendance at many meetings.

Since taking office, your Grand Master has found that he has to prepare from one to three speeches each week — some short, some longer. The fact that this is our Sesquicentennial Year, with many special events scheduled, has added to the burden in this area.

Our postman will be glad when my year is over, for I receive from two to ten letters every day pertaining to Grand Lodge Masonry, and many, if not most of these letters have to be answered. I normally dictate from twenty to fifty letters each week, and, in addition, enclose with some of them Official Permission forms and Special Deputy forms, which also have to be filled out.

The Grand Master and his wife travel almost every week-end to some place in Indiana. We go to attend and preside at dedication, rededication, cornerstone layings, and other Grand Lodge events. This is a rewarding experience, for we have the opportunity to meet and get acquainted with the finest men and women in dozens of Hoosier communities, large and small. Sometimes we also travel out of the state through the week to accept some of the many invitations which we receive to visit other Jurisdictions in various parts of the country. This, too, is pleasant and interesting because we have found Masons and their wives all over the country to be wonderful people, friendly and hospitable.

A philosopher has said that we are happiest when we are busiest, and I am very happy this year, but let it be clearly understood—I am not a candidate for a second term!

Brethren: The month of October has been a busy one for South Gate with three candidates taking the degrees. The work involved with conferring the degrees, plus attending Lodge of Instruction on October 11 has kept the officers and several members who work on the degrees going at a fast clip. It was most gratifying to me to see the number of brothers who turned out to help on the Lodge of Instruction. South Gate had nineteen members present to assist in the work which was done under the expert direction of Grand Lecturer, Brother Howard O. Hunter.

At the October stated meeting, the important resolution to amend the by-laws and raise dues was passed unanimously. In spite of the importance of the meeting, attendance was light.

By now you will have received your reservation card for Family Night, Saturday, November 4th, and if you have not sent in your reservation, do it NOW! We would not want to run out of chicken and noodles because we did not know you were coming. Remember this dinner and entertainment is for the whole family, so bring the children along — we especially count on their presence.

With sorrow we recorded the death of an eminent brother on October 11th. After many years of illness, Brother Sam Gregory has now entered the Celestial Lodge above, and attained the glorious immortality that is the hope of every Master Mason. He was a charter member and served our Lodge as its first Secretary for five years. Our sympathy is extended to Mrs. Gregory and to Brothers Ross Gregory and Sam Gregory Jr., his sons.

Masonic Temple, Fort Wayne

October proved to be one of the most stimulating months ever for Summit City Lodge. On October 7th, we journeyed to Bluffton where we were privileged to raise two Master Masons in the new Temple of Bluffton Lodge No. 145, F. & A.M.; on October 11th, a Lodge of Instruction was held with Worshipful Brother Howard Hunter, Grand Lecturer of Grand Lodge of the State of Indiana, present; and, on October 27th, we held our Annual Homecoming Banquet at which we honored our 1967 candidates — by far the largest class in recent years — and conferred 50-Year Awards on seven of our members.

The visit to Bluffton Lodge No. 145 was indeed an event which we will long remember. The new Temple at Bluffton, which was designed hy a Fort Wayne architect, is not only functional, but different. It is well laid out in modern style and beautifully landscaped. We were especially impressed with the Lodge Room, which is constructed of laminated beams which run up the sides and then arc over the top to support the ceiling, and also hy the kitchen and recreational facilities which are as fine as we have seen. The Brothers of Bluffton have a Temple of which they can be justly proud, and we thank them, again, for their splendid hospitality and for permitting us to be among the first to share their Temple with them.

I want to give special recognition to our Fellowcraft Club for the way its Members performed at Bluffton. I have never seen them work more effectively. One candidate was raised in full form, and our Fellowcraft Club, attired in full regalia, was most impressive during the Second Section of the Degree. Also, thanks to our Junior Warden who was in charge of make-up, and whose skillful manipulations in that capacity placed some of the participants so much "in character" that they were scarcely recognizable exeept on close scrutiny.

The Lodge of Instruction, which we held together with Southgate Lodge, was most informative. Although I believe that this meeting was somewhat smoother than most such meetings that we have attended (it certainly took far less time), we picked up a number of helpful pointers from Brother Hunter that will no douht improve our degree work.

Homecoming is always an enjoyable and serious occasion. This is the event at which we are given an opportunity to renew old acquaintances, honor our candidates, Past Masters and 50-Year Men, and comes at a time of year when the Master and other Lodge Officers should pause, reflectively, and dwell upon the activities and accomplishments of their year. In so doing, I believe we can honestly say that we have had a fine year, not only from the point of view of the number and caliber of the candidates initiated, passed and raised, but also from the standpoint of the improved work, attitude and interest that has been displayed this year.

Subject to only limited exception, may I say I helieve that cooperation among Lodge Officers and Members has never been better, at least within my memory, and I want to express my thanks, and that of the other Offieers, to all of you who have made such a fine year possible.

My sincerest thanks and appreciation to Mrs. Lee Garrison (better know to all of us at Three Rivers as Florine) and her committee for a very, very delicious and well planned Ladies Night Dinner held on Saturday, October 21st — due to her splendid efforts this was a huge success. We Master Maosns would be lost if it were not for the "little ladies" preparing our meals — thanks again to all who helped in every way.

The officers and members extend a hearty welcome to our newest Master Mason, brother Orville Roberts.

Our appreciation to the Officers and members of Waynedale Lodge No. 739 F. & A.M. for being such gracious hosts at the annual Lodge of Instructions held in their Lodge Room on Thursday, October 12th, and to Brother Howard Hunter for his guidance and instructive information. This indeed was an evening well "spent".

It appears we will have degree work in both November and December. Please come to lodge to find out more details. We will have a dinner on our Annual Stated meeting December 7. All Masons are invited to attend.

Ed Schiller received his 25 year award pin at October stated meeting. We still have many more who will receive theirs before the year is over.

There can be no shadow without a light. A tree casts its shadow because of the sun. A man casts a shadow upon others because of the light of God in his heart. As a Mason you should have the light of Masonry in your heart. Every Masonic Temple and every Mason is dedicated to God, to Freemasonry, to Virtue and to Universal Benevolence. What a blessing our great Fraternity would be to a broken and bleeding world if our lives were wholly dedicated to these things. God grant that your shadow may be a healing and helpful one.

Truly, how swiftly the sands of time run. What a few months ago seemed like a long journey has swiftly passed into history. During the past year if I have been able to bring the real importance of Masonry to one of our brothers I will feel the year has been worth while. As I have often said this past year, Masonry has so much to offer all of us if we but remember that at one time we all stood in the northeast corner.

As the year rapidly comes to an end there are many things left undone. But as one wise brother reremarked, if we complete everything it means we have not set our sights high enough. I know the things I did not complete will be carried forward next year by the new officers.

On Nov. 27 we will bold our regular Past Master dinner at which time we will give 8 50-year awards of gold and 36 25-year awards. Our speaker for the evening will be brother Wayne Gutherie, Grand Steward and Tyler. I hope you will all he able to be with us at this time.

On Dec. 29 Sol D. Bayless is host to the Actual Past Masters. At this time we will also hold our Sol D. Bayless reunion. Dinner will be served at 6:00 o'clock and the new film, "Let There Be Light" released by the Grand Lodge of Indiana will be sbown. This film is a must for every Mason. So plan to be with us for dinner and the viewing of this outstanding film.

The Grim Reaper bas continued to cut into our ranks again this year hut if all our brothers have done their work as I hope we all are doing I know they have entered into their eternal rest and reward. Let us all remember brethren we are all but one heart beat from eternity. So let us ever walk upright before God and man.

And now brethren, wherever you go and whatever you do may the good Lord guide and protect you.

DE MOLAY

Here it is November already and our chapter has accomplished many activities. Many DeMolays have helped push Fort Wayne chapter forward into a most successful year. What will we accomplish in the remainder of the year? This is up to each and everyone of you DeMolays to finish this year with flourish. This can only he accomplished through a conscientious effort by each and every DeMolay in Fort Wayne. The officers can lift the load, but it must be borne by the DeMolay members.

It must be said that at the meeting on October 11 our chapter was well represented. It was an outstanding meeting. Each officer must be complimented on his regular attendance. In the span of three meetings there have been four absences. The other DeMolays have been showing up in force, also. If every boy were to bring one more DeMolay with him, we could overflow the chapter room.

All boys who are interested in playing basketball for Fort Wayne Chapter this year sbould plan to attend more meetings. This year the Indiana DeMolay Sectional Basketball tournament is to be held on January 27. The regional and state will follow on consecutive weeks. In order to be eligible a DeMolay must attend 50% of the meetings since March, 1967. We hope that this year, after a one-year layoff, our chapter can return to being state champs as in the past years.

I would like to thank every DeMolay from our chapter who helped make the hayride a success. Randy Siemer must be complimented on the fantastic job he did in arranging the hayride. His time and effort made it a success. Joe Reed concluded the job hy collecting the tickets in a very businesslike way. The chapter as a whole would like to thank Mrs. Isley for the time she put into arranging the "eats". Also, a word of thanks must go to the parents who assisted. This was the best hayride ever and if the boys put as much effort into the remaining activities, this year is bound to be a whopping success.

Every DeMolay should provide an opportunity to other boys in our community to enjoy our activities. The chapter would like to salute three new initiates wbo have joined our ranks. They are: Larry Nutter, Mike Roe, and Rick Snow. I am sure that each member has already extended the right hand of fellowship to these boys. Let's give more boys the same opportunity. November 8 is our next initiation. How about a gigantic class?

The fish fry is coming up on November 17, and this year it promises to surpass those of years past. Our scribe, Dave Gregg, is building the fish fry into a friendly, entertaining evening of enjoyment. If each DeMolay will promote this activity Dave's efforts will not be in vain.

On October 14, I was privileged to attend the Indiana State Council meeting in Indianapolis. This was the first time I had ever attended a meeting of this kind, and it confirmed my conviction that the DeMolays throughout Indiana made a great choice for Master Councilor and the other offices. As an Indiana DeMolay chapter it is our duty to help these state officers to promote Indiana DeMolay. This can he best accomplished hy supporting wholeheartedly the centralized efforts of the State Council. By doing this, and adding our own personal touch, we can make our chapter the best in the land.

As a new practice, I would like to "tip my hat" each month to a few boys who put forth effort that is not recognized fully. Two boys have made a practice of arriving early for the meetings and getting the chapter room set up. These boys are Rick Roe and Doug Knauer. Also, as a little known fact, one boy from our chapter is responsible for setting the addressograph plates, so that mail can be sent to each member. This is Franchon Smithson. Finally, there is Doug Perry. Doug has been helping to send mail and in the discussion of how we can show our recognition of DeMolays in the service. It is not an easy job and he needs our help in compiling the list of these boys and their service addresses.

This is the halfway point in the year. It is my sincere hope that every hoy will try his hardest this term to make it a superior one.

DeMolay Mothers: I wish to thank those mothers and fathers who helped with the Hayride.

Mothers, you are invited to the home of Mrs. Parrish, 4112 Manito Blvd. on Nov. 20th at 7:45 p.m. Our program will be Consumer Trend Cbairman, Mrs. Keith Darby. Mark your calendars and plan to attend.

Help your sons spread the word about the fish fry on Nov. 17th.

Mothers, our Christmas Dinner will he on Dec. 4th, 6:30 p.m. at the Hobby Ranch House on Anthony. $2.00 is the charge.

To be glad of life because it gives you the chance to love and to work and to play and to look up at the stars; to be satisfied with your possessions but not contented with yourself until you have made the best of them; to despise nothing in the world except falsehood and meanness and to fear nothing except cowardice; to be governed by your admirations rather than by your disgusts; to covet nothing that is your neighbor's except his kindness of heart and gentleness of manners; to think and seldom of your enemies, often of your friends, and every day of Christ; and to spend as much time as you can with body and spirit, in God's out-of-doors . . . these are little guideposts on the footpath to peace.

The Indiana State Association meeting was held October 15, 1967 in Indianapolis, Ind. at the ISTA Center. Thirty nine members of Faith Shrine attended, traveling by bus and car. The business meeting and election of officers convened at 2 p.m. Newly elected officers for the ensuing year are as follow: President, Lavon Reim of Faith Shrine; Sponsor, Robert Stanly of Anderson; Asst. Sponsor, Kenneth Gaucker of New Castle; Alice Morris of Connersville as 3rd Vice President; and Secretary, Pat Manecke, Faith Shrine, Fort Wayne, Ind. The Banquet was held in the ISTA building at 6 p.m. Installation of new officers was held at 7:30 p.m. As the newly elected President, Lavon Reim, was being escorted to the East by P.W.H.P. Tama Christopher, Betty Garmire sang the beautiful hymn "I Walked Today Where Jesus Walked". Sr. P.W.H.P. Delta Schmoe pinned a corsage of pink carnations on the newly installed president, and an Autumn Treasure and gift from Faith Shrine Chapter was presented to her by W.H.P. Vancha Collins; P.W.H.P. Fannie Bickel, Mae Husted, Lela Smith, Marge Wetzel, Evelyn Hanes and P.W.H.P. Pat Manecke. President Lavon introduced her new officers and thanked most graciously everyone who had a part in her installation. Her Motto for the year "By my own works ye shall know me"; Watchword "Visible Faith"; the Flower, Carnation; and her colors are pink, light green and silver. A reception was held after the meeting, with the decorations being carried out in her colors. It was a most beautiful and impressive installation. The Spring State Association will be held in Fort Wayne, next April.

Faith Shrine Friends Night was held on Sept. 22, 1967. Honored guests in the East were W.H.P. Meta Betts and W.O.S. Leroy Rice of Elkhart. Escorted and given a hearty welcome were: Soj. Arnette Bickel; Sup. Finance Comm.; Evelyn Armstrong, Fannie Bickel and Maude Farlow, Sup. Special Ohituary Co.; Pat Manecke and Helen Shoemaker, Dist. Deputy; Helen Hannah, Sup. Credential Comm.; Ralph Hannah and Rachel Barde, Chr. Membership Comm.; Supreme Honorary Members; Evelyn Hanes, Sup. Queens Att.; Rodney Snook, Sup. Kings Guard; Dorothie Goodrich, Sup. Flower Girl; and Lola Nohle, Sup. Queens Att.; and Pauline Gibson, Sup. Queen Att. Six W.H.P. and 3 W.O.S. and 15 P.W.H.P. and P.W.O.S. were also in attendance that evening. Several sojourners from over the state were present. All members and guests enjoyed a salad bar of an assortment of colorful salads and sandwiches after the meeting. The table decorations were unique, consisting of beautiful floraliers surrounded at the base with fall gourds, bird fountains, and varied hues of colored birds made of excelsior. The entertainment for the evening was given by Mrs. Raymond Harrison of Monroe, Indiana. It was a "Chalk Talk" given by using varied colors of chalk — the end result being a most beautiful picture of a church surrounded by colorful scenery — the focal point being the sky—when properly lighted, the picture of Christ with outstretched arms appeared. As Mrs. Harrison said "Christ was her friend". An appropriate way to end a Friends Night.

October 27th we will have a Ceremonial. November the 4th is the rummage sale — don't forget to deliver your rummage to 1125 Maumee. On November 24th, we will honor our own State President, Lavon Reim. There will be a reception following the meeting. Let's give her our thanks for again placing Faith Shrine in State.

RECEIVING

It is there for all Masons to partake of, a way of life, a road to contentment, an opportunity for self-improvement.

My share and your share are what we are willing to receive.

But, before receiving, there is the necessity for having, the necessity for having the desire to learn and the willingness to work for that which is of inestimable value.

There is also the "having" of attitude, an open mind and a [illegible]erous heart with which to go [illegible] us on the journey of years thro[illegible] Masonry.

There is also the "having" of spirit of gratitude for the opportunity to learn and to be serviceable to others.

To sit at the bedside of a bel[illegible] brother who is sick, to attend funeral of a departed brother, attend Lodge regularly, to study Catechism and the ritualistic w[illegible] to be proud of our Masonic membership, to speak well of our broth[illegible] to practice charity of thought deed, to promote all that stands good in our community, to b[illegible] patriotic citizen, is to receive Masonry.

But to receive we must in[illegible] have and do.

— Masonic Messe[illegible]

How Rich Are You?

"You are richer today than were yesterday if you have lau[illegible] often, given something, forgiven more, made a new friend, or [illegible] stepping-stones of stumbling-bl[illegible] if you have thought more in t[illegible] of 'thyself' than 'myself', or if have managed to be cheerful ev[illegible] you were weary. You are r[illegible] tonight than you were this mo[illegible] if you have taken time to trac[illegible] handiwork of God in the com[illegible] place things of life, or if you learned to count out things really don't count, or if you b[illegible] been a little blinder to the faul[illegible] friends and foe. You are riche[illegible] a little child has smiled at you, a stray dog has licked your h[illegible] or if you have looked for the [illegible] in others, and have given others best in you."

No one group deserves more bonor than our Past Matrons and Patrons. On October 5 we paid tribute to the fine leadership of "those who have carried the torch." Preceding the meeting a scrumptious dinner was served In the dining room, which was decorated in the theme of the evening with lighted torches centering the tables. Favors of burricane lamps were at the places of our guests. It was a special pleasure to count among our guests Past Grand Matron, Sonoma Woodruff; Past Grand Patron, Clayton Herrick; District Deputy, Sharon Sprowl, and the presiding Matrons and Patrons of Shiloh, Star of the East and Trinity Chapters. And it was nice to see so many of our own members — some from right here in town and others traveling from North Canton, Plymouth, Grand Rapids and Decatur — who don't get to Chapter as often as we'd like to see them.

It was a delight to witness Past Matrons and Patrons putting on the work for two new members. In the East were Eleanor and Andy's fraternal Mom and Pop, Patricia Walker and Frank Bidlack; Carol Munk and Paul Hayden were in the West and the other stations were filled by Mary Knauer, Adah; Marian Goff, Ruth; Helen Herrick, Esther; Vera Hayden, Martha; Eythel Smiley, Electa; Irene Lyttle, Conductress; Hope Dumford, Assoc. Conductress; Lillis Blombach, Secretary; Helen Helms, Treasurer; Dorothy Finnell, Marshal; Helen Howard, Chaplain; Clayton Herrick, warder and Ralph Roller, sentinel.

Twenty-nine Past Matrons and Patrons formed a semi-circle in the West and as the torch passed from one to the other, each related highlights of their year. The choir saluted them with, "Ain't They Grand." May the flame of their torch never grow dim.

The Worthy Matron introduced Shirley Scholer who recently received the 33rd degree, and we extended our heartiest congratulations.

We were entertained by "The Accidentals", a group of four young girls and two boys, from the Music Center, and wound up a delightful evening over coffee and cookies hosted by the registrars.

Our rummage sale wasn't the financial success for which we hoped, but we do want to extend a sincere thanks to those who contributed both items and time to help on this project.

Several car loads traveled October 17 to Muncie for their observance of "Fort Wayne Night". It was a grand evening of fun and fellowship.

It was nice to see so many sideliners at the stated meeting of October 19; the officers really appreciate your support.

The Social Committee and Sister Eleanor wish to thank all who contributed to the bazaar held in connection with our card party October 23, which was a buge success. The final report will be in shortly.

On November 2 we will honor our five 33rd degree masons.

Bob Waldo and Duane McQueen have arranged a bowling party for us on November 4. Mixed bowling will begin at 4:00 p.m. at Dehnert's on Old Decatur Road. Dinner will be served in Dehnert's party room following bowling. Give your name to Bob if you desire to bowl and/or attend the dinner.

A car caravan will journey to the Masonic Home at Franklin on November 5 to visit with our friends there. If you want to go, call Sister Eleanor who is arranging transportation.

Mark your calendar for November 16, which is our Friend's Night, when the Choir will entertain us in the Irish manner.

Attending the triennial session of Grand Chapter in Washington, D.C. this month are Irene Lyttle, Helen Helms, Vera and Paul Hayden and Helen and Clayton Herrick.

Dues are payable the first meeting in November and delinquent as of the first meeting in January. The more dues in before the first of the year means less work for Sister Vera in sending out dues notices and less postage for chapter.

Members Ill: Lois Scheele, Anna Becker, Audra Martin, Elma Hoham, Janice Goff, Frank Hickman, Lenna Buckley, Mabel Staples, Lucille Miller, Norma Rodemyer, Fanny Sprunger and Blanche Rasmus.

Illness in Families: Daughter of Alberta Hickman, father of June Trulock, husband and daughter of Cora Hickman, daughter of Helen Barker, husband of Ruth Liechty and mother of Eileen Boren and Eleanor Houser.

Deaths in Families: Husband of Viola Starke, husband of Mabel Staples, sister of Arlene Baumgartner, brother of Lillian Galloway, husband of Sue Benson and sister of Jess Archer.

Calendar of November committee meetings:

7—Program with Martha Kieth.
8—Decorating at the Temple.
9—Choir at the home of Jean and Duane McQueen.
13—Visiting on the mezzanine at the Temple.
14—Past Matron's with Marion Goff.
21—Nonpariel at the home of Mary Knauer.
27—Social Committee.
28—Officers with Lucile Mumaugh and Jean Impton.

At this season of Thanksgiving the words of Helen Steiner Rice seem most appropriate:

The more you give, the more you get—
The more you laugh, the less you fret—
The more you do Unselfishly,
The more you live Abundantly . . .
The more of everything you share,
The more you'll always have to spare—
The more you love, the more you'll find
That life is good and friends are kind . . .
For only What We Give Away,
Enriches Us from Day to Day.

This is autumn wealth untold;
maples flaming, bronze and gold;
Elms against the clear blue sky;
an orchard where ripe apples lie;
Half hidden by the uncut grass;
Crimson sumac, sassafras,
And classic oaks that overlook
smoky asters by the brook;
Orange bittersweet, corn in shocks;
and in my garden lingering phlox.
Harvests gathered, harvest stored,
Infinite blessings of the Lord.
Why should the heart hold any less,
than a deep abiding thankfulness?

The autumn leaves are scurrying to and fro; first in your yard—then in your neighbors; then off they go as though going to a party in their festive dress of shades of gold and brown — I'm sure our chapter activities have been trying to keep up with them.

We moved swiftly from Friend's Night with such a marvelous attendance to our Smorgasbord where our committee members outdid themselves in food preparation and our many thanks to all who worked and donated and to all those who came to enjoy it. All reports are the food was wonderful.

"Building for the future in the Structure of Shiloh Chapter" the theme of Past Matron's and Past Patron's night, was presented in their honor on October 12th.

By the time the November 1st Square and Compass is in your hands Inspection will be over and on November 9th the Chapter will honor all our Past and Present Star Points; the heroines of our Order. We are planning on your coming out to remember with us, your Matron and a good time together.

Chapter will be dark for Thanksgiving and we hope you will be planning family get togethers to grace your table with the blessings our Lord has provided us and remember others less fortunate than ourselves.

It is good that we should set aside a day each year for Thanksgiviog, hut let me say with Channiog Pollock that it would he better if we gave thanks every day, since the absence of thankfulness indicates the absence of appreciation and pleasure. It would he a great misfortuoe to have so much that all of it becomes meaoingless, and great folly to want what we haven't, rather than he thankful for what we have.

Sir Oracle, S.M.

What a wonderful thiog it is to have a frieod. Truth Court has just had another wonderful Friends Nite and this has again beeo wonderfully displayed. Octoher 11th we were hooored by the presence of many of the Honored Ladies and Sir Koights from around the state who joined us for the meeting and the hour of fellowship after it. During the meeting the Officers presented a lovely Ceremony "The Rose of Friendship" and each one introduced and presented a gift to her or his frieod. Amoog those preseot were H.L. Mary Elleo Sible, H.L.s Jeanette Hartsough, Juanita Fulle, Mabel Ullman, Elsie Elvidge, Marge Adamson, Emma Bunoell, Ruth Taylor, Glenn Hartman, Inez Thrasher, Ann Eichman, Avis Morey and Norma Jean Miller, and S.K.'s Milo Adamson, Maurice Morey, Lawrence Elvidge, Earl Hartman, Richard Ullman, and George Beach. Also H.L. Edna Biddle, Lana Place, and S.K. Harold Taylor. It was an inspiration to have them all.

We are sorry to lose one of our Past Royal Matrons who has moved to California. H.L. Mabel Travis was honored at a party at the last regular Officer's meeting on Oct. 2od at the home of H.L. Bertha and S.K. Paul Clear. We hope she will return to visit us as much as possible.

The next Officers Meeting will he held oo Novemher 6th with H.L. Gerri Boldt as hostess. This will he important as we will have a practice for Initiation, which will he at our Novemher 8th Stated meeting.

Our Specialty Dinner and our Bake Sale were quite succeessful and our Ways and Means Committee turned in a nice sum of money at our Octoher meetiog. We are very appreciative of all those who helped io these projects. By the time you receive this another Bake Sale oo Novemher 22 will he past. These are very oceessary for the good of our Court.

Among those of our memhers ill, S.K. Glenn Geiger is out again and H.L. Floreoce is also at home and improving. H.L. Nellie Moore was at the Bluffton Clioic hut is now at home and improving. The mothers of H.L. Nettie Maxwell aod H.L. Hallie Teonant are ahout the same. Our Grand Royal Matron H.L. Gladys Hawhee is improving and ahle to he out again.

H.L. Bonnie Groves was installed into the chair of Wisdom at our last meeting. We congratulate her and wish her a very happy year in this office.

As we go into the season of Thanksgiving may we pause to give thanks for the privilege to meet freely for the fellowship and inspiration of our Masonic Fraternities. We are too apt to spend this time criticizing the actions of those who are endeavoring to serve us instead of joioing io these efforts.

Freemasonry Is Yours

Every Masoo has an equal right to his part of Masonry. The supply is inexhaustihle. In fact, the more you take of Masonry the greater will he the supply. It is yours if you are willing to pay the price in study in the application of Masonic principles and teachings, in the practice of patience, and making the sacrifice that is required.

No Mason is denied his share of the vast privileges of the Institutioo. A Brother who cannot attend lodge regularly and take ao active part in the meeting, still may partake geoerously of all that Masoory has hy contrihuting to the welfare of the community; hy representing in his life the ideals that he has accepted as a Mason and by using Masoory as a force for good in the pursuance of his daily labors.

It is hy having a part that we are enahled to receive more. It is hy being Masons that we may enjoy the limitless opportunity for growth in Masonry.

It is the giving of light we have which makes it possible for us to seek and receive more light.

A fine entertainment program will follow our stated meeting November 17 thanks to Companions Bill Roberts and Art Popp. Companions from other chapters are most welcome to join us for this occasion especially. Also, we would enjoy seeing some of our old-timers back again on this particular evening.

Companions, sometimes we all need to be reminded how easy it is to gradually take for granted even our greatest blessings. Let us pray, especially during the Thanksgiving season, for God to renew a right spirit within us.

Companions:

At this writing everything is in high gear for our forthcoming degree work. All will be completed when you receive this letter. It looks now as though we will have perhaps as many as 20 candidates, which should make for a real good night.

We should now start planning for the upcoming election in December on our annual meeting night. Come and help elect and install your new officers. Also, let's find another 20 candidates and make your new officers learn the work and put it on again for another nice class.

November is here and Job's is well on its way. We had our Royalty Night on October 18 and after the meeting we had our Halloween party. Royalty came from Waynedale, New Haven, Huntington, Huntertown, Columbia City, and Auburn. We were glad to see everyone could make it and many of us were happy to see friends we had made previously.

We had quite a few work projects in October and the paper drive was the biggest. We had many calls from the Master Mason and Eastern Star and would like to thank them all for contributing. The girls collected a lot of paper themselves and did a lot of work in getting them tied up and out to Thermtron. I would like to thank all the girls that worked, and thank the Lehmans for letting us use their garage to store papers. Also a big thanks goes to Pbyllis Rass and Mary Ann Means for getting trucks for us.

Our other two work projects were dinners. We had eight girls serving at the temple October 20, and ten girls working October 28. A thanks goes to the Master Masons for asking us to work. The girls that worked earned money for the bethel and also got team points.

Our second meeting is November 15. This is probably the most important meeting for the members—it's our election. I urge all members to come and to start thinking of who you want to put in office. I'm sure all of you have someone who you would like to see get it, just be sure she can do the job. Don't forget to urge all your friends from Job's to come. Like I said before, it's an important night.

Our work project for November is the Rummage Sale. This will be November 25. You can start bringing your rummage to my house, like you did the paper, or you can bring it to the first or second meeting. It would help if you could bring it to our first meeting. This way Mother's Club can do some sorting and tagging.

Mother's Club is meeting this month, November 13th, at Mrs. Brandt's, 1020 Drexel. Any mother interested in joining please contact Mrs. Brandt or Mrs. Bleeke. Mrs. Bleeke's number is 744-4528.

In closing I would like to remind you girls about our teams. All you have to do to earn points is, come to meetings, work on projects, and bring in petitions.

Hope to see everyone at the meetings this month, especially election, and also November 25 for the Rummage Sale.

Why Is It So?

By Scribe

This question is being asked today with more persistence perhaps than at any previous time. It applies not only to Freemasonry but in almost every institution which brings people together. It is one thing to ask the question but quite another to supply the answer. If you ask it you are unnecessarily curious; if you (with due humility) seek to answer it, you incur the risk of being called a pedant. This raises the further question: Why is this question being asked more often today and why are people more insistent on receiving the logical or more satisfying answer? The events of the last half-century have stirred men's minds more than perhaps at any other period in history. This may be because of the wider scope of world events in the period, and their far-flung influence. It may also be due to the improvement and scope of education generally; but the fact remains the people are of a more inquiring turn of mind and they are not always satisfied to be told that something is so, but they also want to know why it is so. The opinion letters in the morning paper are not all of equal merit, but the fact that they are written and appear in increasing numbers serves to illustrate the point. This "why is it so?" attitude of mind is also evident within the Craft and this is surely a healthy attitude. We take pride in the fact that our Freemasonry has upon it the hallmark of time; that is has withstood all tests and onslaughts, and that it has come through unshaken. This is factual so far as the basic structure is concerned. The landmarks must remain inviolable and inviolate.

A Better Person

We have a "Be Kind to Animals" week, why not have a "Be Kind to People" week? It would do us all good. There's a great deal of difference between not being unkind—and being kind. Most of us are fairly decent. We don't make a practice of stepping on other people's toes just for the fun of it. Unfortunately, we don't make a practice, either, of being kind to people — for the fun of it.

The surest way to become a better person is to begin being kinder than you have been in the past. Start doing nice things—things you don't have to do. Do them because you want to. Test your wits; think up little kindnesses you can do for others. And do them — not just plan to do them. And when you do them don't cock your ear for applause. And don't feel hurt if you don't get all the thanks you think your kindness rates. Sometimes a silent thank you means more than the loudest praise.

A Prayer of Thanksgiving Because I Am an American

I thank God I am an American. The unique blessings He has given this Nation are mine, too. Through heritage alone I can partake of His gifts. His trust is infinitely generous.

For these liberties I give thanks—
To sleep without fear
To arise with purpose
To be rewarded for effort
To feel humility
To know human dignity

This inheritance is tremendous. My profession has taught me few on earth realize such favors. The responsibilities which I feel are awesome.

I have learned—
Liberty is a universal human goal
This goal is truly God-given
God has put his trust in America
And America is the spirit of Liberty

But I have also inherited the jealous right to guard and protect Liberty. I thank God I am an American.

Brethren; We had our Lodge for Instruction on October 9th on the Fellowcraft Degree. This was a joint meeting with Harlan Lodge No. 296. A supper was arranged by our Junior Warden and prepared and served by the Leo Chapter of Eastern Star prior to the meeting. I wish to take this opportunity to thank the officers of both lodges for the fine work they displayed.

On October 13th we conferred the Fellowcraft Degree and on October 19th the Master Mason Degree. Some of the officers and members from Harlan Lodge helped on both degrees.

Congratulations to Brothers Richard H. Luellen and Michael O. Ruth who were recently raised to the Sublime Degree of a Master Mason.

Our Ladies Night on October 27th was well attended and, I think, all enjoyed a very nice evening of social activity. I wish to thank the officers who handled their committee appointments in grand style.

Have you seen the new flag pole in the lodge yard? A big Thank You to Brother Don Amstutz.

It looks like work at the lodge will continue through the winter as we have some started and some to start at this time.

For the last month our Lodge has been busy. We had our Lodge of Instruction with Churubusco Lodge on the Fellow Craft Degree September 20. It was a very informative and enjoyable evening under the direction of Brother Howard Hunter. On October 12 we had the Entered Apprentice Degree. We will have the Fellow Craft Degree October 26, Thursday at 7:30, and the Master Mason Degree November 11, at 6:00 a.m.

Brethren, please keep in mind our Grand Masters Ten for Ten program. The need is great, and let's support this program by equal sacrificing.

We are looking forward to the annual Table Lodge meeting to be held December 27, Wednesday evening. Keep this date in mind and we will send cards in the mail to remind you of the date.

Some of the Brethren visited the Masonic Home September 23, and reported a very enjoyable day.

Time is flying, and in just two months it is again time for the election of officers. Brethren, don't forget the stated meeting in December, the election of officers, and annual "Oyster Stew" dinner.

I know everyone is busy with a lot of meetings, etc., but please keep the Lodge's dates in mind and be present whenever possible. With interest and enthusiasm for the months ahead I give you my best wishes as well as fraternal regards. Don't forget the Brothers you are going to bring to the next stated meeting.

October coming to an end, and as W.M. the year has been a fast one.

Several events coming up I would like to tell you about. First of all, we have our Lodge for Instruction which will be held on October 31st at Bluffton Temple.

Our Annual Homecoming will be held on November 6th at the Fresbyterian Church, Ossian. We have a fine program arranged for this event. Compton Rider will present one of his travelogs "The Berlin Wall"!

December 27th is the Feast of St. John the Evangelist, and Ossian Lodge is planning to celebrate this annual event by having a ham and bean supper with the usual ceremony. Be sure to circle these dates on your calendar now.

As you know by now, our annual dues has been increased to Fifteen Dollars. I would like to explain why the increase. As you all well know the cost of living has increased a great deal the past several years, and we found it necessary to raise the dues in order to meet our general bills and up keep of our Lodge.

A Test Of Friendship

The unknown autbor who penned these lines hit a keynote thus:

Once a rich man said be would divide his fortune among his friends, if only be knew who they were.

Years passed, and at last the man died — in a midwinter blizzard. His last request was that the funeral be held at four o'clock in the morning.

Although scores had boasted of being bis intimate friends, only three men and one poor woman turned out to stand redeyed and sad beside his grave.

When the will was read, it directed that his estate be divided equally among those who attended his funeral.

Friends are much scarcer than we think!

Rug Is Worth Million Dollars

By Ellsworth Clark, Jr., 32°
(In The Ohio Mason)

In the George Washington Masonic Memorial at Alexandria, Va., are a number of unusual things of interest to Masons that only a comparatively few members know of. Probably the greatest of these, considering its historical background, is the giant rug in the general assembly room.

This rug covers the entire floor, about thirty by sixty feet. Visitors are not permitted to walk upon it, but are restrained by a small chained area witbin the entrance door.

At first sight one is impressed by the beautiful colors and the outstanding arrangement of the pattern. As far as one sees the figures are the same. When the room is darkened and with low lights, the most singular effects are achieved.

If the lights are blue, the brilliancy is increased, it seems as if the blue rug is raised directly out of the floor. The same effect is repeated with red lights and the red figures seems raised above the floor.

The secret of these dyes seems to be a lost art. Present day weavers do not seem to be able to make such beautiful color effects.

The material is a very fine soft wool, apparently from young lambs and today its colors and condition are miraculous.

This rug was the gift of Bro. Sharkes Hnarhigian, an American immigrant who left his native land to establish bis business in Chicago, where for years he bas been the outstanding rug dealer in that city, if not in our whole country.

Within a comparatively short time he was taken and accepted into Masonry and in his gratitude fnr that privilege he made this gift to our National Masonic Memorial honoring the great Mason, George Washington. Before making this gift be was offered a million dollars for it, which he refused.

In this rug are 64,800,000 knots, all hand-tied by many children of pre-school age. It required the full time of 12 weavers for 27 years. It weighs 600 pounds and is the greatest Persian rug in the world.

It was made for a Shah of Persia in the year 1625, just five years after the Pilgrim fathers landed on our shore, and is now 336 years of age but as beautiful as if made within recent years.

Moral Muscles

Patrick Henry, who declared views on the blessings of liberty forthrightly at a time when declarations were considered a thing of a hazard to one's neck, pointed out that PRINCIPLES something a nation cannot lay mothballs if it is ever to amount anything.

If this is true of nations, is equally true of the individuals make up such nations? Each has bis own code of conduct ever flexible it may be at times theory, at least, we Americans STAND for certain things.

To make sure our moral muscles are not becoming flabby we to take time out now and then measure our day-to-day performance in terms of the standards we set for ourselves. We may find we are a little out of training, self-respect depends upon how you LIVE UP to your principles.

Choice Of Companions

Nothing is more effected than the public view of the man he keeps. The good or evil associates is judged to be our own. Have you ever heard this as you sit in Lodge?

Next time you attend Lodge at every member of your then say, "This is the company keep."

It should be the desire of Mason to seek the society of wise, the learned, and the good is why we encourage participation the Lodge by members who go. In Lodge we can find the ness, the intelligence and the man.

Remember these words? two or three are gathered together my name, I will he in the midst them, and bless them." How derful it is to know that God self is one of our companions Lodge.

AMERICANISM

Miss Bonnie C. Hutchins

(Editorial Note: On April 1, 1967, Ill. Bro. James G. Johnston, 33°, Sovereign Grand Inspector General in North Carolina, presented Miss Bonnie C. Hutchins a savings account hook for $4,000 toward the achievement of her dream to further her medical missionary education at Wake Forest College.

Her paper on Americanism follows.

FREEDOM resounds across the ages as the power which drives men to fight for what they believe, to seek a life of their own, and to use this life for the advancement of humanity. Granted, freedom is a powerful word. We Americans regard freedom as the basis of our Government which survives of, by, and for the people. No other form of government in our world offers such a great degree of individuality as our own free society allows. We might say that freedom and individuality are synonymous insofar as democracy is concerned. Without one, the other does not exist. Until men are able to realize, individually, the price and glory of freedom, our democracy will never be able to support itself. We might respond, "Our democracy has, indeed, supported itself through the most fierce of all tribulations." This is true, however, only because men have taken it upon themselves to stand up for our proud homeland and to seek to make her life more glorious and worthy of the name she holds. If we are truly determined to be free, nothing can take this freedom from us, or to quote from Southey, "Easier it were to hurl the rooted mountain from its base, than force the yoke of slavery upon men determined to be free."

Nothing with which humans come in contact is perfect; therefore, freedom, itself, possesses flaws which can be remedied only through the will of men who abide under her wing. The price of freedom has been dear through the ages; men have fought and given their lives so that we might live in a land where all men might have the right to live as they choose. We are often guilty, today, of abusing our precious freedoms — taking them lightly when they should be reverenced as the most valuable treasures of human existence. Such appalling circumstances as draft-card burning, disrespect to the flag and the other symbols of our country, and unwillingness to accept civic and national responsibilities give reasonable evidence that man is beginning to take his freedom more lightly than ever before. If democracy does not live within the hearts of men, it will not be able to withstand the forces which so dreadfully oppose our cherished way of life. We must realize that no man is perfect and that the rulers of our land are doing their very best to insure the good of "all men," not merely a select group. . . .

If there was one aspect which I would change if I were to he allowed to "reform" America, it would be the dependence which we have, or should have, upon God. The phrase "In God We Trust" has of late been used merely as a motto on the currency of our land. Its message has become trite in the hearts of men. Of course, we continue to say that we are a God-fearing Nation and that our country is based upon the belief that God is the only sustainer of life. But do we really believe this? Are we fully grounded in this ideal more than in the conception that man comes first, and then God?

Man must have something for which to live—something which is higher, wiser, and more capable of ruling life than man himself. Our only source of ultimate security is our Heavenly Father, yet we have become lukewarm in our faith and trust in Him. We must remember that God has given us the freedom upon which we have built a Nation; He could just as easily take this precious gift from us.

I love America because she is the "land of the free, and the home of the brave," and the refuge for millions who seek rest from oppression. Our inscription on the Statue of Liberty enables us to see the great helping hand that America has offered in being a "big brother":

Give me your tired, your poor.
Your huddled masses yearning to breathe free.
The wretched refuse of your teeming shore.
Send these, the homeless, tempest-tost to me,
I lift my lamp beside the golden door.

America will always be the guide to the nations of the world in this great endeavor called "democracy." As the great German poet Heinrich Heine said: "If all Europe were to become a prison, America would still represent a loop-hole of escape, and, God be praised! that loop-hole is larger than the dungeon itself." The number of immigrants entering our country to escape persecution and to seek a way of life where the individual is important increases each year. We do not force our way of life upon anyone; but we are glad to welcome anyone into our land who believes that freedom is the only way in which man may dwell in peace and harmony with others.

Opportunity prevails in America as in no other land. We see, every day, new and more valuable jobs and positions opening merely for the asking—the asking of men who seek to contribute hard work to the cause of democracy. What Fisher Ames, that great New Englander, said nearly two hundred years ago is still true today: "America is rising with a giant's strength, and her bones are yet but cartilage."

Our American dream can not be accomplished uotil all Americans are united in the desire to see our country even stronger than it now is. All men must cooperate or the chain of democracy will be made weak. "Now is the time for all good men to come to the aid of their country."

A Christmas Message

May your hearts be filled with joy this Christmas Season and the New Year bring you a full measure of health and happiness.

What About Tomorrow

By J. CARL HUMPHREY,
P.G.M., Indiana

What is to be the future of Freemasonry, if any, in the field of public service and world comity? Without advocating any innovation in the body of Masonry — oone is needed much less desired—it must be plain enough that something else, something more, is needed to meet the demands of our rapidly growing Fraternity, as well as the needs of the society in which we labor—and that is an adaptation of our methods to the spirit and needs of modern life.

Masonry need not change either its principles (God forbid) hut its Lodges must become increasingly, as they were in the early days of America civic and social centers, leaders in whatever requires to he done for the common good in their communities, if they are to train, direct and utilize for the highest ends the teeming life and abounding energies of the Craft, which otherwise, as is now too much the tendency, may find vent in other and less desirable ways . . . Masonry must somehow find its place and take its part, or he left behind as useless — just an order to belong to, nothing more.

Masonry, as someone said, has so far been a fraternal order founded upon a philosophy of individualism, hut it cannot remain so aod be of much use to the modern world. Individualism, of course is fundamental, and the work of training men in personal moral excellence is indispensable; but noble private-mindedness mnst become public-mindedness, with a sense of social duty and service. While Masonry rightly abjures political and sectarian disputes in its Lodges, it cannot be inactive in that vast area of opportunity — with which sectarian and partisan feuds have nothing to do — where the most important work of the world is done.

What will America be like fifty or a hundred years hence? Even today we find ourselves in a new and almost terrifying America, where wild forces are at play and strange influences are at work. . . . America may be changed, unless we have a care, into something very different from what our fathers meant it to be.

"A year of celebration,
wear your square and compass".

Brethren: This issue of Square and Compass carries my last article as Master of South Gate Lodge. The next issue will bring you the message of a newly elected Worsbipful Master.

To say that it bas been an honor to serve you as Master for the past year is a gross understatement. It has been an experience unequalled by any other in my life, excepting family and home. I have been brought to furtber and further light in Masonry by working in the Lodge so regularly and re-learning again and again the valuable lessons taught there so vividly.

In spite of a balt and a slow-up here and there, it has still been a good year in Soutb Gate, and we have gained more than we have lost. We now list about 425 members on our roster. In October we raised two new members, and we should have degree work to finish out the end of November and first week of December.

Attendance at Family Night was good and, as usual, we enjoyed chicken and noodles witb an abundance for all. Our next semi-social event will be tbe Table Lodge to celebrate the Feast of St. John, the Evangelist, on December 27th. Every Brother should make plans now to attend. Notices will be sent to you to make your reservations, and we hope you will be able to attend this very special Masonic dinner.

Please plan now to attend tbe December Stated meeting, which is our annual meeting for the usual business, plus performing the important duty of electing officers for the ensuing year. Installation of the new officers will be held on December 29th at 7:30 in the evening.

Support your new line of officers by coming to Lodge often and making yourself available for active participation. Tbe Masonic well is deep, and the water is cool and refreshing. It is free to all who come to partake of it in the thirst for knowledge, friendship, and brotherly love.

Since this is the last time I will have occasion to speak to the members of Summit City Lodge through this column, I want to utilize the opportunity to say thank you to the many brothers who have so generously given me their support, cooperation and assistance during my year as Master of the Lodge. I sincerely believe that we have had an outstanding year, not only from tbe standpoint of the number and caliber of candidates initiated, passed and raised in 1967, but also from that of attendance at Lodge meetings and social functions, participation in activities outside normal Lodge routine, and attitude displayed by the members.

I cannot remember a year when cooperation bas been better, and I will always be the first to concede tbat the successes of 1967 were primarily the result of the efforts of the members, collectively, and wbat appears to me to have been a rejuvenation of spirit.

The future of Summit City Lodge is bright indeed. The outstanding class of 1967 candidates should provide an excellent basis for growth and bigh quality of workmansbip. Most of the officers have by now demonstrated proficiency in the stations whicb they will be occupying next year, and tbe extensive and varied activities of 1967 have given them a measure of experience wbicb should be most helpful.

I hope that all of you will consolidate your support behind the new Master-Elect, and other officers for 1968, and do everything possible to make 1968 an even better year than 1967. All of the odds point to a great year for Summit City in 1968, and I bope tbat all brothers will join with me in pledging their full support and cooperation to the new officers. Remember, an active program and many new candidates will require a great deal of effort, and more than just a little sacrifice, on the part of the members.

Thank you, again, for making such a fine year possible.

This is the joyous season when people tbe world over are at tbeir very best. It is also the "end" of another Master's "reign". Most all of the articles will begin with the age old phrase "How swiftly the sands of time are running, how rapidly the year has come to an end". However, I feel very differently tban most of the others — I am quite happy that 1967 is drawing to a close — I feel that the "end of 1967" is just the beginning of a "new and very responsible position — that of a "Past Master". My only concern is that I will become worthy and capable of assuming tbese new responsibilities, and will be able to uphold tbe excellent tradition of Three Rivers Lodge.

I could write page after page of "thank-you's" to those individuals who have contributed so mucb during the year, but am certain that this would become a "bore" to those of you who might read tbem. However, I do feel that I should at least say "a very sincere and heartfelt thanks" especially to Senior Warden Les Sills for bis untiring efforts, both inside and outside of Lodge—over and above bis regular duties. Les is destined to become one of the Best Masters.

My sincerest thanks also to Mrs. Lee Garrison and Mrs. James Bowser wbo have labored untold bours in the Kitchen and in securing the materials necessary in preparing tbose delicious "bomecooked" meals. Last and certainly not least — thanks to Mrs. Les Sills and to my wife Zella who assisted Florine and Clem. It has been said many, many times in the past and will continue to be said in tbe future — "We Mason's would be lost if it were not for our very gracious, belpful, understanding wives." From the very depths of my beart I again want to say "Thanks a million, Gals".

The year 1967 may have established a record as far as "quantity" is concerned, however I am certain that the "Quality" will never be exceeded. It has been heard by many, that I have said that I was more interested in Quality than quantity (tbis also has been tbe "cry" of tbe Grand Lodge) and feel that this year has been especially rewarding with the Quality of our new brethren. My heartfelt thanks to the Officers and members for belping achieve this goal.

We wisb to extend a hand of "Welcome to our newest Master Mason" brother Wayne Marlow.

Please reserve Tuesday, December 12th for Three Rivers Lodge annual stated meeting. This is tbe most important night of the year (in Lodge that is). Let's all strive to make it a "really big sbew". Dinner at 6:30 p.m. Meeting at 7:30 p.m.

This is a "reminder" to begin to make plans to attend Three Rivers annual smorgasbord — round and square dance on Saturday, February 24, 1968.

I would like to take this opportunity of personally wishing each and everyone "A Very, Very Merry Christmas, and a Happy, Successful, Lodge attending New Year". To our 1968 Officers my beartiest congratulations and best wishes.

"Tbank You — All Again For Everything" and I would like to close my very last article by saying "See you in Lodge on Tuesday evenings" — Three Rivers No. 733 F. & A.M. of course.

"Worshipful Master Elect Leslie H. Sills requests the honor of your presence at the 1968 installation of Officers Saturday Evening, January 6, 1968 at 7:00 p.m. Refreshments in the Ball-Room following the ceremonies".

As I write this, my last article for the Square and Compass I look back over the past year and the time seems so short. The past year has been a wonderful year for my self and all the officers. We were ahle to complete just a few of the things we had planned, but I hope we have given the members of Sol D. Bayless a year of fellowship and a better understanding in Masonry.

Our centennial dinner was the high light of our years program. But it would not have been possible without the help of the members and the help of the best group of officers to be found anywhere. P.M. Clayton Herrick was ever ready to lend his counsel. Dale Brown S.W. and Bob Warner J.W. worked many hours planning programs for the year. I also want to give heartfelt thanks to Boh Holmberg S.D., Ray Davis J.D., Bill Hardy S.S., George Correo J.C., and James Pocock. All of these officers were always ready to help when and where ever they could. Let us not forget the wonderful joh done by our Secretary, Art Slane and our Treasurer, Howard Anderson.

All of these men along with the fine support of our Past Masters made this task a much easier one. This was truly a year when peace and harmony has prevailed.

Our past years program was huilt around the "Rededication to Masonry". If the efforts of this years officers has helped just one to get a little more meaning from their Masonic teaching then our year has been well spent.

How much did or does your obligation really mean to you? Were they words uttered without meaning or did they really come from the heart and leave a lasting impression on you? Have you checked your Masonic balance sheet lately, what have you done for Masonry and what has Masonry done for you. Don't be a Mason in name only, but take an active part in your Masonic work and better still let your Masonic work and teachings take part in your every day life.

The past year will always remain as one of the most outstanding years of my life. I have learned much from Masonry hut I still have much to learn. I have given so little for all I have gained. I hope I can contribute for years to come.

As I have so often said, I have one of the best groups of officers a Wnrshipful Master could ever hope for. These men have all been dedicated to Masonry so continue to support them as they advanced toward the east.

The last two events for the year will be our Past Masters and Homecoming dinner November 27 and also Sol D. Bayless will be host for the Actual Past Master dinner Dec. 29. The dinner Nov. 27 is no charge but the Dec. 29 dinner will be $1.25 per plate. Please make reservations with Boh Warner S.D. Lets close this year with a good turn out so I will look for all of you.

Again, I want to thank all of the members of Sol D. Bayless for the honor they have given me this year as their W.M.

As each and everyone of the officers go forth in their search for more light in Masonry, as well as every brother-member, where they might go and in whatever they might do, may the Good Lord guide and protect them.

So Mote It Be.

The holiday season is here already and I want to wish each of you and your families a very Merry Christmas and a most Happy and prosperous New Year.

This being my last letter to you as Master of this lodge, I would like to thank you for the opportunity and honor of letting me serve as Worshipful Master of Waynedale Lodge. I also wish to thank the officers for all their assistance (without good junior officers we would not be an active lodge) and their fine ritualistic work. My sincere thanks to our Secretary Shockley Lockridge as I am sure the future masters of Waynedale Lodge will agree he certainly makes our job much easier.

Last month we honored our Past Masters and 25 year members at our annual Past Masters Banquet and were host tn the Masters and Wardens of our Fort Wayne lodges. A very fine and inspiring program was well attended and enjoyed by all. Our thanks to Pastor Taggert for his inspiring address and to Reverend Tauber and the Calvary E.U.B. Church for their facilities and fine meal.

Our Stated meeting will be December 6 at 8:00. Brothers, this is an important meeting as it is time to elect the officers that will serve your lodge next year. This year has been a fruitful year for your lodge and may next year be the same.

We will not have any degree work this month; however, on December 27 we will hold our annual celebration of the Feast of St. John the Evangelist. Plan to attend this special event!

Brethren, your dues are due on or before the first of the year. Last year, Waynedale Lodge was nne of the top twenty out of 550 Lodges in supporting the Ten-for-Ten Program, a record we can be very proud of. Let's set our goal for the "Top Ten" this year.

In closing, I wish tn congratulate your master-elect and his officers. They are a fine group of fellows and will serve your lodge well.

Brother Masons: Comes December and my last article for the Square and Compass. I have mixed emotions hut can genuinely say I'm glad the year is almost over. There were many things I would like to have seen happen but too few people around to enjoy the things that did happen. Attendance improved some hut is not what it should be for us to be a building lodge.

My sincere thanks to the officers of our lodge who have worked hard and done their part. We need more people like them, people whn are willing to sacrifice a little time and effort. Special thanks to our Senior Warden Wayde Cleckner and Junior Warden Ivan Planck who provided the help and backing a Master needs.

At our next stated meeting I will make several recommendations which will affect the members of Wayne Lodge. One will concern a dues raise. Which reminds me, if you haven't paid yet "dues are due" and don't forget to put in a nice donation for the Masonic Home.

DO WHAT YOU CAN

Twn points of view about God were scribbled nn the wall nf a subway station in New York City.

The first message consisted of these 4 words: "God is dead: (Signed) Nietzsche."

It wasn't long before some enterprising believer added another 4 words to the original: "Nietzsche is dead: (Signed) God."

Just because ynu can't do as much as you might wish to promote solid human and spiritual values in politieal life, educational policies, labor-management relations or popular entertainment — you can at least do something!

Like the individual who acted quickly and imaginatively in the subway, there are many steps, large and small, open to you. One thing is certain — you are not alone.

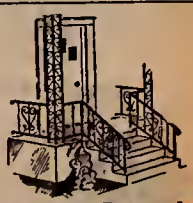
With this term of the 1967 DeMolay year drawing into its final month, let us end it wth a bang Our chapter has prospered and grown in many aspects, hut there are still many ways in which we can imprnve. There are only a few boys bearing the main load and it takes the support of each and every DeMolay to push us over the top. The success of the last month of this term should be the objective of each man. We can still make this term profitable.

During this last month our chapter held its annual fish fry. Dave Gregg has spent much time in making this event a success. Let's really put concentrated efforts into all our activities.

Our chapter should make it a point to allow more boys in our community to join with us in our activities. Let us extend to all boys the right to the aid and friendships we have enjoyed. This last month we were able to extend our hand of friendship to six new brothers. Let us really show these boys how glad we are to have them join our ranks. These boys are: Blaine Cook, Jim Doelling, Bill Flickinger, Jim Gibson, Tom Gibson and Chuck Nelson. Boys, we are glad to have you as members of Fort Wayne Chapter, Order of DeMolay and I hope that you will enjoy your fellowship here. Along with this, the chapter would like to thank Marty Procise for his presentation of the Flower Talk.



There are still many events remaining in nur calendar year. On December 9th our chapter will honor Dale W. McMillen, Sr. This date is the date set each year for our big Saturday Degree day. Let's have a big turnout for this climax to our year. It will start at I p.m. on the fifth floor. Can we make this the best class our chapter has ever had? It is up to each and every DeMolay.

December 13th is the bi-annual ritual of electing officers for the Fort Wayne chapter. There are many boys running for office this time, and I would like to wish every candidate the very best of luck. aside for the election of chapter sweetheart. I am sure that each boy will be vitally interested in this particular vote.

Instead of having a meeting two weeks after this meeting, the date has been moved to December 20. This meeting is for the purpose of giving and receiving awards. Following this date is the DeMolay Christmas Formal. This event will be held on Thursday, December 28 at the Scottish Rite, starting at nine o'clock. The crowning of the new chapter sweetheart is to be held at this time. If there are any questions concerning this event contact Jim Steeg, Dennis Van Houten, Randy Siemer, or Dave Gregg.

The ball has begun bouncing at DeMolay basketball practice. This year the boys are practicing at Lafayette Central on Tuesdays from 7 to 9. Our coach this year is Mr. Rudy Finderson. Rudy has had much experience in basketball and especially at winning. In high school his team was New Jersey State champs and in college his team was the number one small college team in America. This year our team promises to be greater than ever with many returnees and much eagerness. I am sure that our boys will represent our chapter well in each game and will return that state championship trophy.

Let's make this remaining month better than any other. I am sure each boy will try his hardest to finish this year with a flourish.

DeMolay Mothers

Encourage boys to attend their Christmas Dance on Dec. 28th.

We do not have a meeting in December due to our Christmas dinner on the 4th of Dec.

Our next meeting will be held Jan. 15 in the Masonic Temple at 7:45 p.m. Come join in the fellowship.

WHY CAN'T IT BE

Why can't every day be like Christmas?
Why can't love be in the air?
It takes such a little remembrance
To show somebody you care.
Why is it only at Christmas
That gifts to others we bring?
If every day we'd remember
We could make somebody's heart sing.
The same Star that shone at Christmas

Shines each day in the same old way;
Just tell somebody you love them
And Christmas will be every day.

The W.H.P. and W.O.S. wish to extend to members of Faith Shrine a most Blessed Holiday Season.

Ceremonial Night was held October 27th in the Shrine Room for ten candidates. Thanks were extended to the regular and pro-tem officers for their marvelous initiatory work by the W.H.P. and W.O.S.

On November the 2nd, the W.H.P. and five sojourners visited Ruth Shrine of New Castle, Indiana for East-West Night.

The rummage sale was a huge success. It was held on November 4th. A big "thank you" from the W.H.P. to all who helped in any way — especially Fannie Bickel who was chairman for the projeet.

The men of Faith Shrine certainly deserve a red star for Mens Night—held on November 10th. Sloppy joe sandwiches and coffee were served to the 75 members present. The men showed their talents by setting and serving the tables — doing the dishes and leaving the dining hall spic and span.

November 24th. Faith Shrine honored State President Lavon Reim. A reception was held following the meeting in the dining hall. The theme for the reception was "Sound of Music". The tables were cleverly decorated with satellites — surrounded by clouds of angel hair and musical instruments, musical notes floated through the clouds and on the tables. The entertainment was given by the "Noteables". The program itself was a take-off from the Mary Martin Musical and also about the trials, tributations and happiness thru our married years. It was a very light hearted musical — enjoyed by all.

On stated meeting night of December 8th the line officers honor their guest officers from various Shrine Chapters through out the state. The Job's Daughters will provide the entertainment.

The Christmas Ceremonial on December 22nd will be preceded by a banquet at 6:00 p.m. in the dining hall. The menu will consist of roast beef and dressing and all the trimmings. The Christmas theme will be carried out in the decorations. There will be ten candidates receive the initiatory degree.

THE MESSAGE OF CHRISTMAS

Christmas! What does it mean to you
And what does it mean to me?
Tinsel? Balls of red and blue
Glittering on a tree?
Mistletoe, candy canes, eggnog,
The hanging of stockings for toys;
The glow of the Yuletide log;
Happy voices of girls and boys . . .
Christmas brings carols and holly
And bright cornucopias to fill,
A Santa Claus generous and jolly
With a bundle of love and good will.
Christmas means all these and more;
Three Magi that first Christmas night,
Who humbly knelt to adore
An Infant adorned with a bright
Golden halo around His small head,
Symbolizing Divine Origin;
A glorious star which had led
The three wise men to one little inn,
With their treasures of myrrh,
frankincense,
With their love and devout worshiping;
To hail Mary with true reverence;
To give thanks for their newly born King.
Peace on earth and good will to men,
Welcomed with this Scriptural scene,
Brings Christmas to us, as did then
The birth of the Nazarene.

Sojourners your Worthy High Priestess and Watchman of Shepherds are looking forward to seeing you in Shrine and share the True Spirit of the Christmas Holiday.

I think that we shall always see
God's gifts upon your Christmas Tree,
You cannot touch them with your hand,
Yet they are there at your command.
There's joy and hope and faith renewed,
There's laughter for a happy mood,
There's gratitude for each new day,
A time to think, a time to pray.
The Christ idea with holy light,
Shines clear to make your pathway bright,
These things are yours if you can see,
God's gifts upon — Your Christmas Tree.

May you know the promise and the glory of the wondrous Christmas Story. Of the Baby deep in sleep, of watchful shepherds tending sheep, of the joyous song that angels sing, of precious gifts the Wise Men bring to make your Christmas one of real contentment, for yourselves and those you love so dearly.

Shiloh Chapter has passed through many things with the close of October, Smorgasbord, Rummage Sale, and Inspection by our Worthy Grand Matron, Sister Maxine Mosier combining with Trinity and New Haven Chapters. A great many thanks are due all who participated in these activities; without all of you we could not accomplish the successes we make for our Chapter. We wish to give a special thank you to Alta Dixon and her husband Charley, who, each Rummage Sale, bring their truck and load and deliver the rummage to the sales room. A service well deserving of our Thanks to them.

At the writing of this issue, committees are making plans for the Card Party and Bazaar, which will be behind you, as this is on November 30th; this was in charge of the Ways and Means Committee with Morea Fisher and assistance from all the committees, whose work and faithfulness to this project is an event worth the appreciation of all.

The only committee meeting of December is the Hospital which will meet for sewing at the South Unit at Parkview Hospital, from 9:00 a.m. to 2:30. All other committees will meet together on December 4th, with a dinner party to be served at 6:30 p.m. on the first floor of the Masonic Temple. A 50¢ gift exchange will enhance the Christmas spirit, so come and have a jolly good time. Louise McCoy and Fanny Bickel will be in charge with Wildred Witmer as chairman.

The Sunshine Committee with Delta Schmoe as chairman and Alice Schaefer as Co-chairman for Shutins completed their plans for calls and gifts to make Christmas a bit happier and brighter for those who are shut in at home. We have 30 in the city and nine out of the city to be remembered. We are looking forward to recovery of our Secretary, Florence Obetz, who at this writing is in Lutheran Hospital; her faithfulness to this committee is greatly appreciated.

The Officers, wives and husbands, will meet with Arthur and Kay Vonderau in the Recreation Room, with Gladys Burry, Roberta Ellingwood and Orletta Synder as assistant hostesses. A pot-luck dinner will be served and a $1.00 gift exchange will be in charge of Santa Claus. The time is 4:30 p.m., December 10th.

December 14th is the official visit of our District Deputy, Sister Sharon Sprowl. We are looking forward to her coming and also at this time will be initiation for candidates, Alice Baughman, Donald Proehl, Floyd E. and Dorothy Mettler, Norman Shane and Robert E. Holman. This will add another group to our Newcomers Club.

Illness in Chapter: Ruth Collier, surgery at St. Joseph Hospital, gone home; Docia Bowers at home; Hilda McLain, Chicago, ill at home; Geraldine Ault, St. Joseph Hospital, now at home; Evelyn Flory, now at bome; Genevieve Cecka, now at bome; Florence Obetz, Lutheran Hospital; Orletta Snyder, ill at home; Dorothy Englehart, Lutheran Hospital; Laura Felber, ill at home.

Our Irish lassie, Eleanor, was speechless with delight following the October stated meeting, when a surprise party was held celebrating her birthday. Helen McClintock baked and decorated — in Sister Eleanor's chosen colors — a delectable cake, which was enjoyed by all. We joined the choir in singing "Happy Birthday" and send along, dear Eleanor, this little wish

May you ever find life brighter
As each year comes and goes
With new happiness unfolding
Like the petals of a rose.

Sister Eleanor and Brother Andy joined Stars from throughout the state in the Masonic Home visitation October 29, and visited our members there.

Five of our own brothers were honored at the November 2 meeting. These men have received the highest honor of Scottish Rite Freemasonry — the Thirty-Third Degree. This degree is awarded for "outstanding service to Freemasonry or for significant contributions to humanity, reflecting credit to the Fraternity." These brothers were escorted West, where they introduced themselves and gave the year in which they received their degree:

Orvis A. Dellinger, 33°	1935
Arthur W. Rodemeyer, 33°	1952
William H. Schwartz, 33°	1958
Robert Dellinger, 33°	1966
Shirley L. Scholer, 33°	1967

The choir sang to them, "No Man Is An Island," and they were presented a gift and received a standing ovation from the chapter.

Past Grand Patron, Bradley J. Swift challenged us to rededicate ourselves to the principles which these brothers exemplify, saying we could pay no finer tribute to these genuinely humble brothers.

The bowling party rescheduled for November 18 — as not to conflict with District Meeting November 4— was a lot of fun. Some of the would-be bowlers undoubtedly had some sore muscles the next day. The food was excellent which topped off a funful party. Thanks to Bob Waldo and his committee for a real good time.

Our talented choir entertained us and our many guests on Friends Night Nov. 16. T'was a "Great Night For The Irish" as we were literally transported to the emerald isle, where Eleanor and Andy were enthroned as the reigning monarchs. Solos by Max Poorman singing "Galway Bay" and Bill Knauer's rendition of "McNamara's Band" would have delighted the wee people. The trio of Dorman Walker, Paul Hayden and Dick Munk was just great and the quartet comprised of Twylla Hake, Betty English, Miriam Hardy and Jean McQueen was marvelous as they sang Irish ballads. Ruth Dunton and Betty English were accompanied on the flute as they sang "Glocca Mora." As all the choir lassies joined in "A Little Bit of Heaven", they were accompanied on the zither by Carol Munk. A leprechaun, in the disguise of Duane McQueen, danced a jaunty jig. (There's just no end to their surprising talents!) These are but a few of the high spots in a delightful program, which concluded with a favorite, "Danny Boy." Jo Cecil and Carol and all the choir lads and lassies deserve our warmest thanks for a wonderful evening.

Sharon Sprowl, our District Deputy will be paying us an official visit December 7th. Come share the spirit of Christmas on December 21.

Members Ill: Irene Rosher, Blanche Eastes, Edna Ruge, Blanche Barnes, Blanche Rasmus, Nellie Duiser and Jane Blankenship, and Thomas Koster.

Illness in Families: Husbands of Helen Knight, Edmona Lobert, and Elizabeth Beach; Father of Jeanette Cereghino; Mother of Frank Bidlack; Sister of Gladys Jeffries; Son of Carol and Dick Munk; Daughter of Dorothy and Forrest Finnell.

Death in Chapter: Brother Erba Price.

Deaths in Families: Sister of Harriet White, mother of Kenneth Bradley, sister of Gladys Gifford, father of Thelma Gale, father of Richard Munk, and the nephew of Emma Dunton, who she raised.

New Parent: Sue Irwin has a son.

New Grandparents: Marguerite and Owen Arnos have a granddaughter.

December Committee Calendar:

5—Program will have a 6:30 dinner at the Yankee Drummer, followed by a Christmas party at Patsy Hinkle's with a $1 gift exchange.

How much unhappiness, discontent and unrest we would be spared if we were — to love one another, to have good will among men, to hring peace to every heart. This is the spirit of Christmas. We pray that it will enter your home at this Holy Season, giving you and your loved ones the greatest happiness. This is our prayer to you. Christmas Smiles

A smile is such a funny thing;
It wrinkles up your face,
And when it's gone you never find
Its secret hiding place.

But far more wonderful it is
To see what smiles can do;
You smile at one, he smiles at you,
And so one smile makes two.

And since a smile can do so much
By cheering hearts of care,
Let's smile a lot this Christmas time-
Such smiles go everywhere.

With the coming of the blessed Christmas season we sincerely wish that your lives he filled with the blessings of health and happiness.

FRIENDSHIP

What a cheerful word is friendship,
Especially this time of year
As we get the season's greetings
From our friends, hoth far and near.

It takes two to make a friendship,
Or perhaps, it's three or four,
Or we can keep right on counting
To a hundred . . . mayhe more.

Friendship is not just a present
To he put upon the shelf,
The more you give, the more you gather,
Pleasing others and yourself.

Old friends are perhaps our finest
But we want the new ones, too.
A lot of love can be included
For the ones most dear to you.

Most folks know how to he friendly;
Nations too should try to he,
And thus learn that honest friendship
Is worth more than enmity.

May that wondrous Christmas message
Echo over hill and glen
Until all the world shall share it . . .
"Peace on Earth, Good will toward men."

Landmarks

The question of the Landmarks of Masonry continues to raise questions. Mackey's 25 are often pointed out to as official, hut this is not the case. These are just 25 that Mackey thought were right. Another famous Mason of these modern days, Roscoe Pound, believed there were hut seven. The Massachusetts Grand Lodge recognizes seven hut some Grand Lodges recognize as many as 50 or more. On the other hand the Grand Lodge of England, while recognizing that there are such things as Landmarks, has never in all of its 250 years of existence defined what they are.

Landmarks are therefore one of those indefinable things about Masonry that makes it so human and so lovable. (H. L. Haupt)

ectioning so well and efficient-
ly. It was a job well done. Of the three major projects: The Boys Camp at Camp Crosley was the most successful. A hearty thanks to all those who participated in making these boys happy for that short week. The Educational Foundation has let the membership know that it exists and I am sure that it will bear fruit in the future. The Eye Foundation which is a project nationally as well as locally, was quite disappointing, but with the publicity that it was given has begun to stir up a little response among our members. It is sad to relate that all too little was known about it locally, and this we have tried to remedy this past year. I certainly hope and pray that the Sir Knights are beginning to see a glimmer of light and begin to support this worthy cause. What a wonderful feeling it will be to know that through your contributions to this cause, you have helped save the sight of some youngster or helped to add a little more time to another so they may see and appreciate our wonderful world. All this is accomplished for your $30.00 Life Sponsorship, and it is deductible.

Without the help of the Social Order of the Beauceant, our Commandery would have had some very rough and trying times. Your help was asked for the Easter Breakfast, Grand Conclave, Inspection, and several other events, and I must say you really did a wonderful job and we sincerely thank you for your help and cooperation.

Don't forget to come to the Temple for a delightful supper and then to the election of officers for the coming year, on Thursday, December 21st. Let us all keep up the good work and come out in force to elect and show the newly elected officers that we are really backing them.

To the sick and shut-in we wish a speedy recovery, and to the bereaved our heartfelt sympathy.

I am proud to be a Sir Knight of Fort Wayne Commandery No. 4!

Our King, Companion Glenn S. Myers, has been in the hospital but should be well on his way to recovery by the time you read this column — minus all of his teeth. Glenn won't admit that he might have been talking when he should have been listening. Blames it on infection.

Also, we extend our best wishes to Mrs. William M. (Raedel) Roberts who is now greatly improved following an extended illness and hospitalization.

Following our last stated meeting the companions enjoyed a travelogue picture and some still pictures and snapsbots of old buildings and sites of Fort Wayne that went some years into the past and caused much reminiscence. Also, Companion Art Popp entertained with some of his fine organ music.

We wish to remind all companions of the election of officers at the next (December) stated meeting. Traditionally, this is Past High Priest's Night. We especially wish to welcome and recognize our Past High Priests on this particular evening. We will meet in the kitchen for dinner at 6:30 p.m. (Soup for Glenn Myers).

This is my last opportunity to wish that each and every companion has a very Merry Christmas and a Happy New Year.

As the Holiday season is again with us, I realize that my year as High Priest is soon at an end. This brings to mind bow much there is to do and so little time left.

During the past month your Chapter conerred the Mark Master and Past Master degrees on Companion Clarence Behmer. It was a privilege to attend Kokomo Chapter and Delphi Chapter where Companion Behmer received his Most Excellent and Royal Arch degrees. This was a very rewarding experience for your High Priest and Secretary.

The stated meeting dinner for the month of November was our traditional turkey with all the trimmings. I sure hope you were in attendance, if not be sure and be with us for the December 21st stated meeting and dinner.

Many thanks to all our loyal officers and to all the others who assisted me through this year. It has been a privilege and honor to serve our Chapter as High Priest during this year.

Best wishes to you aod your families during this Holiday Season and 1968.

Brethren: A quick look at the date will tell you that my year as your master is just about over. I feel that I am probably like a good many retiring masters, in that, I have not accomplished all the goals I set for myself in 1967.

Leo Lodge has had about the average number of new members this year. By the end of the year we will have raised five brothers to the Sublime Degree of a Master Mason. I would like to take this opportunity to thank the many Brothers who helped with the work this year for without their help it would have been impossible.

I extend my personal congratulations to the new officers for the coming year and a sincere wish for theirs to be the best year yet. As plans are finalized for the installation of your new officers you will be notified.

Remember the Ten for Ten program when you pay your dues. This is a very worthwhile project and deserves the support of every Master Mason in Indiana.

At this time I wish to thank all officers and brethren for the assistance and support given me throughout the year. As you know, it takes the teamwork of many to do anything well.

The following dates are to be remembered:

December 6, Stated meeting and election of officers.

December 27, Table Lodge, which will celebrate the Feast of St. John. Supper at six. I would like to see 100% membership participation. A reminder of this event will be sent to all members.

In closing, I would again like to express my appreciation and hope all of you will support your officers during the coming year as you have in the past.

December is upon us, and this is the month of the year to elect our officers for the coming year. This is your duty as a Master Mason to vote and help select our officers to have the best to serve our lodge. Be sure to attend our December 11th stated meeting for the election.

Last month is the month I shall remember as master of our Lodge. Our Annual home coming being the big event, was a pleasing affair. We had a fine turn out of our members and their wives. Three members were awarded the twenty five year medal. They wre: James F. Dailey, Robert C. Squier, and James E. Swaim.

My thanks goes to the ladies of the Ossian Presbyterian Church for a delicious ham supper, and our many thanks to Illustrious Compton O. Rider of Bluffton for an enjoyable hour of film and travels.

In our last issue I failed to mention the loss of two brothers, James (Eddie) Barrick and C. Carl Wilson. Our sympathy goes to the families and friends of these two members.

On December 12th we will hold our annual Christmas program for the children. We have planned a different type program this year, and we hope the children will have an enjoyable time.

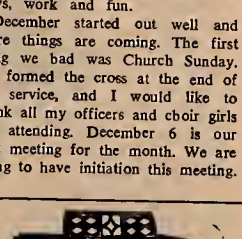
Here it is December already and it seems like things have just started. The year has just got moving, but now I find myself at the last month of my term.

November was a big month as we started out November 1 with Master Mason Eastern Star Night. We had quite a few guests in spite of the rainy weather. The next thing on our agenda was election November 15. I was glad to see so many girls turn out to such an important meeting.



Our work project for November was the rummage sale, November 25. We found ourselves with cold weather rummage, lots of people, and as always, work and fun.

December started out well and more things are coming. The first thing we had was Church Sunday. We formed the cross at the end of the service, and I would like to thank all my officers and choir girls for attending. December 6 is our first meeting for the month. We are going to have initiation this meeting.

Masonic Gathering To Commemorate Anniversary

The most significant Masonic gathering in recent history in Indiana will take place at Madison on January 12.

It will mark the exact 150th anniversary of the founding of Indiana's Masonic Grand Lodge in that city on January 12, 1818, just 13 months after Indiana was admitted to the Union as the nation's 19th state.

The Madison event will be attended by Masons and their families from throughout Indiana. Special Masonic guests from Ohio and Kentucky also will attend.

The events of the day will begin with 4:00 p.m. with a Service of Worship and Thanksgiving at Trinity Methodist Church. That service will recall a similar event of one hundred fifty years ago when immediately after the Grand Lodge had been founded the Masons in attendance marched in body to the one Methodist Church then in existence in Madison for the purpose of worship. That day, the sermon was delivered by Nathaniel Jenkins of Rising Sun, the first Grand Chaplain of the Indiana Grand Lodge, a Methodist circuit rider and member of Rising Sun Lodge No. 6. The sermon for the Sesquicentennial Service of Thanksgiving will be delivered by the Rev. George S. Taggart, Anderson, Past Grand Chaplain of the Indiana Masonic Grand Lodge, and likewise a member of Rising Sun Lodge No. 6. Other participants in the service will be John L. Bloxsome, Terre Haute, Grand Master of Masons in Indiana; Dwight L. Smith, Franklin, Grand Secretary and General Chairman of the Sesquicentennial Commission; the Rev. Elmer C. Johnston, LaPorte, Grand Chaplain, and the Rev. James A. McKinney, Assistant Grand Chaplain and Minister of Trinity Methodist Church.

Music for the worship service will be provided by the Indianapolis Scottish Rite Chorus under the direction of Frank S. Watkins. Mallory W. Bransford of Butler University will be organist. The entire service will be broadcast live over Radio Station WORX, Madison.

Members of the Order of DeMolay for boys will assist during the service as flag bearers, and will march in the grand procession with the officiants.

A re-enactment of the foundiog of the Grand Lodge will take place at 8:00 p.m. on January 12 in the auditorium of Madison Consolidated High School, when the commemorative play "And There Was Light" will be presented by a talented cast of thirty-three actors, all members of the Indianapolis Scottish Rite dramatic cast. The play will consist of six scenes, under the direction of C. Arthur Landes. It was written by Dwight L. Smith, nationally known author of other Masonic dramatic productions. The Indianapolis Scottish Rite Chorus will perform during the play.

Because of intense state-wide interest in both programs, tickets will be necessary for each event. They may be secured for Masons and their families without charge, from the general chairman of the celebration, Henry L. Herbert, 2512 Green Hills Drive, Madison. If tickets are ordered by mail, enclose a stamped self-addressed envelope.

Earlier in the day on January 12, several other important Masonic events will occur at Madison, and they will be of special interest not only to Masons but to the general public as well. A 600-page history of 150 years of Craft Freemasonry in Indiana, titled Goodly Heritage, by Dwight L. Smith who was Grand Master of Masons in Indiana in 1945-46, will go on sale for the first time. A limited number of copies of the first edition will be available. The book contains 48 pages of pictures of historic Masonic events, persons and places.

In addition, on January 12 the Post Office at Madison will postmark and mail a special events commemorative cachet bearing a steel-die engraving of the famed Schofield House, in which the Grand Lodge was formed. The distinctive souvenir envelope will contain a specially prepared card that contains pertinent information about the Schofield House and the founding of the Grand Lodge.

When the Grand Lodge was constituted, the meeting was attended by fourteen representatives from the nine widely scattered Masonic Lodges then in existence in the state. They were located at Vincennes, Madison, Corydon, Salem, Charlestown, Rising Sun, Lawrenceburg, Brookville and Vevay. The total membership of the nine Lodges was less than 200 men. On the Sesquicentennial Anniversary of that event, the Grand Lodge of Indiana is composed of 549 Lodges with a total membership of nearly 180,000 Freemasons.

Oldest Living Mason Celebrates 82nd Masonic Anniversary

On Saturday, November 18, 1967, the Grand Lodge of New Hampshire met in Manchester's Masonic Temple for its regular Semi-annual Communication. Sitting in his usual place as Grand Steward was Brother Sherman D. Parsons of Morning Star Lodge No. 17, Wolfeboro. Brother Parsons is 105; on January 13 he will celebrate his 106th birthday.

November 18 was another anniversary for the No. 1 man on the Masonic Service Association's list of Oldest Living Freemasons. Exactly 82 years ago on that date Brother Parsons was made a Master Mason.

New Hampshire's Grand Master, Carl A. Buswell, had Brother Parsons presented at the altar for congratulations and good wishes. Our elderly Brother gave a brief response of appreciation in a remarkably clear and positive voice.

Then turning to a visitor who was assisting the Grand Master, M.W. Brother Conrad Hahn, Executive Secretary of the Masonic Service Association, Brother "Sherm" smilingly presented him with a brilliant red tie, in token of his friendship for the man he had referred to in Grand Lodge some years ago as "the man with the red neck-tie".

At the luncheon in the Temple that day, Brother Parsons was feted with a large "82 Masonic Anniversary" cake as well as with hundreds of brotherly hand-clasps and greetings.

Kansas Masons Offer Unusual Educational Opportunity to Young People

In 1966 the Grand Lodge of Kansas created the Kansas Masonic Foundation, an incorporated charitable and educational agency of the Grand Lodge. Its purposes are expressed in two words: opportunity and service to carry out Masonry's fundamental tenets.

One of the first activities to serve the community and to promote Masonic ideals will be an educational project in 1968 at five institutions of higher learning in Kaosas. "Enlightenment of mankind" is the Masonic goal to be pursued.

According to Brother James W. Robbins, Executive Director of the Kansas Masonic Foundation, Dr. Walter H. Judd, 33°, former Congressman from Minnesota and popular news commentator today, will lecture and teach Americanism to students at Kansas City Junior College, the University of Kansas, Washburn University, Kansas State University, and Ft. Hays State College between February 26 and March 5, 1968.

Dr. Judd will not merely give addresses. He will visit classes and meet with students and faculty to discuss how young people can rediscover the values of our American heritage. It is planned to have Brother Judd working at each of the schools from early morning to late at night in a variety of situations. On at least two of the campuses he will have "working breakfasts". On all of them he will be "conferring" during luncheon and dinner. He will meet with student government members, dormitory councils, faculty, and other campus organizations. He will appear in a variety of roles at each college.

Dr. Judd's itinerary in Kansas has been announced as follows: February 26 at Kansas City Junior College; February 28 at Washburn University, Topeka; February 29 at Kansas State University, Manhattan; March 1, Ft. Hays State College at Hays; and March 5, University of Kansas at Lawrence. The visits were arranged to give Dr. Judd's teaching as wide a geographical impact in Kansas as possible.

The Masonic world will eagerly await reports of the outcome of this effort of the Masons in Kansas to promote the "general good of society" by adding to the educational opportunities of the young people in their state.

How May I Know?

(The Masonic Chronicler)

There is a common answer to the question. "How may I know you to be a Mason?" — although those who do not keep themselves familiar with the Craft Lodge ritual may hesitate in attempting to give it. Possibly something may be added to that common answer.

I know you to be a Mason by some of the signs you display; by your interest in Freemasonry attested by frequent attendance whenever possible at your lodge and other Masonic bodies of which you may be a member; by your willingness or even eagerness to take part in the work and business of your lodge or other bodies; by your efforts to become an informed Freemason.

I know you are a Mason because of the kind of words you have for a brother who has erred or is troubled; because of the word of cheer you carry into the sick room; because of the word you speak to guide a brother's feet away from the paths he should not follow and into ways in keeping with the teachings of Freemasonry.

I know you are a Mason because you are temperate in all things; because you have the fortitude to uphold the right and denounce the evil; because you have the prudence whereby to properly direct your life at all times; because of the justice which characterizes your dealings with all men.

SALUTE TO THE GRAND LODGE OF INDIANA

One hundred fifty years ago
Within our sovereign state
Was organized a Lodge so Grand,
'Twas January 12th, the date.

These brethren of Masonic fame
In Madison, they met
To join with others on that day
Which we will ne'er forget.

Nine lodges sent their delegates
To plan the Grand Lodge there.
Their aim, Masonic Fellowship
For brothers far and near.

From this they've grown to thousands
Their charity is known
Throughout the state and nation
In business, school, and home.

They practice Masonry in truth,
They cheer up the distressed,
In ritual work, they study hard
That each may do his best.

The widow, wives, and children
of brothers, in their care
Will always feel their courtesy
As they, the burden share.

Our thanks we want to offer,
To those of long ago,
Who left the footprints, made the path,
That we today may know.

One hundred fifty years of growth,
Achievements we acclaim,
From all the women in this state
Who honor your Grand name.

Greetings and best wishes for a happy and prosperous New Year to the brothers of Summit City Lodge and their families. Your newly elected and appointed officers for 1968 were installed in a very impressive and beautiful ceremony Saturday evening, December 30 by Past Masters Bruno Belhutoski, Robert J. Stone and Robert E. Lee, as the installing officer, marsball and chaplain, respectively. The Scottish Rite Chorus, under the direction of Brother William Wetzel with Brother John Conser, organist, provided inspiring and prayerful music for the installation. To the installing officers, Scottish Rite Chorus, other brothers and friends I extend my sincere appreciation and humble thanks.

Your officers of Summit City Lodge for 1968 are:

Worshipful Master, Lawrence A. Baker; Senior Warden, Jack I. Brunson; Secretary, Dwight M. Myers P.M.; Treasurer, Robert E. Lee P.M.; Senior Deacon, W. Edward Hatch; Junior Deacon, Daniel C. Stone; Senior Steward, Thomas G. Nuss; Junior Steward, Harry L. Ruby; Chaplain, Richard N. O'Brien; Tyler, Arthur C. Walda; Ass't. Tyler, Wilmer C. Racine; Trustees, Samuel E. Evans, Leon B. Williams P.M. and George N. Winchell P.M.

Many activities are planned for this year. Annual Ladies Night Banquet, March 29 and the Annual Home Coming Banquet, October 25 are the traditional highlights of the year. In addition, on Saturday night, April 13 Summit City will be host to the other 13 Masonic lodges of Allen County in Freemasonry's Salute to Tradition, a feature of the Sesquicentennial celebration of the Grand Lodge of Indiana. One of the three degrees will be conferred. More than 500 lodges in the remaining 91 counties in the state will also be meeting on this night. Truly a great event in our Masonic history. Much work has to be done in the next two months to make this a memorable event in your Masonic life. This is your opportunity to be a part of the 150th anniversary of Freemasonry in Indiana. Mark your social events calendar now, then call a brother who has said he hadn't heen to lodge for years and invite him to accompany you on this night. Preliminary plans for exchanging a visitation with an out-of-state lodge have begun. Celebration of St. John's Day in June at a local church and the Feast of St. John the Evangelist in December will be observed.

May we join in welcoming our newest Master Masons from December: Brothers John R. McNabb, Richard R. Schafenackner and Floyd D. Hammond.

To our brothers who are ill, we pray for your recovery and return to your family and friends.

To the Past Masters and brothers of Summit City I have been associated with in the past years on my progression in tbe lodge, I extend my sincere appreciation and respect. Their work is truly a lahor of brotherly love and dedication. The door is open to you, come, share and participate in joys and inspirations of the degree work and fellowship. My year as Worshipful Master is dedicated to you and those who become Master Masons with us.

To The Brethren of the Masonic Fraternity:

I bave tried to imagine what goes on in the minds of newly elected Masters of Masonic Blue Lodges, as they prepare for publication, their first article for the Square and Compass.

My own thoughts were, that the membership of South Gate Lodge had confidence to elect me to this station, I had accepted, and now I have assumed an obligation to perform the dutles of this station, according to the rules of the Grand Lodge of the State of Indiana. Brethreo, this is no small task, if done properly!

The man wbo will assume this responsibility, must experience bumbleness before pride and re-dedicate himself to the Service of God and work for the good of mankind aod the honor of the Fraternity.

No Master can honorably rise to tbe performance of the dutles of the station without first pausing to thank the many Brothers who have extended helping hands through the several places and stations in the Lodge through which he has passed.

The Master of a Lodge cannot work or stand alone and the members of South Gate have elected — Wilbur T. Brase, Senior Warden; Emory W. Bryan, Junior Warden; PM Clarence O. McIntosh, Treasurer; and PM Franklin I. Bryan, to serve his 14th term as Secretary. Immediate PM Dale E. Shupe was elected trustee to serve for three years.

Appointed as floor line officers were — Dale A. Dusing, Senior Deacon; Harold Lash, Junior Deacon; Robert Roddy, Senior Steward; Charles Hart, Junior Steward; Howard C. LeClaire, Tyler; and Eugene E. Pierce, Chaplain.

With this group of officers and the Fellowship and assistance of the Brethren, South Gate Lodge plans to labor in 1968 as we have before in the truths, allegories, and symbolisms of Freemasonry. We extend to all fellow Lodges the invitatioo to visit us, we welcome you.

I promise in the future, this column will not be quite as somber. In our present day society we need to smile now and then and to stop and refresh ourselves and be thankful for our lot; it could be worse.

Our next Stated Meeting will be 8 January, EA 15 January, FC 22 January, MM 29 January. Founders Day Grand Lodge meeting will be held at Indianapolis 20 January.

SEE YOU IN LODGE.

My congratulations to our Jr. Past Master Dr. Vincent Westfall for guiding us along the Paths of Masonry this past year. You did a fine job. We have celebrated our one hundred years as a Lodge. We are half way through our one hundred and fifty years sesquicentennial. Yes, a wonderful year, good fellowship. More light in Masonry has been revealed to the men in the line.

Following Installation refreshments were enjoyed in the Ball Room, served by our good lady, Mrs. Celia Stabler and aides.

Let me take this opportunity to personally thank all the members of this lodge for their confidence and support. The title and office of Worshipful Master is possible only with the permission of the members of the lodge. It is with bumble heart that I accept the office, and with humbleness that I serve.

The balance of the officers are Wm. O. Hanes, S.W.; Robert Whyte, J.W.; Richard C. Englisb, Sec.; Fred Raake, Treasurer; Robert Nickerson, S.D.; Rhys Cook, J.D.; Charles Taylor, S.S.; Grover Scott, J.S., and Tony Dunham, Cbaplain. Brother Shirley Scholer was re-elected to the office of Trustee, to serve along with our present Trustees, Brother Wm. Gingher and Brother Herb Foreman.

Many times a Worshipful Master is asked what a particular brother can do for the lodge. Many times these same brothers do not want to take part in the ritualistic work, and do not want to give one of the lectures. This same brother will cheerfully serve on an investigating committee or as a coach for a newly obligated brother. But this is addressed to those who cannot, for whatever reason, serve in any of these capacities. I would ask each of you to live as a Mason is taught. Often we bear a candidate tell us that one of the reasons that be seeks masonic light is that he has been inspired by the life of a Mason, be he father, uncle, friend or accquaintance. If each one of us could live so as to inspire one person to seek masonic light, think of the benefit to our brotherhood.

For the month of January we will bave a public installation of officers at our stated meeting, family and friends are invited to attend. A Lodge of EA will open at 7 p.m. on January 10th. A Lodge of FC will open at 7 p.m. on January 17th. We will have two MM Degree nights in order to raise those brothers who were held over from December, due to the Feast of St. John. A Lodge of MM will open at 5 p.m. on January 24th, and January 31st. We will serve dinner both evenings.

Let me wish all of you peace and prosperity for the coming year, and let me again thank each one of you for allowing me to serve as your Worshipful Master.

Brethren: Waynedale Lodge bas paid me a great bonor in electing me as your Master for the year 1968. I will attempt to govern the Lodge as successfully as have the Masters who have served before me, however they have a record that will be hard to beat.

On January 3rd at 7:00, prior to the stated meeting, the following officers were installed to serve your lodge during 1968.

W.M. Richard C. Fisher; S.W. Edwin L. Teeters; J.W. John C. Conahan; Sec'y., Sbockley Lockridge; Treas., T. MacFehman; S.D. Hugh Bassett; J.D. Thomas Woodward; S.S. John LoVerde; J.S. James Lucas; Chap., Robert C. Sales; Tyler, Leroy G. Volgamontt.

Wayne T. Mitchell was installed as Trustee for three years. The trustees serving unexpired terms are John R. Capin and William H. Herman. The installing officers were Earnest T. Earhart and John Osborne of Ossian Lodge No. 297.

Our congratulations go to Bill K. Winans our outgoing Master for a very successful year. Don't get far away Bill as we will be calling on you for help and guidance during 1968.

A memorial service was held on Nov. 24th for Brother Walter McGregor at Elzey Home for Funerals in Waynedale. The lodge extends its deepest sympathy to the family of Brother McGregor.

Brethren, please do not forget the 10 for 10 program where you can do so much for so little. This is one opportunity to show true Masonic Charity. For those of you who may have forgotten, your 1968 dues are now due and payable.

The year 1968 is an important one for Waynedale Lodge as this is the year we are planning to start construction of our new Temple. P.M. Bill Winans is cbairman of the building committee and he will be needing the assistance of every brother in this endeavor. Come to lodge and hear the plans and progress of our own Temple.

Remember Wednesday nights is Lodge nite and make plans now to attend lodge this year. I would like to meet each one of the Brothers of Waynedale Lodge, in lodge, at least once during my term as master. What better way to re-new old acquaintances and make new friends than an evening in lodge. See You There.

Brethren: I wisb to take this opportunity to thank the members of Wayne Lodge No. 25 F.&A.M. for the confidence they have placed in me. I shall do my best to uphold and continue the fine traditions of this lodge.

Your officers for the coming year are as follows:

Wayde O. Cleckner, Worsbipful Master; Ivan A. Planck, Senior Warden; Donald Marvel, Junior Warden; Nile W. Hake, Treasurer; Bernard L. Smith, Secretary; William R. Doctor, Senior Deacon; F. Nathan Roembke, Junior Deacon; Merl Wright, Senior Steward; William C. Branstrator, Junior Steward; Robert J. Koerber, Chaplain; James Pollos Sr., Tyler.

As you read this article, your officers will have been duly installed by our team of Past Masters. My special thanks to these three, Brother Past Master Josepb McDowell, Brother Past Master Simon Hartsing, and Brother Past Master Charles Bandy.

There has been a recommendation made for a raise in our dues. The necessity for a raise in dues, I believe, can be tied in directly with attendance or shall I say lack of attendance at our meetings. If our attendance continues to grow and if we can get more member help in the kitchen on Master Mason nights, it would go a long way toward alleviating the financial pinch we are now feeling and thusly the need for that raise in dues.

We shall continue to keep our Stated Meetings as short and to the point as the Blue Book will permit.

The following are dates to remember:

January 4, Stated Meeting.

January 25, Master Mason.

February, I understand the Veteran's Hospital visitations are on again and our turn will come in February, date given later.

March 23, (Saturday), Past Masters and Ladies Night.

April 13, (Saturday) the night of the Pascbal full moon — "Salute to Tradition". This is a statewide program and a part of our Jubilee Year. (I hope we will all be able to participate).

I would again like to congratulate our latest newly made Master Mason, Brother Robert John Koerber.

To all of our sick, we wish a speedy and complete recovery.

Have you paid your 1968 dues? And I hope that you did not forget that greatest of all Masonic principles with a contribution to the 10 for 10 program.

Hoping to see you all on Thursday evenings.

We send this special wish to you —To start the New Year right. That all your hours will be gay and all your moments bright. We hope the sun will shine on you wherever you may go, and may you be as carefree as the gentle winds that blow. May you discover many friends you never knew before and may their happiness in life be always at your door. We pray that every song you sing will bring another smile and all your plans and projects will be more than worth your while. A most successful New Year is my heartfelt wish for you — and as the weeks and months go by may all your dreams come true.

On December the 8th, the Shrine Room was graced with four Supreme Committee Members, one Supreme Honorary Committee Member, three W.H.P., one W.O.S., ten P.W.H.P., four P.W.O.S., and seven Line Officers as guests plus ninety eight members. The Jobs Daughters of Bethel No. 8, gave their closing ceremonial for the guests and members. It was given in beautiful form and their singing voices were so very sweet. A variety of delicious salads and coffee was served after the meeting. The tahles were decorated with centerpices of poinsettias complimented by a group of angels on either side —Santa Claus made of popcorn were also used on the tables, to add to the theme of Christmas.

The Shrine Christmas Party was held in the Shrine Arabian Room on December the 11th. Twenty three members were present and enjoyed a most delicious dinner. A gift exchange climaxed the evenings fun.

The Christmas Ceremonial, preceded by a banquet was held at 6:30 p.m. in the IOOF Hall. The thirty seven new members for 1967, were special guests. The W.H.P. wishes to thank all who assisted in any way.

The first meeting of the New Year, will be held January 12th. It is New Members Night — and the entertainment will he a surprise — come and enjoy the fellowship of the new members.

January 26th, will be Advance Officers Night. Come and get a preview of next year. The card party and style show will be held January 31st in the auditorium of Glenbrook Mall. Tickets can be purchased from Velma Freeze, Gwen Shroyer, Cleo Munson, Vancha Collins or any member of the committee. Let's make this a big event. Time 7:30 p.m. — Tickets $1.00.

Hi Jobies!

Another year and another term! First, I would like to thank everybody who made possible my installation on Dec. 22. I would like to extend a special thanks to Mrs. David Johnson, my sister, who was my Installing Officer; and thanks to my parents for their help. Without them my installation would not have been a success. The officers who were installed for the ensuing term are the following: Honored Queen, Margaret Bleeke; Sr. Princess, Jane Witmer; Jr. Princess, Mary Ann Means; Guide, Pam Collins; Marshal, Marrianne Blue; Inner Guard, Cheri Spuhler; Outer Guard, Kathy Webb; Sr. Custodian, Anita Follis; Jr. Custodian, Dianne Griffith; 1st Messenger, Elaine Young; 2nd Messenger, Connie Wunderlick; 3rd Messenger, Jean Kelder; 4th Messenger, Rita Fox; 5th Messenger, Carol Finkbiener; Chaplain, Sue Brandt; Musician, Connie Hoylman; Librarian, Marla Bienz; Treasurer, Christine Whiteman; Recorder, Sue Lehman. My term is starting out just fine. Our first meeting was a pot-luck dinner for all the officers, members and parents. I would like to compliment my officers on their ritualistic work. Keep up the good work. We had a good turn out and it was enjoyed by all.

Our next meeting is Past Honored Queen's night. I hope to see many Past Honored Queens there. I would also like to encourage all members to come and join the choir. It supports the officers and adds harmony to the meeting to have a large choir.

I hope many girls will come out and help on the money making projects. We will be having two paper drives, a car wash, and a bake sale. Our first paper drive will be Jan. 20, 1968. Start saving papers! If you can not bring your papers to the drive, call Margie Bleeke (744-4528), and someone will pick them up.

In closing I would like to leave you with this thought:

To every planner who has plans
To every workman who has labor
To every soul who has prayer
To every friend who has sacrifice
For every encouragement, or suggestion
Every gift I express a warm and sincere thanks.

Soon in your hand will be placed a priceless gift. Look at it closely. There is no price stamped upon it. It cannot be weighed; because no scale can balance its value. A king's ransom in comparison is as nothing, yet it is given to beggar and prioce alike. The giver asks only that it be used wisely and well.

The jewel, rare and unique, is not displayed in any shop wiodow. It cannot be purchased, cannot be sold. No other treasure holds the possibilities this gift offers; none can surpass its golden splendor.

Of all gifts, this is the most precious. It has heen offered many times before; today, from the depths of a boundless love it will be given again and agaio. It will be left to you to find the golden thread running through it. Only with great care will the jewel retain its lustre. Carelessness, ingratitude, and selfishness will tarnish its brilliancy, break the unspoiled thread, mar the perfection.

Guard it closely, lest through weak fingers it slip from the hand. Look often at its faultless beauty. Accept it as it is offered from the heart of the giver. Consider it your most treasured possession, for of all gifts it is hy far the greatest — it is the gift of God; the gift of a New Year and through His great love a new beginning.

Yes, when you receive this issue a New Year has begun and 1967 is past, the Christmas party of the committees was a huge success; beautifully trimmed Christmas tree, decorated tahles a delicious dinner and Santa Claus on hand to distribute the gifts.

January 11th will hriog to Chapter the men under the supervision of our Associate Patron, Dick Stonebreaker; and this is always an entertaining meeting; be there and help enjoy it.

Sisters and Brothers:

As we stand on the threshold of this New Year, laden with good resolutions and high hopes, may the teachings of our beautiful order have greater significance than ever before. Let us pray with the spirit of deep humility that war shall cease, and that peace on earth, good will toward men shall become a reality and not empty words. May the wonderful blessings of Christmas be with you throughout the New Year. We wish each and everyone of you a Happy New Year.

Your Worthy Matron and Patron, Eleanor and Andy.

Ring in the New Year by taking a moment to reflect on what you have given toward the success of our chapter. Is it enough — by giving just a little more of ourselves can we have a bigger and better chapter? The officers alone do not make a complete chapter — it takes each and every member working together to have a successful chapter. Let's all try to do just a wee bit more from now on. We'll be glad we did.

The beginning of a new year is a good time to reflect on the one just past. An especially grand time was our Friends Night on November 16 when there wasn't an empty seat in the chapter room and we bad such good friends as Sonoma Woodruff, Sharon Sprowl and Clayton Herrick with us.

The official visit of District Deputy Sharon Sprowl on December 7 was very interesting and informative. Sister Sbaron exemplifies friendliness and brought to us the instructions of our Worthy Grand Matron in a most proficient manner. Our officers are to he commended for doing a grand job.

The special project of the Worthy Grand Matron and Patron this year is a fund "For Crippled Children." They have requested each chapter to have a special event to contribute toward this fund. The proceeds of our bake sale December 16 at Montgomery Ward's have heen earmarked for this project. The Worthy Matron, Pat McKinnie and the Social Committee wish to thank all who helped in any way. Sister Pat will have a report on this project shortly.

The theme of the evening December 21 was "O Come All Ye Faithfull" and they did come to share in the Spirit of Christmas. There is no better time to share than at this season, whether it be gifts, friendship or in just getting together to join in singing the carols. We parted with an awareness of the True Christmas Spirit.

On the 4th of January we will honor our charter and 25-year members. So many, many good things are due to the hopes and work of these members. We are most greatful and appreciative.

Our men will entertain us on January 18th. We look forward each year to their program and are sure that Bob Waldo and his committee are planning a pleasant evening for us. Our chapter is very fortunate to have such a large group of active men, who not only show their interest in social activities but by their presence at stated meetings. We, in turn, can show them our appreciation by being on the silelines that night.

Election of officers is fast approaching. Give serious thought to this meeting and plan to attend February 1st.

To brighten the New Year of our shut-ins, let's remember them on their birthdays: Harry Wineland, Jan. 1; Katherine Muir, 13th; Veora Carrington, 16th; Anna Becker, 23rd and Lyda Close, 29th.

Members Ill: Ruby Macy, Velma Dowty, Marjorie Rodemeyer, Helen Brokaw, Fannie Grim, Leona Blue, Marie Bales. We recently learned that Florence Martin suffered a stroke in August.

Illness in Families: Husband of Mabel Driver, husband of Jacqueline Walhorn and daughter of Helen Uhl.

Deaths in Chapter: Maude Storms, Past Matron Neva Bushong and Marie Ehle.

Deaths io Families: Mother of Evelyn Bowyer and Dean Hockensmith, husband of Maude Storms, husband of Rozella Chappell, brother of Virginia Blankenship, mother of Rosamond Schooley, mother of Marion Ehle, brother of Joseph Pyle, brother of Gladys Grunewald, brother of Wanda Gething and father of Gertrude Campbell.

New Grandparents: Madelioe Puff has a grandson and Ruth and Ed Uebelhoer a granddaughter.

What may I ask of the glad new year,
Whose golden dawning paints the eastern sky?
What may I hope to accomplish bere
As days and seasons move so swiftly by?
What shall I promise myself to do
Before this priceless year is through?
Help me to live in a noble way
And earn the comradeship of loyal friends.
Let me know laughter and wholesome play . . .
The joys on wbich all happiness depends.
Give me the courage and faith to see
That God will bless each day for me.
Strengtben my arms with a purpose true,
Yet keep me humble, honest and sincere.
Give me a strenous task to do
And urge me on with never-failing cbeer;
Then let me rest in the evening sun
And hear the Master say, "Well done!"

I am proud to be the newly elected Master Councilor of Fort Wayne Chapter Order of DeMolay for the Spring term. This position represents responsibility and I am glad to accept it. In the following months, we have many things planned for DeMolay. Bulletins and schedules will be sent to all members notifying them of these upcoming events. It is going to be bard to surpass Jim Steeg's term, but with the help of the members and officers I feel that it can be done. One of our goals next term will be to make Fort Wayne Chapter known througbout the state, and with the caliber of boys in our chapter I am positive we can achieve all the goals we set. Those also elected were: Steve Crook wbo will serve as Senior Councilor; Doug Knauer wbo will serve as Junior Councilor; and George Strawbridge whn will serve as treasurer. The remaining line of officers have not been cbosen yet but will be announced in the near future. The boys of Fort Wayne Chapter are looking forward to the Spring term and so am I. — David Gregg.

As retiring Master Councilor I would like to thank all the officers and members of the chapter that bave assisted me in our activities. This term has really been an eventful time for me. The many experiences and friendships I have bad will always be remembered for the rest of my life. The manner in which every person chipped in and helped out really made me feel bonored to be associated with them. I know that everyone will strive hard to make Dave Gregg's term superior to any one in Fort Wayne DeMolay history.

Have Faith that right makes might, and in that Faith, let us to the end dare to do our duty as we understand it. We must not be enemies. Though passion may have strained, it must not break our bonds of affection. And having thus ehosen our course, without guile, and with pure purpose, let us renew our trust in God.

We are now beginning a new year with a new line of Officers, to which we hope to extend a warm friendship far and wide.

To Sister Louise we want to Congratulate you on your very successful year this past year.

There was no illness reported in the last meeting of December 19th. If you know of any illness please report it to me or Sister Mrs. Donald Smith, 3927 Meda Pass, telephone 747-0038.

Our heartfelt sympathy goes to Sister Irene Woolridge in the death of her Mother.

What People Say

Is your conception of wrong and right your own ideas or something you have borrowed from someone else? Would you really do some of the things you do if you were not influenced by what somebody might say or think?

Few among us will admit we are bound by a lot of rules and conventions set by someone else, writes C. V. McLain in the Washington "Masonic Tribune." Still, admit it or not, much of our very existence is guided by rules laid down by someone we don't know . . . individuals of whom we have never heard.

We don't bother to do much thinking for ourselves. We readily accept things because they have become the general practice and seldom pause to consider anything but that everyone is doing it. We have a compulsion to follow the flow of the crowd.

Right or wrong most of us feel we must stay in step and keep up with our neighbors. So strongly are we driven by this impulse, we are too often found arguing that we are within our rights when we bend our laws and common codes of living because we see the other fellow doing some of the things we want to do.

Hardly! We all know there is quite a difference between right and wrong and we know how to recognize that difference. Since our childhood, we have been indoctrinated with the rules and guides for knowing wrong from the right living as set forth in the Ten Commandments.

It doesn't take too much thought to classify our thoughts and actions and as Masons, we should be more than acquainted with the rules of living which had come down to us through the ages.

It doesn't require too much intelligence to determine how we should conduct ourselves. We know and yet it has been said there have been more than five million laws enacted in many feeble attempts to enforce the ten simple rules God gave Moses for man's use to plumb his life and square himself with God.

—The Masonic Chronicler

Survival Kit

(Exchange)

A short time ago, an 8-year old boy was found alive, sitting on a rock three-quarters of a mile from Tarton Lake, 12 miles north of Flin Flon, Manitoba, Canada. For 15 days he had waited beside the wrecked, burned out airplane in which his father and the pilot had been instantly killed in the crash, and the boy waited alone, hungry and afraid for his mother to come for him. Fifteen days after the crash the boy was sighted standing on a rock, waiving feebly for help. For all that time he had been without food, and his emaciated condition showed that starvation would have overtaken him shortly.

One of the tragic aspects of this accident was that there was no need for the boy to be hungry, for near the plane was a survival kit containing 24 days' rations. It had been thrown clear when the plane crashed but the boy was unaware of what it contained.

Many Masons today are like the little boy. They are lost in the wilderness, not of the north, but of donbt and fear and their starved souls suffer from malnutrition, hunger and starvation while right beside them is a Masonic survival kit with abundance of the Bread of Life to nourish their starving souls.

The Try Square

Each of us has in his heart a little try square, called a conscience, by which to test each thought and word and deed, and determine whether it is true or false. By as much as a man honestly applies that test to his own heart, and his relations with his fellows, by so much will his life be happy, stable and true.

Greetings Brothers:

On Jan. 2, 1968, we held our annual pot luck supper followed by a public installation of our 1968 officers. On this date the lodge was turned over to a new set of officers. We, the new officers, would like to wish each brother a very successful new year.

I would like to take this opportunity to congratulate brother Roland Dorsey for a very successful year. At this time I would like to thank all brethren for the honor of serving as your Master this year. With your help and my officers' I will do my best to make this another successful year for our lodge.

We held joint Table Lodge with Leo lodge on December 27th in our dining hall. We had very good attendance and enjoyed an inspiring talk on Masonry. The dinner was served by the Harlan O.E.S.

Have you invited a brother to attend lodge with you and thus re-establish a bit of fellowship tbat was temporarily lost?

Looking forward to seeing each of you in lodge during the coming year.

We have a very busy year ahead of us. The last part of our Sesquicentennial year is upon us and this will incorporate numerous meetings of which I will inform you later.

The annual Childrens' Christmas party was held on December 12, and the turn-out was tbe greatest in recent years.

ettie Ransford — Guiding Light

(Reprinted from Star-Lite)

The life of Sister Nettie Ransford so entwined in the early years of eral Chapters, that we are bound bring in some history of these apters as we write about her.

On November 5, 1838 — 126 years a little baby girl was born to fine Scotch family in Little Falls, w York. Her name was Antoinette mpbell. When she was 11 years d, gold was discovered in the West. is was in 1849 and started the westward rush toward gold country.

She was 18 years old when a group of people from Little Falls went to Calhoun, Nebraska. She was later to be a teacher. Here she met Mr. Ransford, and they were married. There was great prosperity for awhile. We are told that Antoinette or Sister Nettie, as we know her, wore a ring made of the first gold discovered in that district.

In 1861 came the Civil War, and the Nebraska project had to be given up. Mr. and Mrs. Ransford moved to LaPorte, Indiana, and stayed there until the end of the Civil War. Sister Nettie became a very prominent worker in the Women's Sanitary Commission to help Union soldiers. After the war the Ransfords moved to Indianapolis.

Two little daughters blessed this home. One died in infancy and the other at the age of 15. The loss of her daughters seemed to give Sister Nettie a worshipful attitude toward all children. She became a member of the Episcopal Church in 1870; there she taught the primary class for many years.

On June 13, 1872, just three months after Queen Esther Chapter was organized, she became a member. The records of this meeting read: "Nettie Ransford was found in waiting and the degrees were enforced upon her." Believing that Chapter work was next to her Church, she threw all her zeal and earnestness into the work of the Order, and we, who came into the work years later are reaping the harvest of her sowing.
